Opinion

We have audited the accompanying financial statements of IBEW Local 683 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of IBEW Local 683 Profit Sharing Annuity Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of IBEW Local 683 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local 683 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of IBEW Local 683 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about IBEW Local 683 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

IBEW Local 683 Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note A - Description of Plan

The following brief description of the IBEW Local 683 Profit Sharing Annuity Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer defined contribution plan established pursuant to a collective bargaining agreement ("CBA") between the International Brotherhood of Electrical Workers Local 683 ("Local") representing the employees, and the Columbus Division of the Central Ohio Chapter, National Electrical Contractors Association ("Association"). To be eligible, an employee must be working for a participating employer who is subject to the CBA or for a participating employer subject to a trustee approved participant agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Administration of the Plan is the responsibility of the Board of Trustees ("Trustees") and is governed by a board consisting of equal representation from the participating employers and the Locals.

Participant Accounts

Each participant's account is credited with the contributions received on behalf of the participant from the Association employers. As of the last day of each plan year, the Administrative Manager shall revalue the total accumulated assets of the Fund and shall, after providing for payment of all reasonable and necessary expenses in the application of the Trust Fund, allocate earnings and losses on the investments generated from such assets on a pro rata basis determined by the value of the Individual Participant's Credit Account.

Individuals participating in the participant-directed portion of the Plan (accounts with segregated investments) shall receive only the income or loss on such segregated investments and shall be responsible for the payment of, on a pro rata basis, all reasonable and necessary investment expenses, administration expenses, and amounts for reserves or such other purposes as the Trustees shall decide. The valuation of a participant's participant-directed investments shall be the total amount of the participant's participant-directed account as of the date of the payment of the lump sum or other benefit, less the charge for expenses and/or other deductions against the participant-directed account.

Contributions

Association employers make contributions to the Plan for each hour paid to participants. Effective August 1, 1995, each eligible participant shall be permitted to make Elective Deferrals as a member of Group A or Group B. An employer which is required to contribute to the trust fund on behalf of a participant shall contribute the hourly contribution as elected for Group A or Group B per the collective bargaining agreement.

Payments of Benefits

Upon termination of service due to death, disability, retirement or a break in service with no employer contributions for a period of 24 consecutive months, a participant shall be entitled to the full value of the credit account. If the value of a participant's credit account derived from employer contributions exceeds \$1,000, the participant and the participant's spouse (or if either the participant or the participant's spouse has died, the survivor) must consent to any distribution of such account balance.

A married, retired participant's account benefits will be distributed in the form of a joint and survivor annuity over the estimated life expectancy of the participant and their beneficiary. The participant may elect, with the consent of his or her spouse, to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution or substantially equal periodic installments per the Plan guidelines.

Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note A - Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow from their credit accounts after the participant's credit account accumulates \$10,000. Such loans are limited to a minimum loan of \$5,000 and further limited that total loans will not exceed 50% of the participant's credit account with maximum outstanding loans of \$50,000. The loans are secured by the balance in the participant's credit account, in no event should exceed a period of 5 years, and, if approved prior to January 1, 2019, bear an interest rate of 2% above the prime rate charged by Chase, Columbus at the time the loan was granted and, if approved on January 1, 2019 or later, a fixed interest rate set by the Board of Trustees of 7%.

Vesting

Participants are immediately vested in any contribution to their account plus the earnings thereon.

Note B - Summary of Significant Accounting Policies

Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared under the accrual method of accounting. The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Employer Contributions Receivable

Contributions receivable represent employer contributions related to employees' hours worked on or prior to December 31 but have not been contributed to the Plan as of December 31. The balance is based on actual collections subsequent to year end.

Investment Valuation and Income Recognition

The Plan consists of participant-directed and nonparticipant directed investments. Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon terms of the plan agreement. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Reciprocity Agreements

The Plan has signed reciprocity agreements with other IBEW Locals. Amounts due from or due to other IBEW Locals are recorded as reciprocal contributions receivable or payable.

Payment of Benefits

Benefits are recorded when paid.

Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note B - Summary of Significant Accounting Policies (continued)

Administrative Expenses

The Plan's expenses are paid by the Plan, as provided by the Plan agreement. Certain expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in the net appreciation (depreciation) of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with this year's presentation.

Note C - Investments and Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are delivered principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable measurements.

IBEW Local 683 Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note C - Investments and Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market funds: Valued at the closing price reported on an actively traded exchange and are reported as level 1.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are therefore reported as level 1.

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note C - Investments and Fair Value Measurements (continued)

The following table summarizes investments measured at fair value based on net asset value (NAV) per unit as of December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

	<u>\$ 56,719,884</u>	<u>\$ 75,441,713</u>		

- a) Common collective trust: the fund's objective is to as nearly as practical replicate the performance of the Standard and Poor's 500 Index, by purchase and resale of those equities which compose the S&P 500 Index. The valuation of the Fund is performed as of the close of business on each day on which the New York Stock Exchange is open for business. Units are issued and redeemed daily at net asset value per unit. Notice of intention with respect to admissions and withdrawals must be given before 3:00 PM eastern time of the valuation date. Settlement occurs on the next business day after the valuation date. There is no lockup period or other restrictions on withdrawals.
- b) Common collective trust: the trust's primary investment objectives are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates consistent with seeking to maintain required liquidity. The trust holds primarily synthetic guaranteed investment contracts. The net unit values of the classes of the Trust are determined as the close of each business day. Participant units are issued and redeemed only at the end of each day and at the net unit value at contract value, provided that the redeeming participant plans comply with the required two-year notice provision. When the market value of units is less than their contract value, participant plans may also elect to withdraw units at their market value upon 10 days' notice.
- c) Common collective trust: this represents an investment that is a sub-fund of Arrowstreet Collective Investment Trust and is a hedge fund operated by Arrowstreet Capital, LP. The objective is to provide returns in excess of the equity market. Units may be issued upon a specified trade date and are valued monthly at net asset value.
- d) ASB Allegiance private REITS: The Plan may invest a portion of its assets in Private Real Estate Investment Trusts ("Private REITs"). The Private REITs measure their investment assets at fair value and report a NAV per share on a calendar quarter basis. In accordance with Accounting Standards Codification ("ASC") 820, the Fund has elected to apply the practical expedient and to value its investments in Private REITs at their respective NAVs at each quarter. For non-calendar quarter-end days, the Pricing Committee estimates the fair value of each Private REIT by adjusting the most recent NAV for each REIT by the change in a proprietary benchmark that the Pricing Committee has deemed to be representative of the entire Private REIT market. In the event that a price is not provided by the Private REIT, the fair valuation procedures will be followed. As of December 31, 2021, all of the Plan's investments in Private REITs were valued at the respective NAVs of the Private REITs.

Expenses	(279,005)	(281,576)
	<u>\$ 9,858,936</u>	<u>\$ 10,503,285</u>

Note E - Plan Termination

Although it has not expressed any intent to do so, the Plan may be terminated at any time upon the written agreement of the Local and the Association and subject to the provisions of the ERISA. Upon termination, contributions to the Plan would cease and the fund would be distributed in accordance with the terms and provisions of the Plan.

Note F - Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated December 4, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

IBEW Local 683 Profit Sharing Annuity Plan

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

Note G - Risks and Uncertainties

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Concentration of Cash

The Plan maintains its cash in bank deposit accounts at financial institutions. The balances, at times, may exceed current federally insured limits through the Federal Deposit Insurance Corporation of \$250,000, per institution.

Significant Participating Employers

During the years ended December 31, 2021 and 2020, two employers represented 58% and 54%, respectively, of total employer contributions to the Plan.

Note H - Related Party and Parties in Interest Transactions

The Plan pays fees for several arrangements with service providers and affiliated entities. These transactions are considered exempt party in interest transactions under ERISA. Such fees are included on the statements of changes in net assets available for benefits.

The Plan shares common governance with related organizations including the International Brotherhood of Electrical Workers 683 Union, the Columbus Division of the Central Ohio Chapter National Electrical Contractors Association, IBEW 683 Pension Fund Pension Plan, IBEW 683 Health and Welfare Plan, and IBEW 683 Education Plan, all of which are tax-exempt.

Note I - Plan Amendments

During the plan year ended December 31, 2021, the plan was amended as follows:

- Amendments effective January 1, 2022:
 - The Plan meets the requirements of a safe harbor plan, therefore all Employers are required to contribute at least 3% of each employees' compensation. Additionally, as a result, the Plan will not be subject to annual Actual Deferral Percentage testing.
 - Adoption of the definition of Safe Harbor Compensation, which provides that compensation is permitted to exclude any irregular or additional compensation.
 - Appendix A increased Inside Agreement Group A's contributions to \$3.10 per hour worked, Inside Agreement apprentices with hours worked from 1,001-2,000 hours to 45% of contribution rate, and Teledata Agreement's contributions to \$3.00 per hour worked.

Note I - Plan Amendments (continued)

- Amendment effective February 1, 2022:
 - Participants may transfer all or a portion of their credit account among the various investment options at any time.
