INDEPENDENT AUDITORS' REPORT

To the Trustees of
Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan
Cincinnati, Ohio

Opinion

We have audited the accompanying financial statements of Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for plan benefits as of December 31, 2021 and 2020, the related statements of changes in net assets available for plan benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Seven Hills Anesthesia, LLC and the Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit, conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Seven Hills Anesthesia, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required for ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of (1) Schedule H, line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2021, referred to as “supplemental information” is presented

for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

(See accompanying financial statements and independent auditors' report)

NOTE 1 - PLAN DESCRIPTION

The following description of the Seven Hills Anesthesia, LLC 401(k) Plan (the "Plan") is provided for general purposes only. Participants should refer to the Plan agreement or the summary plan description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a 401(k) defined contribution plan covering all employees of Seven Hills Anesthesia, LLC (the "Company"). Employees are eligible to make elective contributions as long as the employee is at least 21 years of age and has worked one hour of service prior to a plan entry date. Employees are eligible for a discretionary employer profit sharing and a safe harbor elective contribution as long as they have completed one year of service (with a minimum of 1,000 hours of paid compensation during the plan year) and have attained 21 years of age. Each employee who has met the eligibility requirement will automatically become a participant on the first entry date which occurs after satisfying the requirements. The Plan entry dates for elective employee deferrals are the first of each month following employment. The plan entry date for all other items is January 1 of each year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS

The Company's contribution is determined at the discretion of the directors of the Company. During 2021 the Company made no matching contribution but did make a safe harbor non-elective contribution along with a profit-sharing contribution for a combined contribution of \$7,784,157. During 2020 the Company made no matching contribution but did make a combined safe harbor non-elective contribution and a profit-sharing contribution of \$6,720,628. The safe harbor non-elective contribution and the profit-sharing contribution is allocated among participants eligible to share in the contribution for the plan year. The maximum annual addition (allocation of employer profit sharing contribution, forfeitures and employee contributions) to the participant's account is limited to the lesser of 100% of the individual's salary, or \$58,000 or if eligible for catch-up contributions \$64,500.

Participants may contribute through payroll deduction in either a pre-tax deferral or Roth deferral (after-tax) by a specific percentage or dollar amount of the participant's compensation. Employees can contribute up to \$19,500 to the Plan annually. Employees over the age of 50 are allowed an additional \$6,500, to be deferred based on Internal Revenue regulations. These amounts are treated as tax deferred compensation (if pre-tax deferral elected) and are exempt from federal taxation until they are withdrawn from the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is adjusted by (a) the participant's contribution, (b) allocations of any employer's contributions, and (c) allocations of the Plan's earnings or losses (including any administrative expenses paid by the Plan). Allocations are based upon the performance of the investment funds chosen by the participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTE 1 - PLAN DESCRIPTION (Continued)

SELF-DIRECTED ACCOUNTS

The Plan allows for self-directed accounts which allow participants to invest their account balances in any investment desired within certain specified limitations. Participants are allowed to place investments into self-directed accounts in addition to or in place of the general accounts available through the Plan.

PARTICIPANT LOANS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account. Interest rates are set by the Plan Administrator upon the date of the loan application based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances.

VESTING

Participants' contributions, rollover contributions, safe harbor contributions and earnings are fully vested at all times. The Company's matching contributions, profit-sharing contributions and earnings thereon vest as follows:

Years of Service	Percentage
Less than 2 years	0%
2 but less than 3	20%
3 years and over	100%

FORFEITURES

Any portion of a participant's account which is not vested at the time of termination from the Plan is forfeited immediately at the date of termination. Forfeitures are allocated to participants as part of the Company's annual contribution or utilized for Plan expenses. The participant's balance will be reinstated if the participant returns to service within five years from the original termination date. There were forfeitures of \$8,311 and \$19,534 for 2021 and 2020, respectively. Forfeitures were utilized to pay for administrative expenses of \$9,250 and \$8,500 for the years ended 2021 and 2020, respectively. Balance remaining in the forfeitures account at December 31, 2021 was \$31,328.

PAYMENT OF BENEFITS

The Plan provides for distribution of a participant's account upon termination of employment, retirement, death or disability under several options. If the participant's vested interest is greater than \$5,000, the participant may choose to receive his benefit in the form of cash, an annuity, or a combination of these. If the vested interest is less than \$5,000 then the vested account balance may only be distributed in a single lump-sum payment in cash or in property.

IN SERVICE DISTRIBUTIONS

Effective January 1, 2021 the Plan was amended to allow for in-service distributions for participants who have attained age 59 ½. An eligible participant may request a distribution of part or all of the vested portion of the participant's accounts even though such participant has not terminated employment.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying financial statements of the Plan have been prepared in accordance with U.S. generally accepted accounting principles with the applicable accounting requirements of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

BASIS OF ACCOUNTING

The financial statements are prepared on the accrual method of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES RECEIVABLE FROM PARTICIPANTS

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at either fair value or contract value depending on the investment. Participants investing in the general Plan can select from a variety of mutual funds offered through the Charles Schwab platform and the Vanguard platform. The participants invest directly in mutual funds and exchange traded funds and those funds have quoted market prices which are used to value the investments.

Self-directed brokerage accounts are also stated at fair value using quoted market prices to value investments in publicly traded securities.

Purchases and sales are recorded on a trade-date basis. Interest and dividend income are recorded on an accrual basis. The change in the unrealized difference between cost and fair value of investments held is reflected in the statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments. Gains and losses on disposition of investments are recognized at the time of disposition based on average cost basis. Gains and losses are included in net appreciation in fair value of investments.

ADMINISTRATIVE EXPENSES

The administrative expenses for the Plan are either paid by the Company or the Plan.

(See accompanying financial statements and independent auditors' report)

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

BENEFIT PAYMENTS

Benefits are recorded when paid.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred-percent (100%) vested in their accounts.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for plan benefits. The United States generally accepted accounting principles provide a framework for measuring fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The Plan has no level 3 investments in 2021 or 2020.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used.

Common and preferred stocks: Valued at the closing price reported on the active market on which the individual securities are traded (Level 1).

Mutual funds and Exchange Traded Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and exchange traded funds held by the Plan are deemed to be actively traded (Level 1).

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as categorized between general and self-directed brokerage investments.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying amounts of the Plan's financial instruments, including cash, participant notes receivable, employer contributions receivable and employee contributions receivable approximate fair value due to the short maturities of these financial instruments.

NOTE 4 - INCOME TAX STATUS

The Plan is a prototype plan offered by Katz, Teller, Brant & Hild. In which the Internal Revenue Service has determined and informed the Company that its volume submitter plan is designed in accordance with the Internal Revenue Code (Code) sections 401(a). Although the Plan has been amended since the determination by the Internal Revenue Service, the prototype sponsor believes it continues to be designed in compliance with the Internal Revenue Code (Code) section 401(a). Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 - RELATED PARTY TRANSACTIONS

Charles Schwab is one of the custodians of the general plan assets of the Plan which qualifies as a party-in-interest with the related mutual funds offered by Charles Schwab. Vanguard is the other custodian of the general plan assets of the Plan. Vanguard is also a party-in-interest with the related mutual funds offered by Vanguard.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - COVID-19/CARES ACT

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern." COVID-19 continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant declines and volatility in financial markets. The coronavirus outbreak and government responses, such as, mandated "Stay at Home" orders, cancellation of elective surgeries, social distancing and wearing masks have impacted the Plan Sponsor's operations. The Plan Sponsor continues to stay abreast of the fluid environment and adopts best practices to keep employees and patients safe.

The Coronavirus Aid, Relief and Economic Security (CARES) Act was signed into law on March 27, 2020. This new law allowed employers to modify their retirement plans to provide certain relief for participants and beneficiaries who may have been impacted by the coronavirus. **The Plan Sponsor has stated the Plan will not be amended for the CARES Act provisions.**

NOTE 8 - DATE OF MANAGEMENT'S REVIEW AND SUBSEQUENT EVENT

Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued. There were no subsequent events which would have a material impact on the financial statements and require disclosure from December 31, 2021 thru October 12, 2022.
