INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator and Plan Trustees of
Pelican State Credit Union Capital Accumulation Plan
Baton Rouge, Louisiana**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Pelican State Credit Union Capital Accumulation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Pelican State Credit Union Capital Accumulation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

To the Plan Administrator and Plan Trustees of
Pelican State Credit Union Capital Accumulation Plan

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Pelican State Credit Union Capital Accumulation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pelican State Credit Union Capital Accumulation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator and Plan Trustees of
Pelican State Credit Union Capital Accumulation Plan

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pelican State Credit Union Capital Accumulation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pelican State Credit Union Capital Accumulation Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

To the Plan Administrator and Plan Trustees of
Pelican State Credit Union Capital Accumulation Plan

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator and Plan Trustees of
Pelican State Credit Union Capital Accumulation Plan

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Pelican State Credit Union Capital Accumulation Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated November 18, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of Pelican State Credit Union Capital Accumulation Plan (the "Plan") provides general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Pelican State Credit Union (the "Credit Union"). The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Coronavirus Aid, Relief and Economic Security Act (CARES) was signed into law on March 27, 2020. The Act consisted of relief in the areas of loans, distributions, and Required Minimum Distributions.

The Setting Every Community Up for Retirement Enhancement (SECURE) Act was signed into law on December 20, 2019, and impacts various areas of Plan; including distributions, Plan administration, Lifetime Income Provisions and encourages Employer-Provided Plans; each area having a different effective date.

The Plan was not amended to include the changes resulting from the implementation of these Acts for the 2021 plan year. Effective January 1, 2022 the Plan was amended to include the provisions of the CARES and SECURE Acts for the 2022 Plan year.

Eligibility and Vesting: Employees become eligible to participate in the Plan on the first day of the month coinciding with or next following two months of employment and attainment of 21 years of age. Participants become eligible on the first day of the following quarter for employer matching contributions and nonelective profit sharing after completing one year of service. Employees excluded from participation in the plan include union employees and certain non-resident aliens.

Participants are immediately vested in their voluntary and rollover contributions, plus actual earnings. Employees will vest in discretionary employer matching and profit sharing contributions based on a six year graded schedule: 0% until completion of 2 years of credited service, 20% after completion of two years, then an additional 20% each year of service completion until attainment of six years of credit service whereby participant will become 100% vested.

Contributions: Employees may elect to make salary deferrals up to 100% of their pre-tax eligible compensation, subject to statutory limits. Participants also may elect to make Roth contributions utilizing after-tax contributions. The Plan includes an automatic deferral feature wherein unless a participant elects otherwise, employee compensation will be reduced by 2% for each payroll period they are an active participant. In addition, the Plan has an auto-escalate feature whereas participants who are auto enrolled will have their deferral increased by one percent each calendar year, up to a maximum 10% deferral. Participants who have attained age 50 before the Plan year end are eligible to make catch-up contributions.

PELICAN STATE CREDIT UNION CAPITAL ACCUMULATION PLAN NOTES TO THE FINANCIAL STATEMENTS
--

The Credit Union may make matching contributions to the Plan equal to a discretionary percentage of the participant's elective deferrals, to be determined by the Credit Union. Additionally, the Credit Union may make a discretionary profit sharing contributions as defined in the Plan. During the year ended December 31, 2021, the Credit Union made matching contributions of 100% of elective deferrals up to a maximum of 5% of compensation and profit sharing matching contributions equal to 5% of compensation to the Plan.

Rollovers from other qualified defined benefit or defined contribution plans are allowed into the Plan. Participants direct the investment contributions into investment options offered by the Plan. Contributions are subject to certain limitations.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Credit Union's contribution and Plan earnings and losses, reduced by distributions and certain plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participant: Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at a rate of 1.00% to 7.50%, which is commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: Payment of Benefits: Upon termination of service due to death, disability, or retirement, benefits are paid either in a lump sum, partial withdrawals of at least \$1,000, in installments or partial installments over a period not more than the participant's or designated beneficiary's assumed life expectancy at the time of distribution or in partial withdrawals or installments but only with respect to minimum required distributions, over a period of not more than the participant's or beneficiary's assumed life expectancies.

Forfeitures: A participant vests in the employer discretionary contributions in accordance with the provisions of the Plan. Forfeitures of non-vested amounts remain in the Plan and may be used to reduce future contributions of the plan sponsor and/or pay administrative expenses. There were approximately zero and \$200 available to be used as of December 31, 2021 and 2020, respectively. Approximately \$102,000 and \$50,000 in forfeitures were used to reduce Credit Union contributions during the years ended December 31, 2021 and 2020, respectively. The Plan also used approximately \$22,000 of forfeitures to reduce administrative expenses for the Plan year ended December 31, 2021.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation: The Plan's financial statements are on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator/Management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

PELICAN STATE CREDIT UNION CAPITAL ACCUMULATION PLAN NOTES TO THE FINANCIAL STATEMENTS
--

Investment Valuation and Income Recognition: Investments are reported at fair. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when paid. Accrued interest on participant loans is immaterial to the Plan financial statements. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Essentially all plan expenses are paid for by the Plan. Certain other expenses of maintaining the Plan are paid directly by the Credit Union and are excluded from these financial statements. Fees related to the administration of notes receivable and distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

The Plan has a revenue sharing expense account whereas income is received in an account based on the performance of the Plan. This income is used to offset Plan administrative expenses. The Plan used approximately \$35,000 of this account as of December 31, 2021 to pay for plan expenses.

Subsequent Events: Credit Union Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available to be issued.

NOTE 3: INVESTMENT CONTRACT

During a portion of the December 31, 2020 Plan year, the Plan held and investment in an investment contract with Transamerica Life Insurance Company. The assets invested under this contract were reported as the Stable Value Fund in the Plan's accounting records as of December 31, 2020, which were considered fully benefit responsive. During the 2020 Plan year, the Plan changed investment platforms with Transamerica and the contract was terminated. There were no penalties as the investment was transferred to another investment in the Transamerica platform. Transamerica maintained the contributions to the account, and the account was credited with actual earnings on the underlying investments and decreased for Plan withdrawals and administrative expenses. There was no balance in the account as of December 31, 2021 and 2020.

NOTE 4: INVESTMENTS - UNAUDITED

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation/loss in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Reliance Trust Company for Transamerica. This information has not been audited by independent public accountants.

NOTE 5: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

The availability of inputs relevant to the asset or liability and the relative reliability of the inputs might affect the selection of appropriate valuation techniques.

Level 1 Inputs

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs

Inputs to the valuation methodology include:

- (a) quoted market prices for similar assets or liabilities in active markets;
- (b) quoted market prices for identical or similar assets or liabilities in inactive markets;
- (c) inputs other than quoted market prices that are observable for the asset or liability;
- (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of December 31, 2021 and 2020:

Mutual funds: Obtained from quoted prices in active markets for assets identical to the securities valued.

Common/collective trusts: The Plan invests in a stable value fund collective trust. The stable value fund is not traded in an active market or exchange. The stable value fund is valued at a daily calculated unit value, which is an observable input, and the participant can view this value. The fund is deemed to have a readily determinable value.

PELICAN STATE CREDIT UNION CAPITAL ACCUMULATION PLAN NOTES TO THE FINANCIAL STATEMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,114,224	\$ -	\$ -	\$ 17,114,224
Common/collective trusts	-	638,446	-	638,446
Total assets at fair value	<u>\$ 17,114,224</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 17,752,670</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,633,389	\$ -	\$ -	\$ 13,633,389
Common/collective trusts	-	584,962	-	584,962
Total assets at fair value	<u>\$ 13,633,389</u>	<u>\$ 584,962</u>	<u>\$ -</u>	<u>\$ 14,218,351</u>

NOTE 6: TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain Plan investments are shares and mutual funds managed by Reliance Trust Company for Transamerica. Reliance Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 7: TAX STATUS

The Internal Revenue Service has determined and informed the Credit Union by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan management believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8: PLAN TERMINATION

Although it has not expressed any intent to do so, Pelican State Credit Union has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investments which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
