Form 5500

Department of the Treasury
Internal Revenue Service

Department of Labor
Employee Benefits Security Administration

Pension Benefit Guaranty Corporation

Annual Return/Report of Employee Benefit Plan

This form is required to be filed for employee benefit plans under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and sections 6057(b) and 6058(a) of the Internal Revenue Code (the Code).

▶ **Complete all entries in accordance with the instructions to the Form 5500.**

OMB Nos. 1210-0110
1210-0089

2021

This Form is Open to Public Inspection

Part I Annual Report Identification Information

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021

A This return/report is for:
- [ ] a multiemployer plan
- [ ] a multiple-employer plan (Filers checking this box must attach a list of participating employer information in accordance with the form instructions.)
- [X] a single-employer plan
- [ ] a DFE (specify) ____

B This return/report is:
- [ ] the first return/report
- [ ] the final return/report
- [ ] an amended return/report
- [ ] a short plan year return/report (less than 12 months)

C If the plan is a collectively-bargained plan, check here. . . . . ▶ [ ]

D Check box if filing under:
- [X] Form 5558
- [ ] automatic extension
- [ ] the DFVC program
- [ ] special extension (enter description)

E If this is a retroactively adopted plan permitted by SECURE Act section 201, check here. . . . . ▶ [ ]

Part II Basic Plan Information—enter all requested information

1a Name of plan
DIAMOND LANDSCAPING INC 401(K) PROFIT SHARING PLAN & TRUST

1b Three-digit plan number (PN) ▶ 001

1c Effective date of plan 01/01/2003

2a Plan sponsor's name (employer, if for a single-employer plan)
Mailing address (include room, apt., suite no. and street, or P.O. Box)
City or town, state or province, country, and ZIP or foreign postal code (if foreign, see instructions)
DIAMOND LANDSCAPING INC

13520 HERRON ST
SYLMAR, CA 91342

2b Employer Identification Number (EIN)
92-0178250

2c Plan Sponsor's telephone number
818-509-9573

2d Business code (see instructions)
238900

Caution: A penalty for the late or incomplete filing of this return/report will be assessed unless reasonable cause is established.

Under penalties of perjury and other penalties set forth in the instructions, I declare that I have examined this return/report, including accompanying schedules, statements and attachments, as well as the electronic version of this return/report, and to the best of my knowledge and belief, it is true, correct, and complete.

SIGN HERE	Filed with authorized/valid electronic signature.	10/14/2022	RONALD CAMMARATA
	Signature of plan administrator	Date	Enter name of individual signing as plan administrator
SIGN HERE			
	Signature of employer/plan sponsor	Date	Enter name of individual signing as employer or plan sponsor
SIGN HERE			
	Signature of DFE	Date	Enter name of individual signing as DFE

3a Plan administrator's name and address [X] Same as Plan Sponsor

3b Administrator's EIN

3c Administrator's telephone number

4 If the name and/or EIN of the plan sponsor or the plan name has changed since the last return/report filed for this plan, enter the plan sponsor's name, EIN, the plan name and the plan number from the last return/report:
a Sponsor's name
c Plan Name

4b EIN

4d PN

5 Total number of participants at the beginning of the plan year	**5**	217
6 Number of participants as of the end of the plan year unless otherwise stated (welfare plans complete only lines **6a(1), 6a(2), 6b, 6c,** and **6d**).		
a(1) Total number of active participants at the beginning of the plan year	**6a(1)**	209
a(2) Total number of active participants at the end of the plan year	**6a(2)**	211
b Retired or separated participants receiving benefits	**6b**	0
c Other retired or separated participants entitled to future benefits	**6c**	7
d Subtotal. Add lines **6a(2)**, **6b**, and **6c**	**6d**	218
e Deceased participants whose beneficiaries are receiving or are entitled to receive benefits.	**6e**	0
f Total. Add lines **6d** and **6e**	**6f**	218
g Number of participants with account balances as of the end of the plan year (only defined contribution plans complete this item)	**6g**	29
h Number of participants who terminated employment during the plan year with accrued benefits that were less than 100% vested	**6h**	0
7 Enter the total number of employers obligated to contribute to the plan (only multiemployer plans complete this item)	**7**	

8a If the plan provides pension benefits, enter the applicable pension feature codes from the List of Plan Characteristics Codes in the instructions:

2E 2F 2G 2J 2K 2T 3D

b If the plan provides welfare benefits, enter the applicable welfare feature codes from the List of Plan Characteristics Codes in the instructions:

9a Plan funding arrangement (check all that apply)

(1)	[ ]	Insurance
(2)	[ ]	Code section 412(e)(3) insurance contracts
(3)	[X]	Trust
(4)	[ ]	General assets of the sponsor

9b Plan benefit arrangement (check all that apply)

(1)	[ ]	Insurance
(2)	[ ]	Code section 412(e)(3) insurance contracts
(3)	[X]	Trust
(4)	[ ]	General assets of the sponsor

10 Check all applicable boxes in 10a and 10b to indicate which schedules are attached, and, where indicated, enter the number attached. (See instructions)

a Pension Schedules

(1)	[X]	**R** (Retirement Plan Information)
(2)	[ ]	**MB** (Multiemployer Defined Benefit Plan and Certain Money Purchase Plan Actuarial Information) - signed by the plan actuary
(3)	[ ]	**SB** (Single-Employer Defined Benefit Plan Actuarial Information) - signed by the plan actuary

b General Schedules

Part I Service Provider Information (see instructions)

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, $5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions).. . . . . [X] Yes [ ] No

b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

PAYCHEX SECURITIES CORPORATION
225 KENNETH DRIVE
ROCHESTER, NY 14623

16-1486352

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, $5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	**(c)** Relationship to employer, employee organization, or person known to be a party-in-interest	**(d)** Enter direct compensation paid by the plan. If none, enter -0-.	**(e)** Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	**(f)** Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	**(g)** Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	**(h)** Did the service provider give you a formula instead of an amount or estimated amount?
			Yes ☐ No ☐	Yes ☐ No ☐		Yes ☐ No ☐

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	**(c)** Relationship to employer, employee organization, or person known to be a party-in-interest	**(d)** Enter direct compensation paid by the plan. If none, enter -0-.	**(e)** Did service provider receive indirect compensation? (sources other than plan or plan sponsor)	**(f)** Did indirect compensation include eligible indirect compensation, for which the plan received the required disclosures?	**(g)** Enter total indirect compensation received by service provider excluding eligible indirect compensation for which you answered "Yes" to element (f). If none, enter -0-.	**(h)** Did the service provider give you a formula instead of an amount or estimated amount?
			Yes ☐ No ☐	Yes ☐ No ☐		Yes ☐ No ☐

(a) Enter name and EIN or address (see instructions)

(b) Service Code(s)	**(c)** Relationship to employer, employee organization, or person known to be a party-in-interest	**(d)** Enter direct compensation paid by the plan. If none, enter -0-.	**(e)** Did service provider receive indirect compensation? If none, enter -0-.	**(h)** Did the service provider give you a formula instead of an amount or estimated amount?
			Yes ☐ No ☐	Yes ☐ No ☐		Yes ☐ No ☐

Part I Service Provider Information (continued)

3. If you reported on line 2 receipt of indirect compensation, other than eligible indirect compensation, by a service provider, and the service provider is a fiduciary or provides contract administrator, consulting, custodial, investment advisory, investment management, broker, or recordkeeping services, answer the following questions for (a) each source from whom the service provider received $1,000 or more in indirect compensation and (b) each source for whom the service provider gave you a formula used to determine the indirect compensation instead of an amount or estimated amount of the indirect compensation. Complete as many entries as needed to report the required information for each source.

(a) Enter service provider name as it appears on line 2	**(b)** Service Codes (see instructions)	**(c)** Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	**(e)** Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

(a) Enter service provider name as it appears on line 2	**(b)** Service Codes (see instructions)	**(c)** Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	**(e)** Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

(a) Enter service provider name as it appears on line 2	**(b)** Service Codes (see instructions)	**(c)** Enter amount of indirect compensation
(d) Enter name and EIN (address) of source of indirect compensation	**(e)** Describe the indirect compensation, including any formula used to determine the service provider's eligibility for or the amount of the indirect compensation.	

Part II Service Providers Who Fail or Refuse to Provide Information

4 Provide, to the extent possible, the following information for each service provider who failed or refused to provide the information necessary to complete this Schedule.

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

(a) Enter name and EIN or address of service provider (see instructions)	**(b)** Nature of Service Code(s)	**(c)** Describe the information that the service provider failed or refused to provide

Part III	**Termination Information on Accountants and Enrolled Actuaries (see instructions)** (complete as many entries as needed)

SCHEDULE H (Form 5500)

Department of the Treasury
Internal Revenue Service

Department of Labor
Employee Benefits Security Administration

Pension Benefit Guaranty Corporation

Financial Information

This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code).

▶ **File as an attachment to Form 5500.**

OMB No. 1210-0110

2021

This Form is Open to Public Inspection

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021

A Name of plan
DIAMOND LANDSCAPING INC 401(K) PROFIT SHARING PLAN & TRUST

B Three-digit plan number (PN) ▶ 001

C Plan sponsor's name as shown on line 2a of Form 5500
DIAMOND LANDSCAPING INC

D Employer Identification Number (EIN)
92-0178250

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Assets		(a) Beginning of Year	(b) End of Year
a Total noninterest-bearing cash	1a	0	
b Receivables (less allowance for doubtful accounts):			
(1) Employer contributions	1b(1)	0	0
(2) Participant contributions	1b(2)	0	0
(3) Other	1b(3)	0	0
c General investments:			
(1) Interest-bearing cash (include money market accounts & certificates of deposit)	1c(1)	45076	82558
(2) U.S. Government securities	1c(2)	0	
(3) Corporate debt instruments (other than employer securities):			
(A) Preferred	1c(3)(A)	0	
(B) All other	1c(3)(B)	0	
(4) Corporate stocks (other than employer securities):			
(A) Preferred	1c(4)(A)	0	
(B) Common	1c(4)(B)	0	
(5) Partnership/joint venture interests	1c(5)	0	
(6) Real estate (other than employer real property)	1c(6)	0	
(7) Loans (other than to participants)	1c(7)	0	
(8) Participant loans	1c(8)	245	6588
(9) Value of interest in common/collective trusts	1c(9)	0	0
(10) Value of interest in pooled separate accounts	1c(10)	0	0
(11) Value of interest in master trust investment accounts	1c(11)	0	0
(12) Value of interest in 103-12 investment entities	1c(12)	0	0
(13) Value of interest in registered investment companies (e.g., mutual funds)	1c(13)	1450972	1703986
(14) Value of funds held in insurance company general account (unallocated contracts)	1c(14)		
(15) Other	1c(15)	0	0

			(a) Beginning of Year	**(b)** End of Year
1d	Employer-related investments:			
	(1) Employer securities	1d(1)	0	
	(2) Employer real property	1d(2)	0	
e	Buildings and other property used in plan operation	1e	0	
f	Total assets (add all amounts in lines 1a through 1e)	1f	1496293	1793132
	Liabilities			
g	Benefit claims payable	1g	0	
h	Operating payables	1h	0	
i	Acquisition indebtedness	1i	0	
j	Other liabilities	1j	0	
k	Total liabilities (add all amounts in lines 1g through1j)	1k	0	0
	Net Assets			
l	Net assets (subtract line 1k from line 1f)	1l	1496293	1793132

Part II Income and Expense Statement

2 Plan income, expenses, and changes in net assets for the year. Include all income and expenses of the plan, including any trust(s) or separately maintained fund(s) and any payments/receipts to/from insurance carriers. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 2a, 2b(1)(E), 2e, 2f, and 2g.

	Income		**(a)** Amount	**(b)** Total
a	**Contributions:**			
	(1) Received or receivable in cash from: **(A)** Employers	2a(1)(A)	70475	
	(B) Participants	2a(1)(B)	128535	
	(C) Others (including rollovers)	2a(1)(C)	0	
	(2) Noncash contributions	2a(2)		
	(3) Total contributions. Add lines **2a(1)(A), (B), (C),** and line **2a(2)**	2a(3)		199010
b	**Earnings on investments:**			
	(1) Interest:			
	(A) Interest-bearing cash (including money market accounts and certificates of deposit)	2b(1)(A)	6	
	(B) U.S. Government securities	2b(1)(B)		
	(C) Corporate debt instruments	2b(1)(C)		
	(D) Loans (other than to participants)	2b(1)(D)		
	(E) Participant loans	2b(1)(E)	174	
	(F) Other	2b(1)(F)		
	(G) Total interest. Add lines **2b(1)(A)** through **(F)**	2b(1)(G)		180
	(2) Dividends: **(A)** Preferred stock	2b(2)(A)		
	(B) Common stock	2b(2)(B)		
	(C) Registered investment company shares (e.g. mutual funds)	2b(2)(C)	94214	
	(D) Total dividends. Add lines **2b(2)(A)**, **(B)**, and **(C)**	2b(2)(D)		94214
	(3) Rents	2b(3)		
	(4) Net gain (loss) on sale of assets: **(A)** Aggregate proceeds	2b(4)(A)		
	(B) Aggregate carrying amount (see instructions)	2b(4)(B)		
	(C) Subtract line **2b(4)(B)** from line **2b(4)(A)** and enter result	2b(4)(C)		0
	(5) Unrealized appreciation (depreciation) of assets: **(A)** Real estate	2b(5)(A)		
	(B) Other	2b(5)(B)		
	(C) Total unrealized appreciation of assets. Add lines **2b(5)(A)** and **(B)**	2b(5)(C)		0

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts	2b(6)		0
(7) Net investment gain (loss) from pooled separate accounts	2b(7)		0
(8) Net investment gain (loss) from master trust investment accounts	2b(8)		0
(9) Net investment gain (loss) from 103-12 investment entities	2b(9)		0
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds)	2b(10)		12045
c Other income	2c		
d Total income. Add all **income** amounts in column (b) and enter total	2d		305449
Expenses			
e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers	2e(1)	661	
(2) To insurance carriers for the provision of benefits	2e(2)		
(3) Other	2e(3)		
(4) Total benefit payments. Add lines **2e(1)** through **(3)**	2e(4)		661

(5) Total administrative expenses. Add lines **2i(1)** through **(4)**	2i(5)		7949
j Total expenses. Add all **expense** amounts in column (b) and enter total	2j		8610
Net Income and Reconciliation			
k Net income (loss). Subtract line **2j** from line **2d**	2k		296839
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) [X] Unmodified **(2)** [ ] Qualified **(3)** [ ] Disclaimer **(4)** [ ] Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) [X] DOL Regulation 2520.103-8 **(2)** [ ] DOL Regulation 2520.103-12(d) **(3)** [ ] neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: WITHUMSMITH+BROWN, PC **(2)** EIN: 22-2027092

d The opinion of an independent qualified public accountant is **not attached** because:

(1) [ ] This form is filed for a CCT, PSA, or MTIA. **(2)** [ ] It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

		Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	4a		X	

			Yes	No	Amount
b	Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)	**4b**		X	
c	Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)	**4c**		X	
d	Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)	**4d**		X	
e	Was this plan covered by a fidelity bond?	**4e**	X		149629
f	Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?	**4f**		X	
g	Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4g**		X	
h	Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?	**4h**		X	
i	Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	**4i**	X		
j	Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	**4j**		X	
k	Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?	**4k**		X	
l	Has the plan failed to provide any benefit when due under the plan?	**4l**		X	
m	If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)	**4m**		X	
n	If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3	**4n**		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No

If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	**5b(2)** EIN(s)	**5b(3)** PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500)

Department of the Treasury
Internal Revenue Service

Department of Labor
Employee Benefits Security Administration

Pension Benefit Guaranty Corporation

Retirement Plan Information

This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code).

▶ **File as an attachment to Form 5500.**

OMB No. 1210-0110

2021

This Form is Open to Public Inspection.

For calendar plan year 2021 or fiscal plan year beginning 01/01/2021 and ending 12/31/2021

A Name of plan
DIAMOND LANDSCAPING INC 401(K) PROFIT SHARING PLAN & TRUST

B Three-digit plan number (PN) ▶ 001

C Plan sponsor's name as shown on line 2a of Form 5500
DIAMOND LANDSCAPING INC

D Employer Identification Number (EIN)
92-0178250

Part I Distributions

All references to distributions relate only to payments of benefits during the plan year.

1 Total value of distributions paid in property other than in cash or the forms of property specified in the instructions ..... | **1** |

2 Enter the EIN(s) of payor(s) who paid benefits on behalf of the plan to participants or beneficiaries during the year (if more than two, enter EINs of the two payors who paid the greatest dollar amounts of benefits):

EIN(s): 16-1470238

Profit-sharing plans, ESOPs, and stock bonus plans, skip line 3.

3 Number of participants (living or deceased) whose benefits were distributed in a single sum, during the plan year ..... | **3** |

Part II Funding Information (If the plan is not subject to the minimum funding requirements of section 412 of the Internal Revenue Code or ERISA section 302, skip this Part.)

4 Is the plan administrator making an election under Code section 412(d)(2) or ERISA section 302(d)(2)? ..... ☐ **Yes** ☒ **No** ☐ **N/A**

If the plan is a defined benefit plan, go to line 8.

5 If a waiver of the minimum funding standard for a prior year is being amortized in this plan year, see instructions and enter the date of the ruling letter granting the waiver. **Date:** Month _____ Day _____ Year _____

If you completed line 5, complete lines 3, 9, and 10 of Schedule MB and do not complete the remainder of this schedule.

6	**a** Enter the minimum required contribution for this plan year (include any prior year accumulated funding deficiency not waived)	**6a**	
	b Enter the amount contributed by the employer to the plan for this plan year	**6b**	
	c Subtract the amount in line 6b from the amount in line 6a. Enter the result (enter a minus sign to the left of a negative amount)	**6c**	

If you completed line 6c, skip lines 8 and 9.

7 Will the minimum funding amount reported on line 6c be met by the funding deadline? ..... ☐ **Yes** ☐ **No** ☐ **N/A**

8 If a change in actuarial cost method was made for this plan year pursuant to a revenue procedure or other authority providing automatic approval for the change or a class ruling letter, does the plan sponsor or plan administrator agree with the change? ..... ☐ **Yes** ☐ **No** ☐ **N/A**

Part III Amendments

9 If this is a defined benefit pension plan, were any amendments adopted during this plan year that increased or decreased the value of benefits? If yes, check the appropriate box. If no, check the "No" box. ..... ☐ **Increase** ☐ **Decrease** ☐ **Both** ☐ **No**

Part IV ESOPs (see instructions). If this is not a plan described under section 409(a) or 4975(e)(7) of the Internal Revenue Code, skip this Part.

10 Were unallocated employer securities or proceeds from the sale of unallocated securities used to repay any exempt loan? ..... ☐ **Yes** ☐ **No**

11 **a** Does the ESOP hold any preferred stock? ..... ☐ **Yes** ☒ **No**

b If the ESOP has an outstanding exempt loan with the employer as lender, is such loan part of a "back-to-back" loan? (See instructions for definition of "back-to-back" loan.) ..... ☐ **Yes** ☒ **No**

12 Does the ESOP hold any stock that is not readily tradable on an established securities market? ..... ☐ **Yes** ☒ **No**

Part V Additional Information for Multiemployer Defined Benefit Pension Plans

13 Enter the following information for each employer that contributed more than 5% of total contributions to the plan during the plan year (measured in dollars). See instructions. *Complete as many entries as needed to report all applicable employers.*

14 Enter the number of deferred vested and retired participants (inactive participants), as of the beginning of the plan year, whose contributing employer is no longer making contributions to the plan for:

a The current plan year. Check the box to indicate the counting method used to determine the number of inactive participants: ☐ last contributing employer ☐ alternative ☐ reasonable approximation (see instructions for required attachment)	**14a**	
b The plan year immediately preceding the current plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment)	**14b**	
c The second preceding plan year. ☐ Check the box if the number reported is a change from what was previously reported (see instructions for required attachment)	**14c**	

15 Enter the ratio of the number of participants under the plan on whose behalf no employer had an obligation to make an employer contribution during the current plan year to:

a The corresponding number for the plan year immediately preceding the current plan year	**15a**	
b The corresponding number for the second preceding plan year	**15b**	

16 Information with respect to any employers who withdrew from the plan during the preceding plan year:

a Enter the number of employers who withdrew during the preceding plan year	**16a**	
b If line 16a is greater than 0, enter the aggregate amount of withdrawal liability assessed or estimated to be assessed against such withdrawn employers	**16b**	

17 If assets and liabilities from another plan have been transferred to or merged with this plan during the plan year, check box and see instructions regarding supplemental information to be included as an attachment ☐

Part VI Additional Information for Single-Employer and Multiemployer Defined Benefit Pension Plans

18 If any liabilities to participants or their beneficiaries under the plan as of the end of the plan year consist (in whole or in part) of liabilities to such participants and beneficiaries under two or more pension plans as of immediately before such plan year, check box and see instructions regarding supplemental information to be included as an attachment ☐

19 If the total number of participants is 1,000 or more, complete lines (a) through (c)

a Enter the percentage of plan assets held as:
Stock: _____% Investment-Grade Debt: _____% High-Yield Debt: _____% Real Estate: _____% Other: _____%

b Provide the average duration of the combined investment-grade and high-yield debt:
☐ 0-3 years ☐ 3-6 years ☐ 6-9 years ☐ 9-12 years ☐ 12-15 years ☐ 15-18 years ☐ 18-21 years ☐ 21 years or more

c What duration measure was used to calculate line 19(b)?
☐ Effective duration ☐ Macaulay duration ☐ Modified duration ☐ Other (specify):

20 **PBGC missed contribution reporting requirements.** If this is a multiemployer plan or a single-employer plan that is not covered by PBGC, skip line 20.

a Is the amount of unpaid minimum required contributions for all years from Schedule SB (Form 5500) line 40 greater than zero? ☐ Yes ☐ No

b If line 20a is "Yes," has PBGC been notified as required by ERISA sections 4043(c)(5) and/or 303(k)(4)? Check the applicable box:

☐ Yes.

☐ No. Reporting was waived under 29 CFR 4043.25(c)(2) because contributions equal to or exceeding the unpaid minimum required contribution were made by the 30th day after the due date.

☐ No. The 30-day period referenced in 29 CFR 4043.25(c)(2) has not yet ended, and the sponsor intends to make a contribution equal to or exceeding the unpaid minimum required contribution by the 30th day after the due date.

☐ No. Other. Provide explanation _____

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839

ADVISORY TAX AUDIT

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants,
Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust:

Opinion

We have audited the financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2021, and the changes in net assets available for benefits for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter – Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's was audited by Martini Partners, LLP, who joined with WithumSmith+Brown, PC on February 1, 2022. Their report dated October 6, 2021, expressed an unmodified opinion on the net assets available for benefits of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust as of December 31, 2020, and the changes in net assets available for benefits for the year ended December 31, 2020, in accordance with accounting principles generally accepted in the United States of America.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, Part IV, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of the Diamond Landscaping, Inc. 401(k) Profit Sharing Plan & Trust (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2003 and is a defined contribution plan covering substantially all employees of Diamond Landscaping, Inc. (the "Company") who are age 21 or older. Employees are eligible to participate in the Plan after completion of 3 months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Mid Atlantic Trust Company ("MATC" or the "Trustee") provides asset custodian services and also serves as trustee for the Plan. Paychex Retirement Services, LLC ("Paychex" or the "Recordkeeper"), provides recordkeeping services. All investments are participant-directed.

Plan Administration

The investment committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the operation of the Plan.

Contributions

Each year, participants may contribute from 0% to 96% of their Plan compensation, as defined, subject to certain Internal Revenue Code Limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make rollover contributions from other qualified plans.

The Company has adopted a safe harbor provision to eliminate the need for certain non-discrimination tests required by the Internal Revenue Service. The Company's contributions under the safe harbor provision is equal to 100% of each participant's deferral amount up to 3% of compensation and 50% of each participant's deferral amount that exceeds 3% up to a maximum of 5% of compensation. To be eligible for the Company's safe harbor contributions, an employee must be age 21 or older, have completed 3 months of employment and be making elective deferrals to the Plan. The Company may also elect each plan year, by resolution of its Board of Directors, to make discretionary profit sharing contributions to the Plan. To be eligible for the profit sharing contribution, an employee must have completed 500 hours during the plan year and be employed on the last day of the plan year. The Company did not make profit sharing contributions during the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and allocations of the Plan's earnings, and charged with the participant's withdrawals and allocations of the Plan's losses. Allocations are based on participants compensation, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are immediately 100% vested in their voluntary contributions, Company safe harbor contributions and discretionary profit sharing contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow a minimum of $1,000, up to a maximum of $50,000 or 50% of the vested portion of their account balance, whichever is less. The notes bear interest at a rate of 4.25%. The notes are secured by the balance in the respective participant's account and bear interest at rates that were commensurate with local prevailing rates for similar notes at the time funds were borrowed. Principal and interest are paid ratably through payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was enacted and signed into law. The Plan adopted CARES Act provisions that allowed qualified participants to increase the maximum loan amount to $100,000 or $100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020 and for qualified participants to defer, up to one year, any loan payments due between March 27, 2020 and December 31, 2020.

Payment of Benefits

Participants may withdraw the vested interest in their account only in the event of termination of employment, retirement, death, disability or when they reach an age of 59 1/2. On termination of employment, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a portion of the total vested balance at the participant's discretion. If a participant makes no distribution election upon termination of employment, and the value of their account is less than $5,000, the vested balance of their account may be automatically paid in a single lump-sum amount.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires that Plan management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investments, Investment Valuation, and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (See Note 3).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants
Notes receivable from participants are reported at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021, or 2020. Delinquent notes are reclassified as distributions based upon the terms of the Plan document.

Terminated and Defaulted Notes
Notes receivable from participants are terminated when a participant withdraws from the Plan. Any unpaid note balance will be reduced by the amount of the vested interest in the account balance upon distribution. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits
Benefit payments to Participants are recorded during the period in which the Participant is paid.

Administrative Expenses
Administrative expenses of the Plan may be paid by the Plan as provided in the Plan document. However, the Company may also pay the Plan expenses directly. Expenses that are paid by the Company are excluded from these financial statements. Transaction charges for loan and benefit payment transactions, if any, are paid by the Plan by reducing the balances of those participants initiating the transaction.

3. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (CONTINUED)

The following are descriptions of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used for the periods presented in these financial statements.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Bearing Cash – Valued at cost plus accrued interest, which approximates fair value.
The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021 and 2020:

	2021			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 82,558	-	-	$ 82,558
Mutual funds	1,703,986	-	-	1,703,986
	$ 1,786,544	$ -	$ -	$ 1,786,544

	2020			
	Level 1	**Level 2**	**Level 3**	**Total**
Investments, at fair value				
Interest-bearing cash	$ 45,076	-	-	$ 45,076
Mutual funds	1,450,972	-	-	1,450,972
	$ 1,496,048	$ -	$ -	$ 1,496,048

4. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are managed by Mid Atlantic Trust Company ("MATC"). MATC is the Plan's investment advisor and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid to MATC by the Plan for the year ended December 31, 2021 amounted to $3,931. Paychex Securities Corporation provides recordkeeping and other administrative services. Fees paid to Paychex by the Plan for the year ended December 31, 2021 amounted to $4,018.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

6. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor of the prototype plan adopted by the Company, by a letter dated August 31, 2020, that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code. Per Revenue Procedure 2005 -16, a Company adopting such a plan may rely on the prototype plan's letter if the terms of the Plan are followed in operation. Accordingly, this reliance on the favorable opinion letter is equivalent to a favorable determination letter issued to the Company. The Plan has been amended since receiving the prototype plan's letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing and other jurisdictions. However, there are currently no audits in progress for any prior tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 3, 2022, the date the financial statements were available to be issued, and determined that, there have been no subsequent events, that would require recognition in, or disclosure in the notes to, the financial statements.

9. RECONCILIATION OF PLAN FINANCIAL STATEMENTS TO THE FORM 5500

The Annual Return / Report of Employee Benefit Plan (the "Form 5500") is prepared on the modified cash basis. Accordingly, certain balances included on Schedule H (Part I and II) of the form 5500 differ from those included in these financial statements. The ending net asset balances are reconciled as follow:

	2021	2020
Net assets as presented in these financial statements	$ 1,793,132	$ 1,504,678
Participant contributions receivable	-	(5,450)
Employer contributions receivable	-	(2,935)
Net assets as presented in Form 5500	$ 1,793,132	$ 1,496,293

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for year ended December 31, 2021 to Form 5500:

Increase in net assets per these financial statements	$ 288,454
Participant contributions receivable at December 31, 2020, included in Form 5500	5,450
Employer contributions receivable at December 31, 2020, included in Form 5500	2,935
Increase in net assets available for benefits as presented in form 5500	$ 296,839
