Independent Auditors' Report

To the Board of Directors of
Area Substance Abuse Council Retirement Plan
Cedar Rapids, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of Area Substance Abuse Council Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Area Substance Abuse Council Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Area Substance Abuse Council Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt that Area Substance Abuse Council Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on Area Substance Abuse Council Retirement Plan's internal control. Accordingly, no such opinion is expressed

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Area Substance Abuse Council Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Plan Description

The following description of the Area Substance Abuse Council Retirement Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General - The Area Substance Abuse Council Retirement Plan was established on March 1, 1998. The Plan was amended effective May 1, 2019. The Plan is sponsored by Area Substance Abuse Council, Inc., The Plan’s year ends on December 31. Area Substance Abuse Council (the Employer) established the Plan to provide employees with a systematic means of saving and investing for the future. All eligible employees of the Employer as defined in accordance with the plan document and universal availability standards are eligible to enroll on their date of hire. Employee deferrals begin on the first day of the month subsequent to enrollment. Employer contributions begin on the first day of the month subsequent to six months of service. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Board of Directors is responsible for the oversight of the Plan. The plan administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Directors.

Contributions - Each year, participants may elect to contribute amounts up to the maximum allowed by the Internal Revenue Code (IRC). Participants must fulfill a 6-month period of service in order to become eligible for employee and employer contributions. The Employer makes matching contributions of 50% of the first 6% of compensation that a participant contributes to the Plan. There were no discretionary employer contributions for the years ending December 31, 2021 and 2020. The Plan offers several mutual funds and a fixed annuity investment contract as investment options for the Plan participants.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - Each participant’s account is credited with the participant’s elective contribution and the plan sponsor’s matching contribution, and an allocation of (a) the Employer’s contribution, (b) Plan earnings, and (c) less any applicable expenses. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant’s vested account.

Vesting - Participants are immediately vested in their elective and rollover contributions, plus actual earnings thereon. Vesting in the Employer matching contribution portion of their accounts plus actual earnings thereon are 100% vested after six years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 1 - Plan Description (Continued)

Benefit Payments - Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. Participants will receive their benefits in the form of a lump sum distribution if the vested balance is under \$5,000 as soon as administratively feasible following participant termination. If the participant does not consent to a distribution of the vested account balance, the balance will automatically be rolled over to an IRA provider selected by the Employer. If the account is over \$5,000, the participant will receive the distribution in the form of a lump sum, installment payments, or annuity payments. The Plan allows for in-service distributions if the participant reaches 59 ½, has incurred a hardship, or has reached the Plan's normal retirement age at the time of distribution.

Hardship distributions are permitted from the Plan. Participants must meet certain conditions to qualify for a hardship distribution.

Forfeited Accounts - Forfeitures of nonvested participant accounts are used to reduce administrative expenses or used to offset employer matching contributions. Forfeited nonvested accounts totaled \$1,402 and \$14,997 at December 31, 2021 and 2020, respectively. Forfeited balances of terminated participants' nonvested accounts are distributed equally among all active participants who are receiving matching contributions and who are employed on the last day of the plan year. These accounts will be equally allocated to the employer matching funds portion of each existing employee contract that was in effect on December 31, 2021 and 2020, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value (except fully benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in. Fair value is defined as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Plan Expenses - Certain plan administrative functions are performed by the officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Employer.

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies (Continued)

CARES Act - The CARES Act is an approximately \$2 trillion emergency economic stimulus package in response to the coronavirus outbreak, which among other things contains numerous tax, emergency funding and other provisions that affect certain retirement plan provisions. During the year ended December 31, 2020, the Plan authorized changing distribution and loan administrative provisions as allowed by the CARES Act.

Subsequent Events - The Plan has evaluated subsequent events through June 24, 2022, the date the financial statements were available to be issued.

Note 3 - Certification of Investment Information

The following information has been certified by Lincoln National Life Insurance Company and Lincoln Financial Group Trust Company, Inc., the trustees of the Plan, as of December 31, 2021 and 2020:

		2021	2020
Total investments	\$	3,669,288	3,818,245
Net appreciation in fair value of investments		572,741	489,792
Interest and dividends		107,587	111,796

Note 4 - Fair Value of Investment

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
- quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - input that are derived principally from or corroborated by observable market data by correlation or other means
- If the asset or liability has a specified (contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 4 - Fair Value of Investment (Continued)

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (NAV) of units of the fund held by the Plan based on the fair value of the underlying investments of the fund. NAV is a readily determinable fair value and is the basis for current transactions. Mutual funds do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Description		December 31, 2021	Quoted Prices In Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$	3,625,831	3,625,831	-	-

Description		December 31, 2020	Quoted Prices In Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	\$	3,709,314	3,709,314	-	-

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 5 - Contract with Insurance Company

The Plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln National Life Insurance Company and Lincoln Financial Group Trust Company, Inc. (Lincoln). Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than the guaranteed rate. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule maturity date.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investments guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Plan Termination

Although it has not expressed any intention to do so, the Plan's sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

Note 8 - Plan Tax Status

403(b) plans are not required to receive a favorable determination letter from the IRS indicating that the plan is qualified under Section 403(b) of the IRC and the trust established under the plan is tax exempt under present income tax law. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress.

Note 9 - Party-In-Interest Transactions

The Plan's investments are in the general account of Lincoln National Life Insurance Company and Lincoln Financial Group Trust Company, Inc.'s (Lincoln) mutual funds. Lincoln is the custodian of the Plan's assets and, therefore, the investment transactions qualify as party-in-interest transactions. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 10 - Loans

Participants may borrow from Lincoln National Life Insurance Company and Lincoln Financial Group Trust Company, Inc. (Lincoln) a minimum of \$1,000 and up to the lesser of \$50,000 or 50% of the vested portion of their fund account. These loans are direct loans between the participant and Lincoln, the trustee, and as such, they are not treated as a transfer from the investment funds to a participant loan fund. However, 100% of the loan is collateralized by the participant's account and this portion of their account is transferred at the time of the loan and maintained to the Lincoln Guaranteed Group Fixed Annuity Contract within the participants' account. Loans must be repaid by the participant in five years unless the proceeds are used to acquire a primary residence, in which case the loan may be repaid at a longer term. The loans bear interest at a reasonable rate determined by Lincoln. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan.

AREA SUBSTANCE ABUSE COUNCIL RETIREMENT PLAN
Notes to Financial Statements
December 31, 2021 and 2020

Note 10 - Loans (Continued)

Outstanding loans between plan participants and Lincoln totaled \$0 and \$2,515 as of December 31, 2021 and 2020, respectively, and were collateralized by approximately the same amount of investments included in the statements of net assets available for benefits.

Because the insurance company of the Plan has entered into loan transactions directly with participants using their account balances as collateral for the loans, these transactions appear to violate certain provisions of ERISA and thereby would constitute a nonexempt transaction. The Department of Labor is currently analyzing these types of transactions to determine how they should be reported and expects to issue reporting guidance. No guidance has been issued as of the date of this report. The effect of this matter is unknown at this time and has not been reflected in the accompanying financial statements and supplemental schedules.
