Financial Statements and Supplemental Schedules

December 31, 2021 and 2020

Independent Auditor's Report

To the Plan Administrator
Sevan Multi-Site Solutions, Inc. 401(k) Plan
Downers Grove, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Sevan Multi-Site Solutions, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sevan Multi-Site Solutions, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sevan Multi-Site Solutions, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sevan Multi-Site Solutions, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sevan Multi-Site Solutions, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sevan Multi-Site Solutions, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and 2020, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Sevan Multi-Site Solutions, Inc. 401(k) Plan

Notes to the financial statements

Note 1: Description of Plan

The following description of the Sevan Multi-Site Solutions, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan, established on July 15, 2020, is a defined contribution plan covering all employees of Sevan Multi-Site Solutions, Inc. (the "Company"), except for employees covered by a collective bargaining agreement, non-resident aliens, leased employees or temporary employees. Eligible employees who have completed three months of service and are age 21 and older, are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Prior to July 15, 2020, employees of the Company were part of a professional employer organization ("PEO") Plan. During the period ended December 31, 2020, assets of the Company's participants were transferred from the PEO Plan into the newly established Plan. The transferred net assets were recognized in the accounts of the Plan as of the inception date, at their balances as previously carried in the accounts of the PEO plan. During 2020, the Plan received \$18,855,185 of transferred net assets.

Contributions

Each year, participants may contribute up to 80% of their annual compensation on either a pretax or after tax (Roth) basis, as defined in the Plan, subject to maximum deferral limitations established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan also includes an auto-enrollment provision whereby all newly eligible employees who are hired on or after April 15, 2020, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant.

The Company makes safe harbor matching contribution equal to 100% of the first 6% of Plan compensation contributed by a participant. During the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, the Company made safe harbor matching contributions of \$1,499,217 and \$755,321 to the Plan, respectively. The Company may also make discretionary profit sharing contributions to eligible participants who are employed on the last day of the Plan year and have completed at least 1,000 hours of service during the Plan year. During the year ended December 31, 2021, the Company made profit sharing contributions of \$139,741 to the Plan. There were no profit sharing contributions made to the Plan during the period ended December 31, 2020.

Notes to the financial statements

Note 1: Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, Company safe harbor matching contributions, and allocation of (a) the Company's profit sharing contribution, if any, and (b) Plan earnings (losses), and (c) forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully and immediately vested in all contributions, plus actual earnings (losses) thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates at the time the loans were granted as determined by the Plan administrator. Interest rates on notes outstanding at December 31, 2021 and 2020, ranged from 4.25% to 6.50%. The term of the loan cannot exceed five years, unless the purpose of the loan, as determined at the time of the application, is to purchase a principal residence for the participant, then the repayment of the loan shall not exceed fifteen years. Principal and interest are paid ratably through payroll deductions. Participants may not have more than two outstanding loans at a given time.

Payment of Benefits

On termination of service due to death, disability, retirement, a participant (or beneficiary) may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in the form of a life annuity for beneficiaries of the participant. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions out of the participant's account are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$3,988 and \$835, respectively. Forfeitures may be used to offset administrative expenses of the Plan or to reduce future Company contributions and if any remaining forfeitures shall be allocated to participants in accordance with the Plan document. No forfeitures were used to reduce Company contributions, pay administrative expenses or allocate to participants during the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020.

Notes to the financial statements

Note 1: Description of Plan (Continued)

CARES Act

The Plan has adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020, which were immediately available, for coronavirus-related distributions, suspended participant loan payments and increased loan limits, and waiver of required minimum distributions that were due during 2020. The Plan intends to formally execute the required Plan amendments for these provisions by the last day of the Plan year beginning on or after January 1, 2022.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Note 2: Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are allocated proportionately to Plan participants based on their respective account balances and are included in total investment income.

Note 3: Information Prepared and Certified by the Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedules, including investments, notes receivable from participants held at December 31, 2021 and 2020, interest-bearing cash and non-interest bearing cash at December 31, 2021 and 2020, and net appreciation in fair value of investments, other income (expense), interest and dividends for the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Bank of America, N.A., the Trustee of the Plan.

Note 4: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level. Level 2 inputs consist of observable inputs other than quoted market prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds and bank deposit account: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust fund: Valued using net asset value (NAV) as provided by the administrator of the fund as a practical expedient. NAV is determined by using the estimated fair values of the underlying assets held in the fund at year end. The use of NAV as fair value is deemed appropriate since the collective trust fund allows for daily redemption and does not have a finite life, unfunded commitments relating to this type of investment, or significant restrictions on redemptions.

Note 4: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain Plan investments are managed by Merrill Lynch, Pierce, Fenner and Smith Inc. ("Merrill Lynch"), a subsidiary of Bank of America, N.A., the Trustee, therefore, these transactions qualify as party-in-interest transactions. Merrill Lynch also provides record-keeping services to the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid by the Plan for record-keeping services were \$79,038 and \$3,408 for the year ended December 31, 2021 and for the period from July 15, 2020 (date of inception) to December 31, 2020, respectively.

Notes receivable from participants also qualify as party-in interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7: Tax Status

The Company adopted a nonstandard prototype document with an IRS notification letter, dated March 31, 2014, which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Sevan Multi-Site Solutions, Inc. 401(k) Plan

Notes to the financial statements

Note 9: Prohibited Transactions

Under DOL Reg. 2510.3-102(b), the Company is required to remit the employee contributions to the Plan at the earliest date such amounts can be reasonably segregated from the Plan's general assets, but no later than the fifteenth business day of the month following the date that participant contributions are withheld by the Plan. As reported on Schedule H, Line 4a – Schedule of Delinquent Participant Contributions, certain contributions for one payroll during the Plan year ended December 31, 2020, totaling \$324, were not remitted within the 15-day requirement. The prohibited transaction reported in 2020 was not corrected during 2021. This transaction constitutes a prohibited transaction as defined by ERISA.

Note 11: Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

Effective January 1, 2022, the Company restated and adopted a non-standardized pre-approved prototype document to be in accordance with IRS legislative requirements and maintain the Plan's qualified status. In connection with the restatement, the Company received an updated determination letter dated June 30, 2020.
