You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☐ Yes ☒ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **Independent Auditors' Report**

The Plan Administrator  
Sidley Austin LLP Savings and Investment Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements*

We have performed an audit of the financial statements of Sidley Austin LLP Savings and Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion on the 2021 Financial Statements*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the 2021 Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the 2021 Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAVINGS AND INVESTMENT PLAN**

Notes to Financial Statements

December 31, 2021 and 2020

**(1) Description of Plan**

**(a) General**

The Sidley Austin LLP Savings and Investment Plan (the Plan) is a defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). A brief description of the Plan is provided for general informational purposes only. Participants should refer to the plan document for more complete information.

**(b) Administration**

The Plan is administered by Sidley Austin LLP, an Illinois limited liability partnership (the Plan Administrator). The Executive Committee of Sidley Austin LLP and its affiliated partnerships (the Firm and Plan Sponsor) have appointed a number of Firm attorneys to the Retirement Plans Committee (the Committee) to carry out the administrative duties of the Plan.

**(c) Trustees**

The assets held in the Firm-Directed Portfolio (an investment option; see note 3) under the Plan are held by The Northern Trust Company, as custodian and trustee. All other assets of the Plan are held by Charles Schwab Bank, as custodian and trustee.

**(d) Eligibility and Vesting**

*Voluntary Contributions*

Each employee or partner of the Firm who renders services at an office located in the United States or is a citizen of the United States and each partner who is covered by a United States permanent resident visa is eligible to participate in the Plan. In addition, any partner who is a citizen of Germany residing in Germany and performing services primarily at a Sidley office in Germany, is eligible to participate in the Plan.

Participants are fully vested in their contributions upon participation in the Plan.

*Mandatory Contributions*

Except as set forth in the following sentence, each partner of the Firm and certain employees designated by the Firm are eligible to participate in this feature of the Plan. With the exception of partners who are citizens of Germany residing in Germany and performing services at a Sidley office in Germany, the Plan provides that any partner who renders services at an office outside of the United States and is neither a citizen of the United States nor covered by a United States permanent resident visa is not eligible to participate in this feature.

The Firm contributes to the accounts of the Plan participants. Participants are vested in the full amount credited to their mandatory contribution accounts upon the earliest of (1) three years of service with the Firm, (2) separation from service after attainment of age 65 or (3) death while a partner or employee of the Firm. All years of service are taken into account in determining whether a participant is vested.

**(e) Participant Accounts**

Each participant's account is credited with contributions and an allocation of Plan earnings (losses) based upon the investment funds in which the participant's account is invested. The benefit from the Plan to which a participant is entitled is the participant's vested account balance.

**(f) Funding**

*Voluntary Contributions*

The Plan is funded by before-tax and Roth after-tax salary deferral contributions and rollover contributions from participants. Salary deferral contributions may be from 1% to 75% of a participant's gross compensation (excluding any taxable fringe benefits) up to applicable Internal Revenue Service (IRS) limits. Participants who will be age 50 or older at year-end may elect to make additional salary deferral "catch-up" contributions. The Firm does not make matching contributions on behalf of the participants.

New participants are automatically enrolled to make elective deferrals to the Plan at a 6% before-tax contribution rate unless the participant opts out of automatic enrollment or elects a different contribution rate. New partner participants are further automatically enrolled to make elective deferrals to the Plan on a before-tax basis at the IRS maximum for that year.

*Mandatory Contributions*

The Firm's annual contribution on behalf of each participant for 2021 is an amount equal to a percentage, as determined by the Firm, of the participant's gross compensation for the calendar year.

**(g) Benefit Payments**

*Voluntary Contributions*

A participant may elect that his or her account balance be distributed in a lump sum as of any valuation date following his or her separation from service. A participant may elect to have minimum required distributions made following the calendar year in which the participant attains age 72 or separates from service, if later.

If a separated participant's account balance does not exceed \$5,000 and no portion of the account is held in a brokerage account or invested in the Firm-Directed Portfolio Option, the account balance will be distributed in a lump sum as soon as practicable following the participant's separation from service.

If a participant dies before distribution of the account balance, distribution of the account will be made to the beneficiary (or beneficiaries). If an entire account balance under the Plan exceeds \$5,000 at the time of death, a beneficiary must receive the distribution within five years of death; however, if the spouse is the sole, primary beneficiary, the spouse may defer the distribution until the end of the calendar year during which the participant would have reached age 72, if later. Distributions to beneficiaries are generally made as lump sum payments; however, if the spouse is the sole, primary beneficiary, he/she

may elect to receive annual required minimum distributions (RMDs) (in lieu of a lump sum payment) from the participant's voluntary account source(s) under the Plan.

A participant who is still a partner or employee at age 59½ may elect to withdraw certain eligible amounts from his or her account as of any valuation date. A partner or employee participant who has not attained age 59½ may withdraw certain eligible amounts from his or her account only if he or she demonstrates "financial hardship" (as defined by the plan document). If a participant has a Brown & Wood LLP (B&W) after-tax account (attributable to after-tax amounts transferred from a Brown & Wood LLP plan), the participant may withdraw amounts from such account at any time. If a participant has either a pre-tax or Roth rollover balance in the Plan, the participant may withdraw such amounts at any time.

Non-partner participants who do not opt out in time and become automatically enrolled in the Plan may, for up to 60 days after the first automatic contribution is deducted from their pay, request that the Plan distribute all of their prior automatic contributions (including any earnings or losses).

***Mandatory Contributions***

A separated participant's vested interest in his or her mandatory employer contribution account may be distributed upon the participant's attainment of age 55. The Plan provides for the payment of such account balances to the participant's spouse or other beneficiary (designated with the written consent of the participant's spouse) in the event of the participant's death. The benefit will be distributed in a lump sum payment.

**(h) Forfeitures**

Amounts forfeited during a calendar year may be used the following year to pay Plan expenses or reduce the contribution payable under the Plan.

**(i) Participant Loans**

Loans are not permitted by the Plan.

**(j) Termination of the Plan**

Termination of the Plan is at the discretion of the Firm and is subject to the provisions of ERISA. In the event of termination of the Plan, the accounts of all participants become fully vested and shall be distributed to the participants entitled to receive such accounts. Any remaining assets of the trusts shall be distributed to participants ratably in proportion to the balances of their respective accounts.

Presently, there is no intention on the part of the Firm to terminate the Plan.

**(k) Plan Amendments**

On December 30, 2020 the Plan was amended by the Eighth Amendment to increase the date for commencing required minimum distributions of the voluntary and rollover accounts from age 70-1/2 to age 72 for those individuals who attain age 70-1/2 after December 31, 2019.

On March 1, 2021, the Plan was amended by the Ninth Amendment to allow for Participants and surviving spouses to elect to receive their required minimum distributions in equal monthly installments, in addition to the ability to elect to receive their required minimum distributions in an annual installment payment.

**(2) Significant Accounting Policies**

***(a) Basis of Presentation***

The amounts in the accompanying financial statements are presented on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

***(b) Valuation of Investments***

All investments are stated at fair value except for the Plan's investment in the Fixed Income Fund (see note 4 for further information). Plan assets utilizing Level 1 inputs (discussed further in note 3) include cash, common stock, registered investment companies, common/collective trust, and personal choice retirement accounts. Fair values were determined by using quoted prices for identical investments from the market exchanges.

Certain investments' estimated fair value is based on net asset value as a practical expedient (discussed further in note 3). These investments include hedge funds, private equity funds and other assets. The fair values of these funds may, due to the inherent uncertainty of valuation for alternative investments, differ significantly from the values that would have been used had a ready market for the alternative investments existed, and the differences could be material. These investments are described further below:

Hedge funds: Hedged strategies involve funds whose managers have the authority to invest in various asset classes at their discretion, including the ability to invest long and short. Hedge funds generally hold securities or other financial instruments for which a ready market exists and may include stocks, bonds, put or call options, swaps, currency hedges and other instruments. In some instances, due to the complexity of the instruments and the transactions involved, a ready market may not exist. Investments in hedge funds are valued using reported net asset values as a practical expedient as of December 31, 2021 and 2020. See note 3 for lock-up provisions of the hedge funds.

Private equity funds: Plan assets are invested in limited partnership interests in various private equity funds. Private equity funds are primarily invested in buyout and venture capital strategies, investments in turn around/distressed situations, and real asset strategies that generally hold public or private real estate, natural resources equities, commodities and oil and gas investments. The private equity funds are valued using fair values per the partnership financial reports to determine net asset value as a practical expedient as of December 31, 2021 and 2020. No provision generally exists for the redemption of these interests by these funds until the end of the term thereof, typically ranging between 10 and 15 years from the date of inception.

SAVINGS AND INVESTMENT PLAN**

Plan Number 100

Notes to Financial Statements

December 31, 2021 and 2020

Other assets: Other assets consists primarily of commingled partnerships and limited liability companies investing in domestic and international publicly traded securities. The other assets are valued using reported net asset values as a practical expedient as of December 31, 2021 and 2020 and are redeemable either daily or monthly with required notification of 30 days or less.

**(c) *Risks and Uncertainties***

The Plan provides for investments that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits

**(d) *Realized and Unrealized Gains or Losses and Income Recognition***

At the time investments mature or are sold, the difference between the value at the time of purchase and the proceeds is recorded as a realized gain or loss. The unrealized gain or loss during a financial statement period on investments held represents the change in fair value of the securities from the beginning of the year or date the securities were purchased, if later, to the end of the year. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned and dividends are recorded on the ex-dividend date.

**(e) *Benefit Payments***

Benefit payments are recorded when paid.

**(f) *Administrative Expenses***

Administrative expenses relating to trustee, recordkeeping, and audit fees are paid by the Firm to the extent not paid using forfeitures, as described in note 1(h). Certain transactional fees, brokerage account fees and investment advice fees are paid by the participant or deducted from the participant's account.

**(g) *Use of Estimates***

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income, contributions, withdrawals, and expenses during the reporting period. Actual results could differ from those estimates.

**(3) Master Trust Investment Accounts**

The Plan's investments are held in two separate Master Trust Investment Accounts. All Plan investments except for the Firm-Directed Portfolio are held in the Sidley Austin LLP Directed Master Trust for Certain Defined Contribution Plans (the Defined Contribution Trust), which is held by Charles Schwab Bank. The Firm-Directed Portfolio is a master trust investment account in the Sidley Austin Master Pension Trust, which is held by The Northern Trust Company. The Defined Contribution Trust and the Firm-Directed Portfolio (collectively, the Master Trust Investment Accounts) were established for the investment of assets of the Plan, and several other Firm-sponsored retirement plans. The Plan's interest in the net assets of the Defined Contribution Trust is determined based on contribution and investment elections made by the participants within the Plan less actual benefit payments and administrative expenses. The Plan's interest in the net assets of the Firm-Directed Portfolio is determined based on net transfers by participants to the Firm-Directed Portfolio and gains (losses) attributable to those transfers.

Total value of the assets of the Defined Contribution Trust and the Plan's divided interest in the Defined Contribution Trust, excluding the Fixed Income Fund, as of December 31, 2021 and 2020 is as follows:

The Firm-Directed Portfolio's investment income is allocated to participating plans based on each plans' percentage ownership of the Firm-Directed Portfolio on the date the income was earned.

FASB Accounting Standards Codification Topic 820 (ASC 820) defines fair value as the exchange price that would be received for an asset or liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants and establishes a hierarchical disclosure framework that ranks valuation techniques based on the observability of inputs. Investments measured and reported at fair value under ASC 820 are classified based on the valuation techniques used and disclosed in one of the following categories:

- Level 1 – Investments with quoted prices in active markets for identical investments that the reporting entity has the ability to access as of the measurement date.
- Level 2 – Investments valued with inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, as of the measurement date.
- Level 3 – Investments valued with inputs that are unobservable for the investments and includes situations where there is little, if any, market activity for the investments.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The above classifications were made based on the structure of the funds that comprise each investment category rather than the contents of those funds. Cash, which includes cash and cash equivalents, is maintained principally in a money market fund.

The hedge funds have various lock-up provisions applicable to investors therein ranging from monthly to every three years. As of December 31, 2021 and 2020, the Firm had the ability to partially redeem, on at least a quarterly basis, from funds representing approximately 66% and 63%, respectively, of the aggregate fair value of the hedge funds as reflected in the above table as of such date.

The Firm-Directed Portfolio has committed amounts to private equity funds that are unfunded as of December 31, 2021 and 2020. These unfunded amounts may or may not be required to be funded by the underlying private equity funds over the life of the funds. As of December 31, 2021, approximately \$105 million of commitments to private equity funds are unfunded.

The Plan does not maintain any investments measured at fair value on a nonrecurring basis as of December 31, 2021.

**(4) Fully Benefit-Responsive Investment Contracts**

The Fixed Income Fund (the Fund), one of the investment options in the Defined Contribution Trust, primarily invests in security-backed contracts that are fully benefit-responsive investment contracts.

The security-backed contracts in the Fund are investment contracts issued by an insurance company, backed either by a portfolio of bonds that are owned by the Fund (in the case of the American General Life Insurance Company contract (AG Contract), the Prudential Life Insurance Company of America contract (Prudential Contract) and the Transamerica Life Insurance Company contract (Transamerica Contract)), by an insurance separate account (in the case of Metropolitan Life Insurance Company (MetLife Contract)), or by a pooled separate account containing primarily government mortgage-backed securities and treasuries (in the case of the Voya Insurance and Annuity Co. contract (Voya Contract)). Note that the Voya Contract was terminated

on July 1, 2020, in an effort to move away from mortgage backed securities and to adjust average duration. As of that date, all Voya assets were transferred to Transamerica. The portfolios underlying the security-backed contracts are maintained separately from the contract issuer's general account assets. The interest crediting rate of the security-backed contracts are based on the contract value, fair value, duration, and yield to maturity of the underlying portfolio. The security-backed contracts typically provide for realized and unrealized gains and losses on the underlying assets to be amortized, usually over the duration of the underlying investments, through adjustments to the future interest crediting rate, rather than reflected immediately in the net asset value of the Fund. The issuer guarantees that all qualified participant withdrawals will be at contract value.

The security-backed contracts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses, subject to the ordering provisions contained in the contracts. The Voya Contract interest crediting rate is reset semi-annually and the AG Contract, MetLife Contract, Prudential Contract, and Transamerica Contract interest crediting rates are reset quarterly. The primary variables impacting the future crediting rates of the security-backed contracts include the current yield and duration of the assets underlying the contracts and the existing difference between the fair value and contract value of the assets within the contracts. The interest crediting rate cannot be less than 0%.

Contract value is the relevant measurement of fully benefit-responsive investment contracts because contract value is the amount participants receive if they initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the issuers, represents contributions made under the contract, plus earnings/(losses), less participant withdrawals, and administrative expenses. To the extent permitted by the Plan, participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The following tables set forth the allocation of assets of the Fund to participating plans and the Fund's investments at contract value as of December 31, 2021 and 2020:

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events, which are dependent upon the contract with the issuer, may include the following: (1) amendments to the plan document including complete or partial plan termination, (2) inclusion of competing funds to the Plan's investment options or deletion of equity wash provisions, and (3) Plan Sponsor initiated events such as advising fund participants to redeem their fund holdings, significant restructuring of operations, or large scale layoffs. The Plan Administrator is not aware of any existing circumstances that could reasonably cause it to believe that distributions from the contracts would be payable at amounts other than contract value. The Plan is not required to and does not maintain any reserves against contract value for credit risk of the issuers or otherwise.

Security-backed contracts generally are evergreen contracts that contain termination provisions, allowing the Fund or the contract issuer to terminate with notice, at any time at fair value, and providing for automatic termination of the contract if the contract value or the fair value of the underlying portfolio equals zero. The issuer is obligated to pay the excess contract value when the fair value of the underlying portfolio equals zero. In addition, if the Fund defaults on its obligations under the security-backed contract, and such default is not corrected within the time permitted by the contract, then the contract may be terminated by the issuer and the Fund will receive the fair value as of the date of termination.

**(5) Tax Status**

By letter dated August 15, 2014, the IRS notified the Plan Administrator that the terms of the Plan, as amended through such date, satisfy the requirements imposed on qualified plans by Section 401(a) of the Internal Revenue Code. The Plan has been amended since such determination. The Plan Administrator has no reason to believe that the terms of the Plan are not in compliance with the requirements imposed on qualified plans by Section 401(a) of the Internal Revenue Code. Pursuant to Section 501(a) of the Internal Revenue Code, a plan that is described in Section 401(a) is exempt from federal tax.

Notes to Financial Statements

December 31, 2021 and 2020

U.S. generally accepted accounting principles require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator does not believe that there is any material tax liability associated with any open tax years.

**(6) Information Certified by Charles Schwab Bank and The Northern Trust Company**

The following information included in the financial statements was provided and certified by the Plan's trustees as complete and accurate:

- Investment in Defined Contribution Trust and Investment in Firm-Directed Portfolio, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Net investment income from Master Trust Investment Accounts, as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.
- Certain information in note 3.
- Allocation of assets of the Fixed Income Fund to participating plans in note 4.

**(7) Related-Party Transactions and Party-in-Interest Transactions**

A portion of Plan assets are invested in money market funds affiliated with the Plan's trustees.

**(8) Subsequent Events**

On March 15, 2022, the Fixed Income Fund was replaced with the Vanguard Retirement Savings Trust III, a stable value pooled fund. As part of the fund change, all participant balances under the Fixed Income Fund were transferred to the Vanguard fund.

The Plan Administrator has evaluated events from the Statement of Net Assets Available for Benefits date through October 13, 2022, the date at which the financial statements were available to be issued, and determined no events occurred which would require an adjustment or additional disclosure to the financial statements.
