INDEPENDENT AUDITOR'S REPORT

To the Plan Administration Committee of
SHP Management Corp. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of SHP Management Corp. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of SHP Management Corp. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SHP Management Corp. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SHP Management Corp. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SHP Management Corp. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of SHP Management Corp. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF PLAN

The following description of the SHP Management Corp. (“Company”) 401(k) Plan (“Plan”), provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of SHP Management Corp. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in the Plan on the next entry date upon reaching age 21 and completing one month of service.

Contributions

Effective January 1, 2021, the Plan was amended to include an automatic enrollment feature. Newly eligible participants will be automatically enrolled into the Plan at a pre-tax deferral percentage of 5% unless the participant elects another percentage or elects to opt out of participation. Each year, participants may contribute, on a pre-tax basis, up to the Internal Revenue Service annual limit. Participants may also make after-tax Roth contributions. Upon attaining age 50, participants may also elect to make catch-up contributions as defined under the Internal Revenue Code. Participants may elect to have their contributions invested in various managed funds which have different investment objectives. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company matches participant contributions to the Plan on an annual basis at 100% of salary deferrals up to 5% of compensation. The Company may also make discretionary contributions which are allocated to eligible participants based on the ratio of their compensation to total compensation of all participants. No such discretionary contributions were made in 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of employer contributions and Plan earnings and charged with an allocation of certain administrative expenses that are paid by the Plan. The Plan's earnings are allocated according to participants' relative account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

In Plan Roth Conversions

The Plan allows for in plan Roth conversions. Participants eligible to receive a distribution may elect to convert their non-Roth pre-tax vested balance, or a portion thereof, to Roth. The conversion triggers a taxable distribution of the pre-tax balance elected which allows the participant to roll the elected balance, net of taxes, into a Roth account held within the Plan.

Vesting

Participants are immediately vested in their contributions, the portion of the participants' accounts attributable to employer safe harbor matching contributions and any earnings thereon. That portion of the participants' accounts attributable to discretionary employer contributions become 100% vested after five years of credited service.

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeited Non-Vested Accounts

Forfeitures may be used to pay Plan expenses or to reduce employer contributions at the Company's discretion. Forfeitures totaling \$578 were used to offset employer contributions and forfeitures totaling \$1 were used to pay Plan expenses during the year ended December 31, 2021. At December 31, 2021 and 2020, the forfeited non-vested accounts totaled \$3,241 and \$309, respectively.

Payments of Benefits

The Plan provides benefits to participants upon death, disability, retirement or termination of employment. Benefits will be paid to the participant in a lump-sum payment if the balance of the account is less than or equal to \$5,000. If the balance exceeds this amount, the participant may elect to receive the benefit as a lump-sum payment or by transfer to another qualifying plan.

In certain hardship situations, as described in the Plan agreement, participants may withdraw part of their account balances while actively employed but such withdrawals must be at least \$500 and are limited to the amount dictated by the hardship. Hardship withdrawals are limited to that part of the participant's account balance that are 100% vested.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the Plan administrator. The notes must be repaid within 5 years, except in the case of a note used for the purchase of a principal residence which may be repaid within 20 years. Principal and interest are paid ratably through payroll deductions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis. As such, contributions and income are recorded when earned and benefits paid to participants are recorded when paid.

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting (Continued)

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measure for that portion of net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Plan Expenses

Fees paid directly from the Plan assets consist of trustee, investment and certain administrative fees. Certain other administrative expenses are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

Fees for the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Certain other fees incurred by the Plan for investment management and advisory services are also included in net appreciation in fair value of investments, as they are paid through revenue sharing rather than a direct payment.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes, that the plan administrator considers to be in default, are reclassified as benefit payments based upon the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the Guaranteed Investment Contract which is stated at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses related to investments are reported as net appreciation (depreciation) in fair value of investments.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes there in, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events

Events that occur after the statements of net assets available for benefits date, December 31, 2021 but before the financial statements were available to be issued must be evaluated for recognition or disclosure. Subsequent events that provide evidence about conditions that existed at the statements of net assets available for benefits date require disclosure in the accompanying financial statements. Subsequent events that provide evidence about conditions that existed after December 31, 2021 require disclosure in the accompanying notes. The plan administrator evaluated the activity of the Plan through October 14, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTE 3: INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Retirement, a duly authorized signatory of Great-West Life & Annuity Insurance Company and Great-West Trust Company, the trustee of the Plan.

Reliance Trust Company was the custodian of certain assets at December 31, 2020. Reliance Trust Company certified the fair value of those assets as complete and accurate at December 31, 2020.

NOTE 4: FAIR VALUE MEASUREMENTS

The accounting framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 4: FAIR VALUE MEASUREMENTS (Continued)

Level 2: (Continued)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds (Registered Investment Companies (RICs)): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at net asset value, which is based on the fair value of the underlying net assets of the funds. These funds target varying asset allocations of equity mutual funds and fixed income funds, with longer dated funds generally having lower percentages of equity funds and higher percentages of fixed income funds; based on net asset value.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

Assets at Fair Value as of December 31, 2021

NOTE 5: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Massachusetts Mutual Life Insurance Company (MassMutual). The applicable contributions are maintained in a general account at MassMutual. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract.

The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by MassMutual, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The guaranteed investment contract has no specified maturity date.

The contract value of the MassMutual Guaranteed Interest Account (GIA) at December 31, 2021 and 2020 was \$750,912 and \$796,182.

The crediting interest rates are based on formulas agreed upon with the issuer. Such interest rates are reviewed every six-months for the GIA. Interest income for the year ended December 31, 2021 was \$7,413.

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 5: GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the Plan's ability to transact at contract value with The Standard. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTE 6: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain administrative expenses to Great-West Life & Annuity Insurance Company, the contract administrator and an affiliate of Empower Retirement, and, therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid to Great-West for the Plan year ended December 31, 2021 totaled \$48,925.

NOTE 7: TAX STATUS

The Plan is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC), and, accordingly, the Plan's net investment income is exempt from income taxes. The plan administrator believes that the Plan is designed and operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the DOL and/or IRS. The Plan is subject to routine audits by the taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 8: ADMINISTRATION OF PLAN ASSETS

Officers and employees of the Company perform various administrative functions. No such officer or employee receives compensation from the Plan.

SHP MANAGEMENT CORP. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(Continued)

DECEMBER 31, 2021 AND 2020

NOTE 9: RISKS AND UNCERTAINTIES

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

NOTE 10: CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY (CARES) ACT

The CARES Act was enacted March 2020 to provide emergency assistance for individuals, families and businesses affected by the coronavirus pandemic and the Plan subsequently adopted the distribution provision. Under the CARES Act, qualified retirement plans could allow coronavirus-related distributions to qualified participants up to \$100,000. To qualify, participants needed to meet certain specifications as noted in the Act and the eligible distributions were required to be taken by December 31, 2020. Such distributions may, at the election of the participant receiving the distribution, be repaid over the next three (3) years. Any future repayments of these distributions will be reported as rollover contributions. There were no such repayments during the year ended December 31, 2021.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
