# INDEPENDENT AUDITORS' REPORT

To the 401(k) Plan Administrative Committee
BR Printers 401(k) Profit Sharing Plan
San Jose, California

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of BR Printers 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

## Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion for the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Basis of Accounting for the 2021 and 2020 Financial Statements**

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statement section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

**Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter – Auditor's Report on 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520. 103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

## NOTE A – DESCRIPTION OF THE PLAN

The following description of BR Printers 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan's adoption agreement and amendments for a more complete description of the Plan's provisions.

*General*: The Plan, a defined contribution plan qualified under Section 401(k) and related provisions of the Internal Revenue Code, was established in 1993 and restated in 2015. The Plan was designed to provide participants with a means to defer a portion of their compensation for retirement funds and to provide benefits in the event of disability, death, or financial hardship. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Plan Administrator*: BR Printers, Inc. (the Company) is the administrator of the Plan, and as such, carries out the duties imposed under ERISA. The Company has delegated the responsibility for the operation, administration, and custodianship of the Plan to Standard Insurance Company. Administrative expenses for the years ended December 31, 2021 and 2020 were $875 and $958, respectively. In addition, the Plan indirectly paid investment fees by applying the fees against participants' returns.

*Eligibility*: All employees who are 21 years of age or older and has completed three months of service are eligible to participate in the Plan. The entry date is the first day of each calendar month after becoming eligible. Any employee who is 21 years of age or older and has worked at least 1,000 hours each year is eligible to gain a year of service with respect to the vesting schedule and receive the employer's matching contributions, if applicable. Employees who are nonresident aliens who have no earned income from sources within the United States and residents of Puerto Rico are not eligible to participate in the Plan.

*Contributions*: Contributions to a qualified plan are tax deferred and therefore are not included in a participant's compensation for federal income tax purposes until distributed to the participant. Participants may elect to contribute annually up to 100% of their annual compensation on a pretax basis up to a maximum of $19,500, for 2021 and 2020. The maximum contribution is normally adjusted annually by an inflation index. Eligible participants aged 50 or older are permitted to make catch-up contributions. The maximum catch-up contribution was $6,500 in 2021 and 2020. Participants are also allowed to rollover contributions from other qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant's directives. The Company may make discretionary matching contributions and discretionary profit-sharing contributions which are determined by the Company annually. There were no discretionary matching contributions in 2021 and $10 during 2020. No discretionary profit-sharing contributions were made during 2021 and 2020.

*Participant Accounts*: Each participant's account is credited with the participant's contribution and, if applicable, the employer's contribution, an allocation of the Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the ratio of the participant's balance to all participants' account balances. Each participant directs how contributions made to the Plan are to be invested among the investment options available under the Plan.

## NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

*Vesting*: The value of each participant's account is fully vested and non-forfeitable at all times for participant contributions, rollover contributions and the interest and earnings on those funds. The Company's discretionary matching contributions and earnings thereon are vested 25% after one year and are fully vested after four years of service. The Company's discretionary profit-sharing contributions, if any, and earnings thereon are vested 20% after two years and are fully vested after six years of service.

*Forfeitures*: Amounts forfeited by participants are related to the Company's discretionary matching and profit-sharing contributions made to the Plan and can be applied to reduce the employer's matching contributions or pay administrative expenses payable under the Plan. There were no unapplied forfeited non-vested accounts as of December 31, 2021 and 2020 and no forfeitures were applied to administrative expenses for 2021 and 2020.

*Distributions to Participants*: Distributions from the Plan are available upon any of the following situations: termination of employment at the Company, retirement, total disability, death, employee's reaching age 59-1/2 or qualified "financial hardship." All distributions from the Plan will be taxed as ordinary income for federal income tax purposes unless the participant elects to directly roll his or her distribution into an Individual Retirement Account (IRA), a qualified retirement plan or qualifies for special tax treatment. The Plan allows for mandatory distributions into individual retirement plan accounts designated by the Plan administrator for terminated participants with account balances below $5,000 without consent of the participants.

As permitted by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act), during the period January 1, 2020 through December 31, 2020, the Plan allowed eligible participants to receive special Coronavirus Distributions, up to the lesser of $100,000 or 100% of a participant's vested account balance. The Coronavirus Distributions were not subject to early withdrawal penalties, are taxable over a 3-year period, and can be repaid to the Plan by the participant during the 3-year period to exclude the distribution as taxable income on the participant's tax return. As permitted by the CARES Act, the Plan relied solely on a participant's self-certification as to whether they met the qualifications of an eligible participant.

*Notes Receivable from Participants*: The Plan allows participants to borrow one loan of a minimum of $1,000 and up to the lesser of $50,000 or one-half the vested interest in the participant's account. The term of the loan cannot exceed five years except in the case of a loan for the purpose of purchasing the principal residence of the participant, which can have a term not to exceed the participant's normal retirement age. The loans are secured by the participants' vested account balance. Repayment of participant loans are accomplished through ratable payroll deductions of both principal and interest. The interest rate is based upon the prime rate published in the Wall Street Journal at the time the loan is issued. The existing loans have interest rates that range from 3.25% to 5.50%. Loans outstanding when a participant exits the Plan are reclassified as deemed distributions from participant notes receivable based upon the terms of the plan document. Deemed distributions from participant notes receivable were $43,569 and $9,669 during 2021 and 2020, respectively.

## NOTE A – DESCRIPTION OF THE PLAN (CONTINUED)

*Notes Receivable from Participants (continued)*: The Plan allowed eligible participants to take Coronavirus-related loans, for up to the lesser of $100,000 or 100% of their vested account balance in accordance with the CARES Act during the period January 1, 2020 through September 22, 2020. There were no Coronavirus-related loans taken during 2020.

## NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*: The financial statements of the Plan are prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this method, investments are recorded at fair value, contributions are recorded when received, benefits and expenses are recorded when paid, and interest income and fees related to notes receivable from participants are recorded when earned or incurred.

*Use of Estimates*: The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Contributions*: Contributions from Plan participants are recorded in the year in which the participant contributions are deposited in the Plan. Discretionary matching and profit-sharing contributions are recognized when the related funds are received by the Plan. All participant and employer contributions are participant directed.

*Payment of Benefits*: Benefits are recorded when paid.

*Investment Valuation and Income Recognition*: The investment in guaranteed insurance contract is stated at contract value (see Note F). The pooled separate account is stated at fair value. For more information on valuation methods and inputs, please refer to Note G - Fair Value Measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded when received. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. The Plan’s investments are held in a trust administered by Standard Insurance Company as of December 31, 2021 and 2020.

*Notes Receivable from Participants*: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recoded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

## NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

*Expenses*: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

*Subsequent Events*: Accounting Standards Codification (ASC) 855-10 *Subsequent Events* requires additional disclosure for events or transactions that occur after the statement of net assets available for benefits– modified cash basis date. The Plan was amended on July 15, 2022, to permit CARES Act provisions for eligible participants. The Plan has no other significant subsequent events as of October 13, 2022. The Plan has not evaluated subsequent events after this date, which is the date the financial statements were available to be issued.

## NOTE C – INCOME TAX STATUS

The Company received its latest IRS determination letter on March 31, 2014, that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code and is therefore exempt from federal income taxes under Section 501(a) of the Code. The Plan is also exempt from state income taxes. The Plan has been amended since receiving the determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
The company has received a new determination letter dated June 30, 2020, which will go into effect in 2022 when the plan is amended.

Plan management evaluates tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the various taxing authorities and government agencies. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examinations for tax years prior to 2018.

## NOTE D – RELATED PARTY TRANSACTIONS

The Plan has investments in a guaranteed insurance contract and pooled separate accounts that are managed by Standard Insurance Company (Standard). Standard is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Some administrative expenses incurred by the Plan during 2021 are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

## NOTE E – PLAN TERMINATION

While the Company has not expressed any intent to terminate the Plan, it is free to do so at any time, subject to the provisions of ERISA. In the event of termination, the participants' accounts will be paid in accordance with the provisions of the Plan as soon as practicable.

## NOTE F – INVESTMENT IN GUARANTEED INSURANCE CONTRACT

As of December 31, 2021, the Plan maintained one guaranteed investment contract (GIC) related investment option, the Standard Stable Asset Fund II issued by Standard Insurance Company. The contract underlying this investment option is fully benefit responsive in accordance with ASC 962, *Plan Accounting – Defined Contribution Pension Plans*. As of December 31, 2021 and 2020, the contract value of the investment in the Stable Asset Fund II was $409,290 and $402,752, respectively.

The crediting interest rate to participants for the contract as of December 31, 2021 and 2020 was 2.20% and 2.35%. Crediting rates for the plan's Stable Asset Fund II are set by Standard Insurance Company using a process similar to that used by banks or other insurance companies for similar products. The crediting rate for the plan year ending December 31, 2021 and 2020, was 0.64% and 0.96%, respectively.

Standard's determination of credited interest rates reflects several factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, corporate relocation, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. Upon occurrence of any of these events, a market value adjustment or other withdrawal restrictions may apply. Plan management does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

## NOTE G – FAIR VALUE MEASUREMENTS

ASC 820-10, *Fair Value Measurements and Disclosures* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

## NOTE G – FAIR VALUE MEASUREMENTS (CONTINUED)

The three levels of the fair value hierarchy under ASC 820-10 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Pooled Separate Account*: Value of the pooled separate account is based on the net asset value provided by the fund manager and are calculated by applying each day's total return for the underlying mutual funds owned by the fund less a management fee to the prior business day's net asset value. The net asset value includes additional management fees not included in the quoted price on active markets. As a result, the pooled separate account is classified as a Level 2 investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## NOTE G – FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| | 2021 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Pooled separate account | $ - | $ 3,281,727 | $ - | $ 3,281,727 |

| | 2020 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Pooled separate account | $ - | $ 2,691,706 | $ - | $ 2,691,706 |

## NOTE H – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and administrative expenses for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Standard Insurance Company (the Trustee of the Plan).

## NOTE I – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits – modified cash basis.
