Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Anchin, Block & Anchin Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**To the Participants and Plan Administrator of the

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Anchin, Block & Anchin Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Anchin, Block & Anchin Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

**To the Participants and Plan Administrator of the
The Anchin, Block & Anchin Savings Plan**
New York, NY

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Anchin, Block & Anchin Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Anchin, Block & Anchin Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

**To the Participants and Plan Administrator of the
The Anchin, Block & Anchin Savings Plan**
New York, NY

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of The Anchin, Block & Anchin Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 30, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: The Plan and its significant accounting policies:

The following description of The Anchin, Block & Anchin (the Company) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established by the Company on January 1, 1983 to provide benefits to eligible employees. The Plan covers all full-time employees of the Company, other than union and leased employees and non-resident aliens. There are no age and service requirements to participate in the Plan. Plan entry dates are the first day of the quarter after eligibility requirements are met. The Plan is subject to the provisions of ERISA. The Investment Committee is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective April 1, 2021 the Plan was amended and restated through adoption of an Internal Revenue Service pre-approved plan with the same plan administrator.

Basis of accounting - The accompanying financial statements are prepared on the accrual basis of accounting.

Administration - Under the terms of the Plan, Charles Schwab Trust Bank acts as trustee and custodian. The Company has contracted with Sentinel Benefits & Financial Group (Sentinel) to act as recordkeeper. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Also included in administrative expenses are investment related expenses and accounting fees.

Investment valuation and income recognition - Investments of the Plan are held by Charles Schwab Trust Bank and invested based solely upon instructions received from participants. Investments are reported at fair value except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: The Plan and its significant accounting policies: (continued)

Investment valuation and income recognition (continued) - The Plan is invested in a collective investment trust known as the Reliance Trust Company Stable Value Fund Collective Investment Trust, Series 25053 (the "Trust"). The Trust was formed for the purpose of allowing participating plan sponsors who maintain defined contribution plans to invest in MetLife Group Annuity Contract 25033 and MetLife Group Annuity Contract 37000 (collectively the "Contracts") issued by Metropolitan Life Insurance Company (MetLife) to Reliance Trust Company (the "Trustee"), for use as the primary underlying investments for the Trust. The Contracts can be purchased by plan participants through the purchase of Reliance Trust Company Stable Value Fund (the "Fund"). The Contracts are the primary underlying investments for the Fund. The Contracts also invest in separate accounts that are owned by MetLife. The Contracts simulate performance of a guaranteed investment contract through the guarantee of a specific interest rate and a portfolio of financial instruments that are owned by MetLife. The participating plan assets are the unit ownership interests in the contracts. Interest rates are reset quarterly as determined by MetLife. The interest rate may not be less than 0%.

Because the Fund meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Fund. The Fund is presented on the face of the Statement of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by MetLife, represents contributions made to the Fund, plus interest, less participant-initiated withdrawals or transfers. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the Fund issuer or otherwise. The contract value of the Contract as of December 31, 2021 and 2020 was \$7,408,381 and \$7,693,201, respectively.

Certain events limit the Plan's ability to transact at contract value with the Fund. The Contract specifies certain conditions under which distributions from the Fund would be payable at amounts below contract value. Such circumstances include (a) withdrawals initiated as a result of an employer or sponsor initiated event, (b) if a withdrawal is requested due to a complete or partial plan termination before the contract ends, (c) an investment option that constitutes a competing fund available to participants in the Plan or to a new eligible plan established by the sponsor, (d) a withdrawal that is not participant-directed, or (e) the failure of the Trust to qualify for exemption from federal taxes or any required prohibited transaction exemption under ERISA. The contract limits the circumstances under which MetLife may terminate the Contract. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

See Independent Auditor's Report

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: The Plan and its significant accounting policies: (continued)

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. The Plan administrator believes all notes receivable from participants are collectible.

Payment of benefits - Benefits are recorded when paid.

Income taxes - The Internal Revenue Service has determined and informed Sentinel by a letter dated November 30, 2020, that their Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA (Cash or Deferred Arrangement) plan was designed in accordance with applicable sections of the Internal Revenue Code. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require adjustments to or disclosures in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: The Plan and its significant accounting policies: (continued)

Risks and uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan amendments - On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. Effective April 3, 2020, the Plan implemented certain provisions of the CARES Act. The Plan chose to adopt the following temporary provisions: (1) allowing plan sponsors to make Coronavirus-Related Distributions (CRD's) up to \$100,000 beginning on or after January 1, 2020 and before December 31, 2020, (2) allowing plan sponsors to make loans up to the lesser of \$100,000 or 100% of the participant's vested account balance for loans taken by September 23, 2020, (3) allowing loan payments to be suspended until December 31, 2020. Plan management intends to formally amend the Plan in order to reflect these changes.

Note 2: Participation and benefits:

Participant contributions - Participants may elect to have the Company contribute a percentage of their eligible pre-tax compensation up to the amount allowable under current income tax regulations. Participants who elect to have the Company contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Contributions withheld are invested in accordance with the participant's direction. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated fund until changed by the participant. The 6% rate will be automatically increased by 1% annually and capped at a maximum rate of 10%. The Plan also has a Roth 401(k) deferral option. Participants who select this option elect to have the Company contribute a portion of their compensation to the Plan on an after-tax basis, and in return, the deferrals and, in most cases, the earnings on the deferrals, are not subject to federal income taxes upon distribution after the distribution requirements applicable to Roth deferrals are met.

See Independent Auditor's Report

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 2: Participation and benefits: (continued)

Participant contributions (continued) - Participants are allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. The Plan also permits participants who are current employees of the Company to rollover contributions to an In-Plan Roth rollover contribution account as described in the Plan document. All contributions are deposited in the appropriate investment funds in accordance with the participant's direction and the Plan's provisions.

Employer contributions - The Company is allowed to make discretionary matching contributions as defined in the Plan and as approved by the Company. To be eligible for the Company discretionary matching contribution, a participant must complete a year of service as defined by the Plan during the plan year and be employed on the last day of the plan year. In 2021 the Company matched 6.25% of the first 4% of each eligible participant's contribution. If a participant contributed less than 4% of compensation to the Plan, then the Company matched 6.25% of the participant's contribution to the Plan. The Company made matching contributions of \$111,659 for the year ended December 31, 2021.

Participant accounts - Each participant's account is credited with the participant's contributions, Plan earnings or losses, administrative expenses and an allocation of the Company's contribution, if any. Allocation of the Company's matching contributions is based on participant contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their salary deferral and rollover contributions and related earnings. Participants vest ratably and are fully vested in the employer's discretionary matching contributions allocated to their account after six years of credited service. Participants will become fully vested in the Company's discretionary matching contributions upon death or total and permanent disability.

Forfeited accounts - At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$-0- and \$554 respectively. These accounts are used to pay administrative fees and reduce future employer contributions. Forfeitures of \$4,116 were used to pay plan administrative fees for the year ended December 31, 2021.

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 2: Participation and benefits: (continued)

Payment of benefits - Upon termination, the participant or beneficiary will receive the benefits in a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan allows for automatic lump-sum distributions of participant vested account balances which do not exceed \$5,000. If the account balance is \$5,000 or less, the value of the participants' interest in their account will be automatically rolled over to an Individual Retirement Account (IRA), unless the participant makes an election to receive a lump-sum payment. If the participant's account balance exceeds \$5,000, the participant must consent to receive a distribution and may elect to receive an immediate lump-sum payment or rollover into an IRA or to defer payment, as defined by the Plan.

The Plan permits in-service distributions to participants who have reached normal retirement age. It also allows for hardship withdrawals.

Notes receivable from participants - The Plan allows participants to borrow a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate in effect at the time of the note. The loans must be repaid to the Plan within a five-year period unless the loan is used for the purchase of a primary residence. The specific terms and conditions of such loans are established by the Plan administrator. Principal and interest is paid ratably through payroll deductions for employees and reductions of drawings for partners. A participant may have no more than three notes outstanding at any time. Interest rates for loans in place in 2021 were 3.25% - 8.76%.

Note 3: Certified information:

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and dividends for the year ended December 31, 2021, was obtained by management and derived from information supplied to the plan administrator and certified as complete and accurate by Charles Schwab Trust Bank, the trustee/custodian of the Plan.

See Independent Auditor's Report

The Anchin, Block & Anchin Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 4: Fair value measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual funds - valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Note 4: Fair value measurements: (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$86,971,327</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$86,971,327</u>
Total investments at fair value	<u>\$86,971,327</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$86,971,327</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$70,347,137</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$70,347,137</u>
Total investments at fair value	<u>\$70,347,137</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$70,347,137</u>

Note 5: Related party transactions and party in-interest transactions:

Certain Plan investments are shares of mutual funds and cash managed by Schwab Asset Management. Charles Schwab Trust Bank is the trustee of the Plan. Schwab Asset Management and Charles Schwab Trust Bank are affiliates of the Charles Schwab Corporation; the plan pays applicable fees to all of these parties in-interest.

Fees incurred by the Plan for investment advisory services by USI are included in net appreciation in the fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. Also, the Plan paid Goldgrab CPA PLLC for plan audit fees. Additionally, the Plan issues loans to participants, which are secured by the participants' accounts.

All of these party in-interest transactions are exempt from the prohibited transaction rules of ERISA.
