INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The Providence Community Health Centers, Inc. Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Providence Community Health Centers, Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Plan Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Plan Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
The Providence Community Health Centers, Inc. Retirement Plan:

We were engaged to audit the accompanying Statement of Net Assets Available for Plan Benefits of The Providence Community Health Centers, Inc. Retirement Plan (the Plan) as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 7, which was certified by TD Ameritrade Trust Company, Matrix Trust Company and Metropolitan Life Insurance Company, the custodians of the Plan, except for comparing the information with the related information included in the financial statement.

We have been informed by the Plan Administrator that TD Ameritrade Trust Company held certain investments of the Plan and executed transactions for the period January 1, 2020 through April 30, 2020, Matrix Trust Company held certain investments of the Plan and executed investment transactions from May 1, 2020 through December 31, 2020, and Metropolitan Life Insurance Company held certain investments of the Plan and executed transactions for the period January 1, 2020 through December 31, 2020. The Plan Administrator has obtained certifications from the custodians as of December 31, 2020, that the information provided to the Plan Administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of the Plan

The following description of The Providence Community Health Centers, Inc. Retirement Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a combination annuity contract plan and custodial account plan under Internal Revenue Code (IRC) Section 403(b). All employees of The Providence Community Health Centers, Inc. (the Plan Sponsor) are eligible to participate in the salary reduction contribution feature of the Plan. Participants who have completed six months of service are eligible for the Plan Sponsor matching contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan Sponsor is also the administrator of the Plan. As administrator, the Plan Sponsor has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Three employees of the Plan Sponsor serve as trustees to the Plan. Matrix Trust Company (Matrix) and Metropolitan Life Insurance Company (MetLife) are the appointed custodians of the Plan, and act at the direction of the Plan Sponsor. New England Pension Plan Systems, LLC (NEPP) serves as record keeper and investment educator for the Plan.

Contributions

Participants may elect to contribute pretax annual compensation, not to exceed annual limitations as provided by the IRC. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan has an automatic enrollment provision, wherein unless the participant elects otherwise, they are deemed to have elected to make an automatic pre-tax contribution of 1% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified plans (rollover contributions).

The Plan Sponsor will contribute to the Plan an amount that is equivalent to 100% of an eligible employees' elective deferral up to 5%, 6%, 7% or 8% of each participant's eligible compensation for participants with vesting years of service of 1 through 25 years, 25 through 30 years, 30 through 35 years, and 35 years or more, respectively.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's contribution, and their allocation of Plan earnings (losses) and any expenses incurred. Allocations are based on compensation or individual participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in participant and Plan Sponsor contributions and actual earnings thereon.

Participant Notes Receivable

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note receivable transactions are treated as a transfer to (from) the investment fund from (to) the participants' note fund. Note terms can range up to 30 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%, determined at the note's inception. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On retirement, death, disability or termination of service, a participant (or participant's beneficiary in the event of death) receives a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. If a participant has reached age 59½, distributions of amounts in the employee deferral account may be made, at the participant's election, without requiring the participant to terminate employment. Participants, by written request to the Plan Sponsor, may request a financial hardship withdrawal from their employee deferral accounts.

Investment Options

Participants may direct their contributions in percentage increments into a series of mutual funds or a guaranteed investment contract. Participants may change their investment options at any time.

2. Summary of Accounting Policies

Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value, except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). Contract value represents investments at cost plus accrued interest income less amounts withdrawn to pay benefits and fees. The Plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Fully Benefit-responsive Investment Contracts

Authoritative guidance defines the circumstances in which an investment contract is considered fully benefit-responsive and provides certain reporting and disclosure requirements for fully benefit-responsive investment contracts held by defined contribution, health and welfare and pension plans.

The Plan has an investment in the MetLife Stable Value Fund, which meets this requirement. The Plan's investment in this fund, which represents contributions and reinvested interest income, less withdrawals and expenses, plus or minus net participant-directed transfer activity with the Plan's other investment funds, is recorded at contract value.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest and are secured by the balance in the respective participant's account. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on the terms of the Plan Document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Contributions

Participant and Plan Sponsor matching contributions are recorded weekly when the Plan Sponsor remits the payroll deductions for investment into the funds. A Plan Sponsor matching true-up contribution is made annually.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan Sponsor unless the Plan Sponsor directs that such expenses shall be paid by the Plan. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Certain investment management fees are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

Risk and Uncertainties

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that such changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Financial Instruments with a Concentration of Credit Risk

The Plan's investments are held by two custodians. The Plan's exposure to credit risk is associated with the outside entities' non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements with the custodians. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

Subsequent Events

Management has evaluated subsequent events through October 12, 2022, which is the date these financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

3. Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Cash: The carrying amount of cash is deemed to be a reasonable estimate of fair value.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2021 and 2020, the Plan's investments in mutual funds and cash are reported at level 1 within the fair value hierarchy.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

4. Fully Benefit-responsive Investment Contract

The Plan's investment in the MetLife Stable Value Fund, a group annuity contract, is a fully benefit-responsive group annuity contract. This fully benefit-responsive guaranteed investment contract provides preservation of principal, maintains a stable interest rate, and provides daily liquidity at contract value for participant withdrawals and transfer in accordance with the provisions of the Plan. The fund is credited with participant contributions and earnings on the underlying investment and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

MetLife group annuity contracts that invest in fixed income investments credit interest to the contract at a rate that is guaranteed for a stated period of time. The percentage rate and the period over which it will be credited are disclosed prior to the rate's effective date per the terms of the contract. The minimum crediting interest rate under the contract was 1.25% and 2.75%, for 2021 and 2020, respectively. Certain fees may be charged if the contract is terminated. If the group annuity contract were to be terminated at the Plan level, the balance of the account would be paid out in 10 installments over 9 years. Alternately, the Plan would have the option to receive a lump sum payment equal to the present value of the 10 installments.

The guarantees of values provided for investments made with MetLife under the Plan's contract are based on the financial strength and claims paying ability of MetLife. As described in Note 2, because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attributable for that portion of the net assets available for the benefits attributable to the group annuity contract.

5. Plan Termination

The Plan Sponsor expects to continue the Plan indefinitely. However, the Plan Sponsor reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

6. Income Tax Status

Final regulations under Section 403(b) were published by the Internal Revenue Service (IRS) on July 26, 2007. Under the regulations, a 403(b) plan sponsor by December 31, 2009 must have adopted a written plan intended to satisfy the requirements of Section 403(b) and the regulations effective as of January 1, 2009. The Plan Sponsor adopted a written plan effective January 1, 2009, which it believes satisfies the written plan requirement. While the IRS does not intend to establish a determination letter program for individually designed 403(b) plans, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

7. Summary of Financial Data Certified by the Custodians

The following is a summary of financial information and data certified by the custodians, Matrix and MetLife:

Statements of Net Assets Available for Plan Benefits at December 31, 2021 and 2020, except for contributions receivable;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2021; and

Investment information provided in the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2021.

8. Differences from Form 5500

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

THE PROVIDENCE COMMUNITY HEALTH CENTERS, INC. RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2021 and 2020

9. Related Party Transactions and Party-in-Interest Transactions

Plan investments are held and managed by Matrix and MetLife, the custodians of the Plan. Additionally, NEPP provides recordkeeping, administrative and investment education services to the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for custodial, recordkeeping, administrative and investment education services amounted to \$367,760 for the year ended December 31, 2021. Participant notes receivable also qualify as party-in-interest transactions. In addition, three employees serve as trustees of the Plan.
