INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of
Wheeler Clinic, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Wheeler Clinic, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Wheeler Clinic, Inc. 403(b) Plan

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Wheeler Clinic, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which provides for the payment of benefits upon retirement, death, or total disability to certain eligible employees of Wheeler Clinic, Inc. (the “Company” or “Employer”) or their beneficiaries. All employees are eligible to make elective deferrals into the Plan. Eligible employees who have completed 12 months of service and have attained age 21 are eligible for Company contributions. Employees are eligible to receive Company contributions at the beginning of the following month after they have satisfied the eligibility requirements. Payments to the Plan are made by a salary reduction arrangement under Internal Revenue Code (“IRC”) Section 403(b). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Contributions

Participants may make pretax contributions of their earnings as elective contributions up to the limit prescribed by the Internal Revenue Service (“IRS”), which is \$19,500 for the year ended December 31, 2021.

The Plan also allows for participants who are 50 years old or older to make catch up contributions in the amount of \$6,500, for the year ended December 31, 2021.

Participants can change their contribution percentage or amount at any time and those changes will be effective as soon as administratively feasible. Eligible employees automatically elect to contribute 2% of compensation unless the employee affirmatively directs that no contributions be made or elects a contribution amount other than 2%.

Employer Contributions

For each Plan year, the Company may contribute to the Plan, on behalf of each eligible participant, a contribution equal to a percentage of the eligible participants’ plan compensation, as follows:

<u>Number of vesting years on first day of the Plan year that contains the applicable month</u>	<u>Contribution for the month</u>
Less than 5 vesting years	4% of compensation for the month
At least 5 vesting years but less than 10	5% of compensation for the month
At least 10 vesting years but less than 15	6% of compensation for the month
At least 15 vesting years	7% of compensation for the month

At the discretion of the President and Chief Executive Officer of the Company, an additional contribution may be made for a Plan year, on behalf of each participant who as described above, has at least fifteen vesting years as of the first day of the Plan year and also has employment status with the Company on the last day of the Plan year.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The net earnings or loss of each fund within the Plan, including capital gains or losses whether or not realized, are allocated to individual participant accounts in that fund based on the ratio that the value of each participant's account bears to the value of all accounts in that fund as of the valuation date.

Vesting

Participants are immediately one hundred percent vested in their employee contributions. A vesting year means a plan year in which an individual has been credited with 1,000 hours for which an individual is compensated.

A participant who incurs a severance from employment with the Company prior to normal retirement shall be vested in their Employer contribution account according to this schedule:

Less than two vesting years	0% vesting
At least 2 vesting years	25% vesting
At least 3 vesting years	50% vesting
At least 4 vesting years	75% vesting
At least 5 vesting years	100% vesting

Withdrawals

Withdrawals prior to the age of 59½ are allowed only at termination of employment; on a hardship basis subject to IRS regulations provided that the amount withdrawn upon hardship may not exceed amounts contributed (unadjusted for investment gains/losses); for the purpose of childbirth or adoption; or for the purpose of a participant loan.

Payment of Benefits

Upon a participant's termination, retirement, death or disability, the participant or beneficiary is entitled to receive the value of their vested account balance. Payment of the amount is made in a lump sum, annuity or rollover distribution paid directly to an eligible retirement plan.

Loans to Participants

The Plan allows for loans to participants whose investments are with Mutual of America Life Insurance Company ("Mutual of America") which are secured by the participant's vested account balance that is segregated in the participant's interest accumulation account. Participants may borrow against their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The interest rates on the loans range from 2.70% to 4.35%. Principal and interest are paid directly to Mutual of America in equal periodic payments through salary reduction. If a participant ceases to make loan repayments and the loan is deemed to be in default, the participant loan balance is reduced and a benefit payment is recorded. The amount of Plan assets collateralized by the loans was \$435,416 and \$446,595 as of December 31, 2021 and 2020, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$256,734 and \$348,382, respectively. These accounts are expected to be used to reduce future Employer contributions. For the year ended December 31, 2021, Employer contributions were reduced by \$259,310 from forfeited non-vested accounts.

Coronavirus Aid, Relief, and Economic Security (CARES) Act Special Provisions

On March 27, 2020, the CARES Act was enacted and signed into law, resulting in supplemental plan rules and standards associated with loans and withdrawals by participants impacted by COVID-19. Key changes to the Plan during 2020 Plan year included the following: increased loan limits for participants impacted by COVID-19 (\$100,000 or 50% of participant account balance); provision for COVID-19-related withdrawals up to \$100,000 for participants impacted by COVID-19; suspension of loan repayments due between March 27, 2020 and December 31, 2020 for up to one year for participants impacted by COVID-19; and no minimum distribution requirement in 2020. The Plan has not yet been amended for these provisions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Registered investment companies (mutual funds) are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, which has been measured by quoted market prices in an active market. See Note 3 for discussion of fair value measurements.

The Interest Accumulation Account is included in the financial statements at contract value, which is deemed to be fair value. The Interest Accumulation Account is credited with a contractual rate of return. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value within certain limitations. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The effective annual yield was 0.50% and 1.00% at December 31, 2021 and 2020, respectively.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and, changes therein as well as disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events Measurement Date

The Plan monitored and evaluated subsequent events for footnote disclosures or adjustments required in its financial statements for the year ended December 31, 2021 through October 12, 2022, the date on which financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") *Accounting Standards Codification* ("ASC") 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies (Mutual Funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest Accumulation Account: Credited with a contractual rate of return. Fixed income assets are carried at amortized cost, or contract value, which is deemed to be fair value.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31,:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 43,092,760	\$ -	\$ -	\$ 43,092,760
Interest Accumulation Account	-	-	5,061,226	5,061,226
Total investments, at fair value	<u>\$ 43,092,760</u>	<u>\$ -</u>	<u>\$ 5,061,226</u>	<u>\$ 48,153,986</u>

	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 35,792,809	\$ -	\$ -	\$ 35,792,809
Interest Accumulation Account	-	-	5,081,691	5,081,691
Total investments, at fair value	<u>\$ 35,792,809</u>	<u>\$ -</u>	<u>\$ 5,081,691</u>	<u>\$ 40,874,500</u>

The following table sets forth a summary of changes in the fair value of the Plan’s Level 3 assets for the years ended December 31,:

	2021	2020
Balance, beginning of year	\$ 5,081,691	\$ 4,299,203
Purchases	654,068	1,534,553
Interest income	55,989	66,386
Sales	(730,522)	(818,451)
Balance, end of year	<u>\$ 5,061,226</u>	<u>\$ 5,081,691</u>

NOTE 4 – RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are held by Mutual of America. Mutual of America is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Plan Sponsor pays directly any other fees related to the Plan's operations.

The Plan provides for loans to participants through Mutual of America utilizing the participants' account balances as collateral. These transactions qualify as party-in-interest transactions as defined by ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Employer contributions.

NOTE 6 – TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code ("IRC"). The terms of the Plan have been prepared to conform with sample language provided by the IRS in Revenue Procedures 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for Plan participants under Section 403(b).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities in the near term could materially affect participant's account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 8 – INFORMATION CERTIFIED BY TRUSTEE

The following information related to investments disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Mutual of America.

As of December 31,:

	<u>2021</u>	<u>2020</u>
