Connoisseur Media, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Connoisseur Media, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Connoisseur Media, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of Connoisseur Media, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Connoisseur Media, LLC (Plan Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The annual compensation of each employee taken into account under the Plan shall not exceed the pretax annual compensation up to the maximum dollar limit imposed by the Internal Revenue Service (IRS).

Eligibility: Employees of the Plan may elect to participate in the Plan upon completion of one year of service, which is defined in the Plan document as a consecutive 12-month period during which an employee has at least 1,000 hours of service, the employee has attained the age of 21 and the individual is not: (i) an employee of an affiliated employer, (ii) a common law employee, (iii) a leased employee, (iv) an employee whose employment is governed by the terms of a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining or (v) otherwise deemed ineligible in accordance with the terms of the Plan document.

Contributions: Participating employees may contribute a percentage of pretax annual compensation up to the maximum dollar limit imposed by the IRS. A participant can change their contribution percentage at the beginning of each quarter and may drop to zero contribution at any time. The Plan Sponsor will match a discretionary matching contribution equal to a uniform percentage of a participant's contributions determined each plan year. In 2021 and 2020, the maximum amount of contributions eligible for the match was 25% of participant contributions up to \$3,000 for a maximum of \$750 per participant.

A newly hired employee previously participating in an IRS-approved defined contribution plan of their former employer may transfer their funds from the former plan as rollover contributions to the Plan.

Participant accounts: Each participant's account is credited with the participant's contribution and sponsor's matching contribution. Plan earnings are allocated based on participant account balances, as defined.

Participants' investment options: Participants must direct their salary deferral contributions to one or a combination of 19 investment funds available through the Plan.

Employer matching contributions are invested in the same manner the participant has elected to direct their contributions.

Vesting: Participants are immediately vested in their voluntary and employer contributions plus actual earnings thereon and are not subject to forfeitures for any reason.

Notes receivable from participants: Participants can borrow up to the lesser of an amount that does not exceed 50% of their nonforfeitable account balance or \$50,000. Repayment of principal and interest is made over a period not to exceed five years unless the loan is for the purpose of acquiring a primary residence. Repayments are made through after-tax payroll deductions and are credited only to the accounts of the participant. Interest on loans is accrued at a commercially reasonable rate of interest.

Payment of benefits: Generally, Plan withdrawals may not be made by participants earlier than a participant's: (i) death, disability or other severance of employment, (ii) attainment of age 59½, (iii) proven financial hardship or (iv) as otherwise provided for within the Plan document.

Connoisseur Media, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan (Continued)

When Plan participants terminate for any reason, a lump-sum distribution will be automatically made if the vested interest of the participant's account does not exceed \$5,000. If the participant's vested account balance exceeds \$5,000, the participant may elect to receive a lump-sum distribution.

Participants who make hardship withdrawals are restricted from making additional contributions for the next six-month period following the withdrawal date.

Note 2. Summary of Significant Accounting Policies

The Plan's significant accounting policies are as follows:

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment valuation and income recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative expenses: Audit fees, accounting fees and all reasonable expenses of administration may be paid out of the Plan assets unless paid by the Plan Sponsor.

Benefit payments: Benefit payments are recorded when paid.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash: The Plan maintains its cash balances at Charles Schwab Bank. Cash is insured by the Federal Deposit Insurance Corporation. Balances in these accounts may at times exceed federally insured limits. The Plan has not experienced any losses on these accounts.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Notes to Financial Statements

Note 3. Information Certified by Charles Schwab Bank (Custodian)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets at December 31:

	2021	2020
Investments, at fair value:		
Mutual funds (registered investment companies)	\$ 8,303,664	\$ 7,879,608
Money market fund	783,546	964,633
Cash	24,495	-
Notes receivable from participants	89,364	193,328

Charles Schwab Bank also certified to the completeness and accuracy of \$597,286 of net appreciation in fair value of mutual funds, \$701,172 in interest and dividends on investments and \$10,917 in interest income on notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

FASB Accounting Standards Codification (ASC) Topic 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Note 4. Fair Value Measurements (Continued)

All transfers between fair value hierarchy levels are recognized by the Plan at the end of each reporting period. There were no transfers between Levels 1, 2 and 3 during the year.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual funds (registered investment companies): Fair value is based on unadjusted quoted prices in active markets for identical assets or liabilities.

Money market fund: The carrying amount approximates fair value because the instrument is liquid in nature.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes that its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets that were accounted for at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds (registered investment companies)	\$ 8,303,664	\$ -	\$ -	\$ 8,303,664
Money market fund	783,546	-	-	783,546
Total assets at fair value	\$ 9,087,210	\$ -	\$ -	\$ 9,087,210

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds (registered investment companies)	\$ 7,879,608	\$ -	\$ -	\$ 7,879,608
Money market fund	964,633	-	-	964,633
Total assets at fair value	\$ 8,844,241	\$ -	\$ -	\$ 8,844,241

Note 5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 5. Risks and Uncertainties (Continued)

Impact of coronavirus: On January 30, 2020, the World Health Organization declared the coronavirus outbreak a “Public Health Emergency of International Concern” and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had, and are expected to continue to have, an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Plan operates. While it is unknown how long these conditions will last and what the complete financial effect will be to the Plan, to date, the Plan has not experienced any significant impact on its financial condition. The geographic area in which it conducts operations make it reasonably possible that the Plan is vulnerable to the risk of a near-term impact. The extent to which the coronavirus impacts the Plan’s results will depend upon future developments, which are highly uncertain and cannot be predicted. Accordingly, management cannot presently estimate the overall operational and financial impact to the Plan.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act). The CARES Act and SECURE Act change the Plan to, among other provisions, allow certain eligible individuals to receive coronavirus-related withdrawals, relief for loan payment, suspend required minimum distributions and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Note 6. Tax Status of the Plan

The Plan received its latest determination letter dated May 23, 2011, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan Sponsor’s management evaluated the Plan’s tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustments to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Plan reserves the right at any time to terminate the Plan, in whole or in part. In the event of Plan termination, distribution of the Plan’s assets will be made to the participants and beneficiaries in the order prescribed by ERISA.

Note 8. Exempt Party-in-Interest Transactions

Charles Schwab Bank is the custodian of the Plan, and certain Plan investments are shares of various funds managed by Charles Schwab Bank and, therefore, any transactions between the Plan and Charles Schwab Bank are considered related party transactions.

Note 9. Subsequent Events

The Plan has evaluated subsequent events through September 26, 2022, the date the financial statements were available to be issued.

Effective January 1, 2022, the Plan was amended to incorporate the following changes to allow: (i) Participants to enroll in the Plan on the first of the month after 60 days of active employment and (ii) Participants to change their deferral percentages on a monthly basis.
