INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator and Board of Directors of
The Sounds True, Inc. 401(k) Plan
Louisville, Colorado**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sounds True Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sounds True Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sounds True Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sounds True 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Sounds True 401(k) Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with general accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements **Sounds True Inc. 401(k) Plan**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

Sounds True, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of Sounds True, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Summary Plan Description for more complete information.

General

The Plan was established January 1, 1997 to provide for retirement benefits pursuant to Section 401(k)(1) of the Internal Revenue Code. The Plan is a defined contribution plan, also known as a tax-sheltered annuity plan, covering all eligible employees, sponsored by Sounds True, Inc. (“ST” or “the Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Trustee and Administration of the Plan

The record-keeper of the Plan is OneAmerica (“record-keeper”) and the trustee is American United Life Insurance Company, a OneAmerica company, (“trustee” or “AUL”). The administrator of the Plan is the Company. The trustee holds all assets of the Plan in accordance with the provisions of the service provider contract with the Company. All assets of the Plan are in investment plan accounts of AUL.

Contributions and Eligibility

Employees of Sounds True, Inc. are eligible to participate in the Plan beginning on their first day of employment provided they are not specifically excluded. Entry date is the first day of the month following the date of hire. Participants may elect to make salary reduction contributions in an amount not to exceed the limits established by Internal Revenue Service guidelines which were \$19,500 for 2021. Participants who are at least age 50 or will attain age 50 before the end of a calendar year are eligible to defer additional amounts (“catch-up contribution”) to the Plan. The maximum catch-up contribution that one eligible participant can make in 2021 is \$6,500. Participants who are currently employed or eligible employees may also contribute amounts representing distributions from other retirement plans and certain IRAs. The Company matches 100% of the participants’ contributions up to 4% of compensation, which is 100% vested. Contributions are self-directed by participants within the investment vehicles offered by the Plan. Contributions are allocated to participants’ accounts in accordance with participant elections. Employees have the option to invest in various investment options. The investments include a stable value fund, international funds, aggressive growth funds, growth funds, growth and income funds, short-term funds, and managed asset allocation funds.

Each participant’s account is credited with his or her contributions and an allocation of the Company’s contributions and of investment earnings and losses. Contributions are accrued as of the date they are withheld from participant compensation and are deposited directly into the investment option selected by the participant.

Sounds True, Inc. 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe-harbor matching contributions, and earnings thereon. The vesting schedule for the employer match contribution is based on the employee's original hiring date, or number of years of service completed:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	25%
2	50%
3	75%
4	100%

Distributions

Withdrawals from the Plan may be made by the participant upon death, total disability, retirement, termination of employment, or financial hardship. Withdrawals may be paid in a lump sum, installment payments or a combination of the two depending upon the amount of the participant's account balance.

Forfeited Accounts

If a participant terminates employment before being fully vested, the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeitures are allocated as follows: a) the Employer may use forfeitures to pay Plan expenses or to reduce amounts otherwise required to be contributed to the Plan or b) forfeitures can be reallocated to Participants as though they are additional Employer Contributions. In 2021 and 2020, no forfeitures were allocated.

Administration Expenses

In accordance with the provisions of the Plan document, administration expenses of maintaining the Plan are paid directly by the Company. The expenses that are specifically incurred by or attributable to the participants are charged directly to the participant's account, including administrative expenses attributable to a single sum benefit payment for a distribution other than at death, total and permanent disability or retirement, participant loan administration fee, overnight delivery fee, qualified domestic relations order administration fee, and fund expenses charged by individual fund companies for investment option selected.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA.

Sounds True, Inc. 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2021

NOTE 1 – DESCRIPTION OF PLAN (continued)

Income Tax Status

The Plan terms have been drafted in reliance on the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in accordance with the Internal Revenue Code ("IRC") to maintain its tax exemption. Plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2018.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Investment Options

Upon enrollment in the Plan, a participant directs participant, Safe Harbor contributions, and non-elective contributions in any of the available investment options. Participant may change their investment options at any time. The Plan is funded with a group annuity contract issued by American United Life Insurance Company. The contract offers a stable value investment option and a number of variable investment options through an AUL pooled separate account.

Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and present the net assets available for plan benefits and the changes in those net assets in accordance with accounting principles accepted in the United States of America.

Roth 401(k)

The Company has implemented a Roth 401(k) option for employees. Roth 401(k) contributions are made after tax and withdrawals from the option are tax-free. Roth 401(k) contributions are presented as part of participants' contributions on the Statement of Changes in Net Assets Available for Plan Benefits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in assets and liabilities during the reporting periods. Actual results could differ significantly from those estimates.

Sounds True, Inc. 401(k) Plan
Notes to Financial Statements (continued)
December 31, 2021

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and Uncertainties

The Plan provides for various investments in pooled separate accounts and guaranteed certificate funds. Investments, in general, are exposed to various risks, such as significant world events, interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible the changes in the value of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for Plan benefits.

Related Party Transactions

For the year ended December 31, 2021, certain Plan investments are shares of registered investment companies or mutual funds and bonds managed by AUL. AUL is the asset trustee, as defined by the Plan document, and therefore, these transactions qualify as party in interest.

Valuation of Investments and Income Recognition

Investment transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Investments in registered investment companies (e.g. mutual funds) are recorded at fair value based upon quoted market prices of the securities underlying the mutual funds.

Distribution to Participants

Distributions to participants are recorded when paid.

Subsequent Events

In 2022, there was a significant market decline due to various factors. This situation can materially affect participants' account and investment balance. Subsequent events were evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for plan benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly. Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Assets: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed annuity contract ("GAC"): The market value is determined through observable inputs to formulas in the contract and related communications. As such, this investment is classified as Level 2.

The inputs or methodology used for valuing securities are not an indication of the risks associated with investing in those securities.

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021.

	Level 1	Level 2	Level 3	Total
Pooled Separate Assets	\$ -	\$ 6,076,674	\$ -	\$ 6,076,674
Stable Value Account	-	338,893	-	338,893
	<u>\$ -</u>	<u>\$ 6,415,567</u>	<u>\$ -</u>	<u>\$ 6,415,567</u>

The following sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020.

	Level 1	Level 2	Level 3	Total
Pooled Separate Assets	\$ -	\$ 4,701,543	\$ -	\$ 4,701,543

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
