Colorado Springs, Colorado

Opinion

We have audited the financial statements of The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc. (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are issued.

Board of Directors and Retirement
Savings Plan Committee
The 401(k) Retirement Savings Plan of
Broadmoor Hotel, Inc.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule listed in the table of contents is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc. (the Plan) provides only general information. Participants should refer to the plan document and *Summary Plan Description*, which are available from the plan administrator, for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan sponsored by the Broadmoor Hotel, Inc. (the Company) for the benefit of its employees who have at least one year of service and are age 21 or older. Related employers who also participate in the Plan include Manitou and Pike's Peak Railway Company, Emerald Valley Ranch, LLC, PF, LLC and The Oklahoma Publishing Company. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Fidelity Management Trust Company (the Trustee) is the trustee of the Plan and Fidelity Investments Institutional Operations Company, Inc. (FIIOC) serves as the record keeper for the Plan.

Contributions

The Plan permits eligible employees, through a salary deferral election, to have the Company make annual contributions of up to 100% of eligible compensation, as defined. Employee Roth, rollover and catch-up contributions are also permitted. The Company makes matching contributions of 50% of employees' salary deferral amounts up to 6% of employees' compensation. Contributions are subject to certain limitations.

Participant Investment Account Options

Each participant has the option of directing their contributions into any of the various investment options offered by the Plan and may change the allocation daily through the Trustee's website.

The plan document also includes an automatic deferral feature whereby a participant is treated as electing to defer a certain percentage of eligible compensation unless the participant made an affirmative election otherwise.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and plan earnings. Participants with outstanding loans are charged an administrative expense of \$3.75 per quarter. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc.

Notes to Financial Statements

December 31, 2021 and 2020

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is fully vested after five years of continuous service. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce Company contributions. The Plan's vesting schedule is as follows:

Years of Service	Vested %
Less than 2 years	0%
Less than 3 years	40%
Less than 4 years	60%
Less than 5 years	80%
5 years or greater	100%

Payment of Benefits

Upon termination of service, an employee may elect to receive a lump-sum amount equal to the value of his or her account. For an employee with a vested account value of \$1,000 or less, including that portion attributable to rollover contributions, the employee will receive a lump-sum amount equal to the value of his or her account at any time after termination of employment, without regard to the employee's consent. For an employee with a vested account value greater than \$1,000 but equal to or less than \$5,000, including that portion attributable to rollover contributions, the employee's vested account balance will be distributed in a direct rollover to an individual retirement plan designated by the Retirement Savings Plan Committee, unless the employee elects otherwise.

During 2020, the Company implemented *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) provisions for coronavirus-related distributions (CRD). Through December 30, 2020, qualified participants are permitted to take a CRD of up to \$100,000 from the Plan. Participants who take a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distribution requirements for any distribution required to be made in 2020.

Forfeited Accounts

Forfeitures are used to reduce future Company contributions. During 2021 and 2020, forfeitures of \$100,468 and \$76,789, respectively, were used to reduce Company contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$81,645 and \$101,966, respectively.

The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc.

Notes to Financial Statements

December 31, 2021 and 2020

Notes Receivable from Participants

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum amount of a loan shall be \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance at the date of the loan. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholdings. Interest on the loans is based on local prevailing rates as determined by the plan administrator.

During 2020, the Company adopted the CARES Act provisions for loan relief to 1) delay certain required loan repayments for one year and 2) increase loan limits to the lesser of \$100,000 or 100% of the participant's vested balance for coronavirus-related loans. The CARES Act provided for the increased loan limit for coronavirus-related loans issued from March 27, 2020 through September 22, 2020. The one-year suspension of loan repayments applies to qualified participants' loan payments due between March 27, 2020 and December 31, 2020. Following the suspension period, these loans will be re-amortized over the remaining period of the loans, plus the suspension period.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes in net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Quoted market prices, if available, are used to value investments. Mutual funds are valued at the net asset value (NAV) of shares held by the Plan at year-end. The Plan's interest in collective trusts is valued based on information reported by the investment advisors using the audited financial statements of the collective trusts at year-end.

The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc.

Notes to Financial Statements

December 31, 2021 and 2020

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year, as well as reinvested dividends.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the plan document.

Plan Tax Status

The IRS has determined and informed the Company by a letter dated August 3, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Administrative expenses charged to participant accounts consist of loan maintenance fees for those participants with outstanding loans under the Plan.

Note 3: Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan invests in certain funds managed by FIIOC, an affiliate of the Trustee. FIIOC may receive revenues from certain investment vehicles offered under the Plan. Individually nonmaterial expenses paid to parties-in-interest aggregated \$3,649 and \$7,128 for 2021 and 2020, respectively. The Plan incurs expenses related to general administration, and certain accounting and auditing fees related to the Plan. The Company pays these expenses and provides certain administrative services at no cost to the Plan.

Note 4: Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

	2021			
	Fair Value Measurements Using			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$ 42,941,466	\$ 42,941,466	\$ -	\$ -
Total assets in the fair value hierarchy	42,941,466	<u>\$ 42,941,466</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value (A)	<u>5,127,683</u>			
Investments at fair value	<u>\$ 48,069,149</u>

	2020

Mutual funds	\$ 40,034,807	\$ 40,034,807	\$ -	\$ -
Total assets in the fair value hierarchy	40,034,807	\$ 39,254,169	\$ -	\$ -
Investments measured at net asset value (A)	5,037,993			
Investments at fair value	\$ 45,072,800			

(A) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021. The Plan had no liabilities measured at fair value on a recurring basis. In addition, the Plan had no assets or liabilities measured at fair value on a nonrecurring basis. There were no assets classified within Level 2 or Level 3 of the fair value hierarchy during 2021 or 2020.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy.

Investment Measured Using the Net Asset Value per Share Practical Expedient

The fair value of the Plan's investment in the collective trust is measured at the net asset value per share practical expedient as of December 31, 2021 and 2020. The investment objective of the collective trust is to provide preservation of capital, stable returns consistent with its comparatively low risk profile, and liquidity for payments. There are no funding commitment requirements and there are no participant redemption restrictions for this investment.

Notes to Financial Statements

December 31, 2021 and 2020

Note 5: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

The outbreak of the novel coronavirus COVID-19, which was declared a pandemic by the World Health Organization on March 11, 2020, has led to adverse impacts on the U.S. and global economies. Economic uncertainties have arisen, which have resulted in significant volatility in the investment markets and may continue to impact the value of Plan assets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 6: Subsequent Events

Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

Change in Record Keeper and Trustee

Subsequent to December 31, 2021, Nationwide Life Insurance Company became the Plan's record keeper, and Nationwide Trust Company became the Plan's trustee.

Board of Directors, Retirement Savings Plan
Committee and Management
The 401(k) Retirement Savings Plan of
Broadmoor Hotel, Inc.
Colorado Springs, Colorado

As part of our audit of the financial statements of The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc. (the Plan) as of and for the year ended December 31, 2021, we wish to communicate the following to you.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our contract more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our contract more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan's significant accounting policies are described in Note 2 of the audited financial statements.

Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within accounting principles generally accepted in the United States of America for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The following areas involve significant estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates:

- Fair value of investments

Significant Unusual Transactions

Significant unusual transactions represent significant transactions that are outside the normal course of business for the Plan or that otherwise appear to be unusual due to their timing, size, or nature. We have identified the following transactions that we consider to be significant and unusual.

- No matters are reportable

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Determination of fair values
- Parties-in-interest transactions
- Subsequent events

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework. Some adjustments proposed may not be recorded because their aggregate effect is not currently material; however, they may involve areas in which adjustments in the future could be material, individually or in the aggregate.

Areas in which adjustments were proposed include:

Proposed Audit Adjustments Recorded

- No matters are reportable

Proposed Audit Adjustments Not Recorded

- No matters are reportable

Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered significant and relevant to those charged with governance over the Plan:

- The funding summary report does not contain evidence of review by the payroll manager. Evidence of review by the payroll manager will help ensure documentation exists to support the payroll manager's approval of the funding summary report.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- The quality of the Plan's accounting principles appears adequate and appropriately applied

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

- No matters are reportable

Other Material Communications

Listed below are other material communications between management and us related to the audit:

- Management representation letter (attached)
- We orally communicated to management a deficiency in internal control identified during our audit that is not considered a material weakness or a significant deficiency

OTHER MATTERS

Although not considered material weaknesses, significant deficiencies, or deficiencies in internal control over financial reporting, we observed the following matters and offer these comments and suggestions with respect to matters which came to our attention during the course of the audit of the financial statements. Our audit procedures are designed primarily to enable us to form an opinion on the financial statements and, therefore, may not bring to light all weaknesses in policies and procedures that may exist. However, these matters are offered as constructive suggestions for the consideration of management as part of the ongoing process of modifying and improving financial and administrative practices and procedures. We can discuss these matters further at your convenience and may provide implementation assistance for changes or improvements.

Cybersecurity Guidance for Employee Benefit Plans

For the first time, the Employee Benefit Security Administration (EBSA) has issued cybersecurity guidance. EBSA believes that without sufficient protection, the over \$9.3 trillion of assets currently invested for the participants of defined benefit and contribution plans could be at risk from both internal and external cybersecurity threats. The guidance, issued in three parts, provides plan fiduciaries and plan management tips for hiring a service provider, cybersecurity program best practices, and online security tips.

Cybersecurity program best practices, as outlined by the EBSA, include the following:

- Have a formal cybersecurity program
- Conduct prudent annual risk assessments
- Have a reliable annual third-party audit of security controls
- Maintain strong access control procedures
- Ensure sensitive data stored and in transit is encrypted
- Respond properly to cybersecurity incidents or breaches

Employee benefit plans often rely on other service providers to maintain plan and participant data records. Plan sponsors should exercise prudence when selecting and monitoring service providers. Steps that plan sponsors can take during the selection process include the following:

- Inquire about the service provider's information security standards, policies, and practices
- Evaluate the service provider's track record, including a search for public information regarding information security incidents
- Inquire whether the service provider has experienced security breaches in the past
- Check if the service provider has insurance policies covering losses caused by cybersecurity and identity theft breaches

The undersigned ("We") are providing this letter in connection with FORVIS' audits of the financial statements of The 401(k) Retirement Savings Plan of Broadmoor Hotel, Inc. (the Plan) as of and for the years ended December 31, 2021 and 2020, and supplemental schedule as of December 31, 2021.

Our representations are current and effective as of the date of FORVIS' report: October 13, 2022.

Our engagement with FORVIS is based on our contract for services dated: May 9, 2022.

Our Responsibility and Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule(s) in conformity with the Department of Labor's Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. 5. We have everything we need to keep our books and records.
6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms, and business purpose of those transactions and whether such transactions involved related parties.
7. We have provided you with:

 - f. All minutes of administrative committee meetings held through the date of this letter or summaries of actions of recent meetings for which minutes have not yet been prepared. All unsigned copies of minutes provided to you are copies of our original minutes approved by the administrative committee, if applicable, and maintained as part of our records.

8. All transactions have been recorded in the accounting records and are reflected in the financial statements.
9. Financial instruments with off-balance sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

 - a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
11. We have no knowledge of any known or suspected fraudulent financial reporting or misappropriation of assets involving:

12. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers, or others.
13. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.
14. We have disclosed to you the identity of the Plan's related parties and all the related-party relationships and transactions of which we are aware. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

We understand that the term related party refers to an affiliate; principal owners, management, and members of their immediate families; subsidiaries accounted for by the equity method; and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

 - e. Agreements to purchase assets previously sold.
 - f. Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.
16. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
17. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.
18. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
19. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney's services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
20. Adequate allowances have been accrued for any material losses from uncollected receivables.

21. Except as disclosed in the financial statements, the Plan has:
 - a. Satisfactory title to all recorded assets, and they are not subject to any liens, pledges, or other encumbrances.
 - b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.
22. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits that could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
23. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.
24. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
25. The Plan instrument has not been amended during the year.
26. The Plan obtained its latest determination letter on August 3, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
27. The Plan has complied with the fidelity bonding requirements of ERISA.
28. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
29. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.

- d. We have evaluated the adequacy of the services performed and any findings that resulted.
31. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.

 - b. We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
 - c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
 - d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
 - e. The supplemental information, including its form and content, is fairly presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
 - f. If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.
36. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
