INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Hoveround 401(k) Plan Committee
Hoveround Corporation 401(k) Plan
Sarasota, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Hoveround Corporation 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
Hoveround 401(k) Plan Committee
Hoveround Corporation 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator
Hoveround 401(k) Plan Committee
Hoveround Corporation 401(k) Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 15, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HOVEROUND CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of Hoveround Corporation 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined-contribution plan covering all full-time employees of Hoveround Corporation (the “Company”/“Employer”) who have completed at least 90 days of service and are age 18 or older. Participants who have completed 90 days of service, as defined by the Plan, and are 18 years of age or older are eligible for the Employer match. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company’s 401(k) Plan Committee is responsible for overseeing the Plan, determining the appropriateness of the Plan’s investments and monitoring investment performance.

Plan Trustee

Plan assets were held in the custody of Voya Institutional Trust Company (“VITC”) (the “Plan Trustee”) at December 31, 2021 and 2020 (see Note 4).

Contributions

Plan participants may elect to contribute up to 100% of their pre-tax annual compensation to the Plan, as defined in the Plan. The contribution is limited, with certain exceptions, to a maximum contribution of \$19,500 in 2021. The Plan also allows for the Company to make an Employer contribution to the Plan, in an amount to be determined at the discretion of the Company. The Company made an employer discretionary contribution of approximately \$147,000 for the year ended December 31, 2021.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Employer’s discretionary contributions, (b) Plan earnings, and (c) administrative expenses charged to the Plan. Allocations are based on participant contributions, earnings, or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN (Continued)**Vesting**

Participants are immediately vested in their voluntary employee contributions and earnings thereon. Vesting in the Employer's matching and discretionary contributions, plus earnings thereon, is based upon years of continuous service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Investment Options

Upon enrollment in the Plan, a participant may direct their account balances among any of the Plan's investment options offered by the Plan.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000, or 50%, of their vested account balance. Note terms range from one to five years, or up to 15 years for the purchase of a primary residence. The notes are collateralized by the balance in the participant's account and bear interest at the Prime Rate on the day of the note request, plus 1%. Principal and interest are paid ratably through payroll deductions.

Participant notes receivable are recorded at their unpaid principal balance, plus accrued but unpaid interest. If collection of participant notes receivable is deemed doubtful, the amount is recognized as a distribution in the period the determination is made.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation of service, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in their account. Early retirement is not permitted under this Plan. Normal retirement age, as detailed in the Plan, is 59½. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan but were not paid as of December 31, 2021 and 2020.

Disposition of Forfeitures

Forfeitures of terminated participants' nonvested accounts are used to pay administrative expenses of the Plan or to reduce Employer contributions made to the Plan. Forfeiture balances that will be used to reduce future administrative expenses and Employer contributions were approximately \$7,200 and \$5,800 at December 31, 2021 and 2020, respectively. Forfeitures used during the year ended December 31, 2021 to reduce Employer contributions and to pay Plan expenses were approximately \$5,800.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Investment Risk

The Plan's investments are not insured by the Plan Trustee, the Company, the Federal Deposit Insurance Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with money market funds, mutual funds, stocks, bonds, and other similar types of investments that it may elect to invest in.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed in the preparation of these financial statements, which have been prepared in accordance with accounting principles generally accepted in the United States of America.

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Investments

As of December 31, 2021 and 2020, the Plan's investments in registered investment companies are stated at fair value, as reported by VITC.

Investments in registered investment companies are valued based on the net asset value ("NAV") of the underlying investment held by the fund, adjusted for unpaid expenses.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in fair value of its investments, which consists of realized gains and losses, and the unrealized gains and losses in those investments.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investments *(Continued)*

Investments in the general accounts are held in the Voya Fixed Account and are reported at fair value, as reported by VITC. The Voya Fixed Account is credited with declared rates of interest and is subject to a minimum rate described in the contract. The estimated fair value represents contributions, plus credited interest, plus or minus any market value adjustments, less contract surrender charges. Any market value adjustment or contract surrender charges are based on the formulas and schedules in the contract. The valuation inputs for the formulas and schedules in the contract included weighted averages of certain Barclays Fixed Income indices, U.S. Treasury rates, rate spreads, as defined in the contract, time periods prior to the valuation date of surrender, and number of days remaining in the guaranteed term. Amounts allocated to the Voya Fixed Account are held in VITC's General Account, which supports insurance and annuity obligations. The general account is managed on an aggregate basis and supports all of VITC's financial commitments. VITC and the Plan administrator have determined that the Voya Fixed Account is not fully benefit-responsive.

Purchases and sales are reflected on the trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded as earned on the accrual basis. The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Excess Contributions Payable

Amounts payable to participants as contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability, with a corresponding reduction to contributions.

Administrative and Investment Expenses

Certain administrative expenses are paid directly by the Company and will not be reimbursed by the Plan. Certain investment expenses are netted against net change in the fair value of investments.

Subsequent Events

In preparing these financial statements, the Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 - INCOME TAX STATUS

The Plan is a qualified trust under Section 401(a) of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan document, as restated on February 14, 2018, is a prototype plan prepared and maintained by Voya Retirement Insurance and Annuity Company. The prototype plan has received a determination of qualification from the IRS dated September 1, 2014. The Plan administrator believes that the adopted Plan continues to qualify and will remain exempt from federal income taxes under Section 401(a).

NOTE 4 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan Trustee held the Plan's investment assets as of December 31, 2021 and 2020 and executed all investment transactions for the Plan year ended December 31, 2021. All investments and participant notes receivable disclosed in the accompanying financial statements and supplemental schedule, including investments and participant notes receivable held at December 31, 2021 and 2020, net change in fair value of investments, interest, and dividend income for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Trustee.

NOTE 5 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value in accordance with authoritative accounting literature. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 5 - FAIR VALUE MEASUREMENT (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 9,097,541	\$ -	\$ -	\$ 9,097,541
Insurance Company General Account	-	978,153	-	978,153
Investments at fair value	\$ 9,097,541	\$ 978,153	\$ -	\$10,075,694

The following table sets forth by level, within the fair value hierarchy, the Plan's investments recorded at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Registered Investment Companies	\$ 9,254,176	\$ -	\$ -	\$ 9,254,176
Insurance Company General Account	-	1,460,344	-	1,460,344
Investments at fair value	\$ 9,254,176	\$ 1,460,344	\$ -	\$10,714,520

There were no transfers of investments within the levels of the fair value hierarchy during the year ended December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan's investments are managed by VITC and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - RECONCILIATION TO FORM 5500

Net assets available for benefits at December 31, 2021 and 2020, as presented in these financial statements, differ from what is reported on IRS Form 5500 in the following manner:

Less: Excess contributions payable at December 31, 2020	<u>(24,742)</u>
Decrease in net assets available for benefits per Form 5500	<u>\$ (612,466)</u>

NOTE 9 - COVID-19

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic, triggering volatility in the financial markets and having an impact on the global economy in general. As a result, subsequent to December 31, 2020, the Plan's investments have experienced significant volatility. While the fair value of the Plan's investments fluctuates in response to changing market conditions, the amount of losses that may be recognized in subsequent periods, if any, and the related impact on the Plan's liquidity cannot be determined.
