INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of The Restated Anderson Kill P.C. Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The Restated Anderson Kill P.C. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Restated Anderson Kill P.C. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Anderson Kill P.C. Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Restated Anderson Kill P.C. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Anderson Kill P.C. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters - 2021 Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Restated Anderson Kill P.C. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of The Restated Anderson Kill P.C. Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan formed under Internal Revenue Code (“IRC”) Section 401(k) covering substantially all employees of Anderson Kill P.C., and Anderson Kill L.L.P., (collectively the “Company”) who have satisfied the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Profit Sharing Committee is responsible for the oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the plan document is retroactively amended on or before December 31, 2025. Plan management elected to implement the following provisions:

- On or after April 20, 2020, and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan may repay all or any portion of the distribution to the Plan within the three-year period beginning on the day after the distribution.
- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments through December 31, 2020 be deferred. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Contributions

Employees become eligible on the first day of the month on or immediately following completion of one month of service and attainment of age 21, if later. Upon becoming eligible, a participant may make pretax and post-tax Roth elective contributions between 1% and 75% of their compensation (subject to statutory limits). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated target date fund until changed by the participant.

Participants become eligible for matching contributions on the January 1st or July 1st immediately following completion of one year of service and attainment of age 21, if later. The matching contribution to each participant for whom an elective contribution is made in an amount equal to 33 ⅓% of elective contributions for that plan year that does not exceed 6% of the participant's compensation, as defined. The Company may make additional matching contributions to participants. The Company contributed the 33 ⅓% of elective contributions and there were no additional matching contributions for the year ended December 31, 2021.

Employees become eligible for discretionary profit sharing contributions on the January 1st or July 1st immediately following the completion of one year of service and attainment of age 21, if later. In addition, the participant must be employed on the last day of such plan year and must have completed at least 1,000 hours of service. Effective January 1, 2019, 600 hours of the 1,000 hours service requirement for attorneys are required to be attributable to billable client matters. Participants are classified as non-attorney participants, non-equity shareholder attorney participants, attorney participants and equity shareholder attorney participants. The profit sharing contribution determined is allocated to participants in each classification in the proportion that the participants' eligible compensation bears to the total compensation in that classification. For equity shareholder attorney participants, the Company annually determines the maximum amount that can be allocated to the participant in order to meet the maximum allowable contribution for the participants in accordance with the applicable sections of the IRC. For non-attorney participants, attorney participants and non-equity shareholder attorney participants, the Company contributed for the year ended December 31, 2021 an amount equal to 5% of eligible compensation, as defined (subject to statutory limitations).

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

Participants direct the investment of contributions credited to his or her accounts into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocation of the Company's profit sharing contribution and plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of service. A participant is 100 percent vested after 3 years of credited service. If a participant retires, becomes disabled, or in the event of death, the participant becomes fully vested.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested portion of their account balance. Loan terms may not exceed five years unless the loan is for the purpose of acquiring a principal residence in which case the term of the loan may not exceed 10 years. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate of interest as determined at the time of the loan application by the Company. Loans outstanding during the year had interest rates which ranged from 3.25% to 5.50%. Principal and interest are paid ratably through semi-monthly payroll deductions or directly from the borrower and credited to the borrower's account balance.

THE RESTATED ANDERSON KILL P.C. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Administrative Expenses

Certain administrative expenses are paid by the Company without charge to the Plan. The Plan provides for a participant revenue credit to be allocated to eligible participants pro rata across current investments and sources on a quarterly basis. The revenue credit program allocates a revenue credit to participants who invest in mutual funds for which Fidelity receives revenue. The revenue credit is allocated to the participant quarterly and is reinvested in the fund that generated the credit. Any remaining revenue credit will be available to the Plan to pay fees or other expenses. The participant revenue credit which offset expenses was \$73,102 for the year ending December 31, 2021.

Payments of Benefits

When a participant retires or ceases to be an employee due to disability, they are entitled to receive his or her distribution under the Plan in a lump sum no later than 60 days after the end of the calendar quarter in which retirement occurred. A retired participant can elect to defer receipt of the distribution until April 1 of the calendar year following the Participant attaining age 72. Upon death of the participant the distribution will be made in a lump sum no later than December 31 of the calendar year immediately following the calendar year in which the Participant died.

Upon termination, if the participant's vested account is (a) less than \$5,000 the distribution shall be made in the form of a lump sum payment as soon as practical, or if over \$1,000 and the participant is below the age of 65 the participant can elect to rollover into an eligible retirement plan or receive the distribution directly, or the (b) greater than \$5,000 the participant can elect to receive a lump sum or it will be distributed no later than 60 days after the end of the calendar quarter in which the Participant attains the age of 65. Under certain circumstances (hardship), and with approval of the Company, a participant can elect at any time to receive a portion of his or her vested account balance subject to the provisions of the Plan. In-service withdrawals are permitted once a participant has attained age 59 ½.

Forfeitures

At December 31, 2021 and 2020 forfeited non-vested accounts totaled \$19,405 and \$21,956, respectively. These accounts will be used to reduce future Company contributions.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Profit Sharing Committee determines the Plan's valuation policies utilizing information provided by the investment adviser and custodian.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

THE RESTATED ANDERSON KILL P.C. PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - UNAUDITED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee/custodian of the Plan.).

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Plan also utilizes a practical expedient to estimate the fair value of investments that have calculated net asset value ("NAV") per share. Accordingly, the Plan estimates the fair value of an investment using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

**THE RESTATED ANDERSON KILL P.C.
PROFIT SHARING PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence or absence of certain restrictions at year-end.

**THE RESTATED ANDERSON KILL P.C.
PROFIT SHARING PLAN**

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust: Valued based on the NAV of the collective trust. The NAV, as reported by the custodian/trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The common collective trust, which is a stable value fund, invests in fixed-income securities or bond funds, enters into “wrap” contracts issued by third-parties, and invests in cash equivalents represented by shares in money market funds, with the objective of preserving capital and to providing a competitive level of income that is consistent with the preservation of capital. There are no unfunded commitments with respect to the common collective trust. The fund generally provides for daily redemptions by the Plan at reported NAV per share, without any advance notification. The fund may, in its sole discretion, impose restrictions on issues and redemptions of units.

Self-directed brokerage account: Includes mutual funds as well as common and preferred stocks which are valued at the closing price reported on the active market on which the individual securities are traded (Level 1) and corporate bonds which are valued at the closing price reported on the principal market on which the bonds are traded (Level 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds, money market funds, and a common collective trust managed by Fidelity Investments. Fidelity Management Trust Company, a related party to Fidelity Investments, is the trustee/custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. Certain administrative fees and advisory services for participants who elect the service of \$2,806 were paid to the trustee/custodian for the year ended December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA and terms of the Plan. In the event of Plan termination or partial termination of the Plan, participants' accounts shall be fully vested as of the date of such termination. The Company determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated February 27, 2018 that the plan and related trust are designed in accordance with the applicable provisions of Internal Revenue Code (IRC). The plan has been amended since receiving the determination letter. However, the plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.
