INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
SilverCrest Properties 401(k) Profit Sharing Plan
St. Louis Park, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the SilverCrest Properties 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the SilverCrest Properties 401(k) Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

(Continued)

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the SilverCrest Properties 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the SilverCrest Properties 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SilverCrest Properties 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the SilverCrest Properties 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the SilverCrest Properties 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

As of December 31, 2021 and 2020 and
For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the SilverCrest Properties 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General - The Plan is a single-employer defined contribution 401(k) plan, adopted effective January 1, 2005, covering substantially all full-time employees who have one year of service and are age twenty-one or older. An employee enters the Plan the first day of the Plan year quarter coinciding with or next quarter following the date the eligibility requirements are met. The Plan excludes union employees, non-resident aliens, leased employees and reclassified employees.

SilverCrest Properties, LLC (the Employer) is the Plan Sponsor and Plan Administrator. SilverCrest Dining Services Corporation and SilverCare, LLC are participating employers. Transamerica Life Insurance Company (Transamerica) was the custodian and provided recordkeeping services for the Plan. The Plan was amended and restated in 2021 to appoint Minnesota Life Insurance Company custodian. Securian Financial Group, Inc. provides recordkeeping services for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

At December 31, 2021, investments are held in pooled separate accounts. At December 31, 2020, investments were held in pooled separate accounts and Stable Value Core Account.

Contributions - Participants are allowed to make an elective pretax (traditional 401(k)) deferral contribution up to Internal Revenue Service (IRS) limits. Participants are also allowed to make after-tax (Roth 401(k)) deferral contributions up to IRS limits. In addition, participants who have attained the age of 50 are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions). The Employer may make matching discretionary contributions. During 2021, the Employer made matching contributions in an amount equal to 50% of each participant's eligible contributions up to 4% of compensation. Profit sharing contributions are not allowed by the Plan.

As of December 31, 2021 and 2020 and
For the Year Ended December 31, 2021

1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits - On termination of service due to death, disability, retirement, or other reasons, participants may receive the value of the vested interest in their account in partial withdrawals or as a lump sum distribution.

Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) any discretionary match and (b) Plan earnings and increases in the value of investments, net of expenses. Allocations are based on account balances, participant earnings, or specific participant transactions as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - The participant's elective deferral contributions and earnings thereon are always 100% vested. For the Employer contributions and earnings thereon, vesting is based on years of service. A participant is 100% vested after elapsed time rules have been met for five years of service. Notwithstanding the above, a participant's account will be fully vested upon death, disability or reaching age 65.

Notes Receivable from Participants - Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest from 4.25% to 6.25%, which is commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Forfeitures - Forfeitures are used to pay Plan expenses and reduce future employer matching contributions to the Plan. Forfeited non-vested accounts totaled \$1,179 and \$17,330 at December 31, 2021 and 2020. In 2021, administrative expenses of \$6,998 were paid out of forfeitures and forfeitures used to reduce employer contributions were \$8,859.

1. DESCRIPTION OF THE PLAN (Continued)

Investment Options - Participants are allowed to direct the investment of their contributions among the various investment options offered by the Plan. Employer contributions are allocated on the same basis as participant contributions.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates - The preparation of any financial statements in accordance with U.S. generally accepted accounting principles may require management to make estimates that affect amounts reported and disclosed in the financial statements. Actual results could differ from such estimates.

Valuation of Investments and Income Recognition - Investments are reported at fair value, except for the Stable Value Core Account, which is a fully benefit-responsive investment contract reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants - Notes receivable from participants are stated at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment (deemed distribution) is recorded.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses - The Employer pays certain administrative expenses on behalf of the Plan. Expenses that are paid from Plan assets are reflected in the statement of changes in net assets available for benefits.

3. INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIANS

The following information included in the accompanying financial statements was obtained from data that was prepared and certified to as complete and accurate by Transamerica Life Insurance Company and Minnesota Life Insurance Company, the custodians.

	2021	2020
Investments:		
Pooled separate accounts	\$ 5,607,054	\$ 5,132,897
Stable Value Core Account	-	152,900
	<u>\$ 5,607,054</u>	<u>\$ 5,285,797</u>

4. **INCOME TAX STATUS**

The volume submitter plan document adopted by the Plan obtained its latest advisory letter dated June 30, 2020, in which the Internal Revenue Service stated that the volume submitter plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected.

5. **FAIR VALUE MEASUREMENTS**

The fair value measurement accounting literature provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from, or corroborated by, observable market data by correlation or other means; and Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement and have the lowest priority.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

5. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts (PSA's) are comprised of mutual funds held in sub-accounts of an insurance company. The fair value of each pooled separate account is determined using the value per unit, which is based on the value of the underlying mutual fund shares which are actively traded. There are no redemption restrictions or unfunded commitments in the pooled separate accounts.

Because Net Asset Value (NAV) is used as a practical expedient, these investments are not categorized within the fair value hierarchy. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of the pooled separate accounts could result in a different fair value measurement at the reporting date.

6. GROUP ANNUITY CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY

During 2020, the Plan participated in the Transamerica Stable Value Core Account under a group variable annuity contract issued by Transamerica Financial Life Insurance Company (Transamerica). Transamerica was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Transamerica maintained the contributions in its general account. The assets in the general account were supported by the financial stability and strength of Transamerica. However, the Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. Transamerica had received high claims paying ability ratings from the top four financial rating agencies. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

All deposits were credited with the same interest rate which is set semiannually by Transamerica and was .75% and .82% in 2021 and 2020. Interest was credited on a daily basis and there is no set maturity date.

6. **GROUP ANNUITY CONTRACT WITH TRANSAMERICA LIFE INSURANCE COMPANY (Continued)**

This contract met the fully benefit-responsive investment contract criteria and therefore was reported at contract value. Contract value was the relevant measure for fully benefit-responsive investment contracts because this was the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica (the former custodian), represents contributions made under the contract, plus interest credited, less participant withdrawals, and administrative expenses. Participants ordinarily directed the withdrawal or transfer of all or a portion of their investment at contract value.

Although Plan participants were generally able to withdraw assets from the Stable Value investment choice without restrictions, a hold could apply on the Plan's assets in the Stable Value investment choice. If the plan sponsor wished to remove the Transamerica Stable Value investment choice as an option from the Plan, Transamerica may impose a hold for up to a 270-day period on the Stable Value assets at the plan level if the most recently announced upcoming credited rate has increased or has not changed. Additionally, under limited circumstances, Transamerica may impose up to a 12-month delay period on all withdrawal requests from all plan sponsors at the plan level. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Transamerica and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allowed Transamerica to terminate the contract with the Plan and settle at an amount different from contract value. Such events included (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer. The contract was terminated without penalty in 2021 when the Plan changed custodians.

7. **PLAN TERMINATION**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions and all of the assets will be distributed to the participants based upon the balances in their respective accounts.

8. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are shares of pooled separate accounts managed by each custodian and the Stable Value Core Account was issued by the former custodian and, therefore, these transactions qualify as party-in-interest transactions.

The Plan paid Minnesota Life Insurance Company, the custodian of the Plan, \$21,484 during 2021.

The Plan paid Transamerica, the former custodian of the Plan, \$16,858 during 2021.

The Plan's sponsor, SilverCrest Properties, LLC, pays certain administrative expenses of the Plan. These expenses were \$7,200 during 2021.

Notes receivable from participants qualify as party-in-interest transactions.

9. CORONAVIRUS (COVID-19) PANDEMIC

A nationwide public health emergency began developing in 2020. Many states enacted measures to combat the global pandemic resulting from a novel strain of coronavirus known as COVID-19. Measures have included regulatory restrictions on individual and business activities as well as recommendations for further voluntary curtailment of activities. This matter had effects on Plan operations and investment performance, however the extent of the impact of COVID-19 on the Plan will depend on future developments, including the duration and spread of the outbreak and related regulatory orders, all of which are highly uncertain and cannot be predicted at this time.

10. SUBSEQUENT EVENTS

The Plan Document was restated effective January 1, 2022 to comply with IRS regulations.

Management has evaluated subsequent events through October 12, 2022, the date on which the financial statements were available for issue, and identified no further significant events or transactions to disclose.
