## INDEPENDENT AUDITOR'S REPORT

Mr. Harry Katz  
Brach Eichler, LLC 401(k) Plan  
Roseland, New Jersey

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Brach Eichler, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Brach Eichler, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (Mutual funds, Money Market Funds, Self-Directed Brokerage Accounts and Common Collective Trust) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes 3 and 7 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Brach Eichler, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Brach Eichler, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Brach Eichler, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Brach Eichler, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets Held at End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agrees to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 7, which was certified by Reliance Trust Company, the trustee of the plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

### Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

### Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

# **BRACH EICHLER, LLC 401(K) PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2021 AND 2020**

---

### **1. DESCRIPTION OF PLAN**

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan has implemented applicable provisions from the Setting Every Community Up for Retirement Enhancement (SECURE) Act and the Coronavirus Aid, Relief, and Economic Security (CARES) Act and the Plan Sponsor intends to amend the Plan document by the last day of the first plan year beginning on or after January 1, 2022, in accordance with Internal Revenue Service (IRS) guidance.

#### **General**

The Brach Eichler, LLC 401(k) Plan (the "Plan") was established on April 15, 2009. The Plan covers eligible employees of Brach Eichler, LLC (collectively, the "Company"). As of October 1, 2014, the Plan was amended and restated.

The Plan, which is a defined contribution plan under the Employee Retirement Income Security Act of 1974 ("ERISA"), is administered by the trustees appointed by the Board of Directors of the Company.

As of December 31, 2021, all investments of the Plan were and are held by Fidelity Management Trust Company (the "Trustee"). The Trustee holds the Plan's assets in a single trust and invests the assets among several investment options designated by the participant.

#### **Participant Eligibility**

All employees are eligible to participate immediately after meeting the age requirement of 21.

#### **Contributions**

The Plan permits participants may defer up to 100% of eligible compensation on a pre-tax basis or post-tax basis under Section 401(k) or Section 402A, respectively, of the Internal Revenue Code (the "Code"). Pre-tax and post-tax contributions were limited to a maximum of \$19,500 for the years ended December 31, 2021 and 2020, or such other limit prescribed by Section 402 of the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the years ended December 31, 2021 and 2020. All contributions are made through payroll deductions and can be changed or stopped as of the beginning of each payroll period. Rollover contributions from other qualified plans or annuity contracts are permitted.

#### **Matching Contributions**

The Company may make discretionary matching contributions to the Plan in order to match all or a portion of a participant's elective deferrals. The formula, the amount of the contribution, and the frequency of the contribution, will be determined at the Company's discretion. Matching contributions may also be made with respect to any "catch-up contributions" made to the Plan.

#### **Safe Harbor Contributions**

In order to satisfy certain testing requirements, the Company may make a safe harbor profit sharing contribution to the Plan that is equal to at least 3% of the compensation of each eligible participant for the allocation period. The Company may use this contribution to offset the allocation of any non-safe harbor profit sharing contribution that would otherwise be allocated to a participant's account. For the Plan years ended December 31, 2021 and 2020, the Company's safe harbor contributions amounted to \$404,766 and \$395,412, respectively. As of December 31, 2021 and 2020, the Company's safe harbor contribution were still outstanding and are booked as a receivable on the statement of net assets available for benefits.

## **BRACH EICHLER, LLC 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2021 AND 2020**

---

#### **1. DESCRIPTION OF PLAN (CONTINUED)**

##### **Non-Safe Harbor Contributions**

The Company may make a discretionary non-safe harbor contribution equal to a uniform percentage or dollar amount. Each year, the Company will determine the formula for the non-safe harbor contribution. For the Plan years ended December 31, 2021 and 2020, the Company's profit sharing contributions amounted to \$637,725 and \$617,232, respectively. As of December 31, 2021 and 2020, the Company's profit sharing contribution were still outstanding and are booked as a receivable on the statement of net assets available for benefits

##### **Vesting**

Participants are 100% vested in the value of their cumulative contributions, safe harbor, and the discretionary non-safe harbor contribution and earnings thereon. Vesting in the value of the Company matching contributions and earnings thereon is subject to years of service with 100% vesting at 6 years of service. If a participant terminates his or her employment with the Company, the non-vested portion of company matching contributions is forfeited. Such forfeitures are used to reduce future Company contributions and plan expenses.

##### **Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution (if any) and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. The expenses charged to the Plan may be charged pro rata to each participant in relation to the size of each participant's account balance or may be charged equally to each participant.

##### **Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or elect partial payments in amounts that you request from time to time. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

##### **Forfeited Accounts**

At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$915 and \$907, respectively. These accounts will be used to reduce future employer contributions and plan expenses. Employer contributions allocated to participants during 2021 and 2020 were not reduced by funds from the forfeited non-vested accounts.

##### **Plan Terminations**

The Company intends to continue the Plan indefinitely; however, it may discontinue its contributions and terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all participants have a non-forfeitable right to the entire value of their accounts.

##### **Basis of Accounting - GAAP**

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with generally accepted accounting principles.

##### **Use of Estimates in the Preparation of Financial Statements**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires Plan administrators to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, results could differ from those estimates.

## **BRACH EICHLER, LLC 401(K) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2021 AND 2020

---

## **2. SUMMARY OF ACCOUNTING POLICIES**

### **Investments Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received for an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation included the Plan gains and losses on investments bought and sold as well as held during the year.

### **Payment of Benefits**

Benefits are recorded when paid.

### **Administrative Expenses**

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan Document. Certain administrative expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

## **3. FAIR VALUE MEASUREMENTS**

ASC 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable market based inputs or unobservable inputs that are corroborated by market data. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**BRACH EICHLER, LLC 401(K) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020

---

**3. FAIR VALUE MEASUREMENTS (CONTINUED)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following is a description of the techniques and inputs used for each major class of assets measured at fair value:

*Mutual Funds:* The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded and are classified within Level 1 of the valuation hierarchy.

*Money Market Funds:* Valued based on the funds' reported closing net asset value ("NAV") as of the last business day of the plan year. The money market funds held by the Plan are considered to be actively traded and are classified within Level 1 of the valuation hierarchy.

*Self-Directed Brokerage Accounts:* Accounts primarily consist of mutual funds and common stocks that are valued based on the closing price reported on the active market where the individual securities are traded and are classified within Level 1 of the valuation hierarchy.

*Common Collective Fund:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective fund, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**BRACH EICHLER, LLC 401(K) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020

---

**4. INCOME TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**5. PARTY-IN-INTEREST TRANSACTION**

The Plan has not considered Company contributions to the Plan or benefits accrued or paid by the Plan for participants as party-in-interest transactions.

Certain Plan investments are managed by Fidelity. Fidelity is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

**6. RISK AND UNCERTAINTIES**

The assets of the Plan are primarily financial instruments which are monetary in nature. Accordingly, interest rates have a more significant impact on the Plan's performance than do the effects of general levels of inflation. Interest rates generally do not move in the same direction or with the same magnitude as prices of goods and services as measured by the consumer price index. Investments are subject to risk conditions of the individual investment's objectives, stock market performance, interest rates, economic conditions and world affairs. Due to the level of risk associated with the Plan's investments, it is reasonably possible that changes in the values of the Plan's investments will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

The ongoing COVID-19 pandemic has caused an economic downturn on a global scale, disrupted global supply chains, and created significant uncertainty, volatility, and disruption across economies and financial markets. The COVID-19 pandemic remains a rapidly evolving situation. The extent of the impact of COVID-19 on the Plan and financial results will depend on future developments, including the duration and spread of the outbreak within the markets in which we operate and the related impact on consumer confidence and spending, all of which are highly uncertain.

**7. UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE**

The December 31, 2021 and 2020, Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Fidelity Management Trust Company (the trustee of the Plan) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments, cash, and notes receivable from participants as of December 31, 2021 and 2020, and the net appreciation in the fair value of investments, interest and dividends for the year ended December 31, 2021.

**7. PLAN TERMINATION**

The Company intends to continue the Plan indefinitely; however, it may discontinue its contributions and terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, all participants have a non-forfeitable right to the entire value of their accounts.

**8. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.
