To the Administrative Committee
Lifetime Solutions, Inc. 401(K) P/S Plan
15400 Village Drive
Victorville, CA 92394

Dear Administrative Committee:

We have audited the financial statements of Lifetime Solutions, Inc. 401(K) P/S Plan as of and for the year ended December 31, 2021 and have issued our report thereon dated October 14, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 19, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. As disclosed in Note 2, the Financial Accounting Standards Board compiled various sources of accounting standards into one codified source of generally accepted accounting principles. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no estimates that are particularly sensitive because of their significance to the financial statements.

Financial Statement Disclosures

Certain disclosures are particularly sensitive because of their significance to financial statement users. There were no disclosures that are particularly sensitive because of their significance to the financial statement users.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements. The attached schedule lists the adjusting journal entries recorded as a result of the audit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 14, 2022. See copy of management representation letter attached.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Plan Administrators and the Board of Directors and management of Lifetime Solutions, Inc. and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,
