To the Plan Administrator of
Kerola Group 401(k) Plan

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Kerola Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Kerola Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kerola Group 401(k) Plan's ability to continue as a going concern within one year after financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kerola Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kerola Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) - Assets Held for Investment Purposes at End of Year as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Kerola Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

KEROLA GROUP 401(K) PLAN

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of Kerola Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan, adopted on January 1, 2006, restated on January 1, 2016, is a defined contribution plan under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of Kerola Group (the Company) 401(k) Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan has elected to become a safe harbor 401(k) plan for years beginning after December 31, 2006.

Eligibility:

All employees of Elite Leasing, Inc., PI&I Motor Express, Inc., PI&I Trucking, Inc., Weir-Cove Moving and Storage Co., and Sunset Key Management, Inc., who joined the Plan effective January 1, 2016, who have completed six months of employment and have attained age 21 are eligible to participate in the Plan, except for self-employed owners of an unincorporated employer, employees not employed by an adopting employer and employees of PI&I Trucking Inc., who are members of Teamsters Local Union 377 and employees of Weir-Cove Moving and Storage Company, who are members of General Truck Drivers and Helpers Union Local 92 through June 30, 2020. Effective July 1, 2020, the Plan was amended to include self-employed owners of an unincorporated employer, employees not employed by an adopting employer and leased employees including employees of PI&I Trucking Inc., who are members of Teamsters Local Union 377 and employees of Weir-Cove Moving and Storage Company, who are members of General Truck Drivers and Helpers Union Local 92. Employees who meet the eligibility requirements can enter the Plan quarterly.

Contributions:

Participants may make contributions to the Plan up to the maximum percentage allowable not to exceed the limits of Code Section 401(k) of \$19,500 for 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$6,500 for 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan currently offers sixteen investment options for participants.

The Company contributes 100% of the participant's elective deferrals up to 7% of a participant's compensation, comprised of 4% safe harbor and 3% discretionary contribution. Matching contributions were \$288,817 for the year ended December 31, 2021, including the 4% safe harbor match and 3% discretionary contribution, as applicable. Additional profit sharing amounts may be contributed at the discretion of the employer.

Participant Accounts:

Participant accounts are valued on a daily basis. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

KEROLA GROUP 401(K) PLAN

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the first 4% of the employer safe harbor matching contributions, and actual earnings thereon is immediate. Vesting in the remaining 3% of the discretionary employer matching and profit sharing contributions, and actual earnings thereon are based on years of continuous service.

A participant is vested in the remaining 3% of Company contributions according to the following table:

<u>YEARS OF SERVICE</u>	<u>VESTING PERCENTAGE</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Regardless of the vesting schedule, participants shall become fully vested upon attainment of normal retirement age of 60 or termination of employment caused by death.

Forfeitures:

During the years ended December 31, 2021 and 2020, forfeitures generated totaled \$6,109 and \$24,770, respectively. Forfeitures will first be used to restore any participant's account balance that was forfeited and for which the participant has repaid his vested distribution or has made a valid claim. Remaining forfeitures will be used to offset administrative expenses of the Plan or to reduce the matching contributions payable to the Plan. At December 31, 2021 and 2020, \$4,711 and \$29,306, respectively, was available to offset future administrative expenses or reduce matching contributions.

Notes Receivable from Participants:

Participants may borrow from the Plan a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear a reasonable interest rate. All installment payments are made through employer payroll deduction with equal installments made each pay period. The repayment period of principal and interest shall not exceed five years unless the purpose of the note is for the purchase of the principal residence of the participant.

Payment of Benefits:

Upon termination of service due to death or retirement, a participant will be entitled to 100% of the participant's account balance in the form of a lump sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Involuntary distributions of amounts less than \$5,000 will be made in accordance with the provisions.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Withdrawals:

A participant may withdraw all or a part of the value of the after-tax and rollover contributions and the earnings thereon in their account during a Plan year. Participants that have reached age 59 ½ may withdraw the total value of the vested interest held in their account.

Administrative Expenses:

Administrative expenses are paid by the Plan with the exception of the Plan's audit fee, which may be paid by the plan sponsor.

Cash and cash equivalents:

The Plan considers highly liquid debt instruments purchased with original maturity dates of three months or less to be cash equivalents. Deposits at times may exceed federally insured amounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements of the Plan are prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. Investments held by a defined-contribution plan are required to be reported at fair value, including the fully benefit-responsive investment contracts which are reported at net asset value.

Use of Estimates:

The preparation of financial statements in accordance with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Payment of Benefits:

Benefit payments to participants are recorded when paid.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability and a corresponding reduction to participable contributions. The Plan distributed the 2021 plan year excess contributions to the applicable participants prior to March 15, 2022.

Subsequent Events:

Management evaluated all activity of the Plan through October 10, 2022, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

In accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator has elected to restrict the scope of the auditor's examination with regard to statements or information certified by the trustee. NOTE D - INVESTMENTS AND FAIR VALUE MEASUREMENTS

FASB ASC 820 Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market: Valued at the share prices/net asset value (NAV) of shares held by the Plan at year end.

Mutual funds: Valued at the share prices/net asset value (NAV) of shares held by the Plan at year end.

Common Collective Trusts: Units are valued at net asset value (NAV) of the participation units held by the Plan at year-end. Quoted market prices of the underlying investments are used to value the participation units.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Investments as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
<u>Investments at fair value</u>

NOTE E - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has affected global economic activity and greatly contributed to instability in financial markets. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE F - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - INCOME TAX STATUS

On October 8, 2010, the Internal Revenue Service stated in the determination letter that the prototype adopted by the Plan on January 1, 2009, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has since been restated as of January 1, 2016 and January 1, 2019. Although the Plan has been restated since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.
