| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee  
Dellinger Group Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of Dellinger Group Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Member of Kreston International — a global network of independent accounting firms*

## **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of asset (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter - Auditors' Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## DELLINGER GROUP PROFIT SHARING PLAN

### NOTES TO THE FINANCIAL STATEMENTS

#### (1) Description of plan

The following description of the Dellinger Group Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions, which is available from the Plan administrator.

**General** - The Plan was formed on November 1, 1989 by merger and consolidation of the Profit Sharing Plans sponsored by Dellinger Group entities. Dellinger Management Services, LLC is the Plan’s primary sponsor and administrator. Participating employers are Dellinger Management Services, LLC, Chemical Products Corporation, and New Riverside Ochre Company, Inc. (collectively – the “Employers”). The Plan is a defined contribution plan covering all employees of the Employers who have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is administered by the Administrative Committee (“Committee”), which consists of senior officers from the Employers. The Committee has overall responsibility for the operation and administration of the Plan. The Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The Plan previously had adopted the SunTrust Bank Defined Contribution Plan Prototype Plan and Trust, and SunTrust served as the trustee and third-party administrator. Effective February 8, 2021, the Plan adopted the Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan, with Great-West acting as the trustee and third-party administrator. At this time, the Plan was amended to increase the automatic deferral feature and allow for Roth contributions.

**Contributions** - Effective April 1, 2020, all employees are eligible to participate in making employee deferrals to the Plan after completion of a two month period in which they have completed one hour of service. Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to annual limits. Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. The Plan has auto-enrollment provisions whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at one percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. On February 8, 2021, the automatic enrollment percentage was increased to three percent.

The Employers also make discretionary profit sharing contributions as defined below. All employees are eligible to participate in the profit sharing contribution after completion of a twelve month period in which they have completed one hour of service, and must be employed on the last day of the year or separated from employment during the year due to death, disability, or retirement. Employer profit sharing contributions are allocated to eligible participants based on their compensation in relation to their employer’s total eligible compensation.

Chemical Products Corporation and New Riverside Ochre Company, Inc. contribute an amount equal to the lesser of the following two amounts:

- (a) An amount equal to fourteen percent of defined net income of the employer in excess of certain stated amounts.
- (b) The maximum amount deductible by the employer for such plan year under Internal Revenue Code Section 404(a)(3).

In addition to this calculation, Chemical Products Corporation and New Riverside Ochre Company, Inc. have the right to contribute an additional employer contribution based upon management’s discretion.

Dellinger Management Services, LLC contributes an amount determined by the Board of Directors and its members.

**DELLINGER GROUP PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**(1) Description of plan - continued**

**Participant investment account options** - Participants direct the investment of all contributions into various options offered by the Plan. The Plan offers various mutual funds, and a common/collective trust fund as investment options for participants.

**Participant accounts** - Each participant's account is credited with the participant's contribution and an allocation consisting of (a) the employers' profit sharing contributions (if any); (b) Plan earnings; (c) forfeitures of terminated participants' non-vested accounts, and; (d) is charged with an allocation of administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participant's contributions and employer safe harbor contributions from years when the provision was in place, plus actual earnings, are immediately vested. All other employer contributions are subject to the following vesting schedule:

| <u>Credited<br/>Service</u> | <u>Years of Vested<br/>Percentage</u> |
|-----------------------------|---------------------------------------|
| Less than 2 years           | 0%                                    |
| 2 years                     | 20%                                   |
| 3 years                     | 40%                                   |
| 4 years                     | 60%                                   |
| 5 years                     | 80%                                   |
| 6 or more years             | 100%                                  |

**Payment of benefits** - Participant salary deferral contributions and employer safe harbor contributions are payable to participants or to their designated beneficiaries immediately upon termination of employment with the Employer. Employer profit sharing accounts are payable to participants upon termination of employment due to a reduction in force, reaching normal retirement age, as defined in the Plan, disability, or to participant's designated beneficiaries upon death. Distribution of participant and employer contributions shall be in the form of a lump sum distribution or a rollover distribution. In-service distributions are not allowed under the Plan.

The Plan may make force-out distributions for terminated participants with vested account balances of less than \$5,000, including the vested portion of the participant's employer profit sharing account.

In March 27, 2020, the "Coronavirus Aid, Relief, and Economic Security (CARES) Act" was signed into law. The CARES Act, among other things, includes several COVID-19 relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions that were available through December 31, 2020:

- Temporary waiver of any required minimum distributions due in 2020
- Special coronavirus-related distributions ("CRD") up to \$100,000

**DELLINGER GROUP PROFIT SHARING PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

**(1) Description of plan - continued**

**Revenue credits and plan administration account**– The Plan received administrative credits from the former third-party administrator and trustee related to revenue sharing fees that were in excess of established thresholds that were remitted to the Plan into an asset holding account. Plan expenses charged to the Plan by the third-party administrator and trustee were paid quarterly from this asset holding account. Great-West does not provide for revenue credits. During 2021, fee credits of \$1,535 were received and Plan expenses of \$17,923 were paid from this account. Any excess of the fees received over the Plan expenses paid as of the end of each Plan year are available to pay Plan expenses or for allocation to the participants pro rata based on the value of their account balance. At December 31, 2021 and 2020, the plan administration account balance was \$1,516 and \$17,792, respectively.

**Forfeitures** - Forfeiture of a participant's employer contribution account occurs when the participant incurs five consecutive one-year breaks in service or receives a complete distribution of the vested portion of the participant's account. Forfeitures occurring during a Plan year are allocated on the last day of each Plan year based on each participant's Plan compensation in relation to total employer Plan compensation. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$55,860 and \$43,377, respectively. During 2021, no forfeitures were allocated to participant accounts.

**(2) Summary of significant accounting policies**

**Basis of accounting** - The financial statements of the Plan are prepared under the accrual basis of accounting.

**Use of estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment valuation and income recognition** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gains distributions from mutual funds are recorded as dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits** - Benefits are recorded when paid.

**Administrative expenses** - Certain fees and expenses of the Plan are paid by the Employers and are not included in the statement of changes in net assets available for benefits. Investment related expenses are included in net appreciation of fair value of investments.

#### (3) Fair value measurements

FASB Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                                                                                                               |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. No changes occurred in the methodologies used during 2020.

*Interest Bearing Cash:* Valued at cost which approximates fair value due to its short-term, highly liquid nature.

*Registered Investment Companies:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Stable value common collective trust:* A stable value fund that is composed primarily of fully benefit-responsive investment contracts is valued at the NAV of units of the bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in the changes in net assets for the periods above are reported in net appreciation in fair value of investments in the statements of changes in net assets available for benefits.

**(4) Party-in-interest transactions**

Certain Plan investments were managed by the SunTrust Bank, the former trustee, and therefore, these transactions qualify as party-in-interest transactions. As described in Note 1, the Plan received administrative credits from SunTrust Bank during 2021 of approximately \$1,500. The Plan made direct payments to SunTrust Bank of approximately \$18,000 for the year ended December 31, 2021 for administrative services.

The Plan Sponsor paid for other fees related to the Plan's operations.

**(5) Plan termination**

Although it has not expressed any intention to do so, the Employers reserve the right under the Plan to amend or terminate their participation and/or the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

### NOTES TO THE FINANCIAL STATEMENTS

#### **(6) Information prepared and certified by the trustees**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, SunTrust Bank held the Plan's investment assets and executed investment transactions from January 1, 2021 through February 5, 2021 and Great-West Life & Annuity Insurance Company held the Plan's investment assets and executed investment transactions from February 8, 2021 to December 31, 2021. The trustees of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments at fair value
- Net appreciation in fair value of investments
- Interest and dividends
- Schedule of assets (held at end of year)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

#### **(7) Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. At December 31, 2021 and 2020, approximately 53% of the Plan's investments were invested in three investment options, as elected and directed by the Plan participants

One investment option provided by the Plan was the SunTrust Bank FDIC Insured Account. This investment option offered FDIC insurance protection up to \$250,000 per participant account balance. Investments in participant account balances in excess of \$250,000 were not insured.

#### **(8) Tax status**

The Internal Revenue Service has determined that the prototype SunTrust Bank Defined Contribution Plan Prototype Plan and Trust is designed in accordance with applicable sections of the Internal Revenue Code (the "IRC") and informed the third party administrator of such in a letter dated March 31, 2014. The Plan administrator believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

### NOTES TO THE FINANCIAL STATEMENTS

#### (9) Excess contributions payable

Contributions received from participants for 2020 are net of payments of \$30,717 made in March 2021 to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. That amount is also included in the Plan's statements of net assets available for benefits as excess contributions payable at December 31, 2020. There were no corrective distributions required as of December 31, 2021.

#### (10) Reconciliation of financial statements to schedule H of Form 5500

| Add excess contributions payable 12/31/2021  | <u>-</u>            |
| Net increase per Form 5500                   | <u>\$ 3,147,314</u> |

#### (11) Subsequent events

The Plan was restated effective January 1, 2022, increasing the automatic deferral amount to six percent, and adding a safe harbor employer matching contribution at one hundred percent of the first one percent of employee deferrals plus fifty percent of the next five percent of employee deferrals. Participants will be eligible for the safe harbor employer matching contribution after two months of service, and safe harbor employer matching contribution will be one hundred percent vested after two years of service.

The Plan has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued. No significant matters were identified for disclosure during this evaluation.
