This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of **W&L Mail Service, Inc. Retirement Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the disclosures (collectively, the "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole.

As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by **United of Omaha Life Insurance Company**, the trustee of the Plan, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by **United of Omaha Life Insurance Company**, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

20) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

21) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

- a) Management,

- c) Others where the fraud could have a material effect on the financial statements.

22) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

23) Apart from any exceptions reported by the auditor during this audit, we have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.

24) We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.

30) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities, are as follows: Pooled separate accounts are valued at the net asset value (NAV) of units as determined by the trustee. NAV is a readily determinable fair value and is the basis for current transactions. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methods and

significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

- 31) All required amendments to and filings of plan documents with the appropriate agencies have been made.
- 32) The Plan, and the trust established under the Plan, as applicable, is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. - 37) We acknowledge our responsibility for presenting the Schedule of Assets (Held at End of Year), the Schedule of Delinquent Participant Contributions, and other supplemental schedules, as applicable, in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and we believe the supplemental schedules, including their form and content, are fairly presented in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of **W&L Mail Service, Inc. Retirement Plan**:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of **W&L Mail Service, Inc. Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of **W&L Mail Service, Inc. Retirement Plan's** financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **W&L Mail Service, Inc. Retirement Plan** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **W&L Mail Service, Inc. Retirement Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **W&L Mail Service, Inc. Retirement Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **W&L Mail Service, Inc. Retirement Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment

information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of or for the period January 1, 2021 through December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of **W&L Mail Service, Inc. Retirement Plan**:

We were engaged to audit the accompanying statement of net assets available for benefits of **W&L Mail Service, Inc. Retirement Plan** as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by United of Omaha Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**W&L Mail Service, Inc. Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020**

A. Description of Plan

The following description of W&L Mail Service, Inc. Retirement Plan (Plan) provides only general information. Readers should refer to the Plan agreement or the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a profit sharing defined contribution plan covering employees of W&L Mail Service, Inc. (the Company). Employees are eligible for participation in the Plan upon beginning employment with the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Sponsor Matters

During 2018, the Company received inquiries from the Department of Labor regarding the timing of certain employer contributions for the Plan years 2014 through 2017. In December 2018, the Company filed an Application for Voluntary Correction Program (VCP) with the Internal Revenue Service to address the matter. The VCP application and related payments are in process. Payments to the Plan resulting from the VCP are recorded when received.

Contributions

No employee deferral contributions are allowed under the Plan. The Company makes discretionary employer prevailing wage contributions, designated as employer profit sharing contributions, to the Plan as one of several fringe benefits and cash payments provided to employees working on prevailing wage contracts.

Contributions are invested according to employee investment elections in pooled separate accounts and a guaranteed interest investment contract. Employees may change their investment elections at any time. For enrolled employees that do not make specific investment elections, contributions are invested in a designated investment determined by the Company.

Employees are allowed to make rollover contributions from other qualified retirement plans and individual retirement accounts. Rollover contributions are invested according to employee investment elections.

Participant Accounts

An individual account is maintained for each employee participating in the Plan. Each participant's account is credited with his or her share of the profit sharing contributions. Investment earnings and losses are allocated based upon the investment performance of each investment in participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Employees are 100% vested immediately in all contributions, including employer profit sharing contributions and employee rollover contributions, and the earnings thereon. Prevailing wage contributions cannot be subject to forfeiture.

**W&L Mail Service, Inc. Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020**

Participant Loans

Participant loans are not permitted.

Cycle 3 Restatement

The Internal Revenue Service (IRS) requires qualified retirement plans that use pre-approved plan documents to be amended and restated every six years to reflect changes in the Internal Revenue Code (IRC) and IRS regulations. Effective November 15, 2021, the Plan documents were restated in compliance with this requirement.

Consolidated Appropriations Act

The Consolidated Appropriations Act of 2021 (CAA) was signed into law on December 27, 2020. The CAA extended certain relief provisions of the Coronavirus Aid, Relief and Economic Security Act (CARES Act) until June 25, 2021. Plan management implemented the following provisions of the CAA that were available to tax qualified retirement plans and their participants, as applicable: (a) allowed COVID-19-related distributions of up to \$100,000 for eligible participants, (b) increased the limit on Plan loans for eligible participants to the maximum amount permitted under the CARES Act, (c) permitted temporary suspension of payments on Plan loans for eligible participants. The CAA provisions expired June 25, 2021.

Payment of Benefits

Plan participants are eligible to receive benefit payments from the Plan at retirement, prior to retirement under certain circumstances, upon termination of employment with the Company, and at death. Benefit payments may be elected as a lump-sum payment equal to all or part of the value of the participant's vested interest in his or her account. Accounts with vested balances less than \$1,000, including rollover contributions, may be automatically cashed out of the Plan upon termination of employment with the Company.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

Preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

**W&L Mail Service, Inc. Retirement Plan
Notes to Financial Statements
December 31, 2021 and 2020**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

The Company makes employer prevailing wage contributions to the Plan as one of several fringe benefits provided to employees working on certain of the Company's government contracts. Contributions to the Plan are discretionary. The fringe benefit obligations under these contracts may be satisfied by a combination of benefits or cash payments provided to employees. The amount and timing of related contributions to the Plan is determined by the Company. Based upon these factors, employer prevailing wage contributions are recorded by the Plan when received.

Payment of Benefits

Benefits payments are recorded when paid.

Expenses

Operating and administrative expenses, including third party administration, recordkeeping, financial services, investment advice and compliance services, are paid from the assets of the Plan and allocated among Plan participants. Per-use transaction fees are charged directly to specific participant accounts for certain additional services, such as processing distributions. Investment related expenses are included in net appreciation of fair value of investments. Certain administrative expenses of the Plan are paid by the Company and are excluded from these financial statements.

Subsequent Events

Plan management has evaluated subsequent events for disclosure in these financial statements through October 13, 2022, the date the financial statements were available to be issued.

C. Information Prepared and Certified by the Plan Trustee

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, United of Omaha Life Insurance Company, the trustee of the Plan, has certified as to the completeness and accuracy of investment balances and related investment activity in these financial statements and supplemental schedule, summarized as follows:

	<u>12/31/2021</u>	<u>12/31/2020</u>
Investments, at fair value	\$ 1,707,088	\$ 1,185,167

D. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts are valued at the net asset value (NAV) of units as determined by the trustee. NAV is a readily determinable fair value and is the basis for current transactions.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

E. Guaranteed Interest Contract

Plan investments include a guaranteed investment contract with United of Omaha Life Insurance Company ("United"). United maintains the contributions in a general company account. United is contractually obligated to repay principal and a specified interest rate to the Plan. The average crediting interest rate during the years ending December 31, 2021 and 2020 was 0.58% and 0.65%, respectively. The guaranteed investment contract does not permit United to terminate the agreement prior to the scheduled maturity date.

The guaranteed investment contract is a traditional investment contract for which the contract value was \$142,329 and \$127,435 at December 31, 2021 and 2020, respectively. The Plan holds no synthetic investment contracts.

The guaranteed investment contract meets the fully benefit responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by United, represents contributions made under the contract, plus interest credited, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its financial obligations may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events, such as Plan termination or merger, bankruptcy of the Plan sponsor, or premature cancellation of the contract may limit the ability of the Plan to transact at contract value with the issuer of the guaranteed interest contract and could result in a liquidation charge. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

F. Related Party Transactions

Plan investments consist of pooled separate accounts and guaranteed investment contracts held in a variable group annuity contract issued by United of Omaha Life Insurance Company, the trustee of the Plan. Fees of \$22,161 were paid to United of Omaha and Stadion Money Management for recordkeeping, plan administration, and operational services in 2021. Indirect compensation was also paid to Stadion Money Management, and Mutual of Omaha Life Insurance Company for services rendered. A financial advisor receives commissions. MG Trust receives fees for custodial services. These arrangements qualify as party-in-interest transactions.

G. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100 percent vested in their accounts.

H. Tax Status

The Plan documents are provided by Mutual of Omaha Insurance Company, which received a letter dated September 21, 2020, in which the Internal Revenue Service stated that the form of the Plan is acceptable under the applicable sections of the Internal Revenue Code (IRC) for use by employers for the benefit of their employees. The Plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management believes that no uncertain tax positions have been taken or are expected to be taken that would require recognition or disclosure in the financial statements.

I. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with such investments, it is at least reasonably possible that changes in the values of Plan investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported on the statements of net assets available for benefits.

As an example, global efforts to contain the spread of COVID-19, as well as other events, have significantly impacted many businesses, consumer activity and the global economy. Disruptions caused by COVID-19 and other such events may affect the values of participant's investments.
