Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Jeffco Fibres, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Jeffco Fibres, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jeffco Fibres, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jeffco Fibres, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jeffco Fibres, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Jeffco Fibres, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements or supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

JEFFCO FIBRES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following summary description of the Jeffco Fibres, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering substantially all permanent employees of Jeffco Fibres, Inc. (the Company and the Employer) who are age 21 or older and have completed a minimum of three months of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Officers of the Company (the Plan Administrator) are responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance and valuation.

Contributions:

Participants may elect to make deferral contributions up to 100% of their annual compensation, through a salary reduction agreement, on a pretax basis or an after-tax basis (Roth contributions). These deferral contributions are subject to a statutory maximum of \$19,500 in both 2021 and 2020. Participants who have attained age 50 before the end of the plan year are eligible to make additional "catch-up" deferral contributions up to the statutory maximum of \$6,500 in both 2021 and 2020. In addition, the Plan allows rollover contributions from other qualified retirement plans.

The Company may make discretionary matching and profit sharing contributions as annually determined by its Board of Directors. The Company customarily matches 50% of each participant's contributions, excluding catch-up contributions, up to a maximum of 5% of the participant's eligible compensation. Matching contributions were approximately \$140,000 and \$112,000 in 2021 and 2020, respectively. There were no profit sharing contributions in 2021 and 2020.

Contributions and compensation are subject to certain limitations.

Investment Options:

Participants direct the investment of all contributions to their accounts and their account balances into various investment options offered by the Plan. The Plan currently offers 21 mutual funds, including target date funds and a money market option. The Plan closed two mutual fund options and added four new mutual fund options in 2021.

Participants' Accounts:

Participants' accounts are credited with their contributions, the Company's matching contributions, and allocations of the Company's profit-sharing contributions and plan earnings, net of administrative expenses paid by the Plan. Allocations are based on participants' compensation, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are fully and immediately vested in their contributions and the related earnings. Vesting in Company discretionary matching and profit-sharing contributions and the related earnings is based on years of continuous service. A participant becomes fully vested after three years of credited service.

Participants that terminate employment due to normal retirement (attainment of age 65), permanent disability, or death become fully vested in their account balances.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Two notes may be outstanding at any time. Notes receivable are generally secured by participants' vested account balances and are issued for terms of up to five years. Longer terms may be allowed as determined by the Plan Administrator for notes used to purchase a principal residence. Interest on the notes is at prime plus 1% as determined on the date of issuance. Interest rates range from 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions or directly by the participant for payments in full of the outstanding balance.

Payment of Benefits:

On termination of service due to death, disability, normal retirement, or other reasons, participants (or their beneficiaries) may elect to receive the value of their vested accounts in a lump-sum distribution, in substantially equal installment payments over a period not to exceed their assumed life expectancy, or as required minimum distributions. In the event of death before retirement age, beneficiaries other than the surviving spouse, will be paid out within five years. Terminated participants with vested account balances of \$5,000 or less (excluding rollovers) are paid out in a single lump-sum or a direct rollover into an Individual Retirement Account (IRA). Certain distributions may be subject to a 10% federal penalty tax.

Participants must begin receiving benefits by the later of April 1 of the calendar year following the year (or for a surviving spouse, by the end of the calendar year) in which the participants attain age 72 (70½ if they attained that age before January 1, 2020), or upon termination of employment.

Hardship withdrawals and in-service withdrawals, upon attainment of age 59½, are subject to certain limitations, as specified by the Plan.

Forfeitures:

Forfeitures of terminated participants' nonvested accounts may be used to pay administrative expenses of the Plan, restore amounts previously forfeited, reduce future Company contributions, or allocated to the remaining participants' accounts. As of December 31, 2021 and 2020, unallocated forfeitures totaled approximately \$1,000 and \$20, respectively. Forfeitures used to reduce administrative expenses totaled approximately \$4,000 and \$2,000 in 2021 and 2020, respectively.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Notes receivable in default are recorded as benefit payments per the terms of the Plan.

Excess Contributions Payable:

Amounts payable to participants for annual contributions in excess of amounts allowed by the Internal Revenue Code are recorded as a liability with a corresponding reduction to contributions on the Statements of Changes in Net Assets for Benefits. The Plan's policy is to distribute excess contributions to the applicable participants prior to March 15th of the subsequent year.

Payment of Benefits:

Benefits are recorded when paid.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions are charged directly to the participant's account and are included in administrative expenses when they are incurred. Investment related expenses are included in net appreciation in fair value of investments.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Reclassifications:

Certain amounts in the 2020 financial statements have been reclassified to conform to the 2021 financial statement presentation with no effect on the previously reported net increase in or total net assets available for benefits.

(3) INVESTMENTS AT FAIR VALUE AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy (inputs to valuation) are described as follows:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 Quoted prices in active markets for similar assets or liabilities; quoted market prices in inactive markets for identical or similar assets or liabilities; and, other observable inputs for the assets or liabilities or those derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Prices, valuations or data that is both unobservable and significant to the fair value measurement.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Investments in mutual funds are valued at their quoted market prices, which represent their net asset values (NAV) per share as determined by the fund daily. Mutual fund shares held by the Plan are registered with the Securities and Exchange Commission and are deemed to be actively traded.

There has been no change in the valuation methodology used to determine the fair value of investments at December 31, 2021 and 2020.

The Plan's investments at fair value have been determined to be level 1 within the fair value hierarchy as follows at December 31:

	<u>Level 1</u>	
	<u>2021</u>	<u>2020</u>
Mutual funds	<u>\$ 6,200,490</u>	<u>\$ 5,022,337</u>

There were no Plan investments or other assets or liabilities classified as Level 2 or Level 3 at December 31, 2021 and 2020.

(4) INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Personal Trust Company, the Trustee of the Plan, has certified the completeness and accuracy of the investments reflected in the accompanying Statements of Net Assets Available for Benefits, the related investment activity reflected in the Statements of Changes in Net Assets Available for Benefits, and the investment information reflected in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

(5) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fidelity Personal Trust Company, the Trustee of the Plan, Sentinel Benefits & Financial Group (Sentinel), the recordkeeper for the Plan, and their affiliates are parties-in-interest to the Plan. Fees paid by the Plan to Sentinel of approximately \$32,000 and \$24,000 in 2021 and 2020, respectively, qualify as party-in-interest transactions.

The Company pays administrative and professional fees on behalf of the Plan and provides administrative services at no cost to the Plan.

(6) PLAN AMENDMENT AND TERMINATION

The Company may amend the Plan at its discretion and, although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become fully vested in their account balances.

(7) INCOME TAX STATUS

The Plan, as adopted by the Company, is a volume submitter plan. Although the Plan has not requested its own determination letter, the underlying volume submitter plan was approved by the Internal Revenue Service (IRS) in a favorable opinion letter dated March 31, 2014. The Plan has since been amended. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities, the IRS. The Plan is subject to routine examinations by taxing authorities; however, there are currently no examinations in progress for any tax periods.

(8) RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks, including interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the volatility of the financial markets, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(9) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 11, 2022, the date these financial statements were available to be issued, and has determined that there were no subsequent events requiring reporting or disclosures, except as follows:

Effective January 1, 2022, the Plan was amended and restated to adopt a pre-approved model plan and trust that incorporates amendments as prescribed by the IRS related to recent changes in legislation (referred to as a "Cycle 3 Restatement"). The model plan was approved by the IRS as acceptable under Internal Revenue Code Section 401 in a letter dated November 30, 2020. The basic terms of the Plan as described above remain unchanged except that participant loans for the purpose of acquiring a personal residence will be allowed for terms of up to 10 years.

The Plan replaced two mutual fund investment options in 2022 with two options with similar investment objectives and added an additional mutual fund option.
