INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries
of the Day Pitney Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Day Pitney Profit Sharing and 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Day Pitney Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

[1] General:

The Plan is a defined contribution retirement plan for the benefit of eligible partners and employees of Day Pitney LLP (the "Firm", or "Day Pitney").

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

[2] Eligibility:

The Plan covers partners, staff, senior counsel, associates, staff attorneys, counsel and of counsel (collectively, "participants"). Eligible participants can begin making voluntary contributions on the first of the month, coincident with or following their completion of 30 days of service, except for rollovers, which can be made immediately. Certain participants are eligible for Firm contributions after one year of service.

[3] Participant contributions:

Participants are eligible to make voluntary contributions (pre-tax, Roth 401(k) after-tax, after-tax, and rollover contributions) to the Plan.

In no event shall the sum of all participant contributions (excluding rollover contributions) be greater than seventy-five percent (75%) of compensation.

Pre-tax contributions, after-tax contributions and Roth 401(k) after-tax contributions may be limited by certain discrimination tests. In accordance with Internal Revenue Service ("IRS") restrictions, the aggregate amount that could be contributed to a participant's account during 2021 was limited to the lesser of \$58,000, plus catch-up contributions or 100% of eligible compensation. For the 2021 calendar year, eligible compensation was limited to \$290,000.

[4] Participant pre-tax contributions:

Participants may elect to make pre-tax contributions of between one percent (1%) and seventy-five percent (75%) of compensation up to \$19,500 in 2021. New participants are automatically enrolled at the 5% level for pre-tax contributions, unless they elect otherwise. In addition, participants who have attained age 50 (or greater) during the calendar year are permitted to make a catch-up contribution of \$6,500 in 2021, as permitted under Section 414(v) of the Internal Revenue Code of 1986, as amended (the "Code").

Participants who are automatically enrolled in the Plan shall have their contribution rate automatically increased by one percentage point each year, on the anniversary of the participant's date of hire, until the contribution rate reaches a maximum contribution rate of 10%.

[5] Participant Roth 401(k) after-tax contributions:

Participants may elect to make Roth 401(k) after-tax contributions in lieu of any or all of their pre-tax contributions and pre-tax catch-up contributions.

[6] Participant after-tax contributions:

Participants, other than those classified as partner, may also elect to make after-tax contributions of between one percent (1%) and seventy-five percent (75%) of compensation.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[7] Firm contributions:

Firm contributions for eligible participants employed on the last day of the Plan Year are determined on the following basis:

Senior Counsel and Income Partners – For participants who are income partners and those who were classified as Senior Counsel as of December 31, 2020, the Firm contributes an amount equal to three percent (3%) of their eligible compensation.

Equity Partners - Effective January 1, 2021, participants who are equity partners shall contribute an amount equal to 13.2758% (13.1578% for 2020) of their compensation ("maximum equity contribution level") if they graduated from law school 20 or more years prior to the last day of the current Plan Year, or 5% of their compensation if they graduated from law school less than 20 years prior to the last day of the current Plan Year. The maximum equity contribution level shall be adjusted annually without amendment to allow for annual additions up to the Section 415(c) limit, subject to applicable nondiscrimination rules.

Those who became Equity Partners as of January 1, 2016 in connection with the acquisition of Chapin, Ballerano & Cheslack PL ("CBC") will be treated as having graduated from law school 20 or more years prior to the last day of the Plan Year.

If an equity partner is assigned to one of the Firm's two lowest partnership budgeted share percentage tiers for a Plan Year, he or she contributes an amount equal to five percent (5%) of his or her compensation. Any equity partner who retires and becomes of counsel will not receive a Firm contribution, and any equity partner who retires and becomes an income partner will receive a three percent (3%) Firm contribution.

Associates, Senior Associates, Staff Attorneys, Senior Partner, Counsel and of Counsel - there are no Firm contributions.

For all other participants employed not addressed above, the Firm contributes an amount equal to five percent (5%) of their eligible compensation.

[8] Participant accounts:

Participants have separate accounts for pre-tax, Roth 401(k) after-tax, after-tax, rollover and Firm contributions. Participants may elect to have contributions invested in any or all of the investment options, subject to certain limitations. Each participant's account is credited with pre-tax, Roth 401(k) after-tax, after-tax, rollover and Firm contributions and investment earnings and losses. Earnings are allocated to participants' accounts on a regular basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested accounts.

[9] Vesting:

Participants are at all times fully vested in their pre-tax, Roth 401(k) after-tax, after-tax, and rollover contributions, including the earnings on these amounts. Contributions made by the Firm vest at the rate of 20% per year of service, commencing upon completion of the second year of service. The participant will be fully vested in Firm contributions upon the completion of six years of service. If employment is terminated before six years, the portion of these contributions that have not vested will be forfeited. However, a participant will become 100% vested in Firm contributions if his or her employment terminates as a result of the outsourcing of his or her position to another organization, as outlined in the Plan document. Participants are also fully vested upon reaching their normal retirement age of 65, death, disability, or meeting the early retirement requirements of attainment of age 55 and completion of five years of service while actively employed. Effective for any employee hired on or after January 1, 2009, there shall be no early retirement date.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[9] Vesting: (continued)

Effective for any employee hired between January 1, 2009 and December 31, 2014, normal retirement shall mean the later of the date the participant attains the age of 65 or the fifth anniversary of the participant's Plan entry date for the participant contributions. For participants who terminate employment on or after January 1, 2015, normal retirement date is the date on which such participant attains the age of 65.

[10] Forfeitures:

Forfeitures of nonvested benefits attributable to separated participants are used to reduce the Firm's contributions under the Plan, or to pay Plan expenses. The balance of forfeitures of nonvested benefits was \$3,652 and \$16 as of December 31, 2021 and 2020, respectively. Approximately \$12,000 of forfeitures was used to reduce the Gateway Minimum Contribution and \$41,000 was used to pay administrative expenses.

[11] Investment options:

The Plan currently offers various levels of investment options with various objectives and degrees of financial risk. The Plan provides an array of mutual funds and a common collective trust selected by the Pension and Welfare Committee to offer the participants the ability to invest in a variety of asset classes with different risk and return characteristics. Information regarding the risks is available by prospectus made available online with Charles Schwab Trust Bank ("Schwab" or "Trustee"). The Plan also offers self-directed brokerage accounts, which permit an individual participant to make investments that are not otherwise offered by the Plan. Substantially all investments are held in trust by Schwab. However, certain unique assets held under the predecessor plan, the Day, Berry & Howard LLP Profit Sharing and 401(k) Plan ("legacy Day, Berry Howard Plan"), were held under custodial arrangements, with the Pension and Welfare Committee as trustee until, effective February 5, 2021, the unique assets were liquidated and transferred to the Plan's trust with Charles Schwab Trust Bank.

[12] Notes receivable from participants:

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding balance of loans during the preceding twelve months or one-half of such account balance reduced by outstanding loans. Loan terms range from one to five years; except for the purpose of acquiring a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at a rate which professional lenders would charge, as determined by the Pension and Welfare Committee. The notes currently bear interest from 4.25% to 9.25%. Participants may have no more than five loans outstanding at any given time. Principal and interest are paid ratably in payments made not less frequently than quarterly. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020 and provided certain loan provisions. Participants, who met specific conditions, were eligible to take a COVID-19 related loan up to \$100,000 (an increase from \$50,000 previously allowed) for the period March 27, 2020 to September 22, 2020. Loan repayments that were due between March 27, 2020 and December 31, 2020 could have been suspended until January 1, 2021 for eligible participants, with the repayment amount re-amortized and the due date of the loan extended for up to 1 year.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN (CONTINUED)

[13] Payment of benefits:

Upon normal retirement, death, total or permanent disability or termination of employment, the participant is entitled to a distribution equal to the balance in his or her vested account, determined as of the valuation date. Distributions are paid by lump sum and/or in installments over a specific period of time, based upon the election of the participant, as permitted by the Plan and the Code.

After-tax accounts and rollover accounts are available for withdrawal at any time.

A participant who experiences a financial hardship may request an in-service withdrawal from his or her pre-tax account, but not the earnings thereon, determined as of the valuation date. Hardship withdrawals are subject to certain requirements. Hardship withdrawals must be approved by the Pension and Welfare Committee, or its delegate, and are immediately payable in lump sum. Such withdrawals are subject to income tax and a 10% penalty if the participant is less than 59½ years of age.

Participants who had 401(k) contributions, 401(k) catch-up contributions, Roth contributions and/or Roth catch-up contributions in the legacy Day, Berry Howard Plan as of December 31, 2007 have the ability to request an in-service withdrawal upon attainment of age 59½. Participants who had 401(k) contributions, 401(k) catch-up contributions, Roth contributions, Roth catch-up contributions, CBC Safe Harbor contributions or CBC discretionary profit sharing contributions in the legacy CBC Plan as of January 31, 2018 have the ability to request an in-service withdrawal upon attainment of age 59½. Participants who had 401(k) contributions, 401(k) catch-up contributions, Roth contributions, Roth catch-up contributions, RGPA Safe Harbor contributions or RGPA discretionary profit sharing contributions in the legacy RGPA Plan as of April 30, 2019 have the ability to request an in-service withdrawal upon attainment of age 59½.

The CARES Act also provided optional distribution as well as suspension of required minimum distributions ("RMDs") for anyone required to receive an RMD in 2020. The Plan Sponsor has implemented the following provisions of the CARES Act.

Participants, who met specific conditions, were eligible to take a COVID-19 related distribution up to \$100,000 without a 10% early withdrawal penalty. Eligible distributions could have been taken from January 1, 2020 through December 31, 2020, and may be repaid within three years. The repayments will be treated as tax-free rollovers into the participant's account.

The Plan Sponsor elected to suspend paying RMDs to participants and beneficiaries that would otherwise be required to receive an RMD in 2020. However, participants and beneficiaries had a choice between receiving and not receiving the RMD for 2020. In addition, individuals that received an RMD prior to the enactment of the Act had until August 31, 2020 to rollover the RMD to an eligible retirement plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

[1] Basis of accounting:

The financial statements are prepared on the accrual method of accounting.

[2] Investment valuation and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[2] Investment valuation and income recognition: (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

[3] Payment of benefits:

Benefits are recorded when paid.

[4] Mutual fund fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees, which are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940.

These fees are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

[5] Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

NOTE C - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Charles Schwab Trust Bank, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021, except for legacy Day, Berry Howard Plan investments of \$8,061 trusted by The Pension and Welfare Committee as of December 31, 2020.

NOTE D - FAIR VALUE MEASUREMENTS

The FASB's Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts – Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices. Certain mutual funds and investments held through the self-directed brokerage investment option may be subject to redemption fees and short-term trading restrictions.

Common/Collective trust fund – The Plan invests in Morley Stable Value Fund Net 20 (the "Fund") and T. Rowe Price Target Date Funds. The Fund is a collective investment trust and is valued at NAV. The NAV, as provided by the Fund's trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Fund less its liabilities. This practical expedient is not used when it is determined to be probable that the Fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Participant transfers to competing funds are subject to an equity wash provision. In unusual market conditions, withdrawals are subject to a 30-day written notice requirement. The objective of the Fund is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit-responsive payments. The Fund seeks to achieve this objective by investing primarily in a variety of high quality stable value investment contracts (the performance of which may be predicated on underlying fixed income securities), as well as cash and cash equivalents. Unusual market conditions include the following: the Fund experiences an extraordinary amount of withdrawal activity exceeding its immediately available liquid assets or periods during which volatile conditions in the market exist. Were the Plan to initiate a full or partial redemption of its interest in the Fund, a twelve-month advance written notice requirement may apply at the discretion of the Fund's trustee. Target Date Funds are valued at NAV, as a practical expedient.

Accounts trustee by The Pension and Welfare Committee – The Plan had certain self-trusted assets valued annually by various independent appraisal companies. Valuation methodologies included the sales comparison approach and the market value of underlying account holdings, net of expenses.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Investments at fair value	<u>\$ 174,675,048</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$341,217,395</u>

(A) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

DAY PITNEY PROFIT SHARING AND 401(k) PLAN

Notes to Financial Statements December 31, 2021 and 2020

NOTE E - TAX STATUS

The IRS has determined and informed the Company by a letter dated April 27, 2017, stating that the Plan is qualified under the Code and therefore the related trust is exempt from taxation. The Plan has been amended since receiving the tax determination letter. However, the Pension and Welfare Committee believes that the Plan is designed in currently is in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of mutual funds managed by affiliates of Schwab. Schwab is the trustee of the Plan and, therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan to Schwab, or its affiliates were approximately \$103,000 for the year ended December 31, 2021.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments at December 31, 2021 may not necessarily be indicative of amounts that could be realized in a current market exchange.

The extent of the impact of the coronavirus ("COVID-19") outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and spread of the outbreak and related advisories and restrictions and the impact of COVID-19 on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

NOTE H - ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses to the extent that they are not paid by the Firm. Personnel and facilities of the Firm have been used by the Plan for its administration and other activities, at no charge to the Plan. Administrative expenses paid to various investment advisors of the participant brokerage accounts were approximately \$96,200 for the year ended December 31, 2021. In addition, approximately \$61,400 was paid from the Plan's ERISA account for investment consulting services and audit fees, and is recorded on the statement of changes in net assets available for benefits as administrative expenses for the year ended December 31, 2021.

Notes to Financial Statements December 31, 2021 and 2020

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event of Plan termination, participants would become 100% vested in their Firm contributions, and the Plan assets will be distributed to the participants or their beneficiaries in cash, or in such manner as the Pension and Welfare Committee shall determine.

NOTE K - SUBSEQUENT EVENT

Effective January 1, 2022, the Firm adopted an amendment to the Plan to include the participants from Howard Evangelista Kohlenberg LLP in the Plan.
