INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the ***Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Administrative Committee
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of the ***Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan*** (the "Plan"), as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Trustee as of December 31, 2020 that the information provided to the Plan Administrator by the Trustee is complete and accurate.

To the Administrative Committee
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the *Department of Labor's Rules and Regulations for Reporting and Disclosure*, under the Employee Retirement Income Security Act of 1974.

Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, effective January 1, 1998, is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code, includes 401(k) salary reduction provisions and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to enable employees of the Sault Tribe of Chippewa Indians (the "Tribe") to accumulate capital for retirement.

Eligibility

Upon completion of service of at least 1,000 hours within one year and upon reaching the age of 18, an employee becomes eligible to participate in the Plan. Eligible employees may become participants on the first day of each quarter following the date on which eligibility requirements are met. All employees are eligible with the exception of members of the Tribe's Board of Directors.

Contributions

The Plan permits participants to make both pretax and certain after tax (Roth) deferral contributions. Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Tribe may make a discretionary matching employer contribution in amounts determined by the Tribe based upon a percentage of elective participant eligible compensation. The Plan adopted an amendment to increase the employer contribution rate from 1% to 4% of elective participant eligible compensation with an effective date of July 1, 2021. The discretionary employer match amounted to 100% of the 1% of elective participant eligible compensation for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants' investments.

Vesting

Participants are immediately vested in their contributions and employer discretionary contributions plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS - Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the greater of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate determined when applying for the loan. A maximum of one loan outstanding is permitted. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive the value of the vested interest in his or her account in either a lump-sum amount or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may also elect this if he or she incurs a financial hardship as defined by the Plan.

CARES Act

Effective March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") brings immediate changes and relief to 401(k) plans including: 1.) Distribution right of \$100,000 from the plan (not to exceed the participant's account balance) through December 31, 2020 that is subject to special tax relief. 2.) Increase in the loan limit under Code section 72(9) from \$50,000 to \$100,000 (or 100% of the participant's account balances, if less) for loans made from March 27, 2020 through September 22, 2020. 3.) Suspension of loan payment due March 27, 2020 through December 31, 2020 for up to one year. 4.) Suspension of 2020 required minimum distributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value determined primarily by quoted market prices. Shares of mutual funds are valued at quoted market prices which represents the net asset value of shares held by the Plan. See Note C for discussion of fair value measurements.

Appreciation or depreciation of investments represents the change in the difference between aggregate fair value and aggregate cost of investments, including investments purchased, sold and held during the year.

NOTES TO FINANCIAL STATEMENTS - Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Valuation of Notes Receivable from Participants

Notes receivable from participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

Participant loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due.

In the event of a default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable and will be treated as a taxable distribution from the Plan if not repaid (or rolled over) within 60 days.

The Plan uses a direct charge off approach to defaulted loans.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Tribe has evaluated subsequent events and transactions for potential recognition and disclosure through October 12, 2022, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE OF FINANCIAL INSTRUMENTS

FASB ASC 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

NOTES TO FINANCIAL STATEMENTS - Continued

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 41,286,931</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,286,931</u>
Investments at fair value	<u>\$ 41,286,931</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,286,931</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 37,916,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 37,916,914</u>
Investments at fair value	<u>\$ 37,916,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 37,916,914</u>

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Tribe and certain others. Fees paid by the Plan for investment management services amounted to \$158,739 and \$136,355 for the years ended December 31, 2021 and 2020, respectively. Fees paid to mutual fund managers, the amounts of which are unknown, are netted against investment income. Professional fees for the administration and audit of the Plan were paid by the Tribe.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Tribe has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Plan obtained its latest determination letter in March 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

All tax positions taken by the Plan have been assessed to have a near 100% likelihood of being sustained upon their ultimate settlement in the event they are examined by taxing authorities and, therefore, there are no unrecognized tax benefits. The tax years that remain subject to examination by the Internal Revenue Service are 2018 - 2020.

NOTE G - TERMINATED PARTICIPANTS

Included in net assets available for benefits are amounts allocated to individuals who have withdrawn from the Plan. The amount allocated to these participants was \$6,370,161 and \$4,910,960 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS - Continued

NOTE H - NET ASSETS RECONCILIATION

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:

Net assets - Form 5500	\$42,793,586
Corrective distributions payable	<u>(37,918)</u>
Net assets - audited financial statements	<u>\$42,755,668</u>
 Change in net assets - Form 5500	 \$ 3,291,923
Corrective distribution paid in 2022	<u>(37,918)</u>
 Change in net assets - audited financial statements	 <u>\$ 3,254,005</u>

NOTE I - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the *Department of Labor Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, the Trustee has certified that the information listed below is complete and accurate as of December 31:

	<u>2021</u>	<u>2020</u>
Statements of Net Assets Available for Benefits		
Investments	\$ 41,286,931	\$ 37,916,914

Net (depreciation) appreciation of investments	(214,038)	3,148,045
Interest and dividends	4,744,345	1,174,516

All information disclosed in Note C.

All information in the supplemental schedule.

The Plan's independent certified public accountants did not perform auditing procedures with respect to information certified by the Trustee, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE J - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the ***Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan*** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Administrative Committee
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits of the ***Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan*** (the "Plan"), as of December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the *Department of Labor's Rules and Regulations for Reporting and Disclosure* under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Fidelity Management Trust Company, the Trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Trustee as of December 31, 2020 that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the *Department of Labor's Rules and Regulations for Reporting and Disclosure*, under the Employee Retirement Income Security Act of 1974.

Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A - DESCRIPTION OF PLAN

The following description of the Sault Ste. Marie Tribe of Chippewa Indians 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, effective January 1, 1998, is a defined contribution profit sharing plan under Section 401(a) of the Internal Revenue Code, includes 401(k) salary reduction provisions and is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was established to enable employees of the Sault Tribe of Chippewa Indians (the "Tribe") to accumulate capital for retirement.

Eligibility

Upon completion of service of at least 1,000 hours within one year and upon reaching the age of 18, an employee becomes eligible to participate in the Plan. Eligible employees may become participants on the first day of each quarter following the date on which eligibility requirements are met. All employees are eligible with the exception of members of the Tribe's Board of Directors.

Contributions

The Plan permits participants to make both pretax and certain after tax (Roth) deferral contributions. Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, not to exceed the limits of the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Tribe may make a discretionary matching employer contribution in amounts determined by the Tribe based upon a percentage of elective participant eligible compensation. The Plan adopted an amendment to increase the employer contribution rate from 1% to 4% of elective participant eligible compensation with an effective date of July 1, 2021. The discretionary employer match amounted to 100% of the 1% of elective participant eligible compensation for the year ended December 31, 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund options for participants' investments.

Vesting

Participants are immediately vested in their contributions and employer discretionary contributions plus actual earnings thereon.

NOTES TO FINANCIAL STATEMENTS - Continued

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the greater of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate determined when applying for the loan. A maximum of one loan outstanding is permitted. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive the value of the vested interest in his or her account in either a lump-sum amount or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant may also elect this if he or she incurs a financial hardship as defined by the Plan.

CARES Act

Effective March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") brings immediate changes and relief to 401(k) plans including: 1.) Distribution right of \$100,000 from the plan (not to exceed the participant's account balance) through December 31, 2020 that is subject to special tax relief. 2.) Increase in the loan limit under Code section 72(9) from \$50,000 to \$100,000 (or 100% of the participant's account balances, if less) for loans made from March 27, 2020 through September 22, 2020. 3.) Suspension of loan payment due March 27, 2020 through December 31, 2020 for up to one year. 4.) Suspension of 2020 required minimum distributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value determined primarily by quoted market prices. Shares of mutual funds are valued at quoted market prices which represents the net asset value of shares held by the Plan. See Note C for discussion of fair value measurements.

Appreciation or depreciation of investments represents the change in the difference between aggregate fair value and aggregate cost of investments, including investments purchased, sold and held during the year.

NOTES TO FINANCIAL STATEMENTS - Continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Valuation of Notes Receivable from Participants

Notes receivable from participant loans are measured at their unpaid principal balance plus any accrued but unpaid interest.

Participant loans are considered in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due.

In the event of a default, death, disability or termination of employment, the entire outstanding principal and accrued interest shall be immediately due and payable and will be treated as a taxable distribution from the Plan if not repaid (or rolled over) within 60 days.

The Plan uses a direct charge off approach to defaulted loans.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Tribe has evaluated subsequent events and transactions for potential recognition and disclosure through October 12, 2022, the date the financial statements were available to be issued.

NOTE C - FAIR VALUE OF FINANCIAL INSTRUMENTS

FASB ASC 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

NOTES TO FINANCIAL STATEMENTS - Continued

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 41,286,931</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,286,931</u>
Investments at fair value	<u>\$ 41,286,931</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 41,286,931</u>

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 37,916,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 37,916,914</u>
Investments at fair value	<u>\$ 37,916,914</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 37,916,914</u>

NOTE D - PARTY-IN-INTEREST TRANSACTIONS

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Tribe and certain others. Fees paid by the Plan for investment management services amounted to \$158,739 and \$136,355 for the years ended December 31, 2021 and 2020, respectively. Fees paid to mutual fund managers, the amounts of which are unknown, are netted against investment income. Professional fees for the administration and audit of the Plan were paid by the Tribe.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Tribe has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F - TAX STATUS

The Plan obtained its latest determination letter in March 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

All tax positions taken by the Plan have been assessed to have a near 100% likelihood of being sustained upon their ultimate settlement in the event they are examined by taxing authorities and, therefore, there are no unrecognized tax benefits. The tax years that remain subject to examination by the Internal Revenue Service are 2018 - 2020.

NOTE G - TERMINATED PARTICIPANTS

Included in net assets available for benefits are amounts allocated to individuals who have withdrawn from the Plan. The amount allocated to these participants was \$6,370,161 and \$4,910,960 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS - Continued

NOTE H - NET ASSETS RECONCILIATION

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Form 5500 at December 31, 2021:

Net assets - Form 5500	\$42,793,586
Corrective distributions payable	<u>(37,918)</u>
Net assets - audited financial statements	<u>\$42,755,668</u>
Change in net assets - Form 5500	\$ 3,291,923
Corrective distribution paid in 2022	<u>(37,918)</u>
Change in net assets - audited financial statements	<u>\$ 3,254,005</u>

NOTE I - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the *Department of Labor Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, the Trustee has certified that the information listed below is complete and accurate as of December 31:

	<u>2021</u>	<u>2020</u>
Statements of Net Assets Available for Benefits		
Investments	\$ 41,286,931	\$ 37,916,914
Notes receivable from participants	1,355,195	1,546,337
Accrued interest receivable	2,299	2,410
Statements of Changes in Net Assets Available for Benefits		
Net (depreciation) appreciation of investments	(214,038)	3,148,045
Interest and dividends	4,744,345	1,174,516

All information disclosed in Note C.

All information in the supplemental schedule.

The Plan's independent certified public accountants did not perform auditing procedures with respect to information certified by the Trustee, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE J - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
