Report of Independent Auditors

To the Participants and Plan Administrator of
The Sullivan University System, Inc. 401(k) Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Sullivan University System, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matters, continued

***2021 Supplemental Schedule Required by ERISA* , continued**

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated July 26, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE SULLIVAN UNIVERSITY SYSTEM, INC. 401(K) PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the The Sullivan University System, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution retirement plan covering those employees of The Sullivan University, Inc. (Sullivan) (Employer or Plan Administrator) subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective June 1, 1992 and was restated effective June 1, 2015.

Eligibility

Employees of Sullivan are eligible to participate in the Plan when they have reached age twenty and a half (20 1/2) and who have either completed six consecutive months of employment with at least 500 hours of service or one year of service. The Plan allows entry quarterly.

Contributions

Participants may contribute up to the 85 percent of pre-tax annual compensation as defined in the Plan. Participants who have attained the age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation. This deferral amount increases 1% per year up to a maximum elective deferral of 10% of compensation. Each year the Employer, at its discretion, can contribute to the Plan an amount determined by the Board of Directors as a discretionary contribution. These discretionary contributions equal either a percentage of compensation or a dollar amount as it directly relates to elective deferrals made by eligible participants during the plan year. There were no discretionary contributions to the Plan for the years ended December 31, 2021 and 2020. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution and the Employer's contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. Administrative expenses are charged to each participant’s account when a benefit distribution is processed. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Employer's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are immediately vested in all participant elective contributions, as well as actual earnings on those contributions. Participants are vested in the Employer's nonelective contributions according to the following schedule:

Years of Service	Vesting Percentage
Less than 2	0%
2	20
3	40
4	60
5	80
6 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled $3,252 and $65,851, respectively. These accounts can be used to pay plan expenses, reduce employer contributions or can be reallocated to participants in the same manner as employer contributions. Forfeited non-vested amounts of $64,770 were reallocated to participants for the year ended December 31, 2021.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant will receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum if the account balance does not exceed $5,000. If the vested account balance exceeds $5,000, the participant may request either a single lump sum distribution or regular installments over a fixed period.

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

1. Description of the Plan, continued

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan adoption agreement. All other administrative expenses are paid by the Plan Administrator. Investment related expenses are included in net appreciation in fair value of investments.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 13, 2022, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustee

The Plan's investment information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by PNC Bank, National Association (PNC), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that investment information provided to the Plan Administrator by the trustee is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to investment information in this note and which appears throughout the financial statements and the ERISA-required supplemental schedule.

3. Information Certified and Provided by Trustee, continued

The following table presents the fair value of investments in the Plan that were certified by PNC as of December 31:

	2021	2020
Investments, at fair value		
Collective trust	**$ 397,441**	$ 329,391
Mutual funds	**25,969,800**	23,090,809
Money market	**283,662**	452,028
Total investments	**$ 26,650,903**	$ 23,872,228

PNC also certified to the completeness and accuracy of $1,623,038 of net realized and unrealized appreciation in the fair value of investments and $1,813,005 of interest and dividends related to the investments for the year ended December 31, 2021.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission.

C*ollective trust:* Valued based on the net asset value (NAV) of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The fund provides for daily redemptions by participants. Redemptions by the Plan are subject to a 12 month notice requirement.

Money market: Valued at cost which approximates fair value.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

4. Fair Value Measurements, continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
2021				
Mutual funds	**$ 25,969,800**	**$ -**	**$ -**	**$ 25,969,800**
Money market	**283,662**	**-**	**-**	**283,662**
Total investments in fair value hierarchy	**$ 26,253,462**	**$ -**	**$ -**	**26,253,462**
Investments measured at NAV:				
Collective trust				**397,441**
Total investments at fair value				**$ 26,650,903**
2020				
Mutual funds	$ 23,090,809	$ -	$ -	$ 23,090,809
Money market	452,028	-	-	452,028
Total investments in fair value hierarchy	$ 23,542,837	$ -	$ -	23,542,837
Investments measured at NAV:				
Collective trust				329,391
Total investments at fair value				$ 23,872,228

In accordance with accounting standards, investments that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the Statements of Net Assets Available for Benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

5. Tax Status

The Plan uses a prototype Plan document sponsored by Newport Group Inc. (Newport). Newport received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. As of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

6. Plan Termination

Although it has not expressed any intention to do so, the Plan Administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Related Party and Party-in-Interest Transactions

Fees paid to Newport by the Plan for administrative services amounted to $112,853 for the year ended December 31, 2021. Newport is the Plan's recordkeeper, therefore, these transactions qualify as party-in-interest.

Additionally, indirect fees are paid to Newport based on investment account values. These fees range from 0.04% to 1.12% of the investment account value. These fees are included in the net appreciation of the fair value of investments on the statement of changes in net assets available for benefits.

8. Excess Contributions

Excess contributions refundable are balances due to participants for contributions in excess of the maximum annual limit allowed by the IRS and are recorded as a liability with a corresponding reduction to contributions. The Plan distributes excess contributions to the applicable participants prior to March 15 of the following year.

9. Reconciliation to Form 5500

A reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 is as follows:

	2021
Net assets available for benefits per financial statements	$ 26,617,884
Excess contribution payable	33,019
Net assets per Form 5500	$ 26,650,903

A reconciliation of the net increase in net assets available for benefits per the financial statements to the net income per Form 5500 for the year ended December 31, 2021 is as follows:

Net increase in net assets available for benefits per the financial statements	$ 2,764,881
Excess contribution payable	33,019
Net income per Form 5500	$ 2,797,900
