### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the financial statements of WB Manufacturing, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of WB Manufacturing, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WB Manufacturing, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WB Manufacturing, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WB Manufacturing, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WB Manufacturing, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedule Required by ERISA***

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## ***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of WB Manufacturing, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Notes to Financial Statements**

---

### **Note 1: Description of Plan**

The following description of the WB Manufacturing, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all full-time employees of WB Manufacturing LLC (the "Company"), except for leased, casual, collectively bargained employees, and non-resident aliens, as defined in the plan document. An employee becomes eligible to participate in the Plan on the first entry date (first day of each plan quarter) following one hour of service within a three-month time period following the employee's employment commencement date and attainment of age 19. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### **Contributions**

Participants are allowed to contribute pretax compensation, as defined in the Plan, and Roth contributions up to the annual maximum allowed by the Internal Revenue Service (IRS) each year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make a discretionary matching contribution to eligible participants as determined annually by the Company. During 2021, the Company matched 100% of eligible participants' contributions up to the lesser of 6% of their eligible compensation or \$1,500. These contributions are allocated to eligible participants on the last day of the plan year. Rollovers are not matched. Discretionary matching contributions were \$171,428, net of forfeitures, for the year ended December 31, 2021.

The Company may also make a discretionary nonelective contribution to eligible participants as determined annually by the Company. These contributions are accrued pro-rata based on compensation on the last day of the plan year. There were no discretionary nonelective contributions for the year ended December 31, 2021.

Contributions are subject to certain IRS limitations.

#### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, and allocations of the Company's discretionary nonelective contributions and plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

# WB Manufacturing, LLC 401(k) Plan

## Notes to Financial Statements

---

### Note 1: Description of Plan (Continued)

#### Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings (losses) thereon. Vesting in the Company's discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants vest at a rate of 20% per year beginning with the second year of service. Participants become fully vested after six years of service.

#### Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, including the Roth deferral account balance. Note terms range from one to five years or up to 15 years for the purchase of a primary residence. The notes are secured by the balance in the participant's account and bear interest at the prime rate published in *The Wall Street Journal*, plus 2%. Notes bear interest at a commercially reasonable rate. The interest rates on existing loans range from 5.25% to 7.50%. Principal and interest are paid ratably through payroll deductions.

#### Payment of Benefits

On termination of service due to death, disability, retirement, or termination of employment, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, installments, ad-hoc distributions, or various annuity options. If the terminated participant's vested account balance does not exceed \$5,000, the Plan will automatically distribute the account balance in a lump-sum amount. In addition, hardship distributions are permitted if certain criteria are met. The Plan also allows for in-service distributions upon attaining age 59½.

#### Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's discretionary contributions. These forfeitures are used to pay plan expenses, restore forfeited account balances of rehires, reduce future Company discretionary contributions, or to allocate as an additional Company discretionary match or nonelective contribution. Unallocated forfeitures from nonvested accounts at December 31, 2021 and 2020, were \$24,993 and \$42,144, respectively. Forfeitures in the amount of \$41,757 and \$6,054 were used to reduce Company contributions and pay plan expenses, respectively, for the year ended December 31, 2021.

### Note 2: Summary of Significant Accounting Policies

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

# **WB Manufacturing, LLC 401(k) Plan**

## **Notes to Financial Statements**

---

### **Note 2: Summary of Significant Accounting Policies (Continued)**

#### **Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

#### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

#### **Excess Contributions Payable**

At December 31, 2021 and 2020, amounts payable to participants totaling \$15,330 and \$20,133, respectively, for contributions in excess of amounts allowed by the IRS are recorded as liabilities with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022. Excess contributions payable to participants of \$20,133 for the year ended December 31, 2020, were distributed to the applicable participants prior to March 15, 2021.

#### **Payment of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

The Company absorbs various plan expenses including third-party administration fees and audit fees. Expenses that are paid by the Company are excluded from these financial statements. Investment advisory and management fees are allocated proportionately to plan participants based on their respective account balances and are offset against earnings. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

### Note 2: Summary of Significant Accounting Policies (Continued)

#### Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, which is the date the financial statements were available to be issued.

### Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

*Mutual funds held in pooled separate accounts:* Fair value of mutual funds held in pooled separate accounts is based on the quoted net asset value (NAV) of underlying investments held by the pooled separate accounts adjusted by an asset charge. The underlying mutual funds held in the pooled separate accounts are open-ended mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price.

## Notes to Financial Statements

### Note 3: Fair Value Measurements (Continued)

*Guaranteed fund:* The fair value is equal to the book value plus or minus any market value adjustment. Book value of the guaranteed fund is based on contract provisions and represents participant contributions, plus interest, less transfers and amounts used to pay benefits and withdrawals.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

|                                               | Assets at Fair Value as of December 31, 2021 |                     |             |                     |

### Note 4: Information Prepared and Certified by the Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Sentry Life Insurance Company ("Sentry"), the Custodian of the Plan.

## **Notes to Financial Statements**

---

### **Note 5: Related-Party Transactions and Party-in-Interest Transactions**

Certain plan investments are managed by the Custodian, as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees for investment management services were offset against earnings during the plan year ended December 31, 2021. Specific detail for management fees is not available from the Custodian. Fees incurred and paid by the Plan for administrative expenses were \$12,465, for the year ended December 31, 2021.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

### **Note 6: Tax Status**

The Company adopted a nonstandard prototype document with an IRS notification letter, which states the prototype plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the notification letter; however, the plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

### **Note 7: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

### **Note 8: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Beginning in March 2020, the United States economy began suffering adverse effects from the COVID-19 Virus Crisis ("CV-19 Crisis"). The Company's operations have not been significantly impacted by the CV-19 Crisis; however, the Company continues to monitor the situation. Negative impact to the Company's results of operations, cash flows, and financial condition, and the ability for the Company to continue to make contributions to the Plan, cannot be reasonably estimated or determined at this time.
