Independent Auditor's Report

RSM US LLP

Plan Participants and Plan Administrator
Abel-Womack Employee Appreciation Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Abel-Womack Employee Appreciation Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of schedule h, line 4(i)—schedule of assets (held at end of year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1. Description of Plan

The following description of the Abel-Womack Employee Appreciation Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution retirement plan originally established by Abel-Womack, Inc. (the Company or the Plan Sponsor) on January 1, 1989. The Plan covers all eligible employees of the Company. Empower Retirement Services (Empower) serves as the trustee of the Plan and the Company administers the Plan. The Plan is subject to the provisions of the Internal Revenue Code of 1986, as amended (the Code) and the Employee Retirement Income Security Act of 1974 (ERISA).

The plan was amended on February 10, 2020, to remove restrictions on hardship withdrawals including the requirement to first obtain a loan and the requirement to suspend deferrals for six months after the distribution.

On March 11, 2020, the World Health Organization declared COVID-19 a pandemic. The pandemic and resulting global disruptions caused significant economic uncertainty and volatility in financial markets. As a result, in March 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted and changes have been made to some of the Plan's provisions.

Eligibility: The Plan covers employees of the Company who have attained the age of 18 and have completed three months of service. Upon meeting the eligibility requirements, an employee is automatically enrolled into the Plan at a 6% deferral rate on the next entry date, which is the first day of the month following the date on which such requirements are satisfied.

Participant contributions: Each year, participants may contribute a portion of pretax annual compensation, as defined in the Plan and subject to the maximum tax deferred contribution allowed under the Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Employer matching contributions: The Plan provides that the Company may contribute a matching portion to eligible employees, equal to a percentage of participant contributions. For the year ended December 31, 2021, the Company's discretionary matching contribution was 25% of the first 6% of base compensation, as defined by the Plan. Employer matching contributions are subject to certain limitations under the Code.

Rollovers: With the approval of the Company, participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers) provided that the receipt of such amounts does not adversely affect the qualified tax status of the Plan. Participants are fully vested in these amounts.

Participant accounts: Each participant's account is credited with the participant's contribution, the employer's matching contribution and an allocation of plan earnings. Each participant who receives a contribution has a separate individual investment account. Gains and losses of the account shall accrue to such account only. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Note 1. Description of Plan (Continued)

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested in the Company's employer matching contributions plus actual earnings thereon based on years of continuous service as follows:

	<u>Vested Percentage</u>
Years of service:	
Less than 3	0%
3	100%

Forfeitures: Forfeitures represent the non-vested portion of terminated participants' account balances. Forfeitures are applied first to reduce expenses related to the administration of the Plan and then toward any employer matching contributions. For the year ended December 31, 2021, the Company used \$3,035 to reduce Company matching contributions. During 2021, forfeitures and dividend income totaled \$8,343. As of December 31, 2021 and 2020, there were \$17,345 and \$12,127 of unallocated forfeited non-vested accounts, respectively. Accumulated forfeitures will be applied to pay expenses or reduce the employer contribution in 2022.

Investment options: Upon enrollment in the Plan, participants must direct their contributions into selected investment options as made available and determined by the person who is responsible for the management of the plan (Plan Administrator). The Plan allows investments in various pooled separate accounts, and a guaranteed investment contract. Participants may change their investment options daily.

Notes receivable from participants: Notes receivable to participants are made in accordance with provisions in the Plan. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at prime rate plus 1% as determined by the Plan Administrator, which was between 4.25% and 6.50% on loans outstanding at December 31, 2021, and mature through 2041. Loan terms range up to five years, except for loans used to acquire a participant's principal residence which may extend up to 20 years. Principal and interest is paid ratably through payroll deductions at least quarterly.

Under the CARES Act, temporary increases in the maximum loan limits were allowed for participant loans made from March 27, 2020, through September 22, 2020, whereby qualified individuals could take loans for the lesser of \$100,000 or 100% of the participant's vested benefit.

Payment of benefits: Upon termination of service due to death, disability, retirement or other reasons, a participant may elect to receive a lump-sum, partial withdrawal, or installment distribution amount up to the value of the vested interest in their account. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59½. If the vested balance of a terminated participant is greater than \$5,000, the participant (or beneficiary) must give written consent before the distribution can be made and if the vested balance is less, a lump-sum distribution is made as soon as administratively feasible.

The changes to the Plan due to the CARES Act included qualifying participants, as defined within the CARES Act, being allowed to withdraw under a coronavirus related distribution (CRD) up to the lesser of 100% of their vested account balance or \$100,000 between January 1, 2020 and December 31, 2020. CRDs are also exempt from the 10% early distribution penalty and mandatory federal withholding, but are still subject to federal income taxation, which may be paid ratably over a three-year period. Participants that do take a CRD can also repay the distribution to the Plan within the three-year period and would not be subject to federal income taxation.

Note 1. Description of Plan (Continued)

Additionally, the CARES Act temporarily waived the requirement for participants taking required minimum distributions during 2020

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant loans are charged directly to the participant's account and are included in administrative expenses. The remaining administrative expenses of the Plan are paid by the use of forfeitures or Plan assets. Investment related expenses are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Fair value measurements: The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability; either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability.

Abel-Womack Employee Appreciation Savings Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts: Unit value is calculated based on the net assets of the underlying pool of securities which value their investment securities at fair value. The separate accounts are valued daily based on the net asset value (NAV) of shares of the underlying funds. The Plan had no specific intentions to sell investments at amounts other than NAV. These investments can be redeemed on a daily basis and have no lockup or funding commitments.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with that of other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Investment valuation and income recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are paid by participants from their plan assets and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the plan document.

Payment of benefits: Benefits are recorded when paid.

Income taxes: U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan, and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

Note 3. Information Certified or Provided by Empower Retirement Services (Trustee)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Empower Retirement Services (Empower), the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certification from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	2021	2020
Investments:		
Pooled separate accounts, at fair value	\$ 26,742,235	\$ 21,372,614
Guaranteed interest account, at contract value	4,258,596	5,377,259
	<u>\$ 31,000,831</u>	<u>\$ 26,749,873</u>
Notes receivable from participants	<u>\$ 651,115</u>	<u>\$ 548,396</u>

Empower also certified to the completeness and accuracy of net appreciation of \$4,100,531 in fair value of investments, \$73,410 of interest and dividends related to the aforementioned investments, and \$30,630 of interest related to notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

		Assets at Fair Value as of December 31, 2021			
		Level 1	Level 2	Level 3	Total
Investments at fair value:					
Other investments measured at net asset value (a)		\$ -	\$ -	\$ -	\$ 26,742,235
Total investments at fair value		<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 26,742,235</u>
		Assets at Fair Value as of December 31, 2020			
		Level 1	Level 2	Level 3	Total
Investments at fair value:

Total investments at fair value		<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,372,614</u>

- (a) In accordance with the Fair Value Measurements topic, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

- (a) Investment vehicles in this category seek the highest total return over time consistent with an emphasis on both capital growth and income. Invests primarily in common stocks of companies in the U.S. and foreign securities.
- (b) Investment vehicles in this category seek to achieve as high a total return over time as is considered with prudent investment risk, preservation of capital and recognition of the fund's stated asset allocation. Invests primarily in securities of "mid cap" and "large cap" companies.
- (c) Investment vehicles in this category seek to achieve a high total rate of return consistent with prudent investment risk and the preservation of capital. Invests primarily in a diversified portfolio of investment grade fixed income securities, inflation-indexed bonds, high yield debt, and other income producing securities.
- (d) Investment vehicles in this category seeks growth from capital appreciation. Under normal circumstances, the fund invests at least 80% of its assets in equity securities of mid cap companies. "Assets" means net assets, plus the amount of borrowings for investment purposes. Mid cap companies are companies with market capitalization equal to those within the universe of the Russell Midcap Value Index and/or between \$1 billion and \$20 billion at the time of purchase.

Note 5. Investment Contract

The Plan holds an evergreen investment contract with Empower. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of the Empower evergreen guaranteed investment contract as of December 31, 2021 and 2020, was \$4,258,596 and \$5,377,259, respectively.

The evergreen investment contract held by the Plan is a guaranteed investment contract with no maturity date. Empower is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Empower but may not be less than 0%. The crediting rate is reviewed semi-annually for resetting. For the plan years ended December 31, 2021 and 2020, the average yield earned by the plan and average interest rate credited to participants was 1.52% and 2.12%, respectively.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on Empower's ability to meet its financial obligations. Empower's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Empower. Such events include the following: (1) the Plan Sponsor provides effective communication to Empower that the agreement will be fully or partially terminated within no earlier than 30 days after communication is provided, (2) the Internal Revenue Service (IRS) determines that the Plan no longer meets the requirements of Code section 401(a), 403(a), 414(d), 414(e), or any other applicable section of the Code provision, (3) there is a termination or partial plan termination of the Plan, (4) the Plan Sponsor breaches a provision of the agreement and (5) Empower provides effective communication to the Plan Sponsor that the agreement will be terminated as of a date at least 90 days after the communication is provided. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with Empower and that would also limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract.

Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation and (4) a material amendment to the agreements without the consent of the issuer.

Note 6. Tax Status

The Plan received an opinion letter from the IRS dated May 11, 2009, stating that the Plan is designed in accordance with applicable sections of the Code. The Plan has been amended since receiving this opinion letter, however, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and is tax exempt.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Notes to Financial Statements

Note 8. Party-in-Interest Transactions

The Plan's investments include a guaranteed investment contract and pooled separate accounts issued by Empower, the trustee, which qualifies as an exempt party-in-interest transaction, as defined by ERISA. The Plan Sponsor paid certain administrative expenses of the Plan, which qualifies as an exempt party-in-interest transaction, as defined by ERISA. Notes receivable from participants also qualify as an exempt party-in-interest transactions, as defined by ERISA.

Note 9. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

The Plan has evaluated subsequent events through October 11, 2022, the date the financial statements were available to be issued.
