The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **ID Castings, LLC 401(K) Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **ID Castings, LLC 401(K) Plan's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - CONTINUED

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **ID Castings, LLC 401(K) Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **ID Castings, LLC 401(K) Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **ID Castings, LLC 401(K) Plan** (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - On May 1, 2017, ID Castings, LLC (the "Company") adopted a Section 401(k) profit-sharing plan. ID Castings of Illinois, LLC is a participating employer in the Plan. The Plan allows participation by employees of the Company, with the exception of non-resident aliens, temporary employees, and leased employees. There are no age or service requirements. Employees are automatically enrolled in the Plan at a deferral rate of 3%, unless they elect otherwise. This deferral rate will automatically increase 1% each year on April 1 as long as the participant was enrolled in the Plan for a least one year prior to April 1, up to a maximum of 8%, unless the participant elects otherwise. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - The Plan provides for employee pre-tax and Roth salary deferrals within statutory limits, as defined in the Plan, each year as an elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. The Company provides an employer matching contribution of 100% of the first 3% of elective deferrals and 50% of the next 4% of elective deferrals that a participant contributes to the Plan. No contributions shall be made on behalf of a participant to the extent that, when added to the participant's salary deferral contributions, it would cause the amounts allocated to exceed the limitations allowed by the Internal Revenue Service.

Participant Accounts - Bank of America, N.A. is the Trustee and Custodian of Plan investments. Each participant's account is credited with the participant's contributions, Company contributions, net earnings or losses, forfeitures, distributions, and withdrawals. Company contributions and forfeitures are allocated based on participants' compensation as defined by the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs into which investment the participant contributions and employer matching contributions are to be invested.

Vesting - Participants are immediately vested in their voluntary contributions, rollovers, and corresponding earnings. Participants also become immediately vested upon death or total and permanent disability. The following schedule will be used to determine vesting in the employer matching contribution and related earnings:

<u>Completed Years of Service</u>	<u>Vesting Percentages</u>
Fewer than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

Notes Receivable from Participants - Participants may borrow from their vested account balance, up to 50%, not to exceed \$50,000. The minimum loan amount is \$1,000. Loans bear interest at the prime rate plus 1%. Loan terms are for a period not exceeding five years. A term up to 30 years may be approved by the Plan if proceeds are to be used for the purchase of a primary residence. Loans are secured by the balance in the participants' accounts. Principal and interest are paid ratably through payroll deductions. Plan provisions allow no more than two outstanding loans at any time.

Benefits Paid - Upon termination of service by reason of retirement, death, permanent disability, or otherwise, participants, or designated beneficiaries, may elect to receive their vested balance either in a lump-sum amount, or payments over a period of time in cash installments, or in a form agreeable to the Plan Administrator. If the participant's account balance is \$5,000 or less, the Plan Administrator may elect to automatically distribute the balance to the participant in a single-sum payment. In addition, participants may receive distributions of all vested amounts for qualified financial hardships.

Forfeitures - Forfeited balances of terminated participants' non-vested accounts may be used to reduce future Company contributions, pay Plan expenses, or be allocated to participants. Forfeitures in the amount of \$34,725 were used during 2021. Unallocated forfeitures at December 31, 2021 and 2020 were \$2,893 and \$14,017.

Investment Options - Upon enrollment in the Plan, a participant may currently direct contributions in investment options in increments of one percent. Participants may change their investment options and deferral percentages at any time via telephone or the Internet.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses is deemed necessary as of December 31, 2021 and 2020. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Company pays certain administrative expenses of the Plan, and the Plan participants will bear the responsibility of the remaining expenses. Investment related expenses are included in net appreciation in investments.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 13, 2022, the date the financial statements were available to be issued.

NOTE 3 - CERTIFIED INVESTMENTS

Certain information related to investments and cash disclosed in the accompanying financial statements and supplemental schedule, including investments and cash held at December 31, 2021, net appreciation in fair value of investments, and interest and dividends for the year 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Bank of America, N.A. (the Trustee of the Plan).

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

NOTES TO FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Common collective trusts: Valued at the net asset value (NAV) of units held by the Plan at year-end.

Registered investment companies: Valued at the quoted market prices of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ID CASTINGS, LLC 401(K) PLAN**NOTES TO FINANCIAL STATEMENTS****NOTE 4 - FAIR VALUE MEASUREMENTS - CONTINUED**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Common collective trusts	\$ -	\$ 1,597,486	\$ -	\$ 1,597,486

	<u>\$ 491,063</u>	<u>\$ 1,597,486</u>	<u>\$ -</u>	<u>\$ 2,088,549</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Common collective trusts	\$ -	\$ 20,904	\$ -	\$ 20,904
Registered investment companies	<u>1,414,468</u>	<u>-</u>	<u>-</u>	<u>1,414,468</u>
	<u>\$ 1,414,468</u>	<u>\$ 20,904</u>	<u>\$ -</u>	<u>\$ 1,435,372</u>

NOTE 5 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The JP Morgan Stable Asset Income Fund is a separate account that holds units of several JP Morgan short-term bond funds and individual fixed income securities. JP Morgan also negotiated insurance wrap contracts for the portfolio that ensure principal protection. The contract is included in the statements of net assets available for benefits at its contract value.

Certain events, such as premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with JP Morgan Chase Bank, N.A. The Plan Administrator believes the occurrence of such events, which would also limit the Plan's ability to transact at contract value with Plan participants, is not probable.

ID CASTINGS, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain Plan assets are held in trust with Bank of America, N.A. Thus, Bank of America, N.A., as Trustee defined by the Plan, qualifies as a party-in-interest. The Trustee and certain related affiliates collectively provide investment management, participant record-keeping, and administrative services for the Plan. Fees paid by the Plan for these services totaled \$28,962 for 2021.

The Plan also receives certain investment advisory and other professional services from Clearstead Advisors, LLC. This advisor qualifies as a party-in-interest. Fees paid by the Plan for these services totaled \$3,750 for 2021.

The Company, and a related entity, provide certain accounting, record keeping, and administrative services to the Plan, for which they receive no compensation.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA and its related regulations. In the event of Plan termination, participants will become 100% vested in the employer portion of contributions.

NOTE 8 - TAX STATUS

The Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service on June 30, 2020, which stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
