Livingston, NJ 07039

This representation letter is provided in connection with your audits of the financial statements and supplemental schedule of CPNJ 401k Retirement Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the disclosures (collectively, "financial statements"), for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States ("U.S. GAAP") and whether the supplemental schedule is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's ("DOL") *Rules and Regulations for Reporting and Disclosure* under ERISA, we have elected for you to not perform any auditing procedures with respect to information prepared and certified to by American United Life Insurance Company, a OneAmerica company, the Custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by American United Life Insurance Company, a OneAmerica company, the Custodian, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 14, 2022, the following representations made to you during your audits.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 23, 2022, including our responsibility for the preparation and fair presentation of the financial statements and note disclosures.

- 2) The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA, and the supplemental schedule referred to above is fairly presented in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- 3) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- 4) We acknowledge that our election to have an ERISA Section 103(a)(3)(C) audit for the 2021 financial statements does not affect our responsibility for the financial statements and for determining the following:
 - a) The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b) A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c) The certification meets the 29 CFR 2520.103-5 requirements.
 - d) The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
- 5) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 6) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 7) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 8) Related-party relationships and transactions, and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.
- 9) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- 10) We are not aware of any uncorrected misstatements.
- 11) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 12) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status), that legal counsel have advised us that must be disclosed have been properly disclosed if applicable.
- 13) Significant estimates and material concentrations have been properly disclosed in accordance with U.S. GAAP.
- 14) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- 15) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

- 16) The supplemental schedule or financial statements disclose the following, if applicable:
- a) All non-exempt party-in-interest transactions as defined in ERISA Section 3(14) and regulations thereunder.
 - b) Investments or loans in default or considered to be uncollectible.
 - c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

Information Provided

- 17) We have provided you with:
- a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b) A substantially complete draft of Form 5500.
 - c) Additional information that you have requested from us for the purpose of the audit.
 - d) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - e) Current Plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
 - f) Completeness and availability of all minutes of all relevant boards and committees or summaries of actions of recent meetings for which minutes were not yet prepared.
- 18) All material transactions have been recorded in the accounting records and are reflected in the financial statements.
- 19) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 20) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
- a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 21) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- 22) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- 23) We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- 24) We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- 25) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- 26) We have no—

- a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
- 27) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- 28) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 29) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Pooled Separate Accounts: Stated at fair value as determined by the issuer of the pooled separate accounts based on the net asset value ("NAV") of the underlying investments. The NAV, as provided by American United Life Insurance Company ("AUL"), is used as a practical expedient to estimate fair value because the Plan has determined that fair value is not readily determinable. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell an investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment advisor reserves the right to temporarily delay withdrawal from the funds in order to ensure that securities liquidation will be carried out in an orderly business manner. There are no restrictions on redemptions from the pooled separate accounts, and there are no unfunded commitments at December 31, 2021 and 2020. (Other input)

The Plan holds an investment contract with AUL that meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value, the relevant measure for fully benefit-responsive investment contracts. Contract value, as reported for the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The methods and significant assumptions used result in a measure of fair value and contract value appropriate for financial measurement and disclosure purposes.

- 30) All required amendments to, and filings of, Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on August 8, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 31) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue it as a qualified plan (and trust). The Plan Sponsor has operated the Plan (and trust) in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to IRC Sections 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 32) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 33) The Plan has complied with the fidelity bonding requirements of ERISA.
- 34) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

- 35) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- 36) We acknowledge our responsibility for presenting Schedule H, Line 4i – Schedule of Assets (Held at End of Year) in accordance with U.S. GAAP and in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. We believe the form and content of the supplemental schedule Schedule H – Line 4i – Schedule of Assets (Held at End of Year), is fairly presented in conformity with the DOL's *Rules and Regulations for Reporting and Disclosure* under ERISA. The methods of measurement and presentation of the supplemental schedule has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.
- 37) We are aware that the forfeiture balance, as of December 31, 2021 and 2020, is \$0 and \$0, respectively. The Plan did not use any forfeitures during the years ended December 31, 2021 and 2020, to reduce employer contributions. We will continue to monitor the forfeiture account and utilize this balance in accordance with the Plan Document.
- 38) In regard to the preparation of the financial statements and related notes to the financial statements, the supplementary schedule service performed by you, and any other nonattest services, we have—
- a) Assumed all management responsibilities.
 - b) Designated an individual (with senior management) with suitable skill, knowledge, and/or experience to oversee the services.
 - c) Evaluated the adequacy and results of the services performed.
 - d) Accepted responsibility for the results of the services.
 - e) Ensured that the Plan's data and records are complete and received sufficient information to oversee the services.
- 39) We have analyzed the tax positions taken by the Plan and have concluded that, as of December 31, 2021 and 2020, through the date of this letter, there are no uncertain tax positions taken or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements.
- 40) We acknowledge our responsibility for addressing the user controls as referenced in Ultimate Software Group, Inc. SSAE16 report for payroll and American United Life Insurance Company SOC 1 reports for the user controls relating to the Plan. We believe we have adequately addressed and implemented these user controls.
- 41) We will notify you in advance of our intent to include your report, in whole or in part, in any document other than Form 5500 filed with a regulatory agency or printed, in whole or in part, for any reason, and you will have the opportunity to review such matter before its filing or issuance.
- 42) Subsequent to December 31, 2021, the Plan's investments depreciated in value by approximately 27%.
- 43) On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress. The CARES Act contains several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for loan payments. The Plan adopted the CARES Act as of April 3, 2020. The Plan Documents have not yet been formally amended.
- 44) The Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act") was signed into law on December 20, 2019. The SECURE Act, which has several provisions including, but not limited to, changes in distributions, eligibility for part-time workers, and safe harbor automatic

increase rates, is applicable for plans starting January 1, 2020. The Plan adopted the SECURE Act as of January 1, 2020. The Plan Documents have not yet been formally amended
