INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Underwater Construction Corporation 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Underwater Construction Corporation 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Underwater Construction Corporation 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Underwater Construction Corporation 401(k) Plan (the Plan) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan established for the purpose of providing a retirement fund for employees of Underwater Construction Corporation (the Company or Employer). The Plan also includes two participating related employers, Underwater Construction Realty Company, and Underwater Construction Corp UK LTD. Effective January 1, 2020, the Plan was restated and amended to include an automatic deferral for all eligible employees of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Great-West Trust Company, LLC (Great-West) along with Great-West Life & Annuity Insurance Company (Great-West Life & Annuity), the trustees of the Plan, hold all of the Plan's investment assets as of December 31, 2021 and 2020. The trustees invest all employee and Employer contributions, as well as earnings thereon, pursuant to the terms of the Plan. The Board of Directors is responsible for oversight of the Plan, which includes determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

ELIGIBILITY

Employees of the Company (excluding those under collective bargaining, residents of Puerto Rico, and non-resident aliens) are eligible to participate in the Plan if they have completed one year of service, have worked a minimum of 1,000 hours, and are age twenty-one or older (Participants). For purposes of salary deferrals, a participant's entry date will be the first day of the month following the date eligibility requirements are met. The Plan has an automatic enrollment feature once employees meet the eligibility requirements where said eligible employees will be automatically enrolled with a 5% contribution withheld from their eligible compensation unless otherwise specified by the participant. These initial automatic enrollment contributions are Company directed investments mapped directly to a qualified default investment alternative fund determined based on the participant's date of birth. A participant has the option to direct their investment funds at any time during their participation.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS

EMPLOYEE CONTRIBUTIONS

Participants may make Elective Deferral Contributions to the Plan up to 90 percent of their eligible compensation, as defined by the Plan, or up to the annual maximum dollar amount as prescribed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the calendar year are eligible to make additional “catch up” contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

EMPLOYER MATCHING CONTRIBUTIONS

The Company may make a discretionary matching contribution based on the participant’s contribution as well as based on the participant being employed at the end of the plan year. The matching Company contribution is invested directly in the various investment options selected by each participant. For the year ended December 31, 2021, the Company match was \$116,855.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contributions and allocations of (a) the Employer’s contributions, if any, and (b) Plan earnings, and is charged with an allocation of administrative expenses, if any. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

VESTING

Participants are immediately and fully vested in their voluntary contributions as well as any rollovers, and qualified non-elective contributions (QNEC), as applicable, plus actual earnings thereon upon entering the Plan. Vesting in the Company’s contributions plus actual earnings thereon is based on years of service. A participant is not vested until they have reached three years of service at which time they become 100 percent vested.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

Participants or their beneficiaries are entitled to receive the entire amount of their vested interest in the Plan upon retirement at age 65, death, total or permanent disability, employment termination, reaching age 59 1/2 or qualifying for a hardship withdrawal as defined in the Plan document. Upon termination of service, a participant may elect in writing to defer benefit payments until a date no later than normal retirement date or may elect to receive the balance in their account by either a lump-sum or in installments.

If the value of a terminated participant's vested benefit derived from Employer and employee contributions does not exceed, and at the time of any prior distribution, has never exceeded \$5,000, the Company can direct that the entire vested benefit be paid to such participant in a single lump-sum without regard to the consent of the participant or the participant's spouse.

The Plan also provides for in-service withdrawals with certain limitations set by the Plan. Limitations include participants must be of normal retirement age, the distribution can be due to a hardship, disability, or deemed severance, as defined. For in-service withdrawals based on hardship, the distribution must be in the amount greater than \$500.

The CARES Act allowed qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020.

Distributions to Plan participants turning 70½ are required in accordance with the IRC and the Plan document.

FORFEITURES

If a participant is not 100% vested on his or her termination date, the Employer contribution portion of the participant's account will be forfeited. All amounts forfeited may be used to offset future Employer contributions as well as reduce administrative expenses. Forfeitures were \$19,777 and \$18,991 at December 31, 2021 and 2020, respectively. There were no forfeitures used to reduce Employer contributions or administrative expenses during 2021.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund account a minimum loan of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account and earn interest at rates determined by the plan administrator. A participant is only allowed to have a maximum of two loans outstanding at one time. Loan terms shall not exceed 5 years unless the loan proceeds are used to acquire a principal residence, for which the term may be longer. Principal and interest is paid ratably through payroll deductions. As of December 31, 2021 and 2020, interest rates on all outstanding loans ranged from 3.25% to 7.00%.

Per the CARES Act section 2202, the maximum limit for new loans made between March 27, 2020 to September 22, 2020 was the lesser of \$100,000 or 100% of a participant's vested account balance. The first payment date on a new loan was deferred up to one year. Participants with an outstanding loan (meaning a loan taken before the CARES Act was enacted) that had a repayment due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest would continue to accrue on these delayed payments. The term of the loan would be extended by the length of the deferment period.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make significant estimates and assumptions that affect reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefit during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. For the year ended December 31, 2021, there were deemed distributions of \$88,379 related to notes receivable from participants which are recorded within benefits paid to participants on the statement of changes in net assets available for benefits.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). The Board of Directors determines the Plan's valuation policies utilizing information provided by the trustees. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses (realized and unrealized) on investments bought and sold as well as held during the year.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed as a result of a failed non-discrimination test. Excess contributions are recorded as a liability, with a corresponding reduction to participant contributions. Excess contributions payable amounted to \$0 and \$9,828 at December 31, 2021 and 2020, respectively. The Plan distributed the excess contributions to the applicable participants in 2021.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

The Plan pays for administrative expenses to the extent that the Company does not pay them. Personnel and facilities of the Company have been used by the Plan for its accounting and other activities at no charge to the Plan and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's accounts and are included in administrative expenses. The trustees and Merrill Lynch, the Plan's investment advisor, were paid \$28,615 and \$69,357, respectively, for the year ended December 31, 2021. Total expenses for the year totaled \$97,972. Investment related expenses are included in net appreciation of fair value of investments.

PAYMENTS OF BENEFITS

Benefit payments to participants are recorded when paid.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued. No events have been identified that would require adjustment to, or disclosure in, the financial statements.

NOTE 3 - CERTIFICATION OF INVESTMENT INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividend, and other income for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustees. This information has not been audited by the Plan's independent auditors. The certification does not apply to the notes receivable from participants and interest income on notes receivable from participants.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The Plan also considers nonperformance risk in the overall assessment of fair value. See Note 2 and below for the basis of the Plan's fair value of investments.

The three levels of the fair value hierarchy under this framework are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued based on daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded in an open market.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 29,447,308</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 29,447,308</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 24,095,114</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 24,095,114</u>

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive investment contract with Great-West Life & Annuity. Great-West Life & Annuity maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Great-West Life & Annuity is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Since the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value.

Contract value, as reported to the Plan by Great-West Life & Annuity, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 5 - GUARANTEED INVESTMENT CONTRACT (CONTINUED)

There are no reserves against contract value for credit risk of Great-West Life & Annuity or otherwise. The contract value of the investment contract at December 31, 2021 and 2020 was \$2,626,317 and \$2,305,984, respectively. The crediting interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with Great-West Life & Annuity. Such events include the following: (1) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that any such events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The investment contract does not permit Great-West Life & Annuity to terminate the agreement prior to the scheduled maturity date.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner as the Company deems appropriate.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 7 - RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments in mutual funds are managed by Great-West. Furthermore, Plan investments in the fully benefit-responsive guaranteed investment contract are managed by Great-West Life & Annuity. Great-West and Great-West Life & Annuity are the trustees of certain Plan assets as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions as defined by Section 3(14) of ERISA. Additionally, the Plan extends loans to participants, who are considered parties-in-interest.

NOTE 9 - TAX STATUS

The Company adopted a volume submitter Plan, which received an opinion letter from the IRS, dated June 30, 2020, stating that the Company may rely on the opinion letter with respect to the qualification of the Plan under IRC Section 401(a), and also informed the Company that the volume submitter Plan will not receive a determination letter. The Company may separately request a determination letter with respect thereto. The Company has not requested such a determination.

Any employer adopting this form of the plan will be considered to have a plan qualified under this section of the IRC. Therefore, the related trust is tax-exempt. Once qualified, the Plan is required to operate in compliance with the IRC to maintain its qualified status.

The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes the Plan is qualified and the related trust is tax-exempt.

UNDERWATER CONSTRUCTION CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 9 - TAX STATUS (CONTINUED)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
