INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Cohen & Company 401(k) Profit Sharing Plan

Scope and Nature of the ERISA 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Cohen & Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statement (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Cohen & Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cohen & Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cohen & Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Cohen & Company 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) PROFIT SHARING PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Cohen & Company 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General

The Plan is a defined contribution plan covering certain categories of employees of Cohen Sequoia Enterprises, Ltd., (the Plan Sponsor) and affiliated employers including Cohen & Company, Ltd., and Cohen & Company Marketing Services, Ltd. (collectively, the Company). Interns (Category VII) are eligible to participate in the profit sharing portion of the Plan two months after the date of hire; designated core service leaders (Categories I-VI and VIII-XII) are immediately eligible. Other employees are currently not eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustee is responsible for oversight of the Plan. The Retirement Committee determines the appropriateness of the Plan's investment offerings, monitors operations and investment performance and reports to the trustee.

Contributions

Currently the 401(k) feature of the Plan is currently not open; therefore, there are no elective deferrals. The Company makes discretionary contributions. The employer also contributes to the Plan each year to meet certain nondiscrimination requirements.

Participant Accounts

Each participant's account is credited with the allocation of the Company's contribution and all earnings and losses on the participant's selected investments. Each account is also charged with fees and investment expenses for selected investments. The profit sharing is cross-tested with related plans to ensure contributions overall meet requirements. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account.

Vesting

Vesting is based on years of service which varies based on the participant's category (senior participants are required to have either 10 or 1,000 hours depending on their classification; interns must complete 300 hours). A participant is 100 percent vested after three years of credited service based on a cliff vesting schedule.

NOTE 1 - DESCRIPTION OF PLAN – (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct the investment of their contributions in a wide variety of mutual funds including a money market mutual fund. The Plan specifies retirement target funds as default investments (based on date of birth) for participants who do not select investment options. Participants may change their investments daily.

Notes Receivable from Participants

Although the Plan does not provide for borrowing, participants who were formerly participants in another employer plan may have rolled over their account from that plan including an existing loan. Such loans continue to be repaid under the same terms. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates under the terms of the initial agreement. Interest rates on existing loans are 4.25 to 7.25 percent. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination, death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, annual installments over a period not to exceed the participant's life expectancy (or the expectancy of the participant and his or her designated beneficiary), or an annuity

Forfeited Accounts

Forfeited non-vested accounts may be used to the extent necessary to restore previously forfeited benefits if necessary and then to reduce employer contributions. At year end, the balance in the forfeiture account was \$53,128 and \$100,851 at December 31, 2021 and December 31, 2020, respectively. Forfeitures for the year ended December 31, 2021 were \$4,771. In accordance with Plan provisions, the forfeiture balance can be used to reduce employer contributions. Forfeitures of \$52,503 were applied to the contribution for the year ended December 31, 2020 during 2021. Approximately \$35,000 will be applied in 2022 to the 2021 contribution.

Amounts Allocated to Withdrawing Participants

Plan provisions allow automatic distributions to fully-vested terminated participants with account balances less than \$1,000 and with consent for those between \$1,000 and \$5,000. At December 31, 2021 and December 31, 2020 net assets available for benefits included approximately \$0 and \$7,700, respectively, for withdrawing participants which are normally distributed the following year.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and as assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The Plan currently does not hold benefit responsive contracts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions

There are no excess contributions for the plan year ended December 31, 2021.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES – (Continued)

Notes Receivable from Participants

Participant notes receivable are reported at their unpaid principal balances, plus accrued but unpaid interest, if any. No allowance for credit losses has been recorded as of December 31, 2021 and December 31, 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - INVESTMENTS

The December 31, 2021 and December 31, 2020 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Charles Schwab Trust Bank, the Trustee, in accordance with 29 CFR2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$45,516,842 and \$17,147,866 and participant notes receivable (exclusive of accrued interest) of \$132,429 and \$28,909 at December 31, 2021 and 2020, respectively, and related cash-basis investment income of \$4,963,600 and interest on participant notes receivable of \$6,683 for the year ended December 31, 2021.

During the 2021 plan year, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,282,257 as follows:

Mutual Funds	
Realized gains (losses)	\$ 1,850,995
Unrealized gains (losses)	\$ 1,431,262

Approximately \$1.4 million of gain results from the transfer of target fund investments to institutional target funds.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Retirement Committee determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value accounting literature establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- ♦ Quoted prices for similar assets or liabilities in active markets;
- ♦ Quoted prices for identical or similar assets or liabilities in inactive markets;
- ♦ Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS – (Continued)

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Assets measured at fair value on a recurring basis as of December 31, 2021 and December 31, 2020 were as follows:

	December 31, 2021	December 31, 2020
	<u>Level 1</u>	<u>Level 1</u>
Money Market Mutual Fund	\$ 2,513,153	\$ 955,891
Other Mutual Funds	<u>43,003,689</u>	<u>16,191,975</u>
Total	<u>\$ 45,516,842</u>	<u>\$ 17,147,866</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2020 are reported in net appreciation in fair value of investments.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 - TAX STATUS

The Plan obtained a determination letter dated March 30, 2018 in which the Internal Revenue Service states that the Plan as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan files Form 5500, Annual Return/Report of Employee Benefit Plan, in compliance with DOL and IRS regulations. The returns for the years ending December 31, 2019 and subsequent are subject to examination by the IRS, generally three years after filing. For DOL purposes, the returns are subject to review for six years after filing.

NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Company or its affiliates. No such officer or employee receives compensation from the Plan.

The recordkeeper for the Plan is Schwab Retirement Plan Services, Inc., an affiliate of Charles Schwab Trust Bank which is a trustee with respect to the Plan. Charles Schwab Bank and related affiliate(s) may receive indirect compensation from mutual fund companies.

NOTE 9 – TRANSFERS FROM ANOTHER PLAN

The Plan sponsor maintains another 401(k) profit sharing plan; however, certain categories of employees (see Note 1) eligible for this plan are excluded from that plan. For 2021, the Plan sponsor internally assigned significantly more employees to their core service leader categories, resulting in significantly more participants in this plan. Assets of approximately \$23.5 million were transferred to the Plan for these participants during 2021.

NOTE 11 – PLAN AMENDMENT

Effective for 2021 only, the Plan adopted a corrective amendment to add an additional classification of employees to the Plan, Category XII, encompassing specified classes of employees as designated in the sponsor's business records. These employees will be allocated contributions based on the same formula as Category VII participants, but will be immediately eligible and 100% vested.

NOTE 12 - RECONCILIATION OF THE FINANCIAL STATEMENT TO FORM 5500

Net Assets Available for Benefits per both the financial statements and Schedule H of Form 5500 at December 31, 2021 and December 31, 2020 were \$47,300,487 and \$17,917,775, respectively.

NOTE 13 – SUBSEQUENT EVENT

Effective January 1, 2022, additional employees became eligible for the Plan. These employees were previously eligible for another plan maintained by the Company. As a result of this change, assets of approximately \$1.6 million transferred into this Plan during 2022.
