INDEPENDENT AUDITOR'S REPORT ON 2021 FINANCIAL STATEMENTS

To the Participants and Administrator of
American Psychological Association 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of American Psychological Association 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- 
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the American Psychological Association 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the American Psychological Association 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT ON 2020 FINANCIAL STATEMENTS

To the Participants and Administrator of
American Psychological Association 401(k) Plan

We were engaged to audit the accompanying financial statements of American Psychological Association 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

As permitted by 20 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by [name of financial institution], the trustee [or custodian] of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee [or custodian] holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee [or custodian] as of December 31, 2020, that the information provided to the Plan administrator by the trustee [or custodian] is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from information certified by the trustee [or custodian], have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AMERICAN PSYCHOLOGICAL ASSOCIATION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN

The American Psychological Association 401(k) Plan (the Plan) was adopted effective January 1, 2001. The Plan is a savings plan under section 401(k) of the Internal Revenue Code (IRC).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the American Psychological Association (the Association). Those persons employed by the Association as of January 1, 2001, were immediately eligible to make salary deferral contributions. Those persons hired after January 1, 2001, are immediately eligible to make salary deferral contributions, with the exception of those employees who are scheduled to work less than 20 hours per week. In this case, the employee must complete at least 1,000 hours of service during any 12-month period before becoming eligible to make salary deferral contributions. Employees who have completed one year of service and who are age 21 or older are eligible to receive matching employer contributions. Effective January 1, 2018, employees no longer were required to complete one year of service to be eligible for matching employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended and meets the design-based "safe harbor" matching contribution method.

Contributions and Investment Elections - Participants may contribute any percentage of their pre-tax compensation not to exceed Internal Revenue Service (IRS) annual deferral limits for the plan year. Plan participants who are age 50 years or older by the end of the calendar year are able to make catch-up contributions to the Plan. Catch-up contributions represent employee compensation deferrals in excess of IRS annual deferral limits. Investment selections are self-directed.

The Association contributes a matching amount up to 4% of each participant's pre-tax compensation for the payroll period. At its discretion, the Association may also contribute an additional percentage of each participant's pre-tax compensation for the plan year. The Plan provides that contributions will be directed by each participant and invested in fixed dollar annuities issued by Empower Retirement (Empower) (formerly Mass Mutual) and the Teachers Insurance and Annuity Association of America-College Retirement Equities Fund (TIAA- CREF).

Effective May 1, 2015, Empower became the Plan Trustee and a significant portion of the Plan assets were transferred.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts - Each participant's account is credited with the participant's salary deferral contribution, the related Association matching contribution, the Association discretionary contribution, rollover amounts and plan earnings (losses). Allocations are based on participant earnings (losses) or on compensation (as defined). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting - Participants are fully vested in all contributions and rollovers plus actual earnings thereon.

Payment of Benefits - A participant shall be entitled to receive benefits upon retirement, death, or termination of employment. If a participant's account exceeds \$5,000, no distribution shall be made to the participant before the participant reaches age 65, unless the consent of the participant has been obtained.

In Service Withdrawals - Upon attainment of age 59½, participants may begin to receive a distribution of all or any portion of their accounts thereon prior to termination of employment. Participants may also make hardship withdrawals subject to certain rules prior to termination of employment from their voluntary contributions plus actual earnings thereon, subject to a \$500 minimum amount. Effective May 1, 2016, the Plan was amended and account balances of less than \$5,000 at termination are automatically moved to an Individual Retirement Account (IRA) in the participants' names if not distributed.

Notes Receivables from Participants - Participants may borrow from their individual account a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested balance, reduced by any outstanding loan balance. As of December 31, 2016, participants were permitted to have up to two outstanding loans. Loans must be repaid within five years with certain exceptions. The loans are secured by the balance of the participant's account and bear interest at a rate determined by the Plan administrator. As of December 31, 2021, the interest rate charged on loans was between 4.25% to 6.50%.

Plan Administration - The assets of the Plan are held in trust by TIAA-CREF and Empower.

Adoption of New Acts - During the year ended December 31, 2020, the Plan did allow for participants to utilize the aid from the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). This act provided for Coronavirus-related distributions, increases in loan limits, loan payment suspensions, and changes to the required minimum distribution administration.

Additionally, during the year ended December 31, 2020, the Plan also adopted the provisions of the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) which was signed into law on December 20, 2019. This act made it so that long-term, part-time employees were now eligible to participate in the Plan, so long as they meet 500 hours of service in three consecutive years. The act also extended the minimum required distribution age to 72.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan follows the accrual basis of accounting for financial reporting purposes. Under this basis, revenue is recognized when earned and expenses are recognized as incurred. The financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments in mutual funds and pooled separate accounts are stated at their fair value based upon either quoted market prices or the reported net asset value of the investment. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in the insurance company contracts are carried at contract value which represents the value that the participants can redeem their individual accounts and the portion of the net assets available for benefits that the contract represents.

Purchases and sales of securities are recognized on a trade-date basis.

In the statements of changes in net assets available for benefits, the Plan presents the net investment income from Plan investments during the year, which consists of interest income, realized gains or losses and the unrealized appreciation and depreciation on these investments. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

Payment of Benefits - Benefit payments to participants are recognized when paid.

Contributions - Participant contributions are recognized in the period payroll deductions are made. Matching contributions are recognized in the period when the related participant contributions are recognized.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued and unpaid interest. The interest income is recognized on the accrual basis. No allowances for credit losses has been recognized as of December 31, 2021 and 2020.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Association. Expenses that are paid by the Association are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3. INVESTMENTS

Accounting standards provide the framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include other significant observable inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2021:

Description	As of December 31, 2021			
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 131,141,625	\$ 131,141,625	\$ -	\$ -
Investments measured at net asset value*	<u>2,598,052</u>			
Investments at fair value	<u>\$ 133,739,677</u>			

*In accordance with Accounting Standards Codification, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 3. INVESTMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2020:

Description	As of December 31, 2020			
	Assets Measured at Fair Value	Fair Value Hierarchy Level		
		Level 1	Level 2	Level 3
Mutual funds	\$ 113,201,022	\$ 113,201,022	\$ -	\$ -
Investments measured at net asset value*	2,435,949			
Investments at fair value	<u>\$ 115,636,971</u>			

*In accordance with Accounting Standards Codification, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual funds: The fair value of the Plan's investments in mutual funds that are valued using the quoted prices of identical investments on the active markets they are traded are listed as Level 1 investments.

Pooled separate accounts: These investments are valued at net asset value (NAV) per share. Generally, NAV is based upon the estimated value of the underlying investment as reported by the investment manager.

Authoritative guidance on fair value measurements permits the Plan to measure the fair value of an investment in an investment entity that does not have a readily determinable fair value based upon the NAV or its equivalent of the investment. This guidance does not apply if it is probable that the investment will be sold at a value different than NAV.

The Plan's investment in investment entities valued at NAV is subject to the terms of the respective private placement memoranda and governing agreements. Income or loss from investments in these investment entities is net of the Plan's proportionate share of fees and expenses incurred or charged by these investment entities.

The Plan's risk of loss in these entities is limited to its investment. The Plan may increase or decrease its level of investment in these entities at its discretion. The Plan typically has the ability to redeem its investment from these entities on a daily or quarterly basis, but longer lock-up periods can apply to certain investments.

NOTE 3. INVESTMENTS (CONTINUED)

The following table summarizes the Plan's investments in certain entities that calculate net asset value per share as fair value measurement as of December 31, 2021 and 2020 by investment strategy:

	Fair Value		Redemption Frequency	Redemption Notice Period	Unfunded Commitments
	2021	2020			
a. Pooled separate account	\$ 2,598,052	\$ 2,435,949	Quarterly	None	N/A

The Plan's investment in the pooled separate account category is made up of a real estate account which reports as a direct filing entity (DFE). This investment can be redeemed quarterly.

NOTE 4. INSURANCE ANNUITY CONTRACT

The Plan maintains investment contracts with insurance companies. The Plan's investments in the insurance company contracts are carried at contract value which represents the value that the participants can redeem their individual accounts and the portion of the net assets available for benefits that the contract represents. The contract meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if there were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits and earnings less withdrawals and fees. The participants may ordinarily direct permitted withdrawal or transfers of all or a portion of their account balance at contract value within reasonable timeframes. The Plan's investments in insurance annuity contracts at contract value were \$20,214,648 and \$21,494,161 as of December 31, 2021 and 2020, respectively.

The Plan's ability to received amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer.

Such events include: 1) amendments to the Plan documents including complete or partial plan termination or merger with another plan, 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or the other Plan sponsor events that cause a significant withdrawal from the Plan, 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and 5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

NOTE 4. INSURANCE ANNUITY CONTRACT (CONTINUED)

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include: an uncured violation of the Plan's investment guidelines, a breach of material obligation under the contract, a material misrepresentation, a material amendment to the agreement without the consent of the issuer.

NOTE 5. PLAN TERMINATION

The Association intends to continue the Plan indefinitely but reserves the right to amend or terminate the Plan at any time subject to the provisions of ERISA. In the event of a Plan termination, the value of the participants' accounts would be distributed to the participants.

NOTE 6. FINANCIAL INFORMATION CERTIFIED BY TIAA-CREF AND EMPOWER

Investment balances of \$153,954,325 at December 31, 2021 and the related investment information, including net appreciation in fair value of investments, included in the financial statements, notes to financial statements, and accompanying supplemental schedule were certified by Empower and TIAA-CREF, Trustees of the Plan. Investment balances of \$137,131,132 at December 31, 2020 and the related investment information, including net appreciation in fair value of investments, included in the financial statements, and notes to financial statements were certified by TIAA-CREF, Trustee of the Plan. The Trustees certified as to the completeness and accuracy of the investments.

NOTE 7. INCOME TAX STATUS

The IRS has determined and informed the Association by letter dated June 10, 2012 that the Plan is designed in accordance with the applicable sections of the IRC. The Plan has been amended since the receipt of the determination letter; the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting standards provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended December 31, 2021 and 2020, and determined that there were no matters that would require recognition in the financial statements. As of December 31, 2021, the statute of limitations for the tax years 2018 through 2020 remains open with the U.S. Federal jurisdiction and the various states and local jurisdictions in which the Plan files returns.

NOTE 8. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Association, as Plan sponsor, provides certain administrative services to the Plan, and also pays for certain professional and administrative fees directly to service providers on behalf of the Plan, including TIAA-CREF and Empower, the investment custodians and recordkeepers for the Plan. These transactions qualify as related party transactions, which are exempt from the prohibited transaction rules of ERISA.

TIAA-CREF and Empower are parties-in-interest as defined by ERISA. Plan assets are invested in funds that are also managed by TIAA-CREF and Empower. Such transactions qualify as party-in-interest transactions permitted by the Department of Labor regulations. No amounts were paid to TIAA-CREF or Empower directly by the Plan for the years ended December 31, 2021 and 2020.

NOTE 9. RISKS AND SIGNIFICANT UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying financial statements.

NOTE 10. SUBSEQUENT EVENTS REVIEW

Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
