Independent Auditor's Report

To the Plan Administrator
All Star Recruiting Inc 401(k) Plan
Deerfield Beach, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the All Star Recruiting Inc 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

1. Description of Plan

The following description of the All Star Recruiting Inc 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more comprehensive description of the Plan's provisions.

General

The Plan, was adopted effective February 1, 2016 by All Star Recruiting, Inc. The Plan is a defined contribution plan covering substantially all eligible employees, as defined by the Plan, of All Star Recruiting Inc. and affiliated employers (collectively, the Company). All Star Recruiting, Inc. is the Plan Sponsor of the Plan. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Custodian and Administration of the Plan

The custodian of the Plan is Charles Schwab Trust Bank (Charles Schwab). The recordkeeper of the Plan is BlueStar Retirement Services, Inc. (BlueStar). The administrator of the Plan is the Company. The custodian holds all assets of the Plan in accordance with the service provider contract with the Company. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees become eligible to make elective salary deferral contributions upon attaining age 21 and completing three months of service, as defined. In order for participants to become eligible to receive Company discretionary matching contributions, they be eligible for salary deferral contributions and must complete one year of service, as defined.

Contributions

Each year participants may contribute pre-tax or after-tax Roth deferrals up to 100 percent of eligible compensation, as defined by the Plan, subject to certain limitations under Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company provides for a discretionary matching contribution equal to a discretionary percentage to be determined by the Company each year. During 2021, the Company elected to contribute a discretionary match of 50 percent of the first 4 percent of eligible compensation that a participant contributes to the Plan. In response to the adverse effects of the COVID-19 pandemic, effective April 2020, the Company elected to cancel the discretionary match contribution during 2020 and part of 2021. The Company re-instated the discretionary match contribution in July 2021.

Participant Accounts

Each participant's account is credited with the participant's and Company discretionary match contribution, and allocations of the Plan's earnings, and charged with benefits payments and an allocation of the Plan's losses and administrative expenses. Plan earnings and losses are allocated based on account balances while contributions are credited based upon elective deferrals and compensation, as defined. Administrative expenses are charged directly to the accounts of the

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

participants who incur those fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of a participant's account balance. Participants may have one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1 percent. The period for loan repayment cannot exceed five years from the date of the loan unless it was used to purchase a principal residence. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant with a vested balance greater than \$5,000 may elect to receive a single lump sum amount equal to the value of the participant's vested interest in his or her account. If the amount of the participant's vested balance is less than or equal to \$5,000, a single lump sum payment will be made automatically to the participant. Participants may make in-service withdrawals upon attaining age 59½ or may make hardship withdrawals upon request.

Vesting

Participants are immediately vested in their salary elective deferral contributions and rollover contributions plus actual earnings thereon. Vesting in the Company discretionary matching contributions plus actual earnings thereon is determined under the following schedule:

<i>Years of Service</i>	<i>Vesting Percent</i>
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years or more	100%

A participant will also be 100 percent vested in Company discretionary match contribution upon death or disability or attainment of normal retirement age, as defined.

Forfeitures

Any non-vested amounts remaining after the distribution of a terminated participant's vested account balance are forfeited. Amounts forfeited by participants may be used to pay Plan expenses or to reduce Company discretionary match contributions. During the year ended December 31, 2021, forfeitures in the amount of \$1,341 were used to pay Plan expenses. At December 31, 2021 and 2020, forfeited balances held by the Plan were \$1,546 and \$1,341, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded as of the date of trade. Interest is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company as provided by the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Certain transaction fees for loan issuances and distributions are charged directly to the accounts of the participants who incur those fees. Any costs associated with the investment of a participant account are charged to that participant.

3. Information Certified by the Trustee

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment income, net as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the schedule of assets (held at end of year) as of December 31, 2021, as shown on the ERISA-required supplemental schedules.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedules.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

Mutual funds - Valued as determined by quoted market price, which represents the net asset value of shares held by the Plan at year-end. The mutual funds held by the Plan are deemed to be actively traded.

Money market account - Valued at quoted market prices in an active market which represents the net asset value of shares held by the Plan at year end.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

<u>December 31, 2021</u>	Fair Value Measurements			Total Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 5,342,488	\$ -	\$ -	\$ 5,342,488
Money market	<u>113,585</u>	<u>-</u>	<u>-</u>	<u>113,585</u>
Total investments, at fair value				<u>\$ 5,456,073</u>

<u>December 31, 2020</u>	Fair Value Measurements			Total Fair Value
	Level 1	Level 2	Level 3	
Mutual funds	\$ 4,176,310	\$ -	\$ -	\$ 4,176,310
Money market	<u>103,834</u>	<u>-</u>	<u>-</u>	<u>103,834</u>
Total investments, at fair value				<u>\$ 4,280,144</u>

5. Party-in-Interest and Related Party Transactions

Certain plan investments are held and managed by the custodian. The Plan also pays certain administrative expenses to the custodian and recordkeeping fees to the Plan's third-party administrator. Transactions related to these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

7. Non-Exempt Transactions

During the Plan year ended December 31, 2021, repayment of note receivable from participant withheld to employees in the amounts of \$1,025, were not remitted within the appropriate time period by the Company. These transactions constitute prohibited transactions as defined by ERISA. The Company is aware of the occurrence and has taken the appropriate steps to correct the situation.

The Company has chosen to correct this without use of the Voluntary Fiduciary Contribution Program. Furthermore, the Company does not believe that these prohibited transactions will have a material impact on the accompanying financial statements and supplemental schedules.

8. Income Tax Status

The Plan is based on a Volume Submitter 401(k) Profit Sharing Plan from BlueStar (the Volume Submitter Plan). The IRS ruled on March 31, 2014 that the Volume Submitter Plan qualifies under Section 401(a) of the IRC under the Volume Submitter program and the related trust is, therefore, not subject to tax under the present income tax law. The Plan has been amended since receiving the ruling. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements and participant account balances.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:

	2021	2020
Net assets available for benefits per financial statements	\$ 5,558,341	\$ 4,311,447
Less: Contribution receivable - employer	(3,787)	-
Less: Contribution receivable - participants	(13,110)	-
Net assets available for benefits per Form 5500	\$ 5,541,444	\$ 4,311,447

All Star Recruiting Inc 401(k) Plan

Notes to Financial Statements

The following is a reconciliation of net increase in net assets per the financial statements for the year ended December 31, 2021, to Form 5500:

	2021
Net increase in net assets per financial statements	\$ 1,246,894
Less: Current year contribution receivable - employer	(3,787)
Less: Current year contribution receivable - participants	(13,110)
Net increase per Form 5500	\$ 1,229,997

11. Subsequent Events

As disclosed in Note 8, the Company has adopted a prototype plan provided by BlueStar. BlueStar obtained an opinion letter dated June 30, 2020, from the IRS pursuant to a requirement to restate the pre-approved plan documents every six years in order to maintain the Plan's tax-qualified status. As a result, on January 1, 2022, the Company restated the Plan to reflect remedial amendments associated with BlueStar's restatement of its prototype plan.

The financial statements and related disclosures include an evaluation of events up to and including October 7, 2022, the date the financial statements were available to be issued. The Plan is not aware of any other subsequent events that would require recognition or disclosure in the financial statements.
