We have performed an audit of the accompanying financial statements of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statement section-

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gastroenterology Associates, P.A. Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule on page 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator
Gastroenterology Associates, P.A.
Profit Sharing Plan and Trust
Page Five

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gastroenterology Associates, P.A. Profit Sharing Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Our report dated August 25, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following description of Gastroenterology Associates, P.A. (the “Employer”) Profit Sharing Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan administered by the Employer for the benefit of its employees. An employee becomes eligible to participate in the Plan on the January 1 coinciding with or immediately following the date on which he or she has attained the age of 20 1/2. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

CONTRIBUTIONS

The Employer contributes 3% of each participant’s compensation to the Plan (“safe harbor contribution”). In addition, the Plan permits the Employer, at its discretion, to contribute an additional amount to the Plan (“discretionary contribution”). Participants may also elect to contribute to the Plan out of their individual compensation from the Employer (“deferral contribution”). Contributions are subject to certain limitations, and participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the Employer’s safe harbor contribution, the participant’s deferral contribution, investment earnings, an allocation of the Employer’s discretionary contribution, and an allocation of the forfeitures of terminated participants’ nonvested accounts. Each participant’s account is debited for investment losses and an allocation of investment and administrative expenses. Allocations are based on participant account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN (Continued)

VESTING

Participants are immediately vested in their deferral contributions, the Employer's safe harbor contributions to their account, and the earnings on these amounts. A participant's vesting in the Employer's discretionary contributions to his or her account plus earnings thereon is based on the participant's years of credited service with the Employer. A participant is 100% vested after six years of credited service.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or for other reasons, a participant with a vested account balance in excess of \$5,000 may elect to receive an amount equal to the value of the participant's vested interest in his or her account in (a) a single lump-sum payment, (b) substantially equal installments, or (c) partial withdrawals or installments under the required minimum distribution provisions of Sec. 401(a)(9) of the Internal Revenue Code. A participant electing installment payments will specify the period of time for those payments with such period not to exceed the participant's life expectancy or the joint life expectancy of the participant and his or her designated beneficiary.

In-service distributions are also permitted by the Plan subject to certain requirements and limitations as specified in the Plan agreement.

FORFEITURES

Forfeitures due to nonvesting totaled \$19,747 and \$59,778 for the years ended December 31, 2021 and 2020, respectively. These amounts have been used to reduce the Employer's contributions for 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the modified cash basis of accounting. This basis differs from accounting principles generally accepted in the United States of America because the Plan has not recognized contributions receivable or payable. The modified cash basis differs from the cash basis because the investments are adjusted to fair value.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note C for discussion of fair value measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis or "when received". Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

CASH

The Plan considers all bank checking accounts, bank money market accounts, and brokerage cash accounts, which are not subject to withdrawal restrictions or penalties, to be cash.

CASH EQUIVALENTS

The Plan considers all money market mutual funds or similar accounts, which are not subject to withdrawal restrictions or penalties, to be cash equivalents.

PAYMENT OF BENEFITS

Benefits are recorded when paid by the Plan.

EXPENSES

Certain administrative expenses, including those pertaining to trustee fees, advisor fees, and contract administration, are paid by the Plan and charged to participants' accounts. Other administrative expenses are paid directly by the Employer and are excluded from these financial statements. Investment expenses are included in net appreciation (depreciation) in fair value of investments.

SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 28, 2022, the date the financial statements were available to be issued.

NOTE C – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits - Modified Cash Basis. - (a) In accordance with Topic 820, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement*, defines fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs have the highest priority and consist of unadjusted quoted prices in active markets for identical assets; Level 2 inputs consist of observable market data other than unadjusted quoted prices in active markets for identical assets; and Level 3 inputs have the lowest priority, are unobservable, are supported by little or no market activity, and are generally based on the entity's own assumptions. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments on a recurring basis. When available, the Plan measures fair value using Level 1 inputs because these generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE C – FAIR VALUE MEASUREMENTS (Continued)

LEVEL 1 FAIR VALUE MEASUREMENTS

The fair values of mutual funds are based on quoted net asset values in active markets of the shares held by the Plan in these investments at year-end.

LEVEL 2 FAIR VALUE MEASUREMENTS

The UTC WPS Target Risk-Mod II common trust fund is a collective investment of assets contributed from multiple employer benefit plans. The investments of the fund consist of exchange traded securities whose net asset values are aggregated and combined with stated fees to arrive at the fair market value. As such, the Plan's investment in this fund is categorized under Level 2.

LEVEL 3 FAIR VALUE MEASUREMENTS

There were no transfers in or out of assets with Level 3 inputs during the year ended December 31, 2021.

NOTE D – TRUSTEE CERTIFICATIONS

The December 31, 2021 and December 31, 2020, Statements of Net Assets Available for Benefits - Modified Cash Basis, the Statements of Changes in Net Assets Available for Benefits - Modified Cash Basis for the years ended December 31, 2021 and 2020, the accompanying notes to the financial statements, and the supplemental information were prepared in part or entirely from information certified by the Trustee (American Trust Company, N.A.) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$34,878,966 and \$30,528,976 at December 31, 2021 and December 31, 2020, respectively, and related income of \$4,196,554 and \$2,949,816 for the years ended December 31, 2021 and 2020, respectively.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE E – UTC STABLE VALUE TRUST COMMON TRUST FUND

The UTC Stable Value Trust common trust fund is a collective investment trust holding a fully benefit-responsive group annuity contract with Metropolitan Life Insurance Company. Withdrawals resulting from an employer or plan sponsor initiated event could result in a payment less than the guaranteed value if the contract's market value is less than the guaranteed value.

NOTE F – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Several Plan investments are managed by the current trustee, American Trust Company, N.A., and therefore, the related transactions qualify as party-in-interest transactions. Certain fees for the related investment management services are paid through revenue sharing, rather than a direct payment. Other related fees are not covered by revenue sharing and are paid directly by the Plan. The total fees, net of revenue sharing, are included in administrative expenses.

NOTE G – PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE H – PLAN AMENDMENTS

Effective January 1, 2017 the Plan was amended to no longer permit hardship distributions.

Effective January 1, 2018 the Plan was amended to modify the method of allocating the profit sharing contributions.

Effective January 1, 2019 the Plan was amended to modify retirement ages, post-severance compensation, and to adopt an automatic contribution arrangement.

GASTROENTEROLOGY ASSOCIATES, P.A. PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE I – TAX STATUS

The Employer has adopted the American Trust Company, N.A. Volume Submitter 401(k) Profit Sharing Plan. The Internal Revenue Service has determined by letter dated March 31, 2014, that this prototype plan document satisfies the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since the date of the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore the Plan continues to be qualified and the related trust continues to be tax-exempt.

Plan management evaluates tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits in progress for any tax periods.

NOTE J – RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE K – CASH BALANCE DEFINED BENEFIT PLAN

On January 1, 2018 the Employer adopted a separate cash balance defined benefit plan. The name of the plan is Gastroenterology Associates, P.A. Cash Balance Plan. Because of this plan adoption the Employer now maintains two retirement plans. Combined testing is performed in order to determine that certain regulatory requirements are met.

NOTES TO FINANCIAL STATEMENTS

Years Ended December 31, 2021 and 2020

NOTE L – CONTINGENCIES

The 2019 novel coronavirus (“COVID-19”) pandemic adversely impacted economic activities globally during 2020. On January 31, 2020, the U.S. Health and Human Services Secretary declared a public health emergency for the United States. On March 27, 2020, the President signed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which provides, among other things, relief provisions available to tax qualified retirement plans and their participants. Plan management evaluated the impact of the provisions but did not approve them. The COVID-19 pandemic may continue to effect economic and market conditions which could negatively impact the Plan.

NOTE M – SUBSEQUENT EVENTS

The Plan was amended and restated with an effective date of January 1, 2022 in order to comply with the requirements of the 2017 Cumulative List (Notice 2017-37).
