INDEPENDENT AUDITORS' REPORT

Investment Committee and Participants OM Partners 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of OM Partners 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

2021 Supplemental Schedule Required by ERISA (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

2020 Financial Statements

The statement of net assets available for benefits for the year ended December 31, 2020 was compiled by us; we did not audit or review the statement and, accordingly, do not express an opinion on the 2020 financial statements.

DECEMBER 31, 2021 AND 2020**

NOTE 1 - DESCRIPTION OF PLAN

The following is a brief description of the OM Partners 401(k) Plan (the "Plan"). It is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

(a) General

The Plan, established on January 1, 2016 was amended and restated effective January 1, 2022, is a defined contribution plan covering eligible employees of OM Partners USA, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan continues to operate under all of the same terms and conditions.

(b) Contributions

Employees are eligible to participate in the Plan immediately upon hire. The Plan provides for participant-elective pre-tax and roth deferral contributions, employer-matching contributions and employer-discretionary contributions. Plan participants may elect to defer a percentage of their annual compensation subject to certain limitations.

The Company operates under a safe harbor provision whereby participants in the Plan receive matching contributions equal to 100% of each participant's elective deferrals that do not exceed 3% of the participant's compensation plus 50% of each participant's elective deferrals between 3% and 5% of the participant's compensation. Additional amounts may be contributed of discretionary matching and/or non-elective employer contributions. There were no additional discretionary or non-elective employer contributions to the Plan by the Company in 2021.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, employer safe harbor matching contributions, allocations of the Company's employer-discretionary and non-elective contributions and earnings (losses) thereon, less an allocation of administrative expenses. Allocations for employer-discretionary and non-elective contributions, if applicable, are allocated to each participant based on that participant's annual compensation relative to the annual compensation of all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(d) Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions, plus actual earnings thereon.

The Company's discretionary and non-elective contributions to the participant's accounts become 20% vested after two years of service and 20% vested for each year of service thereafter until the participant is 100% vested.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(e) Forfeitures

Forfeitures of terminated participants' non-vested accounts can be used to reduce the future non-elective and discretionary matching contributions of the Company. The balance of forfeited accounts was not significant at December 31, 2021 and 2020 (unaudited).

(f) Investment Options

Participants are able to direct their contributions and any related earnings into various investment options provided by Matrix Trust Company ("Matrix"), the custodian of the Plan (See Note 3). Investment options include a selection of money market, equity and fixed income mutual funds. Participants may change their investment options on a daily basis.

(g) Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Notes receivable are subject to specific rules provided in the Plan agreement. The notes are secured by the vested balance in the participant's account and bear interest at rates determined by the Plan administrator. Interest rate was 4.25% for notes receivable outstanding at December 31, 2021. Principal and interest is paid ratably through regular participant payroll deductions over a period not to exceed five years, unless the loans were used to purchase a primary residence in which case the loan terms may not exceed thirty years.

(h) Payment of Benefits

Under the terms of the Plan, participants are entitled to receive the vested portion of their account balance at normal or early retirement age, retirement due to permanent disability or termination of employment. Withdrawals from the Plan may also be made upon circumstances of financial hardship or attainment of age 59.5. The participant, or the participant's designated beneficiary, will receive the value of his accumulated Plan benefits in a lump-sum distribution.

(i) Plan Expenses

Certain Plan expenses are paid by the Plan as determined by the service agreement. Investment related expenses are included in net appreciation of the fair value of investments.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

(a) Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board ("FASB"). The FASB sets accounting principles generally accepted in the United States of America ("GAAP").

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

(b) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales are recorded on a trade date basis. Interest income from investments is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(d) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

At December 31, 2021 and 2020 (unaudited), four investments represented approximately 53% of the Plan's total investments.

(e) Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020 (unaudited). If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

(f) Payment of Benefits

Benefit payments to participants are recorded upon distribution.

(g) Subsequent Events

Management has evaluated subsequent events through the date of this report, which is the date the financial statements were available to be issued.

NOTE 3 - INVESTMENTS (Unaudited)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix, the certifying entity, has provided certification that the financial information included in the financial statements and supplemental schedule as of December 31, 2021 and for the year then ended provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2021, and for the year then ended is covered by such certification and has not been audited by independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020 (unaudited).

Mutual Funds

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value ("NAV") as of December 31, 2021 and 2020 (unaudited). It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares sold.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trust

The Reliance Metlife Series is a common collective trust fund that is valued at the NAV based on the last reported sales price of the underlying investments held. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust fund, the investment adviser reserves the right to temporarily delay withdrawal from the fund in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table set forth by level within the fair value hierarchy the Plan investment assets and investment liabilities at fair value, as of December 31:

	<u>2021</u>			<u>NAV (*)</u>	<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>		
Mutual Funds	\$ 4,441,800	\$ -	\$ -	\$ -	\$ 4,441,800

	<u>2020 (Unaudited)</u>			<u>NAV (*)</u>	<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>		
Mutual Funds	\$ 2,892,045	\$ -	\$ -	\$ -	\$ 2,892,045

Total Fair Value Investments	<u>\$ 2,892,045</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 547,050</u>	<u>\$ 3,439,095</u>

(*) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will become 100% percent vested in their accounts which then become non-forfeitable and accrue investment earnings until benefits are paid in accordance with the terms of the Plan.

NOTE 6 - RELATED PARTIES AND PARTY IN INTEREST TRANSACTIONS

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. These parties include investment advisory, recordkeeping and accounting services.

Certain Plan investments were managed by Matrix. Matrix is the custodian of the Plan and therefore these transactions qualified as party-in-interest. Notes receivable from participants were also defined by ERISA as party-in-interest transactions.

NOTE 7 - INCOME TAX STATUS

The Plan adopted the Volume Submitter Defined Contribution Plan sponsored by FIS Business Systems LLC, which received an opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, stating the Prototype Plan was designed in accordance with the provision of the Internal Revenue Code ("IRC"). Accordingly, the trust's net investment income is exempt from income taxes. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.
