## **Report of Independent Auditors**

To the Administrator of Trinseo LLC 401(k) Plan

### ***Opinion***

We have audited the accompanying financial statements of Trinseo LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental schedule") is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## TRINSEO LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

---

#### NOTE 1 - DESCRIPTION OF PLAN

The following description of the Trinseo LLC 401(k) Plan (the "Plan") is provided for general purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

##### *General*

Trinseo LLC ("Trinseo" or the "Company") was a former subsidiary of The Dow Chemical Company ("Dow"). On June 17, 2010, Trinseo, along with 100% of the former Trinseo business of Dow was acquired by Trinseo Materials Operating S.C.A, Trinseo's Parent Company. As a result of the acquisition, on June 17, 2010 (the "Effective Date"), Trinseo created the Plan. Trinseo is the Plan Sponsor. The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan is available to all domestic regular-service employees of the Company. The Board of Trustees is responsible for oversight of the Plan. Trinseo PLC Retirement Plan Governance Committee and CAPTRUST Financial Advisors determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to the Plan's Board of Trustees.

##### *Administration*

The Plan is administered by the Company. Fidelity Management Trust Company ("Fidelity") is the Trustee of the Plan. As Trustee, Fidelity has the authority to hold, manage and protect the assets of the Plan in accordance with the provisions of the Plan and the trust agreements.

##### *Participation*

All employees of the Company, with the exception of part-time employees, students, and post doctorate students, are eligible to participate in the Plan immediately. Part-time employees, students, and post doctorate students are eligible to participate in the Plan after 1,000 hours of service in a year and reaching age 21.

##### *Contributions*

Participants may designate 1% to 100% of their eligible pre-tax or post-tax compensation up to the annual maximum amount as stated by the Internal Revenue Service ("IRS") for deposit in the Plan. Participants who are or will attain age 50 by the end of the Plan year may elect to contribute up to 100% of their eligible compensation as pre-tax catch-up contributions up to the annual maximum amount as stated by the IRS.

Eligible employees who do not actively change their contribution to the Plan during the first 30 days of their employment ("Set-up Period") will automatically have 3% of their pre-tax compensation contributed to the Plan. This will begin no earlier than the end of the Set-up Period. Under this automatic enrollment, the participant assets are invested in the age-based Fidelity Freedom Fund based on the participant's age. In addition, pre-tax contributions are increased 1% each year until a maximum of 6% of pay has been reached. The participant may change their contribution level or elect not to participate in the Plan at any time.

A matching employer contribution is made by the Company on behalf of each active participant. This non-discretionary matching employer contribution is tiered: the Company matches 100% of employee contributions of up to 2% and 50% of the next 4% of employee contributions. Catch-up contributions made to the Plan are matched by the Company at the same rate.

The Company also makes non-elective discretionary contributions ("profit sharing") on behalf of each participant. This profit-sharing contribution is 5% of the participant's total compensation, defined as base salary plus annual target performance award. This applies to all participants of the Plan hired by Trinseo, as well as to participants who were hired by Dow or a Dow affiliate after January 1, 2008 and transferred to Trinseo in an approved transaction. The Company made \$3,050,874 of profit-sharing contributions in 2021, and \$3,153,564 in 2020.

For those participants who were hired by Dow or a Dow affiliate prior to January 1, 2008 and transferred to Trinseo in an approved transaction, their profit sharing contribution percentage is based on their age, and ranges from 4% to 12% of the participant's total compensation, as defined above.

## TRINSEO LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

---

#### NOTE 1 - DESCRIPTION OF PLAN, continued

In addition, for those participants of the Plan who were hired by Dow or a Dow affiliate prior to January 1, 2010, had a balance under a Dow retirement health care assistance plan ("RHCAP") as of the day immediately prior to the Effective Date, but who are not eligible to retire under this RHCAP, the Company makes an additional profit-sharing contribution of 1.1% of the participant's total compensation, as defined above.

##### *Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the matching employer contributions and profit-sharing employer contributions and (b) Plan earnings or losses. Allocations are based on participant earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### *Investments*

Participants direct the investment of the contributions into various investment options offered by the Plan. The Plan currently offers thirty mutual funds and one common collective trust as investment options as of December 31, 2021.

##### *Vesting*

Participants are immediately vested in their contributions as well as the Company's matching employer contributions plus actual earnings thereon. Participants are fully vested in the Company's profit-sharing contributions upon three years of service. Service for the purpose of determining vesting in the profit-sharing contributions includes prior service with Dow and any Dow affiliates.

##### *Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 (less the participant's highest outstanding loan balance during the previous twelve months) or 50% of their vested account balance. The maximum loan period is 5 years for general purpose loans and 10 years for principal residence loans. Loans become immediately due and payable upon a participant's death. Participants pay interest on such loans at a fixed rate. As of December 31, 2021, the rate on all outstanding loans was 3.25% to 5.50% with maturity dates from 2022 through 2029. Loan repayments are made through payroll deductions and may be repaid in full prior to the due date. There is a loan set up fee of \$75 for each loan processed and an annual loan maintenance fee of \$25 charged to the participant.

##### *Payment of Benefits*

Upon termination, death, or disability, a participant or beneficiary may elect to receive the vested value of the participant's account in a lump-sum distribution or in the form of a systematic withdrawal plan (installments). Plan withdrawals of pre-tax contributions may be made prior to termination or retirement for cases of financial hardship. Participants can withdraw all or any portion of the entire vested account balances at the age of 59 ½. A participant whose employment is terminated and whose account is distributable may elect to withdraw any portion of their vested account balances in cash at any time. As a result of the Setting Every Community Up for Retirement Enhancement ("SECURE") Act of 2019, the required minimum age was increased to age 72 effective January 2020 and as a result, terminated participants must begin taking minimum distributions in April of the year following the year they turn age 72. However, for terminated participants who were age 70 ½ in 2019 or earlier, the required minimum distribution age of 70 ½ is unchanged.

##### *Forfeited Accounts*

Forfeitures, net of amounts for restored accounts, may be used to pay administrative expenses and/or reduce the amount of future Company employer contributions. For the year ended December 31, 2021, the Company used \$83,786 to reduce employer contributions. The forfeited non-vested account was \$81,218 and \$31,453 as of December 31, 2021 and 2020, respectively.

## TRINSEO LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

---

#### NOTE 1 - DESCRIPTION OF PLAN, continued

##### *Administrative Expenses*

The Plan pays the administrative expenses, including investment advisory fees. The Plan's expenses are paid either by the Plan or Company, as provided by the Plan document. For the year ended December 31, 2021 Trinseo LLC directly paid administrative fees of \$30,712. Expenses that are paid directly by the Company are excluded from these financial statements. For the year ended December 31, 2021, the Plan paid \$8,469 in administrative fees of the Plan including various Plan recordkeeping fees. Brokerage fees, transfer taxes, investment fees and other expenses incident to the purchase and sale of investments are included in the cost of such investments or deducted from the sales proceeds. These fees are netted against net appreciation/depreciation in the fair value of investments in the Statement of Changes in Net Assets Available for Benefit.

##### *Revenue Sharing Agreement*

Where the Plan maintains a balance in and makes active contributions to any of the investment vehicles kept on Fidelity's platform, Fidelity funds a Revenue Credit Account in the Plan based upon revenues generated by the Plan. The amount determined to be in excess of the amount owed by the Plan to Fidelity for administrative fees is deposited into the Revenue Credit Account of the Plan. The Revenue Credit Account may only be used either to pay reasonable and necessary expenses of the Plan with authorization or to provide benefits for Plan participants and beneficiaries in the form of revenue credits. Only those participants whose accounts generated revenue credits during the year shall receive an allocation of revenue credits at year end. For the year ending December 31, 2020 the Plan earned \$70,441 through this revenue sharing agreement, which was allocated to participants' accounts in 2020. For the year ending December 31, 2021, the Plan earned \$105,681 through this revenue sharing agreement, which was allocated to participants' accounts in 2021.

##### *Transfers Out of Assets*

For the year ended December 31, 2021, the Plan had assets transferred out to the Altuglas LLC 401(k) Plan in the amount of \$451,779, which consisted entirely of investments at fair value.

#### NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

##### *Basis of Accounting*

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP").

##### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### *Risks and Uncertainties*

The Plan invests in various investment options, including mutual funds & common collective trusts. These investment options are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## TRINSEO LLC 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS AS OF DECEMBER 31, 2021 AND 2020, AND FOR THE YEAR ENDED DECEMBER 31, 2021

---

#### NOTE 2 - SUMMARY OF ACCOUNTING POLICIES, continued

##### *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value as defined by FASB Accounting Standards Codification (ASC). Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued at the net asset value of shares held by the Plan at year end. Common collective trust funds are valued at the net asset value ("NAV") of shares held by the Plan at year end as a practical expedient.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Defaulted participant loans are recorded as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020, respectively.

##### *Contributions Receivable*

Contributions receivable represent both employer contributions earned and participant contributions deferred by the Company or participant, and not credited to the Plan participants' accounts until after the end of the Plan year. Contributions receivable are stated at their approximate fair value and include the Company's calculated contribution amount as well as any appreciation or depreciation in the fair value of the Plan participant's account from the date the contribution was earned through the end of the Plan year.

##### *Payment of Benefits*

Benefit payments to participants are recorded upon distribution.

#### NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- |         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.                                                                                                                                                                                                                                                                                                                    |
| Level 2 | Inputs to the valuation methodology include <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs other than quoted prices that are observable for the asset or liability;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the NAV of shares held by the Plan at year end used as a practical expedient.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

| Assets at Fair Value as of December 31, 2021 |             |         |         |                  |

(a) In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) as practical expedient have not been classified in the fair value hierarchy. #### NOTE 4 – PARTY IN INTEREST AND RELATED PARTY TRANSACTIONS

The Plan invests in shares of mutual funds and a common collective trust managed by an affiliate of Fidelity. Fidelity acts as the trustee for investments. Dividend income earned from party-in-interest investments was \$8,445,918 in 2021. The Plan received revenue sharing income in the amount of \$105,681 from Fidelity in 2021. The Company pays directly any other fees related to the Plan's operations. The Company paid \$30,712 of 2021 administrative expenses on behalf of the Plan. Transactions in these investments qualify as party-in-interest transactions, which are exempt from the prohibited transactions rules of ERISA.

#### NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

#### NOTE 6 - TAX STATUS

The Plan is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code ("IRC") and the related trust is exempt from federal taxation under Section 501(a) of the IRC. As the Plan is a Volume Submitter Plan, there is not a requirement for the Plan to submit for, or receive from the IRS a favorable tax determination letter covering the Plan. The Company believes that the Plan is designed and is currently operated in accordance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020 and December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

#### NOTE 7 – SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through October 13, 2022, the date on which the financial statements were available to be issued. Management has determined that no events occurred which require recognition or disclosure in the financial statements.
