INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Welty Building Company Ltd. 401(k) Profit Sharing Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Welty Building Company Ltd. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for twelve months from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Welty Building Company Ltd. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WELTY BUILDING COMPANY LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Welty Building Company Ltd. 401(k) Profit Sharing Plan (the “Plan”) provides only general information regarding the Plan. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering certain employees of Welty Building Company, Ltd. and its related entities: Environments 4 Business, LLC, inSITE Advisory Group, and Welty-Brae Burn Construction Company (collectively, the “Company” or “Employer”). The Company is in the process of retrospectively amending the Plan to add Welty Shared Services, LLC, a related entity, as a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Eligibility

All employees who have attained the age of 21 are eligible to participate in the Plan as of the first day of each calendar quarter following the completion of three months service, except for certain classes of employees as described in the Plan document.

Contributions

The Plan allows participants to contribute up to the lesser of one hundred percent of their pre-tax eligible annual compensation, as defined in the Plan, or the maximum allowed by the Internal Revenue Code (“IRC”). Participants may also make rollover contributions from other qualified plans.

The Company may make a Safe Harbor nonelective employer contribution. No such contributions were declared for the year ended December 31, 2021 and 2020. The Company may also make discretionary matching contributions or discretionary nonelective contributions. For the year ended December 31, 2021, the Company contributed 6% of participants’ eligible compensation, as defined by the Plan. Contributions of 6% were declared for the year ended December 31, 2020.

Participants direct the allocation of their contributions, as well as the Company’s contributions, among the investment options available under the Plan.

Participant Accounts

Each participant’s account is increased or decreased, as appropriate, with (a) the participant’s contribution, (b) the Company’s contribution and (c) investment earnings and losses. In addition, each participant’s account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

WELTY BUILDING COMPANY LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Additionally, participants are immediately vested in rollover contributions and Safe Harbor nonelective employer contributions. Vesting in the employer matching contribution and employer nonelective contribution portion of their account occurs on a graduated scale based on years of continuous service (as defined by the Plan) as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants can defer their distribution payment, however, a participant's distribution cannot be postponed if their vested account balance is \$5,000 or less as the Fidelity Management Trust Company ("Fidelity" or "Trustee") has been directed to distribute vested amounts ranging from \$5,000 to \$1,000 to an Individual Retirement Account or Annuity for the participant's benefit and vested amounts less than \$1,000 to be distributed as lump-sum distributions. Participants may also withdraw amounts from their accounts under certain hardship conditions as defined in the Plan Document.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$14,906 and \$134,165, respectively. These accounts will be used to reduce future Company contributions or pay Plan expenses. \$70,000 of forfeitures were used during the Plan year 2021 to reduce the employer discretionary nonelective contribution related to 2020. A further \$45,005 was utilized to correct improper forfeitures from 2018. No forfeitures were used during the Plan year ending December 31, 2020 to reduce employer contributions or pay administrative expenses

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or fifty percent of their vested account balance under the Plan. The maximum number of outstanding notes available to any participant is one. Loan repayment periods are not to exceed five years, unless the loan is for the purchase of a participant's primary residence. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator

based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rates on loans outstanding range from 5.25% to 7.50% as of December 31, 2021 and 2020.

Notes are in arrears and delinquent when any payment is missed. If the note is not paid up-to-date by the end of the calendar quarter, after the calendar quarter in which a payment is first delinquent, the note will be in default. In that event, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the Internal Revenue Service ("IRS") as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution and will be reported to the IRS as taxable income.

Coronavirus Aid, Relief and Economic Security (CARES)

On March 11, 2020, the World Health organization declared the COVID-19 outbreak a global pandemic. Following this declaration, the U.S. Federal government passed the "Coronavirus Aid, Relief, and Economic Security ("CARES") Act" on March 27, 2020. The CARES Act allowed eligible plan participants to request penalty-free distributions of up to \$100,000 before December 31, 2020 for qualifying reasons associated with the COVID-19 pandemic, permitted plan sponsors to increase the limit for plan loans, permitted suspension of loan payments due through December 31, 2020, and permitted individuals to stop receiving 2020 required minimum distributions. The Plan implemented these changes during 2020.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are participant-directed accounts that are held by the Trustee. The Plan's investments in mutual funds, a money market fund, and a collective investment trust are stated at fair value at December 31, 2021 and 2020.

Investment income consists of dividends and interest income. The net appreciation of investments consists of realized gains or losses and unrealized appreciation on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

WELTY BUILDING COMPANY LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Certain expenses incurred in connection with the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits.

Income Taxes

The Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020 and for the years ended there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which were prepared by the Trustee as of December 31, 2021 and 2020 and for the years then ended, and furnished to the Plan administrator.

The Plan administrator has obtained certifications from the Trustee as of December 31, 2021 and 2020 and for the years then ended, that such information is complete and accurate:

	2021	2020
Investments, at fair value	\$ 6,770,671	\$ 6,151,799
Notes receivable from participants	106,145	18,519
Interest on notes receivable from participants	1,911	908
Interest and dividend income	695,951	192,774
Net appreciation in fair value of investments	63,257	534,367

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- *Mutual funds and money market fund:* Valued at the closing price reported on the active market on which the individual security is traded.
- *Collective investment trust:* Valued at the Net Asset Value ("NAV") of units of the collective investment trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its estimated liabilities.

WELTY BUILDING COMPANY LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in methods used to value investments. The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of:

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,529,697	\$ -	\$ -	\$ 6,529,697

WELTY BUILDING COMPANY LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in the form of mutual funds and a collective investment trust. These investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 7 – TAX STATUS

The Plan is a Fidelity prototype plan. Fidelity received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the provisions of Section 401 of the IRC. Although the Plan has been amended since the opinion letter, plan management believes that the Plan is designed and is currently being operated in compliance, in all material respects, with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan Sponsor has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. As of December 31, 2021 and 2020, and for the years then ended, the Plan Administrator has identified no uncertain tax positions.

NOTE 8 – PARTY-IN-INTEREST

Certain Plan investments are shares of money market funds that are managed by Fidelity. Fidelity is the Trustee for the Plan and, therefore, these transactions qualify as party-in-interest. There are also expenses paid to Fidelity deducted directly from investment earnings.
