INDEPENDENT AUDITORS' REPORT

To the Trustee of the
AOG LLC dba TruFoodMfg 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of AOG LLC dba TruFoodMfg 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA 103(a)(3)(C) audit]. The financial statements comprise the statement of assets available for benefits as of December 31, 2021, and the related statement of changes in assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the statements or information regarding assets so held are prepared and certified to by the qualified institution in accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP); and
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risks of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if they would influence the judgment made by a reasonable, user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to

auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of assets available for benefits of the Plan as of December 31, 2020, and the statement of changes in assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 10, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AOG LLC DBA TRUFOODMFG 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of AOG LLC dba TruFoodMfg 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions. The Plan is a defined contribution plan qualified under Section 401(k) of the Internal Revenue Code and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General - The Plan, established effective May 1, 2007 and most recently amended and restated on January 2, 2021, covers all eligible employees, excluding leased employees, union employees and nonresident aliens, of AOG LLC dba TruFoodMfg (the "Company"). The plan document is amended from time to time to reflect changes in laws applicable to employee benefit plans.

CARES Act - The Coronavirus Aid, Relief and Economic Security (CARES) Act contains several provisions related to employee benefit plans. The Plan adopted several of these provisions in 2020 and was formally amended on January 2, 2021. The provisions adopted by the Plan include the following:

- Allowing participants to take a coronavirus-related distribution of up to \$100,000 (not to exceed the participant's account balance) without a 10% early withdrawal penalty.
- Allowing participants to borrow up to \$100,000 in loans, for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed.
- Allowing suspension of loan payments due March 27, 2020 through December 31, 2020 for up to one year.
- Allowing suspension of 2020 required minimum distributions.

Eligibility - Employees who attain the age of eighteen and have three consecutive months of service are eligible for elective salary deferrals and employer contributions (as described below) on the first day of the month coinciding with or following the date that eligibility is achieved.

Employee Contributions - Participants may elect to defer a percentage of their compensation as a pretax contribution up to the maximum amount determined each year by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the plan year are also eligible to make catch-up contributions as permitted by the IRS. The Plan also accepts rollover contributions from other qualified plans.

Employer Contributions - The Plan provides for safe harbor matching contributions equal to 100% of the first 3% of compensation and 50% of the next 2% of compensation deferred. The plan also provides for discretionary matching and non-elective profit sharing contributions. There were no discretionary contributions for the years ended December 31, 2021 and 2020.

Participant Accounts - Each participant's account is credited with contributions and an allocation of the Plan's earnings on a daily basis. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investment in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are immediately vested in their voluntary contributions, employer safe harbor matching contributions and earnings thereon. A participant is 100% vested after three years of credited service for discretionary employer contributions.

Forfeitures - Forfeitures represent the portion of non-vested benefits remaining in the Plan for terminated employees upon the earlier of the the distribution of the terminated employee's entire vested balance or five consecutive breaks in service (as defined in the plan document). Forfeiture balances may be used to pay plan expenses or to reduce employer contributions as described in the plan document. There were forfeitures of \$155 and \$22 during the years ended December 31, 2021 and 2020, respectively, and at December 31, 2021 and 2020 forfeitures available for use were \$178 and \$22, respectively. During the year ended December 31, 2020, forfeitures of \$1,541 were utilized to reduce safe harbor matching contributions.

Payment of Benefits - All distributions are subject to the provisions of the Plan document. Upon attainment of age 59 1/2, participants may elect to receive in-service withdrawals. Upon termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a single lump-sum payment, subject to tax withholding requirements, or a qualified tax-free rollover. The Plan further provides for hardship withdrawals and required minimum distributions.

Notes Receivable from Participants - Participants may borrow between \$1,000 and the lesser of 50% of their vested account balance or \$50,000 from their account. Loans are secured by the balance in the participant's account and bear fixed interest at the prime rate plus 1% at the inception of the loan. Interest rates on outstanding loans at December 31, 2021 and 2020 ranged from 4.25% to 6.50%. Repayment is required within five years or within a reasonable period of time if the loan is for a primary residence. Principal and interest are paid through regular payroll deductions.

Administrative Expenses - The Plan is credited with revenue sharing, which may be used to pay the Plan's administrative expenses. Income from revenue sharing was \$18,346 and \$13,312 for the years ended December 31, 2021 and December 31, 2020, respectively, and is presented with net appreciation in fair value of investments in the statements of changes in net assets available for benefits. Administrative expenses for the years ended December 31, 2021 and 2020 included investment management fees as well as loan and distribution fees. Other administrative expenses were paid by the Company.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The Plan's financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in assets and liabilities at the dates of the financial statements. Actual results could differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividend income is recorded on the ex-dividend date.

Fair Value Measurements - U.S. GAAP establishes a framework for measuring the fair value of financial assets. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets that the Plan has the ability to access. |
| Level 2 | Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the respective funds, which are considered to be actively traded (Level 1 measurement).

Key Guaranteed Portfolio Fund: Fully benefit-responsive group annuity contract valued at contract value (Level 2 measurement).

Collective Trust Funds: Valued at the net asset value per share as provided by the custodian, which is a practical expedient to estimate fair value and is excluded from the fair value hierarchy. The Plan's investments in collective trusts are redeemable on a daily basis without restriction. There are no unfunded commitments to these funds at December 31, 2021.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

Net Change in Fair Value of Investments - The Plan presents the net appreciation (depreciation) in the fair value of its investments, which consists of realized gains and losses as well as unrealized appreciation (depreciation) on those investments, in the statements of changes in net assets available for benefits.

Contributions - Employee and employer safe harbor contributions to the Plan are recorded in the period during which the Company makes payroll deductions from the participant's earnings.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent Events - Management has evaluated subsequent events through October 10, 2022, the date which the financial statements were available to be issued.

3. INVESTMENTS

The following tables present the Plan's investments by level within the fair value hierarchy at December 31, 2021 and 2020:

	<u>Fair Value at December 31, 2021</u>		
	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>

Total	<u>\$ 425,588</u>	<u>\$ 6,329</u>	431,917
<u>Investments not classified under fair value hierarchy</u>			
Collective trust funds			<u>3,712,524</u>
Total			<u>\$ 4,144,441</u>

The Key Guaranteed Portfolio Fund is invested in a general account at Great-West Life & Annuity Insurance Company (Great-West). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West is financially obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. Because the Key Guaranteed Portfolio Fund is fully benefit-responsive, contract value is the relevant measurement attribute. If an event should ever occur such that realization of full contract value for a particular investment contract is no longer probable, such as plan termination, a significant decline in creditworthiness of Great-West, etc., the Key Guaranteed Portfolio Fund investment choice may no longer be considered fully benefit responsive. However, the occurrence of such events is not probable.

4. CERTIFIED FINANCIAL INFORMATION

The following is a summary of the Plan's financial information and data certified by Great-West Trust Company as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments and notes receivable from participants, as shown in the statements of assets available for benefits as of December 31, 2021 and 2020.
- Net investment income and interest income on notes receivable from participants, as shown in the statements of changes in assets available for benefits for the years ended December 31, 2021 and 2020.
- The schedule of assets held for investment purposes at December 31, 2021, as shown on the accompanying schedule.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of termination, all participants shall become 100% vested in their accounts.

6. INCOME TAX STATUS

The Plan operates under an adoption agreement in connection with a non-standardized pre-approved profit sharing plan from M2B Retirement Consulting, LLC. The IRS has stated in a letter dated July 13, 2021 that the plan is acceptable for use by employers under Section 401 of the Internal Revenue Code (IRC). The administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. Management believes there is no liability related to uncertain tax positions at December 31, 2021 or 2020. The Plan is no longer subject to tax examinations for the years before December 31, 2018.

7. RELATED PARTIES AND PARTIES IN INTEREST

Great-West Trust Company, LLC serves as custodian of the Plan. Additionally, it is the issuer of the Great West T. Rowe Price Mid Cap Inst. Fund and the Key Guaranteed Portfolio Fund and, accordingly, is a party in interest.

Neither the administrator nor the trustee receive any compensation from the Plan.
