We have performed an audit of the financial statements of Allegiance Benefit Plan Management, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Allegiance Benefit Plan Management, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Allegiance Benefit Plan Management, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Allegiance Benefit Plan Management, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Allegiance Benefit Plan Management, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Allegiance Benefit Plan Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Allegiance Benefit Plan Management, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Allegiance Benefit Plan Management, Inc. 401(k) Plan

Notes to Financial Statements

Note 1: Description of Plan and Trust

General

The following description of the Allegiance Benefit Plan Management, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan is a defined contribution plan covering all employees 18 years of age or older.

Participant Interests

Participants' interests are based on participant's contributions, Company matching contributions, participant forfeitures and investment income or loss. Profit sharing contributions are allocated based on a formula whereby each eligible participant is allocated a percentage of the profit sharing contributions based on the ratio of the participant's compensation as defined in the Plan to total participants' compensation. If a participant terminates his or her employment prior to the time his or her interest is fully vested, the portion of this interest which is not vested is forfeited and is applied first to reduce administrative expenses of the Plan. Any remaining forfeitures are allocated in the same manner as the profit sharing contributions. Investment earnings are calculated on each participant's account based on the performance of the fund(s) that the participant has selected.

Vesting

Participants are immediately vested in their voluntary contributions and the employer safe harbor matching contributions, plus actual earnings thereon. Vesting in the discretionary profit sharing contribution is based on years of continuous service. Upon termination of employment for any reason other than death, disability, or normal retirement, a participant shall receive a percentage of his or her profit sharing balance determined according to the following vesting schedule.

Years of service	Vested Percentage
Less than 1 year	- %
1 year	20 %
2 years	40 %
3 years	60 %
4 years	80 %
5 years or more	100 %

In the event of death, termination of employment as a result of permanent and total disability, or retirement at age 65 or older, the participant is fully vested.

Notes to Financial Statements

Note 1: Description of Plan and Trust (Continued)

Notes Receivable From Participants

The Plan allows participants to borrow from their fund accounts for:

- Certain medical care expenses
- Certain costs of purchasing a principal residence
- Certain post-secondary educational expenses
- Avoidance of eviction/foreclosure related to principal residence
- Burial or funeral expenses for certain family members
- Certain expenses for repair of damage to principal residence

The loans are subject to a \$1,000 minimum amount. The maximum amount is the lesser of 50% of participants' vested balance or \$50,000, with an interest rate of prime plus 1% (currently at 3.25%).

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

The Plan provides that Allegiance Benefit Plan Management, Inc. and affiliates; Intermountain Underwriters, Inc., Allegiance COBRA Services, Inc., Allegiance Life & Health Insurance Company, Inc., Allegiance Re, Inc., Dagger LLC and Allegiance Care Management LLC (formerly StarPoint LLC) will make matching contributions in an amount equal to 100% of the employee deferrals up to 3% of the employee's compensation and 66.67% of the employee deferrals for the next 3% of the employee's compensation for a total match of up to 5% of the employee's compensation. Allegiance Benefit Plan Management, Inc. and its affiliates may make annual discretionary profit sharing contributions, but in no case in an amount which is in excess of the amount allowable as a tax deduction under the Internal Revenue Code.

Participants may elect Roth 401 (k) deferrals. These deferrals are subject to federal income taxes in the year of deferral.

Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan also allows for "catch up" employee pretax deferral contributions based on Federal allowable amounts and age requirements.

Notes to Financial Statements

Note 1: Description of Plan and Trust (Continued)

Rollover Contributions

Upon consent of the company, an employee may rollover funds to the Plan from any qualified plan in which he or she participated.

Disposition of Net Assets Upon Termination

In the event of termination of the Plan, the accounts of all members shall become fully vested. The Plan's net assets shall be distributed to the participants in a single, lump-sum payment according to the balances in their accounts. Currently, there are no intentions to terminate the Plan.

Payment of Benefits

Pursuant to plan provisions, distributions may be made from the Plan upon the participant's normal retirement, disability, death or termination of employment. Upon separation of employment, if such participant's account balance exceeds \$5,000, the participant must consent to the distribution and it may be postponed until the Participant has reached age 70½. Vested interests exceeding \$1,000, but less than \$5,000 must be rolled over to an IRA unless the participant elects otherwise. Participants with a vested interest exceeding \$200 but less than \$1,000 are provided the opportunity to receive a lump sum distribution or roll over the amount to another retirement plan. In addition, hardship distributions out of the participant's voluntary contributions account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$73,225 and \$40,102, respectively. These accounts will be used to pay administrative expenses of the Plan in accordance with the plan document or allocated as an additional discretionary nonelective contribution. Also, during the year ended December 31, 2021, Plan contributions were reduced by \$32,624 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Allegiance Benefit Plan Management, Inc. 401(k) Plan

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are stated at fair value (except for fully benefit-responsive investment contracts (FBRICs) which are stated at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 5 for discussion of fair value measurements. Participant loans are valued at the outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation includes the plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

The administrative expenses are shared equally by the participants and Plan Sponsor.

Benefits

Benefits are recorded when paid.

Tax Status

The Plan adopted a nonstandard pre-approved document with an IRS notification letter, which states the pre-approved plan document is in compliance with the applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Generally accepted accounting principles (GAAP) requires an assessment for recognition of uncertainty in income taxes and prescribing a recognition threshold and measurement attribute for the recognition and measurement of a tax position taken or expected to be taken in a tax return. In the course of its assessment, the Plan has determined that it is subject to examination of its income tax filings in the United States and state jurisdictions for the prior three tax years. In the event that the Plan is assessed penalties and/or interest, penalties and interest will be charged to administrative expense.

Notes to Financial Statements

Note 2: Summary of Significant Accounting Policies (Continued)

Plan Amendments

The Plan intends to adopt certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) that was signed into law on March 27, 2020, which were immediately available, for coronavirus related distributions, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that are due during 2020. The Plan intends to formally execute the required plan amendments for these provisions by the last day of the plan year beginning on or after January 1, 2022.

Note 3: Information Prepared and Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net change in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the trustee of the Plan.

Note 4: Fully Benefit-Responsive Investment Contracts (FBRICs)

The Plan invests in a fully benefit-responsive investment contract (FBRIC) with Great-West Life & Annuity Insurance Company (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is stated at contract value.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Certain events limit the Plan's ability to transact at contract value with the issuer. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants or the issuer are probable of occurring.

The average yield earned by the Plan for the benefit-responsive fund can be derived by averaging the quarterly gross interest rates for the fund over the year. The average yield of the investment is 0.90% for the year ended December 31, 2021.

Allegiance Benefit Plan Management, Inc. 401(k) Plan

Notes to Financial Statements

Note 5: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change to the methodology used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 44,138,228	\$ -	\$ -	\$ 44,138,228
Total investments at fair value	\$ 44,138,228	\$ -	\$ -	\$ 44,138,228

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 34,576,856	\$ -	\$ -	\$ 34,576,856
Total investments at fair value	\$ 34,576,856	\$ -	\$ -	\$ 34,576,856

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.
