Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Advisors Excel, LLC 401(k) P/S Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 4* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the 2021 Financial Statements" section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the “Auditor’s Responsibilities for the Audit of the 2021 Financial Statements” section of our report. We are required to be independent of Advisors Excel, LLC 401(k) P/S Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the “Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements” section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 statement of net assets available for benefits of Advisors Excel, LLC 401(k) P/S Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 12, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of the Plan

(a) General

The following description of the Advisors Excel, LLC 401(k) P/S Plan (the Plan) is provided for general informational purposes only. Terms of the Plan are more fully described in the Plan document, which is available to each participant. The Plan is a defined contribution plan that is qualified under Section 401 of the Internal Revenue Code (IRC) and covers employees of Advisors Excel, LLC (the Company) or a participating subsidiary who are 21 years or older. Employees are eligible to participate on the date of hire and plan entry is available on the first day of each calendar month coinciding with or next following that date. Employees are eligible for employer matching and profit sharing contributions on the first day of the calendar month coinciding with or next following the date on which three months of service are completed. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

The Company is the plan sponsor. The plan is administered and assets are held by Great-West Life & Annuity Insurance Company (Empower Retirement). The trustee and custodian is Great-West Trust Company, LLC.

(b) Contributions

Participating employees may elect to contribute to the Plan a maximum of 100% of their eligible compensation, as defined by the Plan, and subject to certain limitations under the IRC. These participant contributions are made on a pretax basis. The Company also offered employees the option to make Roth contributions. The Roth contributions made by the employee are included in the employee's income at the time of deferral and are segregated with a separate Roth account within the Plan. The participant's total combined Roth and pretax contributions are subject to the IRC limitations noted above. Additionally, participants who attained the age of 50 could contribute additional amounts. These catch-up contributions are not subject to the employer matching contribution.

Employee contributions are matched 100% up to 3% and then 50% up to 8%, with a maximum employer matching contribution of \$8,000. Additionally, the Company may make a discretionary contribution. In 2021 and 2020, the Company made no discretionary contributions. Discretionary contributions would be included in Employer Contributions in the statement of changes in net assets available for benefits.

Participants have the option to direct the investment of their contributions, rollover contributions, and the matching employer's contributions in any combination of the investment options offered by the Plan.

Participants may rollover funds into the Plan from any qualified plan, subject to the approval of the plan administrator. Rollover contributions earn investment income and share in investment gains or losses. Participants are 100% vested in rollover contributions. Participants may rollover Roth funds into a segregated Roth account within the Plan.

(c) Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching and discretionary contributions, and an allocation of Plan earnings and administrative expenses. The earnings allocation is based on the performance of the participant's allocated investment fund

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

balances. The benefit to which a participant is entitled is the vested portion of the participant's account.

Participants may make transfers between existing fund balances at any time. Participating employees may change future investment elections at any time upon notification to the Plan.

(d) Participant Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Current Company matching contributions and Company discretionary contributions are subject to the following vesting schedule:

Years of vesting service	Percentage vested
Less than 2 years	—%
2 years but less than 3 years	20
3 years but less than 4 years	40
4 years but less than 5 years	60
5 years but less than 6 years	80
6 or more years	100

A participant will become fully vested in the value of all Company contributions in the event of death, permanent and total disability, or attainment of Normal Retirement Age, regardless of the participant's years of vesting service. A year of vesting service generally is each Plan year during which the participant earns at least 1,000 hours of service and is over the age of 21.

(e) Forfeitures

Forfeitures are based on the nonvested portion of the Company's contribution upon employee termination. Forfeited amounts are applied as a reduction of contributions by the Company or by participating subsidiaries. Forfeitures were used to reduce the Company's contribution by \$127,412 in 2021 and \$84,901 in 2020. The balance of unallocated forfeitures available to offset future Company contributions amounted to \$50,296 and \$23,821 at December 31, 2021 and 2020, respectively.

(f) Notes Receivable from Participants

An active participant may borrow from the Plan amounts collateralized by the vested portion of his or her Plan account. The participant must have a minimum vested account balance of \$2,000. The maximum loan amount that a participant may request is \$50,000 or 50% of the vested account balance, whichever is less. The loans are repaid through payroll deductions over terms, which are based upon the amounts borrowed and normally do not exceed five years. The interest rate is 1.5% over the Prime Rate published in the Wall Street Journal on the first business day of the month before the loan is originated. The interest rate is fixed throughout the life of the loan. The participant may continue to make contributions to the Plan throughout the term of the loan. A setup fee for new loans is deducted from the respective participant's account.

During 2020, the Plan adopted three provisions in response to provisions outlined in the Coronavirus Aid, Relief and Economic Security ("CARES") Act. The first provision allowed "qualified participants"

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

to withdraw up to \$100,000 or their eligible balance. The second provision increased the maximum loan limit for “qualified participants” to the lesser of \$100,000 or their vested account balance (reduced by the participant’s highest outstanding loan balance within the past 12 months). The third provision allowed “qualified participants” to delay loan repayments (for both existing loans and CARES Act loans outlined above) until January 2021.

(g) Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Administrative expenses incidental to the administration of the Plan may be paid by the Company, and, if not paid by the Company, shall be paid by the Plan.

(h) Distributions

Distributions of vested account balances are available upon termination, retirement, death, or permanent and total disability. Distributions are made in lump-sum amounts or annual installments to the participant or designated beneficiaries.

(2) Summary of Significant Accounting Policies

(a) Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America.

(b) Investments

The Plan’s investments are held in an account at Great-West Trust Company, LLC. On each valuation date, as defined by the Plan, securities held by the Plan are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The increase or decrease in the value of securities held, plus any net income or loss of the Plan, is allocated to the participant’s accounts. Refer to the Fair Value Measurements note for additional valuation information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

(c) Notes Receivable from Participants

Notes receivable from participants are carried at amortized cost and are measured as the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions, based upon the terms of the Plan document.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(e) *Payment of Benefits*

Distributions to the participants of the Plan are recorded when paid.

(3) *Risks and Uncertainties*

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization declared the outbreak of Covid-19 as a 'public health emergency of international concern,' and on March 13, 2020, the President of the United States declared a state of national emergency. As a result of the outbreak, there has been instability in the capital markets. The ultimate financial impact of the Covid-19 outbreak to the Plan's financial statements is uncertain.

(4) *Certification of Custodian*

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income from notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

(5) *Federal Income Taxes*

Effective March 2, 2015, the Plan adopted a nonstandardized form of a prototype plan sponsored by Great-West Trust Company, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, as to the prototype's qualified status. The prototype plan opinion letter has been relied upon by this Plan. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, the plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

(6) Fair Value Measurements

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

(a) Mutual Funds

The fair value of the mutual funds is valued at the quoted net asset value of shares held by the Plan at year-end.

(b) Common Collective Trust – Putnam Stable Value Fund

The fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds and is valued at the net asset value of units. The fund seeks to maintain a stable net asset value of \$1 per share. The net asset value is used as a readily determinable fair value to estimate fair value.

Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

ADVISORS EXCEL, LLC 401(k) P/S PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(c) Common Collective Trust – Other

Funds are valued at the net asset value of units as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the trust less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of a collective trust, the issuer generally reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future trade values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	December 31, 2021	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant other unobservable inputs (Level 3)

Notes to Financial Statements

December 31, 2021 and 2020

For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

(7) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) Related-Party Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons. Certain Plan investments are shares of mutual funds managed by Great-West. Great-West Trust Company, LLC is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan paid \$122,408 of recordkeeping fees to Great-West during the year ended December 31, 2021.

The Company provides certain administrative services at no cost to the Plan.

(9) Subsequent Events

The Company has evaluated subsequent events from the balance sheet date through October 7, 2022, the date at which the financial statements were available to be issued.
