INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
Paul Miller & Its Affiliates 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Paul Miller & Its Affiliates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Paul Miller & Its Affiliates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Paul Miller & Its Affiliates 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Paul Miller & Its Affiliates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Paul Miller & Its Affiliates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Paul Miller & Its Affiliates 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1. PLAN DESCRIPTION

The following description of the Paul Miller & Its Affiliates 401(k) Plan (the "Plan") is provided for general information purposes. Participants of the Plan should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under section 401(k) of the Internal Revenue Code ("IRC") and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established on January 1, 1997 for the purpose of providing eligible employees of Paul Miller and Its Affiliates (the "Sponsor") and their beneficiaries funds for retirement. The Plan is amended from time to time and was restated as of January 1, 2016.

Transfer In from Another Plan

The Sponsor and James Ott Enterprises, LLC entered into a merger and transfer agreement effective December 31, 2021. As a result, the James Ott Enterprises, LLC 401(k) Plan merged into the Plan effective December 31, 2021 and \$236,592 transferred into the Plan.

Eligibility

The Plan excludes nonresident aliens, union employees, and leased employees. All nonunion employees of the Sponsor who have completed one hour of service are eligible to make elective deferrals. Employees eligible to participate in the Plan may enter on the January 1 or July 1 following or coinciding with the day they complete their eligibility requirements. Eligibility for any employer contributions occurs on the first payroll period following the completion of one year of service, as defined in the Plan agreement.

Employee Contributions

Participants may elect to contribute to the Plan up to 100% of compensation, as defined, subject to the maximum allowed under the IRC (referred to as elective contributions). Participants are fully vested in these funds at all times.

Employer Contributions

The Sponsor may make a discretionary matching contribution or an additional discretionary profit-sharing contribution to the Plan. Matching contributions are allocated based on participant contributions, while profit-sharing contributions are allocated based on participants' salaries. Matching contributions equaled 25% of employee contributions up to 6% of compensation with a maximum of \$1,000 per participant. The Sponsor contributed \$247,988 of employer matching contributions for the year ended December 31, 2021. There was no profit-sharing contribution made for the year ended December 31, 2021.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants automatically vest in their employer contributions upon reaching early or normal retirement age, becoming disabled, or upon death. All other participants vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Paul Miller & Its Affiliates 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting upon completing 1,000 hours of service during the Plan year. With respect to employer contributions, any vested portion of the participant's account shall be forfeited at termination.

Forfeitures

Forfeitures of employer contributions may be used to reduce the Sponsor's contributions or to pay administrative costs. During 2021, the Plan used \$0 of forfeitures to reduce the amount needed to fund the 2021 employer match. The forfeitures available at December 31, 2021 and 2020 were \$79,104 and \$52,455, respectively.

Participant Accounts

Individual accounts are established for each participant. The Plan offers a variety of mutual funds with varying investment objectives as investment options. Each participant's account is credited with the participant's pretax contributions, the Sponsor's contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant's account is reduced by withdrawals, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their account a maximum equal to the lesser of 50% of the participant's vested account or \$50,000. The minimum loan is \$1,000. The loans are secured by the participant's account and bear interest at rates from 4.25% to 6.50% with maturities through 2027. Principal and interest are paid through biweekly payroll deductions.

Payment of Benefits

Upon retirement, termination, death, or disability, vested Plan benefits can be distributed to a participant either in a lump sum distribution or annuity payment. In addition, the Plan provides for participant withdrawals in the event of serious financial hardship.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a settlement-date basis. Net appreciation (depreciation) includes realized and unrealized gains and losses earned during the year.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

Paul Miller & Its Affiliates 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of benefits paid to participants and notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation in fair value of investments and are not readily determinable.

Risks and Uncertainties

The Plan invests in various funds. Those funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain funds, it is at least reasonably possible that changes in the values of the funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

3. PLAN TERMINATION

It is currently the intention of the employer to permanently maintain the Plan. However, the Sponsor reserves the right to terminate the Plan at any time. Upon termination or partial termination, all participants become fully vested in their individual accounts.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for when the determination of fair value requires significant judgement or estimation.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Paul Miller & Its Affiliates 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

The following is a description of the valuation methodology used for the Plan's assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies: Shares of the registered investment companies are valued based on the quoted market prices that are available on an active market and are priced daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021 and 2020:

	2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 35,107,876	\$ -	\$ -	\$ 35,107,876

	2020			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	\$ 30,540,593	\$ -	\$ -	\$ 30,540,593

5. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

Under a trust agreement dated January 1, 1997, Nationwide Financial Services, Inc. was appointed Trustee of the Plan (the "Trustee") and administers the Plan's investment assets together with the income therefrom. These assets are invested in various funds at the discretion of the participants. It is the responsibility of the Trustee to hold and invest these assets in the individual funds.

No auditing procedures were performed by the independent auditors as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the Trustee. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, for the years ended December 31, 2021 and 2020.

The following information as of December 31, 2021 and 2020 and for the year ended December 31, 2021 was prepared from reports certified by the Trustee:

	<u>2021</u>	<u>2020</u>
Investments, at fair value		
Registered investment companies	\$ 35,107,876	\$ 30,540,593
Notes receivable from participants	\$ 64,546	\$ 71,493
Net appreciation in fair value of investments	\$ 3,762,753	
Interest income on notes receivable from participants	\$ 4,581

6. TAX STATUS

The Plan adopted a prototype volume submitter 401(k) plan. By letter dated June 30, 2020, the Internal Revenue Service ("IRS") has stated that the prototype plan and related trust are designed in accordance with applicable sections of the IRC.

The Plan has been amended since receiving this opinion letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the taxing authority; however, there are currently no audits for any tax periods in progress. In addition, there has been no tax related interest or penalties for the periods presented in these financial statements.

7. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by the Trustee, as defined by the Plan, and qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment. The Sponsor pays any other expenses related to the Plan's operations. Notes receivable from participants qualify as exempt party-in-interest transactions.

8. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of October 6, 2022, the date for which the financial statements were available to be released. Based upon this evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.
