INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees and Plan Administrator
Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified

investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Plan Administrator
Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies
New York, NY 10018-3803

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies ("the Plan"), which comprise the statements of net assets available for benefits as of December 31, 2020 and the related statements of changes in net assets available for benefits for the year then ended; and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Principal Trust Company ("Principal"), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies (the "Plan") provides only general information. A more complete description is provided in the Plan agreement.

General

The Plan is a combined defined contribution profit sharing plan and deferred compensation plan under Section 401(k) of the Internal Revenue Code, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers eligible employees of Atlantic Dialysis Management Services, LLC and its affiliates (collectively referred to as the "Company") who are 21 years of age and older. The affiliates include Ridgewood Dialysis Center, Inc. (including Springfield Dialysis Center and Central Park Dialysis Center) Newtown Dialysis Center, Inc. (including Broadway Dialysis Center, Morissania Dialysis Center and Astoria Dialysis Center), New Hyde Park Dialysis Center, LLC, West Nassau Dialysis Center, Inc., Central Brooklyn Dialysis Center, LLC, Mattoo & Bhat Medical Associates, East End Dialysis Management Center, LLC, New York Renal Associates, Inc., and Park Slope Dialysis Management, LLC. The provisions of the Plan direct the Company to pay certain professional and administrative costs for the Plan.

Effective August 1, 2010, the Plan was amended and restated to change the Plan name from "Ridgewood Dialysis Center, Inc. 401(k) Plan" to Atlantic Dialysis 401(k) Plan, Affiliated and Related Companies.

In July 2017, the Plan entered into various agreements with members of the Principal Trust Company to serve in administrative, custodial and trustee capacities.

Eligibility

An employee who has met the aforementioned criteria is eligible to participate in the Plan provided he or she is not (1) a nonresident alien or (2) a union employee as defined in the Plan.

The eligibility requirement for participation in the elective contribution portion of the Plan is 21 years of age and six months of service. The eligibility requirement for any employer matching contribution or non-elective contribution is one year, except as needed to satisfy any non-discrimination testing. In addition, the eligibility for participation in the Matching Contribution of the Plan

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Eligibility *(Continued)*

requires that an otherwise eligible employee who terminates in the plan-year must be employed on December 31 of each plan-year and that the eligible employee has worked at least 1,000 hours in that plan-year.

Effective August 1, 2010, the Plan was amended to exclude part-time/seasonal/temporary and per diem employees whose regularly scheduled service is less than 1,000 hours of service in the relevant eligibility computation period as well.

Contributors

The Plan provides that participants may contribute a percentage of their compensation to the deferred compensation plan subject to certain limits. Effective August 1, 2010, participants may designate all or a portion of their elective deferrals as Roth Elective Deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for both 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company makes matching contributions, which are determined annually. The matching contributions for each participant for 2021 and 2020 plan years were limited to 3% of each participant's compensation, when the participant contributes 6% or more. Employees are entitled to a pro-rata portion of the 3% when their contributions are less than 6%.

Effective June 1, 2018, the plan provides for an automatic election to have elective deferrals made. The automatic elective deferral contribution shall be 6% of compensation. The participant may affirmatively elect a different percentage or elect not to make elective deferral contributions and may elect to designate all or any portion of the elective deferral contribution as a roth elective deferral contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's matching contributions, and Plan earning. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Vesting

Employee contributions are always 100% vested immediately. Vesting in the employer contributions and earnings is based upon years of continuous service.

A participant is fully vested after 6 years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Percent of Nonforfeitable Interest</u>
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

Forfeiture Accounts

Forfeited funds are used to offset Plan expenses and/or reduce employer contributions. The administrator may elect each Plan year to first utilize all or any portion of the forfeiture account to pay administration costs of the Plan and/or to restore previously forfeited account balances.

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$19,453 and \$14,896, respectively.

Loans Receivable from Participants *(See Note 2)*

Participants may borrow a portion of their account balances, up to 50% of their vested balances to a maximum of \$50,000, subject to a \$1,000 minimum, on terms similar to those that could be obtained from other lenders under the circumstances for periods not to exceed five years except for a loan that is taken for the purchase of a principal residence which can be repaid in a period not to exceed 30 years. A participant may have only one loan outstanding at any time. Participants may also withdraw hardship distributions prior to termination of employment. Loan repayments are made through payroll deductions over the term of the loan and are secured by the participant's interest in the Plan's assets.

NOTE 1 - DESCRIPTION OF PLAN *(Continued)*

Investment Rollovers

Rollovers are permitted by employees who are not yet participants in the Plan. Participants are allowed to transfer or rollover funds into the plan from other qualified plans. In-kind rollovers are not permitted.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10-year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Plan Termination

Although it has not expressed any intent to do so, the Plan has the right to terminate subject to the provisions of ERISA. In the event of plan termination, plan participants will become fully vested in their accounts, and the net assets of the Plan will be used, as prescribed by ERISA and its related regulations, in satisfaction of all liabilities with respect to the Plan's participants and their beneficiaries.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

As described in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 972, investments are valued at the fund's net asset value reflecting all investments at fair value, as reported by the fund manager, on the last day of the Plan year. The fund's net assets value is determined by dividing the fund's net assets at fair value by its units outstanding at the valuation date.

Loans Receivable from Participants

In accordance with Accounting Standards Update 2010-25, Reporting Loans to Participants by Defined Contribution Pension Plans (ASU 2010-25), loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Valuation and Income Recognition

The Plan reports investments at fair value, except for fully benefit responsive investment contracts which are reported at contract value. See Note 3 for discussion of fair value measurements. In accordance with Department of Labor's rules and regulations, the Plan is permitted to accept information with respect to investment information prepared and certified by a bank or similar institution or by an insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency who acts as trustee, provided the trustee certifies both the accuracy and completeness of the information submitted. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Realized gains and losses on investments are recognized upon the sale of the related investments and unrealized appreciation or depreciation is recognized at period end when the carrying values of the related investments are adjusted to their estimated fair market value. Purchase and sales of securities are recorded on a trade-date basis.

Earnings on investments, with the exception of notes receivable from participants, are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment made by a participant is recognized as interest income in the participant's individual account.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Tax Status

The Plan is deemed to be qualified under Section 401(a) of the Internal Revenue Code and is therefore exempt from taxation under Section 501(a) of the Code. The Plan received a favorable IRS determination letter. The plan administrator believes that the Plan is currently designed and being operated with the applicable requirements of the Code. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

The Plan has adopted the provisions of FASB ASC 740, Accounting for Uncertainty in Income Taxes. The standard clarifies the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a threshold of more-likely-than-not for recognition of tax benefits of uncertain tax positions taken or expected to be taken in a tax return. The standard also provides related guidance on measurement, derecognition, classification, interest and penalties, and disclosure. The adoption of this standard did not have an impact on the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits currently in progress. The Plan is no longer subject to income tax examinations for years prior to 2018.

Excess Contribution Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions at both December 31, 2021 and 2020.

Administrative Expenses

The Sponsor has elected to pay all administrative expenses incurred by the plan except for certain transactions fees such as loan and distribution requests, which are paid by the Plan.

Subsequent Events

Management has evaluated subsequent events or transactions occurring through October 13, 2022 which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan has implemented FASB ASC 820-10, “*Fair Value Measurements and Disclosures*.” FASB ASC 820-10 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted observable quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument’s level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy the Plan investment assets at fair value, as of December 31, 2021 and 2020. As required by FASB ASC 820-10, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

NOTE 4 - INVESTMENT IN STABLE ASSET FUNDS

The Plan provided participants with an investment option in Principal Stable Value Z Fund ("the Fund"). The Fund assets consist of investment contracts, security investment contracts, traditional investment contract, separate account contracts and acceptable assets. Since these contracts meet the fully benefit-responsive contract criteria, investments are therefore reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. During the year ended December 31, 2020, the Company ceased to offer this investment as an option.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the trustee. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- a. Investments, as shown in the statements of net assets available for benefits, as of December 31, 2021 and 2020;
- b. Net depreciation in market value of investments, as shown in the statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020;
- c. The schedule of assets (held at end of year) as of December 31, 2021 as presented in the supplemental schedule.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE 6 - ROLLOVER CONTRIBUTIONS

Aggregate amounts of \$124,180 and \$18,210 were rolled into the Plan during the years ended December 31, 2021 and December 31, 2020, respectively and are included in rollovers on the statement of changes in net assets available for benefits.

NOTE 7 - RELATED PARTY TRANSACTIONS

The Plan allows for transactions with certain parties who have or may perform services or have fiduciary responsibilities to the Plan. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company pays all the administrative and accounting fees of the Plan. Certain plan investments are shares of mutual funds managed by Principal, the trustee, as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$136,649 and \$90,610 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for various investments options in separate investment accounts that invest in publicly traded mutual funds. Investments in securities are generally exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets available for benefits. The Plan is covered under a fidelity bond for an amount up to 10% of the Plan assets subject to a maximum limit of \$500,000.
