INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
UCI Construction, Inc. Profit Sharing and Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of UCI Construction, Inc. Profit Sharing and Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of UCI Construction, Inc. Profit Sharing and Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects,

the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of UCI Construction, Inc. Profit Sharing and Employee Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about UCI Construction, Inc. Profit Sharing and Employee Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UCI Construction, Inc. Profit Sharing and Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about UCI Construction, Inc. Profit Sharing and Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

NOTE 1 DESCRIPTION OF PLAN:

The following description of the UCI Construction, Inc. Profit Sharing and Employee Savings Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a qualified defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility - The Plan covers all employees who have worked 12 consecutive months during which they completed at least 1,000 hours of service and are 21 years of age.

Contributions - Eligible employees may contribute up to a maximum annual contribution specified by the Internal Revenue Service. The maximum employee contribution was $19,500 ($26,000 for employees age 50 or older) for the years ended December 31, 2021 and 2020.

During 2021 and 2020, UCI Construction, Inc. (Company) contributed a match of 1% of the employees' contributions up to the maximum amount allowed by the IRS for the Plan year.

Participant Accounts - All contributions to the Plan are directed by the participants into investments in funds made available through a contract with the custodian. Upon termination of employment, retirement, or death, a participant or his/her beneficiary may elect to have the benefits distributed in one lump sum cash payment or in equal installments over a period of not more than their assumed life expectancy as determined at the time of distribution.

Funding Policy - Employee contributions are normally remitted as soon after the contributions are withheld as the assets can reasonably be segregated. The employer matching contributions are remitted with employee contributions.

Vesting - Participants are immediately vested in their contributions and the employer matched contributions plus actual earnings thereon.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses have been recorded.

NOTE 1 DESCRIPTION OF PLAN (Continued):

Notes Receivable from Participants (Continued) – If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment to the participant based on the terms of the Plan document.

Investment Options - The Plan provides a variety of investment options through mutual funds offered by Voya Retirement Insurance and Annuity Company (Voya). Participants may determine the allocation of contributions between any of the following fund options:

Participants may change their investment options on a daily basis.

Excess Contributions Payable - Amounts payable to participants totaling $17,511 for contributions in excess of amounts allowed by the IRS are recorded as excess contributions payable, with a corresponding reduction to 2021 participant and employer contributions.

NOTE 1 DESCRIPTION OF PLAN (Continued):

Payment of Benefits - In the event of retirement, disability or death, the participant's account will be distributed in a single distribution or in an annuity not to exceed the participant's life expectancy. In addition, participants may request hardship withdrawals which are defined as medical, educational, and certain other expenses for which the participants have no other available funds. All withdrawals are subject to limits specified in the Plan and by the Internal Revenue Code.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value or contract value as certified by the custodian as of December 31, 2021 and 2020. Net appreciation or depreciation of investments is determined from fair values as of the previous plan year end or from cost if acquired during the current year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. See Note 3 for additional fair value measurement information.

Administrative Expenses - Certain costs of administering the Plan are paid by the Plan and include investment advisory fees. The fees for accountants, trustees, and third-party administrators are paid by the Plan or by the Plan sponsor.

Recording of Benefits - Benefits are recorded when paid.

Newly Issued Accounting Pronouncements, Not Yet Effective – In June 2022, the FASB issued Accounting Standards Update (ASU) 2022-03, *Fair Value Measurement (Topic 820) Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions*. The ASU was issued to clarify the guidance in Topic 820 *Fair Value Measurement* when measuring the fair value of an equity security subject to contractual restrictions that prohibit the sale of an equity security, to amend a related illustrative example, and to introduce new disclosure

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Newly Issued Accounting Pronouncements, Not Yet Effective (Continued):

requirements for equity securities subject to contractual sale restrictions that are measured at fair value in accordance with Topic 820. For public business entities, the amendments in this Update are effective for fiscal years beginning after December 15, 2023. For all other entities, the amendments are effective for fiscal years beginning after December 15, 2024. Early adoption is permitted. The impact of the implementation of this Update to the Plan's financial statements has not been evaluated at this time.

Reclassification - Certain 2020 amounts have been reclassified to conform to the 2021 financial statement presentation.

NOTE 3 FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than those quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs that are unobservable inputs for the asset or liability.

Fair values of investments measured on a recurring basis as of December 31, 2021 are as follows:

NOTE 3 FAIR VALUE MEASUREMENTS (Continued):

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 6,095,730	$ 6,095,730	$	$
Total recurring investments	$ 6,095,730	$ 6,095,730	$	$
Guaranteed Investment Contracts Measured at Contract Value (Note 5)	$ 234,337			
Total Investments	$ 6,330,067			

Fair values of investments measured on a recurring basis as of December 31, 2020 are as follows:

		Fair Value Measurements at Reporting Date Using		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual Funds	$ 5,769,394	$ 5,769,394	$	$
Total recurring investments	$ 5,769,394	$ 5,769,394	$	$
Guaranteed Investment Contracts Measured at Contract Value (Note 5)	$ 467,577			
Total Investments	$ 6,236,971			

Mutual Funds: Financial assets valued using level 1 inputs consist of mutual funds. The valuation methodology used for mutual funds measured at fair value uses a market approach. Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 3 FAIR VALUE MEASUREMENTS (Continued):

Guaranteed Investment Contracts: ASU 2015-12 indicates that fully benefit-responsive investment contracts are measured, presented, and disclosed at contract value and fair value information is no longer required. However, the investments measured at contract value are presented above to enable reconciliation with amounts presented on the statement of net assets available for benefits. There were no changes in the valuation techniques used as of December 31, 2021 and 2020.

Dividend Income, Investments	$ 729,480	$ 223,761

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan entered into a guaranteed investment contract with Metropolitan Insurance Company ('MetLife'). MetLife maintains the contributions in a separate account. The account is credited with actual earnings on underlying investments and charged for participant withdrawals. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 3, because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Contract value, as reported by issuer, represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to plan's prohibition on completing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued):

	2021	2020
Average Yields:		
Based on Actual Earnings	-1.70%	5.68%
Based on Interest Rate Credited to Participants	1.57%	2.65%

NOTE 6 TAX STATUS:

The Plan is qualified under the provisions of the Internal Revenue Code and is not subject to federal and state income taxes. Participating employees are not subject to federal and state income taxes on employer and employee contributions, or on income accruing to their accounts, until they receive distributions from the Plan.

The Plan was restated effective January 1, 2018 to bring the Plan under the new third-party administrator's (TPA) prototype. The TPA received a determination letter dated March 31, 2008, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. All prior amendments were incorporated into the prototype. The Plan administrator and the Plan's trustees believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

No provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 PLAN TERMINATION:

Although the Company has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA.

NOTE 8 RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS:

UCI Construction Holding Company, a related party, is an adopting employer of the Plan. The adopting employer and UCI Construction, Inc. have common ownership. There were no amounts due to or from the adopting employer and the Plan as of December 31, 2021. The Plan invests in shares of mutual funds, and securities, offered and maintained by Voya Retirement Insurance and Annuity Company. Voya is the custodian of the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:
