Independent Auditor's Report

To the Trustee and Management of the Plan Sponsor
Village Copier Incentive Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Village Copier Incentive Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of delinquent participant contributions and assets (held at end of year), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 – Description of Plan

The following description of Village Copier Incentive Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General
The Plan, which was established January 1, 1999, is a volume submitter defined contribution plan organized under Internal Revenue Code ("IRC") Section 401(k) with a cash or deferred arrangement. It covers all of the employees, except for union, certain non-resident (and leased employees effective January 1, 2022), of 20 East Copier, Inc., Village Copier, Inc., and Printing House Press Ltd., (collectively the "Employer" or "Company") who have completed twelve months of eligible service and attained the age of 21. Effective January 1, 2022, the Plan adopted the Wolf Pension Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan ("Wolf Pension Non-Standardized Plan"). The Plan is subject to the provisions of ERISA. The Trustee of the Plan is responsible for oversight of the Plan. Management of the Company determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

Contributions
Each year, participants may elect to voluntarily contribute to the Plan from 1 to 100 percent (in full percentage points) of their pretax earnings, as per the Plan provisions, up to a maximum in accordance with Section 415 (c) of the Internal Revenue Code ("IRC") and adjusted annually for inflation thereafter. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. The Plan accepts Roth Elective Deferrals made on behalf of participants. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans ("rollovers"). Participants direct the investment of their contributions and rollovers into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts
Each participant's account is credited with the participant's contributions as well as an allocation of (a) Plan earnings or losses, and (b) charged with an allocation of Plan administrative expenses. Allocations are based on the participant's earnings (losses) and expenses or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting
Participants immediately vest 100 percent in their elective deferrals.

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Loan terms range from 1-5 years or a longer repayment period allowed by the administrator for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25 percent to 6.50 percent, which are commensurate with local prevailing rates. Principal and interest are paid ratably through weekly payroll deductions.

Note 1 – Description of Plan (continued)

Payment of Benefits
Upon death of a participant with a vested balance over $5,000, the participant's beneficiary will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account if the death occurs before Required Minimum Distributions ("RMD") must begin, or annual installments based on the longer of the participant's life expectancy (had he or she survived) or the remaining life expectancy of the beneficiary if the death occurs after RMDs must begin. If the vested interest is less than $5,000, or for termination of services for reasons other than death, a participant shall receive the value of the vested interest in his or her account as a lump-sum distribution. Distributions are subject to the applicable provisions of the plan agreement.

Coronavirus Aid, Relief and Economic Security Act
The Coronavirus Aid Relief, and Economic Security Act ("CARES Act") was passed by Congress on March 27, 2020. The CARES Act offers various relief and tax advantaged provisions to Plan participants. Plan Management elected not to adopt these provisions.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Employer determines the Plan's valuation policies utilizing information provided by the Plan's investment adviser, custodian, trustee, and insurance company.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Participant Contributions Payable
The Plan failed the discrimination test for the years ended December 31, 2021 and 2020. The amounts payable to participants for contributions in excess of amounts allowed by the IRS in 2021 and 2020 of $17,621 and $16,567, respectively, are recorded as liabilities at December 31, 2021 and 2020, respectively. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

Note 2 – Summary of Significant Accounting Policies (continued)

Payment of Benefits
Benefits are recorded when paid by the Plan.

Administrative Expenses
The Plan's expenses are paid by either the Plan or the Company as provided by the Plan agreement. Certain administrative expenses of the Plan that are paid by the Plan are recorded as deductions in the accompanying Statements of Changes in Net Assets Available for Benefits. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Accounting Standards Update ("ASU")
On August 28, 2018, FASB issued ASU 2018-13, Disclosure Framework–Changes to the Disclosure Requirement for Fair Value Measurement (Topic 820). The ASU, which applied to all entities (including defined contribution plans) removed, modified and added fair value and/or NAV related disclosures. The ASU was effective for years beginning after December 15, 2019. The Board of Trustees determined that the adoption of ASU 2018-13 had no impact on its financial statements.

Note 3 – Information Prepared and Certified by Principal Trust Company

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by Principal Trust Company:

	2021	2020
Investments, at fair value:		
Mutual funds	$ 6,171,883	$ 5,291,586
Investments measured at NAV	88,581	89,263
Total investments at fair value	$ 6,260,464	$ 5,380,849
Notes receivable from participants	$ 153,220	$ 108,459
Investment income		
Net appreciation in fair value of investments	$ 692,551	$ 937,532
Interest and dividends	84,286	45,253
	$ 776,837	$ 982,785
Interest income on notes receivable from participants	$ 5,944	$ 5,686

The assets of the Plan are invested at the direction of the participants in various investment funds at December 31, 2021 and 2020.

Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in inactive markets; • Inputs other than quoted prices that are observable for the asset or liability; • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust Principal Stable Value Signature ("Stable Value Fund"): The Stable Value Fund, common collective trust, is primarily composed of conventional, synthetic and separate account investment contracts issued by life insurance companies, banks, and other financial institutions that are valued at the NAV units of the collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the Stable Value Fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Note 4 – Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's recurring investments at fair value at December 31, 2021 and 2020:

	Investments at Fair Value at December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds:				
Emerging Markets	$ 41,979	$ -	$ -	$ 41,979

Investment measured at NAV (a)	-	-	-	89,263
	$ 5,291,586	$ -	$ -	$ 5,380,849

(a) In accordance with ASU 2015-07, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Note 4 – Fair Value Measurements (continued)

Fair Value of Investments in Entities That Use NAV
The following table summarizes the investments measured at fair value based on NAV per shares as of December 31, 2021 and 2020, respectively:

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Fund	$88,581	n/a	Daily	1-2 Days

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Stable Value Fund	$89,263	n/a	Daily	1-2 Days

Note 5 – Restrictions of Stable Value Fund

Withdrawals to accommodate participant distributions may be made on any business day. Withdrawals made by participants for investment in another fund may be held in a non-competing investment option for up to 90 days if it were to be directed to a competing fund. Were the Plan to initiate a full redemption of its investment in the Stable Value Fund, the investment adviser reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 6 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Note 7 – Partial Plan Termination

During the year ended December 31, 2020, the Company sustained declines in operating revenues. As a result, employees were terminated at various times throughout the year. In total, the participants who were terminated amounted to more than 20% of plan participants; accordingly, the plan sponsor determined that a partial plan termination had occurred. Plan participants were not affected by the terminations as they were fully vested in their account balances.

Note 8 – Tax Status

The volume submitter plan received a favorable opinion letter dated March 31, 2014, in which the Internal Revenue Service (IRS) stated that the volume submitter plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

The Wolf Pension Non-Standardized Plan, effective January 1, 2022, received a favorable opinion letter dated June 30, 2020, in which the IRS stated that the Wolf Pension Non-Standardized Plan, as designed, is in compliance with the applicable section of the IRC.

Note 8 – Tax Status (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

COVID-19 Pandemic
The impact of the COVID-19 pandemic outbreak continues to evolve. Said pandemic has adversely affected net global economic activity. Because the values of the Plan's investments have and will fluctuate in response to these changing market conditions, the impact of this situation on the Plan (and the Company) and its future results and financial position is not presently determinable.

Note 10 – Related Party Transactions

The investments owned by the Plan are managed by Principal, the custodian of the plan. Fees incurred by the Plan for the investment management services are paid by revenue sharing, rather than direct payment.

As described in Note 2, the Plan made direct payments to Principal of $11,943 and $8,935 for the years ended December 31, 2021 and 2020, respectively; which were not covered by revenue sharing. The Employer pays directly any other fees related to the Plan's operations.

Note 11 – Untimely Participant Contributions

For the year ended December 31, 2021, there was an unintentional delay by the Company in submitting employee contributions of $3,508 to the custodian. This untimely payment was received by the Plan in May 2021, and is included in participant contributions in the 2021 statement of changes in net assets available for benefits. The Company is in the process of calculating lost earnings under the self-correction program and expects to have the correction completed in 2022. The Company does not believe that the amount of the lost earnings that will be payable to the participants will be material to the accompanying financial statements.

Note 11 – Untimely Participant Contributions (continued)

For the year ended December 31, 2020, there were unintentional delays by the Company in submitting employee contributions totaling $17,700 to the custodian. These untimely payments were received by the Plan in July 2020 in the amount of $5,773, in April 2020 in the amount of $4,959, and in June 2021 in the amount of $6,968, and are included in participant contributions in the 2020 statement of changes in net assets available for benefits. The Company self-corrected the untimely participant contributions of $5,773 and $6,968 and reimbursed the Plan for lost interest in July 2020 and June 2021, respectively. The Company is in the process of calculating lost earnings for the late remittance of $4,959 under the self-correction program and expects to have the correction completed in 2022. The Company does not believe that the amount of the lost earnings that will be payable to the participants will be material to the accompanying financial statements.

Note 12 – Subsequent Events

General
The Plan has evaluated subsequent events for potential recognition or disclosure in the financial statements through October 12, 2022, the date the financial statements were available to be issued.

Recent increases in inflation and interest rates, as well as other changes in economic and political events, have resulted in increased volatility in financial markets. Accordingly, the Plan's investment portfolio, subsequent to December 31, 2021, has incurred a decline in aggregate fair value. It is not known if values will continue to decline or how long a recovery, if any, of these values will take to recapture their peak values.

Part I Asset and Liability Statement

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
