Plan Administrator and Participants
Michigan Turkey Producers 401(k) Savings Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Michigan Turkey Producers 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Summary of Significant Plan Provisions

The following description of the Michigan Turkey Producers 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of employees of Michigan Turkey Producers (the “Employer”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Each employee, except leased employees, shall be eligible to participate in the Plan provided that the employee has completed a year of service during which 1,000 hours are accrued and the employee has obtained a minimum age of 21 years. Entry dates are the first day of the month coinciding with or following the date the eligibility requirements are met.
- c. **Contributions** – Participants may contribute through payroll deductions and eligible rollover contributions. Contributions made through payroll deductions can be made in an amount up to the maximum amount allowed by the Internal Revenue Service (“IRS”). The Employer shall contribute a safe harbor matching contribution equal to 100% of a participant’s contributions up to 3% of the participant’s compensation, plus 50% of a participant’s contributions that exceed 3% of the participant’s eligible compensation up to 5% of the participant’s eligible compensation. The Employer may make discretionary nonsafe harbor match and profit sharing contributions. No such discretionary contributions were made during the years ended December 31, 2021 or 2020.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s contributions and allocations of any Employer contributions and Plan earnings/losses, and is reduced by any withdrawals. Allocations are based on participant earnings, contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting** – The interest of a participant in Employer discretionary contributions shall be fully vested and nonforfeitable when the employee attains normal retirement age 65 or attains early retirement age 55 with at least six years of vesting service. If a participant terminates employment other than because of their retirement, they are entitled to the total value of their own contributions, the safe harbor matching contributions and earnings thereon, plus a vested percentage of other discretionary contributions made by the Employer and earnings thereon. This vested percentage is determined as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or greater	100%

1. Summary of Significant Plan Provisions (cont.)

- f. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions into any of the investments offered by the Plan. Participants may change their investment selections at any time.
- g. **Notes receivable from participants** – Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 (as reduced in the Plan agreement) or 50% of their vested balance. Note terms range from one to five years or a reasonable amount of time if the purpose of the note is the purchase of the principal residence of the participant. The notes are secured by the participant's account and bear interest at a rate commensurate with local prevailing borrowing rates. Principal and interest are paid through payroll deductions at least quarterly.
- h. **Forfeitures** – The portion of a participant's account to which they are not entitled upon termination of participation is deemed a forfeiture. As a result of there being no Employer discretionary contributions to this Plan since it was established, there are no forfeitures. Any future forfeiture created shall be used to offset Employer contributions made after the forfeiture is determined and will be allocated to participants' accounts in the same manner as the contributions they offset.
- i. **Payment of benefits** – Upon separation of service due to death, disability, retirement or termination, the vested portion of the participant's account will be paid in a lump sum as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable. Participants, upon termination of employment, may also elect to defer payment on their account balance if it exceeds \$5,000. If a terminated participant's account balance is equal to or less than \$1,000, the account will be automatically distributed. Any distribution greater than \$1,000 that is made to a participant without the participant's consent will be rolled over to an individual retirement plan designated by the Plan administrator. In-service withdrawals are available to participants meeting certain hardship requirements, as defined in the Plan agreement, and also to participants who have attained age 59½.

The Plan implemented certain provisions of the Coronavirus Aid, Relief and Economic Security Act (CARES Act) which allowed eligible individuals to receive a coronavirus-related hardship distribution through December 31, 2020.

- j. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer accounts.

Notes to Financial Statements

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.
- c. **Investment valuation and income recognition** – Investments are reported at fair value. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest on notes receivable from participants is recorded on the accrual basis. Net change in fair value of investments includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid, interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – During the years ended December 31, 2021 and 2020, certain administrative expenses of the Plan were voluntarily paid by the Employer. These expenses are excluded from the financial statements. Fees related to loans distributions are charged directly to the participant’s account. Other administrative expenses paid by the Plan are allocated to participants’ accounts.

3. Investments

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by John Hancock Life Insurance Company (“John Hancock”), the custodian of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule:

- a. Investments at fair value as shown on the accompanying statement of net assets available for benefits of \$21,013,371 and \$17,856,677 as of December 31, 2021 and 2020, respectively.
- b. Net change in fair value of investments as shown on the accompanying statement of changes in net assets available for benefits of \$2,324,202 and \$2,639,641 for the years ended December 31, 2021 and 2020, respectively.

Notes to Financial Statements

December 31, 2021 and 2020

3. **Investments (cont.)**

- c. All investment transactions that occurred during the Plan years ended December 31, 2021 and 2020.
- d. All information included in the schedule of assets (held at end of year), excluding participant loans.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

4. **Fair Value Measurements**

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 or 2020.

Pooled separate accounts: These investments are valued based on the net asset value (“NAV”) of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	<u>Fair Value as of December 31,</u>		<u>Unfunded</u>	<u>Redemption</u>	<u>Redemption</u>
	<u>2021</u>	<u>2020</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>

Notes to Financial Statements**December 31, 2021 and 2020****5. Tax Status**

The Plan has adopted a defined contribution volume submitter plan document (the “Plan document”). The Plan document received a letter dated March 31, 2014 in which the IRS stated the Plan document was in compliance with the applicable sections of the Internal Revenue Code (“IRC”). As allowed by the IRS, the Plan is relying on the opinion letter issued on the Plan document for its own qualification. The Plan document has been amended since receiving the opinion letter; however, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Parties-in-Interest Transactions

John Hancock is the custodian and third party administrator of the Plan. As of December 31, 2021 and 2020, the Plan was invested in John Hancock pooled separate accounts. The Plan pays John Hancock for their services. Inasmuch as John Hancock serves as the custodian and third party administrator of the Plan’s assets, John Hancock is by definition a party-in-interest and, as a result, all investments and investment transactions with John Hancock were with a party-in-interest. The Plan also holds notes receivable from participants. As a result, these notes receivable and related transactions were with a party-in-interest. All of these transactions are exempt from being prohibited transactions under ERISA.

7. Subsequent Events Evaluation Date

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2021 financial statement date and determined there were no subsequent events necessary for disclosure through October 6, 2022, which is the financial statement issuance date.
