Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Pendergraph Companies, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Pendergraph Companies, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Pendergraph Companies, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Pendergraph Companies, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) and the Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information

directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2020 that the information provided to the Plan administrator by the custodian is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN:

The following description of the The Pendergraph Companies, LLC 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of The Pendergraph Companies, LLC 401(k) Plan ("the Company") who meet the age and service requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate upon completion of 1,000 hours of service as defined in the Plan Document. Plan entry dates are January 1, April 1, July 1, and October 1 of each year.

The Plan is administered by the Company. The Plan Trustee is Frankie W. Pendergraph. Great-West Life & Annuity Insurance Company (d/b/a Empower Retirement) ("Custodian") serves as the custodian and recordkeeper of the Plan. The Plan's Third-Party Administrator is Retirement Plan Solutions inc. and its investment advisor is Janey, Montgomery, Scott, LLC.

Contributions

Employees may elect to contribute pre-tax and Roth contributions to the Plan, through payroll deductions, on amounts up to 100% of eligible compensation or up to the IRS limits for that year. Participants who reach age 50 during the calendar year may be eligible to make catch-up contributions up to the IRS limits for that year. Participants are allowed to rollover contributions representing distributions directly from other qualified plans.

When a participant meets certain requirements related to age and service hours, the Company will make a "Safe Harbor" contribution to the participant's account in an amount not less than 3% of the participant's compensation. The Company may elect to make a discretionary matching contribution amount at the discretion of the Company in an amount not to exceed 6% of a participant's compensation. The Company may also make a discretionary profit-sharing contribution amount at the discretion of the Company.

Investment Options

Participants direct the investment of the contributions allocated to their accounts into various investment options offered by the Plan.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2021 AND 2020****1. DESCRIPTION OF PLAN: (Continued)****Participant Accounts**

Each participant's account is credited with the participant's contribution, an allocation of the Company's Safe Harbor contribution, discretionary and/or profit-sharing contribution as well as Plan earnings and/or expenses. Company contributions are invested in the investment options in the same allocation percentages as the participant's contributions. The benefit for a participant is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100 percent vested in their elective deferrals, rollover contributions, "Safe Harbor" contribution and actual earnings thereon. Vesting in the Company's discretionary matching and profit-sharing contributions, and actual earnings thereon is based on years of service. A participant is 100 percent vested after four years of credited service.

Notes Receivable from Participants

Under the terms of the Plan, participants may borrow from their account up to fifty percent of their vested balance with a minimum of \$1,000 and a maximum of \$50,000. The loans are secured by the balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the plan administrator. The rates range from 3.25 percent to 5.50 percent on loans outstanding at December 31, 2021, and mature through 2026. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Benefits are paid upon retirement, death, disability, or termination of employment. On termination of service, a participant will receive a lump-sum amount equal to the value of the vested interest in the account.

Forfeited Accounts

Forfeitures of the non-vested portion of terminated participants' accounts may be used to pay the administrative costs of the Plan. Any remaining forfeitures are added to the employer's contribution and allocated to eligible participants. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4,230 and \$9,851, respectively. Forfeitures of \$9,481 and \$2,734 were allocated as additional employer contributions for plan years ending December 31, 2021 and 2020, respectively.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2021 AND 2020****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:****Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined-contribution plan are required to be reported at fair value except for fully benefit responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses relating to maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees relating to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated events from December 31, 2021 through October 12, 2022, which is the date that the financial statements were available to be issued.

3. INFORMATION CERTIFIED BY CUSTODIAN: (Unaudited)

The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

	December 31	
	2021	2020
Investments, At Fair Value		
Mutual Funds	\$ 4,741,686	\$ 3,809,408

* Net of fees.		

Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that was certified by the Trustee, except for comparing such information included in the financial statements and supplemental schedules.

NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements.) The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"> • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

4. FAIR VALUE MEASUREMENTS: (Continued)

The following tables set forth, by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,741,686	\$ -	\$ -	\$ 4,741,686
Total Assets at Fair Value	<u>\$ 4,741,686</u>	<u>\$ -</u>	<u>\$ -</u>	<u>4,741,686</u>
Investments measured at NAV *				-
Investments at fair value				<u>\$ 4,741,686</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 3,809,408	\$ -	\$ -	\$ 3,809,408
Total Assets at Fair Value	<u>\$ 3,809,408</u>	<u>\$ -</u>	<u>\$ -</u>	<u>3,809,408</u>
Investments measured at NAV *				-
Investments at fair value				<u>\$ 3,809,408</u>

*In accordance with Subtopic 820-10 as amended by ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value represented in this table is intended to permit reconciliation of the fair value hierarchy table to the line item presented in the statement of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no significant transfers in or out of Levels 1, 2 or 3.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

5. GROUP ANNUITY CONTRACT WITH NATIONAL INSURANCE COMPANY:

In 2016, the Plan entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company maintains the contributions in a general account. The Key Guaranteed Portfolio Fund (the Group Annuity Contract) is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The contract is included in the financial statements at contract value as reported by Great-West. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The guaranteed rate provision covers the range of insurance expenses that are netted to create the crediting rate. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting.

Average Yields:	2021	2020
Based on Actual Earnings	0.90%	1.04%
Based on Interest Rate Credited to Participants	0.90%	1.04%

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on third party issuer's ability to meet financial obligations. The issuer's ability to meet contractual obligations may be affected by future economic and regulatory developments.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2021 AND 2020****5. GROUP ANNUITY CONTRACT WITH NATIONAL INSURANCE COMPANY:
(Continued)**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include 1) amendments to the plan documents (including complete or partial plan terminations or mergers) 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the plan sponsor or other plan sponsor events (like divestitures or spin-offs) that cause a significant withdrawal from the Plan or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. At December 31, 2021 and 2020, the trustee of the fund did not believe that the occurrence of any fair value event, which would limit the fund's ability to transact at contract value with participants, is probable of occurring.

The guaranteed investment contract does not permit the bank to terminate the agreement prior to the scheduled maturity date.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value.

6. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. PARTY-IN-INTEREST TRANSACTIONS:

The Custodian, Great-West Life & Annuity Insurance Company (GWLAIC), provides various mutual funds and a group annuity contract as investments options. Participants are directly charged by GWLAIC for recordkeeping services such as loan and distribution processing and other asset-based management commission fees. The recordkeeping and investment management fees reported by GWLAIC were \$14,690 and \$8,734 for the years ending December 31, 2021 and 2020, respectively. The remaining fees paid for 2021 were to Envestnet Retirement Solutions of \$868 for "other" fees and \$1,250 paid to Retirement Plan Solutions, Inc. for additional administration services.

THE PENDERGRAPH COMPANIES, LLC 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2021 AND 2020****8. PLAN TERMINATION:**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

9. INCOME TAX STATUS:

The Plan adopted the CCH INCORPORATED d/b/a FTWILLIAM COM Volume Submitter Profit Sharing Plan with CODA effective October 31, 2011. The prototype plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, believe the Plan is qualified, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service and the North Carolina Department of Revenue. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
