## *Independent Auditors' Report*

Plan Administrator  
J. Jill 401(k) Plan  
Quincy, Massachusetts

We have performed the audit of the financial statements of the J. Jill 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental schedules, (1) Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and (2) Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by (see Note 3) and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter - Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of the J. Jill 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

##### ***General***

The Plan was adopted on July 2, 2009, and is a defined contribution profit sharing plan with a cash deferral arrangement covering all employees of Jill Acquisition, LLC (the “Employer”) who have completed six months of service if full time and one year of service if part time and attained age 21 (“Participant”), except leased employees and collectively bargained employees. Participants are eligible to begin participating in the Plan on the first day of the month following eligibility. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Substantially all investments are participant-directed.

Through December 30, 2020, the Plan used Massachusetts Mutual Life Insurance Company (“MassMutual”) for recordkeeping and custodian services of its guaranteed interest account. MassMutual entered into a trust agreement with Reliance Trust Company (“Reliance”) as trustee. On December 31, 2020, Empower Retirement, LLC (“Empower Retirement”) acquired the retirement business of MassMutual. Following an initial transition period, Empower Retirement became the sole administrator of this business. An affiliate of Empower Retirement, Great-West Life & Annuity Insurance Company, has been granted power of attorney over the guaranteed interest account issued by MassMutual. Empower Retirement prepared statements and documents on behalf of Reliance as of December 31, 2021.

##### ***Participant Contributions***

Participants may contribute up to 100% of their annual compensation as defined by the Plan, up to a dollar limit set by Federal law. A Participant may not defer an amount less than 1% of their annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (“Participant Rollovers”). Subsequent to year end, effective January 1, 2022, all new eligible participants are automatically enrolled in the Plan with a deferral rate of 6%.

##### ***Employer Contributions***

Each year, the Employer, at its discretion, determines the amount of matching contributions and/or profit sharing contributions it will contribute to the Plan, subject to certain limitations. Eligibility to participate in profit sharing contributions requires that a participant have six months of service, (minimum of 1,000 hours worked during the Plan year) and be actively employed on the last day of the Plan year unless separated due to death, disability or attainment of early or normal retirement age. For the period January 1, 2021 through January 31, 2021, the Employer elected to match 50% of salary deferrals a participant contributed to the Plan up to 6% of the participant’s Plan compensation. Effective February 1, 2021, the Employer elected to match 50% on the first 4% of compensation up to a max of \$3,000 per employee per year. Subsequent to year end, effective May 1, 2022, the Employer elected to match 50% on the first 6% of compensation per employee per year.

### ***Notes to Financial Statements***

#### ***Note 1 - Description of the Plan (Continued)***

##### ***Participant Accounts***

Each participant's account is credited with the Participant's contribution and a pro rata allocation of (a) the Employer's contribution, (b) the Plan's investment earnings, (c) an allocation of investment fees and (d) direct administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the Participant's vested account.

##### ***Vesting***

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution is based on years of continuous service. A participant begins vesting after one year of service and is fully vested after five years of service. Upon death, disability or attainment of normal retirement age, participants are fully vested in their accounts.

##### ***Forfeitures***

The non-vested portion of a participant's account shall be forfeited as of the earlier of the date on which the participant receives a complete distribution of his or her account or the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service. The Plan uses such forfeitures to offset Employer contributions or pay Plan expenses. At December 31, 2021 and 2020, forfeited non-vested amounts totaled \$60,668 and \$34,927, respectively. During 2021, \$68,520 of forfeitures were used to offset Employer contributions and \$11,356 were used to pay Plan expenses.

##### ***Payment of Benefits***

In-service withdrawals from Participants' account balances, as defined, are permitted upon the attainment of age 59½. Hardship withdrawals are allowed from a Participant's deferral account only. Prior to January 1, 2019 at which point such restrictions were removed, hardships were allowed only after exhausting the maximum amount available to the Participant as a loan under the Plan and deferrals were suspended for a period of six months after receipt of a hardship withdrawal. Participants are entitled to their account balance upon death, disability, retirement or termination of employment. A participant may elect to receive a lump-sum amount, installment payments or annuity payments, equal to his or her account balance. In addition, if a participant's account is less than \$1,000, and a distribution election has not been made by the Participant, the Plan administrator may distribute the benefit to the Participant.

##### ***Notes Receivable from Participants***

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range up to five years (or up to 15 years for the purchase of a primary residence). Participants are allowed only one loan outstanding at any given time. Loans are secured by the balance in the Participant's account and bear interest at a rate equal to prevailing local bank rates for similar loans. Principal and interest are paid ratably through payroll deductions.

### ***Notes to Financial Statements***

#### ***Note 1 - Description of the Plan (Continued)***

##### ***Administrative Fees***

Investment expenses and some administrative expenses are paid by the Plan and other administrative expenses are paid by the Employer.

#### ***Note 2 - Summary of Significant Accounting Policies***

##### ***Basis of Presentation***

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

##### ***Investments, Investment Valuation and Income Recognition***

Investments other than fully benefit-responsive investment contracts (valued at contract value) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

The Plan administrator determines the Plan's valuation policies utilizing information provided by the trustee and custodians. See Note 4 for discussions of fair value measurements.

##### ***Benefits Paid***

Benefits are recorded when paid.

##### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

### ***Notes to Financial Statements***

#### ***Note 2 - Summary of Significant Accounting Policies (Continued)***

##### ***Subsequent Events***

The Plan has evaluated subsequent events through October 3, 2022, the date that the financial statements were available to be issued.

#### ***Note 3 - Information Certified by the Trustee and Custodians***

The mutual funds are held by the Plan's Trustee and Custodian, Reliance. The fixed interest fund is held by the Plan's Custodian, Great-West Life & Annuity Insurance Company ("GWLA"). The fair values of the mutual funds as of December 31, 2021 and 2020 and all investment transactions of the mutual funds, including interest and dividend income and net appreciation, for the year ended December 31, 2021, are reported to the Plan and certified as complete and accurate by Reliance. The contract value of the fixed interest fund as of December 31, 2021 and all investment transactions of the fixed interest fund on December 31, 2021, including interest income, is reported to the Plan and certified as complete and accurate by GWLA. Information included in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), and notes receivable from participants, have also been derived from information certified by Reliance and GWLA. The Plan offers several investment choices to allow Participants to create a diversified portfolio of assets based on the Participants' risk tolerance.

#### ***Note 4 - Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I) and the lowest priority to unobservable inputs (Level III). The three levels of the fair value hierarchy are described below:

Level I – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

#### Note 4 - Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

##### **Mutual Funds**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

#### Note 5 - Fully Benefit-Responsive Investment Contract

Following is a description of the investments and valuation methodologies for the fully benefit-responsive investment contract:

##### **Fixed Interest Fund**

The Plan has a benefit-responsive fixed interest fund with GWLA, the recordkeeper through December 31, 2021. The fixed interest fund is a guaranteed investment contract with principal and interest guaranteed by the general funds of GWLA. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Under the contract, a crediting rate is established for a six-month period of time.

At the end of the six-month period, a new crediting rate is declared. The crediting interest rate was 3.15% and 3.70% at December 31, 2021 and 2020, respectively. The average yield was 3.05% in 2021.

## **J. JILL 401(k) PLAN**

### ***Notes to Financial Statements***

#### ***Note 5 - Fully Benefit-Responsive Investment Contract (Continued)***

##### ***Fixed Interest Fund (Continued)***

The guaranteed investment contract is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract is reported at contract value.

Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with the contract issuer, are probable of occurring.

#### ***Note 6 - Risk and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

#### ***Note 7 - Related-Party Transactions and Exempt Party-in-Interest Transactions***

Plan investments include a fixed interest fund managed by Empower Retirement. Empower Retirement is the recordkeeper as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. For the Plan year ended December 31, 2021, administrative fees of \$170,814 were paid to Empower Retirement. In addition, notes receivable from participants also qualify as exempt party-in-interest transactions, as defined by ERISA.

## J. JILL 401(k) PLAN

### **Notes to Financial Statements**

#### **Note 8 - Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Employer may determine.

#### **Note 9 - Excess Contributions Refundable**

At December 31, 2021 and 2020, the Plan had a liability of \$136,397 and \$174,974, respectively, which represented the return of excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan. The excess contributions were returned to participants by February 28, 2022 and March 1, 2021, respectively.

#### **Note 10 - Tax Status**

The Plan has adopted the Massachusetts Mutual Life Insurance Company prototype non-standardized 401(k) profit sharing plan. The Plan and related trust have been determined by the Internal Revenue Service (the "IRS") to be tax-exempt under Internal Revenue Code Section 401(a). The most recent favorable opinion letter from the Internal Revenue Service was received by the Plan, dated April 7, 2021. The Plan has been amended since receiving the opinion letter; however, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### ***Note 12 - Delinquent Contributions***

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the Employer's general assets. Contributions of \$251,999 and \$218,209 were not remitted to the Plan timely during the years ended December 31, 2021 and 2020, respectively, as reflected in the accompanying Schedule of Delinquent Participant Contributions. The Employer made the necessary contributions and calculated and deposited lost earnings in 2020 and 2021.

## **Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement**

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.
