Woodward Design + Build, LLC
401(k) Profit Sharing Plan
New Orleans, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Woodward Design + Build, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Woodward Design + Build, LLC 401(k)'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Woodward Design + Build, LLC 401(k) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodward Design + Build, LLC 401(k)'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Woodward Design + Build, LLC 401(k)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Woodward Design + Build, LLC 401(k)'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9 which was certified by Principal Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustee as of and for the year ended December 31, 2020, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Income Act of 1974.

WOODWARD DESIGN + BUILD, LLC
401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN:

The following description of the Woodward Design + Build, LLC 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Federal Employer Identification Number for the Plan is 72-0355450. The employer has assigned Plan Identification Number 002 to this Plan.

General:

The Plan was adopted effective January 1, 1994. Effective January 1, 2016, Woodward Interest, LLC, a related employer, joined the 401(k) Profit Sharing Plan. The amended and restated sections of the Plan became effective January 1, 2016. The amended Plan is a single-employer plan controlled by management of a controlled group of corporations, and Woodward Design + Build, LLC is the plan sponsor. Both employers, Woodward Interest, LLC and Woodward Design + Build, LLC contribute to the Plan.

The Plan was restated effective January 1, 2017 for the adoption of a prototype savings plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The current Plan qualifies under the provisions of Section 401(k) of the Internal Revenue Code; accordingly, the Plan is not liable for taxes on its income. The Plan’s assets are held by Principal Trust Company as trustee for the years ended December 31, 2021 and 2020. Administrative and recordkeeping services were performed by Principal Trust Company for the years ended December 31, 2021 and 2020. The Board of Trustees oversees the governance of the Plan.

Eligibility:

The Plan has no age, service, or other eligibility requirements. Employees become eligible to participate in the Plan on the first day of each month of the Plan year.

Contributions:

Salary deferral contributions may be made by each participant who elects to defer a percentage, up to 100% of each year’s compensation, subject to the limitations prescribed by law. The limitations include a dollar maximum amount which was \$20,500 and \$19,500 for 2021 and 2020, respectively. Those participants who are age 50 or older by the end of the calendar year were eligible to make a catch up contribution of up to \$6,500 and \$6,500 for 2021 and 2020, respectively. Each year the employer may elect to make a discretionary matching contribution. In 2021 and 2020, the matching contribution was 100% of the participant’s elective deferral up to 3% of the participant’s compensation. The participants are entitled to the matching

contribution as long as they make a pretax employee contribution. Participants direct the investment of the contributions into certain mutual funds offered by the Trustee through the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocations of the Employer's matching contribution, Plan earnings and losses, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Each participant is 100% vested in 401(k) elective deferral contributions, employer matching contributions, qualified non-elective contributions, rollover contributions from previous qualified plans, and past employee contributions, plus any earnings thereon the contributions. Participants have a right to a percentage of their accounts resulting from all other contributions, such as employer discretionary contributions, based upon years of vesting service. For all other contributions the participant is vested in 20% increments per year after two years of vesting service and is 100% vested after six years of vesting service.

Payment of Benefits:

Upon termination of service due to death, disability, or retirement, or any other reason, the participant can elect to receive a lump-sum amount equal to or less than the participant's vested interest in his or her account.

The normal retirement age under the Plan is 65. Early retirement is permitted when the participant attains age 55 and six years of vested service. Disability retirement benefits are also allowed under the Plan. The Plan provides mandatory distribution of a participant's vested account balance if the balance is \$5,000 or less following severance from employment.

In-service distributions are permitted under the Plan for all or any portion of their vested accounts for employees at least the age of 59 ½ or for hardship only. No other in-service distributions are allowed.

Notes Receivable from Participants (participant loans):

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Loans are available for any purpose provided that loans bear interest at rates of 4% to 7.00%, are adequately secured, provide for repayment over a period of time generally not to exceed five years, and certain other terms and conditions. Principal and interest are paid ratably through weekly payroll deductions. The notes are secured by the balance in the participant's account.

Forfeited Accounts:

The Plan does not have forfeitures or unallocated assets due to 100% vesting by each participant in their employer contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Participant Loans:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are classified as distributions based on the terms of the Plan document.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value as determined by the employers as of December 31, 2021 and 2020, except for the fully-benefit responsive investment contract (collective investment trust), which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Contract value is the relevant measure for that portion of the net assets available for benefits of a

defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 4 for a discussion of contract value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits:

Benefits are recorded when paid.

Expenses:

All operating expense of the Plan are paid by the Company and are therefore excluded from these financial statements.

3. FAIR VALUE MEASUREMENTS:

The Plan's mutual funds and pooled separate account are reported at fair value in the accompanying statements of net assets available for benefits, as defined by Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*. ASC 820 establishes a framework for measuring fair value in generally accepted accounting principles and expands disclosures regarding fair value measurements. ASC 820 also established a fair value hierarchy which prioritizes valuation inputs into three broad levels as follows:

Level 1: Inputs that reflect quoted prices in active markets for identical assets.

Level 2: Inputs other than quoted prices included within Level 1 that are observable, either directly or indirectly.

Level 3: Inputs that are unobservable and significant to the fair value measurement.

The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS: (Continued)

Level 1 Fair Value Measurements

The fair value of mutual funds are based on quoted net asset values of the shares held by the Plan at year end.

Level 2 Fair Value Measurements

The fair value of the pooled separate account is measured by the net asset value of the pooled separate account, which is based on the fair value of the underlying assets of the account using observable level 2 quoted pricing inputs. The net asset value of the pooled separate account is not publicly quoted, but is available to current investors via the Employer website or when plan participants access their account values. The net asset value is the basis for current transactions and the pooled separate account can be redeemed at net asset value as of the measurement date, thus the pooled separate account is considered to have a “readily determinable fair value.”

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2021 and 2020:

		Fair Value Measurements at the End of the Report Period Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

3. FAIR VALUE MEASUREMENTS: (Continued)

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

4. STABLE VALUE COLLECTIVE INVESTMENT TRUST:

The Principal Stable Value Core Z Class (the "Fund") is a collective investment trust maintained by Principal Global Investors Trust Company. The Fund is not a deposit, obligation, guaranteed or insured by Principal Global Investor Trust Company or any affiliate, and is not insured by the Federal Deposit Insurance Corporation (FDIC) or any other federal or state government agency. Neither the Fund nor the offering of the Units has been registered under the U.S. securities laws. Therefore, investors will not have the benefit of the protections for registered securities afforded by the Securities and Exchange Commission ("SEC").

The Fund primarily consists of a diversified portfolio of Stable Value Investment Contracts (Investment Contracts) issued by life insurance companies, banks and other financial institutions, the performance of which may be predicated on underlying fixed income investments. The principal value of these assets is designed to remain stable regardless of stock and bond market fluctuations. The Fund is typically appropriate for investors who desire low volatility, stable principal value, and returns commensurate with a capital preservation objective for a component of their retirement savings. The Fund is designed for long-term retirement investing.

Because the stable value collective investment trust meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the stable value collective investment trust. The stable value collective investment trust is presented on the statement of net assets available for benefits at contract value. The collective investment trust's contract value as of December 31, 2021 and 2020 was \$1,084,526 and \$1,261,665, respectively. The Fund contract yielded interest at 1.61% and 2.01% for the years ended December 31, 2021 and 2020, respectively.

5. TAX STATUS:

The Plan is a prototype plan sponsored by Principal Life Insurance Company, which has obtained a favorable tax determination letter from the Internal Revenue Service. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax-exempt. The Plan's Annual Return/Report of Employee Benefit Plan (Form 5500) for 2021, 2020, and 2019 are subject to examination by the IRS, generally for three years after they are filed.

6. PARTY-IN-INTEREST TRANSACTIONS:

Certain investments in the Plan include shares in a pooled separate account and in a stable value collective investment trust managed separately by agents of the trustee; therefore, these transactions qualify as party-in-interest transactions. The following presents investments and related income or loss derived from these transactions:

	<u>Contract Value</u>	<u>Earnings</u>	<u>Contract Value</u>	<u>Earnings</u>

7. PLAN ADMINISTRATION EXPENSES:

During the years ended December 31, 2021 and 2020, the Plan incurred administration expenses totaling \$77,155 and \$58,197, respectively, which were paid by Plan participants. Administration expenses paid by the employer were \$10,000 and \$10,000 for the years ended December 31, 2021 and 2020, respectively. Certain administrative functions are performed by employees of the Plan sponsor. No such employee receives compensation from the Plan.

8. RISKS AND UNCERTAINTIES:

The Plan provides for various investment options in cash equivalents and mutual funds. Investments in mutual funds represent a significant portion of the net assets available for Plan benefits. Such investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
